Annual Operating Budget

THE NEW MUNICIPAL COMPLEX

GROUND
BREAKING
CELEBRATION

JULY 12TH

2012

Proposed

L.E.E.D. Platinum

[Leadership in Environmental and Engineering Design]

U.S. Green Building Council

FY 2012 - FY 2013

COVER: FY-2012 saw the official groundbreaking of the City new [and first] City Hall and Police Headquarters building. Although it has only been 8 ½ years since the City incorporated, the City successfully negotiated the N.Y. bond market with a \$55 million certificate of participation construction bond issue, and received an A+ rating in the process.

The new complex includes a City Hall structure (70,000 sq. ft), a new Police Headquarters [68,000 sq. ft], a dedicated City Council Chambers building [7,000 sq. ft], a separate mechanical building and a 4-story parking structure. The entire complex has been designed to the L.E.E.D. Platinum standard of design and sustainability. Upon certification at completion, it will be the world's largest Platinum L.E.E.D. City Hall complex, and should serve the city's needs well into the 21st century.

Groundbreaking took place on July 12, 2012, and occupancy is expected by September, 2013.

City Council

Vision Statement

The mission of the City of Miami Gardens, Florida, is to enhance the quality of life through the efficient and professional delivery of public services. We are committed to fostering civic pride, participation and responsible development for the community.

Mission Statement

The City will deliver superior services designed to enhance public safety and quality of life while exercising good stewardship through open government and active civic business and resident involvement.

Miami Gardens is and will be a vibrant and diverse City with a strong sense of community ownership, civic pride, abundant employment opportunities and cultural and leisure activities for its residents. We will provide continued economic viability through well planned, responsible and sustainable growth and redevelopment.

Office of
The City Manager

CITY MANAGER'S BUDGET MESSAGE FOR FY 2012-2013

Dear Mayor and City Council:

Presented herein is Miami Garden's FY 2012-2013 annual budget. FY-2012 was definitely a difficult challenge highlighted by the continuing story of an economy in decline. The loss of over 100 employee positions over the past three years, coupled with the lack of discretionary financial resources, have both contributed to a holding action for most of our departments. FY-2013 offers a glimmer of hope that we are starting to emerge from these dark days and beginning to see hope in moving forward in addressing our resident's needs.

In developing this budget message, I have attempted to better identify how our spending is linked to our various strategic planning processes. At various places throughout the message, you will see superscript abbreviations identifying a particular action or expenditure with the corresponding strategic plan that it is addressing. These abbreviations are:

(CDMP) = Comprehensive Development Master Plan	(CVS) = Community Visioning Study	(ITSP) = Information Technology Strategic Plan
(441CS) = US 441 Corridor Study	(RTP) = Recreational Trails Plan	(TCMP) = Town Center Master Plan
(TMP) = Transportation Master Plan	(PMP) = Parks Master Plan	(SSA) = Street & Sidewalk Assessment Study

The FY-2013 Budget Process and the Principal Financial Challenges and Issues Facing the City

Miami Gardens faces the usual municipal challenges found in most other cities throughout the County and the nation, and some more unique 'growing' related challenges faced by a relatively new municipality. A key priority to our residents is the challenge of dealing with the ever present threat of crime. Our police department, formed at the end of 2007, has done an amazing job addressing the crime problem head-on. In doing so, it has achieved a 33+% reduction in serious,

Part I offenses. Still, crime remains at the top of our residents' concern ^(CVS) and is addressed in the budget as our top funded municipal priority at almost 50% of total General Fund expenditures. One unique aspect of this problem is perception. The unincorporated Miami Gardens area historically had a reputation within the County as a high crime area, and not without some justification. This reputation lingers, presenting a problem that is no longer justified. The chart below was compiled from Florida Department of Law Enforcement statistics for the past three years (2009-2011). Its results will surprise many: Table #1:

Comparison of Serious Crime Rates for Selected Dade and Broward Cities
Crime Rate per 1000 Residents
(3-Year Average)*

City	Population	Homicide	Sexual Battery	Robbery	Aggravated Assault	Burglary	Larceny	Auto Theft	Total Crimes	Overall Crime Rate	City Rank
Opa Locka	15,369	0.37	0.39	8.26	17.50	33.27	39.41	9.30	1688	110	1
Miami Beach	91,001	0.07	0.44	4.19	5.04	13.08	78.25	6.72	9808	108	2
North Miami	58,533	0.14	0.49	4.65	5.35	14.59	37.44	5.62	3996	68	3
Ft. Lauderdale	175,478	0.06	0.42	3.96	3.93	16.81	37.43	3.65	11627	66	4
Miami	415,509	0.16	0.17	4.77	6.70	11.71	34.19	6.16	26543	64	5
Pompano	99,354	0.07	0.50	3.54	5.75	11.46	37.17	3.67	6175	62.2	6
Miami Gardens	108,873	0.21	0.22	3.41	5.73	13.68	32.78	5.70	6722	61.7	7
Coral Gables	46,012	0.03	0.08	0.74	1.22	8.88	35.30	1.83	2212	48	8
Miramar	116,181	0.06	0.31	1.54	2.62	9.36	18.06	2.56	4009	35	9
Coral Springs	125,403	0.01	0.04	0.69	1.48	4.49	17.68	1.31	3224	26	10

Cities with a higher Crime Rates than Miami Gardens =

* F.D.L.E. Data for 2009-2011

As is clearly demonstrated by the chart, Miami Gardens is nowhere near the top in violent crime in South Florida. Outside of this area, Miami Gardens has a lower crime rate than St. Petersburg or Orlando. This is information we need to disseminate to the public and new organizations.

In FY-12, we received another major stimulus grant that will allow us to hire ten additional officers for our policing department. For the FY-13 budget, we have allocated sufficient funds to begin paying 40% of the cost for these officers as

required by the grant.

For FY-12, unfortunately, the County property appraiser has once again reported a drop in the City's taxable value as compared to the unadjusted FY-12 tax roll, although the decline is the smallest in the past four years at 2.48%. Hopefully, this will mark the end of the decline and we will begin to rebound in positive territory for FY-14. This drop does impact the FY-13 budget. In July 2011, Property Appraiser estimated the City's preliminary taxable value for FY 2012 as \$3,467,200,467; however the final taxable value reported in July 2012 reflects only \$3,278,198,300, a decrease of 5.5%. Since the final value is \$3.278 million and the FY 2013 preliminary value is \$3.389 million, the roll-back rate actually declines and becomes 6.3620 mills. This translates to a reduction of \$1.128 million in tax revenue under the current millage rate of 6.5616. In order to generate the same amount of tax revenue as budgeted in FY 2012, the millage rate will have to be 6.7125 mills. This budget however is balanced at the roll back rate of 6.3620 and utilizing \$946,437 from fund balance.

A bright spot in FY-12 was the settlement of the City's lawsuit with Miami-Dade County over the C.I.T.T. funds (Citizens Independent Transportation Trust). As you know, Miami Gardens was one of three out of 34 cities in the County not receiving these tax dollars even though our residents paid the tax. In May, the City settled for a one-time payment of \$10.2 million and inclusion in the distribution formula for future allocations of the tax.

While a significant portion of these funds had to be allocated for future transportation projects, \$6.8 million was able to be allocated to the General Fund to reimburse it for eight years worth of transportation-related expenditures. Because this is a one-time payment, none of these funds were allocated for operational expenditures; instead, they were designated for either the City's emergency reserve or for paying off several old bond issues (with the added benefit of reducing General Fund debt service requirements). Table #2 below illustrates the change in the City's General Fund unencumbered/Unreserved fund balance. From a recession-battered 9.99% low, the new allocation once again brings our fund balance to a level that is recognized by our financial policies (see page 48) and by the bond rating agencies, as financially sound.

TABLE# 2 PROPOSED USE OF GENERAL FUND CITT ALLOCATION FOR EMERGENCY RESERVE

Unrestricted Emergency Reserve	Actual	Actual	Actual	Estimated	Estimated
	FY 08-09	FY 09-10	FY 10-11	FY 11-12	FY 12-13
Year-End Reverted Funds	\$403,885	(\$2,766,736)	(\$1,147,238)	(\$156,840)	\$300,000
Re-Appropriated Fund Balance					(\$946,437)
One time Tax Increase	\$0	\$0	\$0	\$1,500,000	\$0
CITT Allocation to Emergency Reserve	\$0	\$0	\$0	\$3,224,314	\$0
Total Unencumbered Funds in the Reserve	\$9,214,386	\$6,447,650	\$5,300,412	\$9,867,886	\$9,221,449
Total General Fund Expenses	\$56,467,792	\$56,266,009	\$53,043,518	\$51,538,193	\$57,580,675
% Emergency Reserve	16.32%	11.46%	9.99%	19.15%	16.01%

Another aspect of the budget reflective of the FY-11 and FY-12 budgets was staff furloughs. These unpleasant but necessary days-off without pay were key to the City surviving the worst of the economic downturn in its history. All employees deserve a

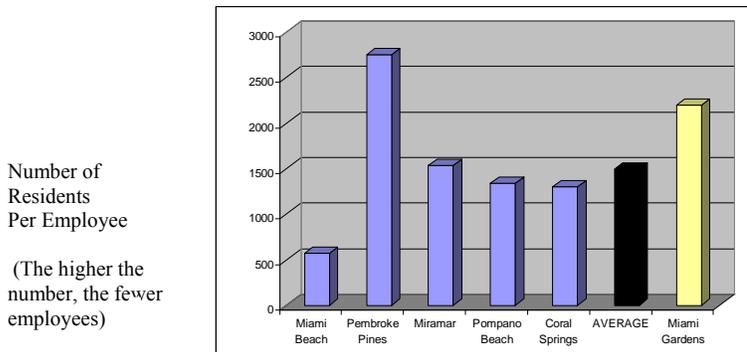

hardy thanks for their sacrifice. I am pleased to say that the FY-13 budget does not include any furlough days. While we have not recovered enough to reinstate all of the pay impacts that were imposed (Cost-of-Living Increases, Deferred Compensation Match and Merit Pay), we are beginning to see positive movement. The FY-13 budget does however; include a number of cuts in departmental budgets. These were necessary in order to balance as revenues are still lagging. It is anticipated that if revenues exceed our projections over the coming year, that many of these items and positions can be reinstated to the budget. These cuts include:

Table #3: FY-13 Budget Cuts

Action	Savings/Revenue
Building Department Software for increased Web Access	\$ 700,000
Elimination of Deputy City Manager Position	\$ 183,700
Elimination of I.T. Support Technician	\$ 64,350
Not funding a Police Captain Position	\$ 196,275
Elimination of 1 Coordinator in Media and Events	\$ 40,000
Elimination of Code & Building Compliance Director	\$ 124,500
Elimination of 1.5 FTE Community Development Positions	\$ 98,170
Elimination of 2 Code Officers (grant funded)	\$ 108,102
TOTAL SAVINGS	\$ 1,515,097

The City of Miami Gardens runs on a lean staff. From the Chart below, it is clear that we have one of the lowest Staff-to-Resident ratios of any city our size: far below the average. While this is good for efficiency, it is not always so good for effectiveness. Ultimately, the City must face the dilemma of staff versus service levels as we cannot continue to add programs and duties to the existing staff without serious burnout and decline in productivity.

Chart #1: Residents per Employee

Even though we are eliminating certain positions for FY-13, we also have had to add other positions to meet basic needs. These new positions include:

Table #4: FY-13 Budget Additions

City Hall Inspector (Temporary)	\$ 105,500
CITT Project Inspector	\$ 76,095
Contracts Administrator	\$ 119,600
2 Stormwater Workers	\$ 87,915
10 Police Officers (Cops Grant newly awarded)	\$ 845,290
TOTAL COSTS	\$1,234,790

The City's FY 2012-2013 budget reflects the funding necessary to continue forward on our vision for Miami Gardens and to provide for the continued fiscal vitality of the City.

This budget was balanced at 6.3620. The budget is based on a level of service comparable to FY-12 with an additional 10 police officers, partially funded by Federal COPs grant. However, the City still has to provide funding of approximately \$500,000 for the first year of the grant and this will increase to approximately \$800,000 in the third year of the grant.

It is my belief that our current challenges are externally created and somewhat temporary. The past nine years have been overwhelming, starting with nothing and developing a vibrant city. We seem that we thrive on such challenges.

GENERAL FUND

Staff began the FY-2013 budget process unsure about a number of revenue impacts such as the legislature's changes on for telecommunication service tax (which will reduce the City's revenue). Also in FY 2012, due to lower fuel adjustment and one time rebate to consumers on electric franchise fee, the City received \$1.7 million less in revenue. Based on staff conversation with the County; the revenue for FY-13 should remain approximately the same as what we received in FY 2012. This uncertainty has required us to use prudent judgment on budgeting expenditures, especially ones that are not one-time expenditures.

Bond Issues for FY-13

As indicated earlier, the City used \$3.3 million in C.I.T.T. reimbursement funds to retire four bond issues. However, we will need to issue a new equipment bond issue for FY-13. It has now been five years since we initiated our police department. As you may well know, these cars are driven hard and are now approaching 100,000 miles. We need to replace the vast majority of the vehicles. The budget proposes a \$3.27 million equipment bond for these vehicles and several other pieces of non-police equipment that have reached the end of their useful life (Parks mowers, reel mowers etc). The sale of the old police vehicles is expected to bring in over \$300,000 in revenue. In addition we also need to finance 10 additional police vehicles in the amount of \$400,000 for the Cops grant that the City was just awarded. Repayment for the 5-year bond is built into the FY-13 budget.

Also, later in FY-13, we will need to refinance the debt on the two pieces of property we purchased almost five years ago – The Cornerstone tract on 27th Avenue and the Wal-Mart tract on NW 7th Avenue Extension. These bonds will not add any debt service costs to the City as they are already being paid in the budget. Only the term of the bond will change.

Budget Priorities in Difficult Times

The budget presented here provides for the addressing of the challenges we face, though not necessarily at the levels that we would like. We have to accept that these are extraordinary times and prudence dictates that we not make commitments or take on challenges that we cannot hope to meet until the financial picture improves. The visioning process that City Council undertook in FY-2010 will continue to help clarify our goals and priorities for the coming year and for future years. ^(CVS)

FY-13's most visible accomplishment will be the completion of construction on the City's new City Hall and Police Headquarters complex on NW 27th Avenue. ^(CVS) ^(PMP) It is expected that the final completion will take place in August 2013. There are some budget implications for this project as the City will incur additional insurance cost, operating cost for electricity and water and debt service. As for the insurance, we are looking into perhaps self-insuring for the property damage coverage on the new complex. This will come to Council later in the fiscal year for consideration. As for the debt service costs, these were addressed when County paid off the bond issues with the C.I.T.T. reimbursement funds. There will be several additional employees needed to maintain the new complex and the sophisticated mechanical and photovoltaic systems involved. These will be addressed in the FY-14 budget.

Other planned initiatives that will begin in FY-13 include the installation of dozens of new bus shelters. ^{(CDMP)(CVS)} under the A.A.R.A. stimulus grant program (with Miami-Dade County); possible renovations to the Old Archdiocese building for a dedicated senior health center, ^{(CDMP)(CVS)(TMP)} the renovation of North Dade Optimist Park using grant funds ^{(CDMP)(CVS)} and completion of Rolling Oaks Park if we are able to receive the final allocation of the County's G.O. Bond program. Keep Miami Gardens Beautiful will continue its re-canopy program through interlocal efforts with the County and State and using the unrestricted C.I.T.T. transportation funds we received. ^{(CDMP)(CVS)}

In our NSP grant program, the foreclosed homes purchased in FY-10 and FY-11 under this program are being renovated and sold to eligible first-time homebuyers. This program continues for FY-13.

Major Revenues

In building a budget, we usually look at revenues first. This is what we currently know about FY-13 revenue:

- **Ad Valorem or Property Tax:** Ad valorem or property taxes are taxes levied against the taxable value of real and certain personal property. In Miami-Dade County, each municipality sets a tax rate based on its needs and levies this as a dollar cost per \$1,000 of taxable valuation. Our FY-12 tax rate was 6.5616 mills. The FY-13 City taxable value estimated by the Property Appraiser Office in July 2012 was \$3.389 billion; this reflects a decrease of \$189 million, or -5.45% compared to the FY 2012 preliminary taxable value we used to adopt the budget last year. Using the new July 1 taxable value, our roll back millage rate is 6.3620 mills which would generate \$1.128 million less in taxes. This budget is balanced at the roll back rate of 6.3620.
- **State Revenue Sharing:** Created by the State of Florida to ensure revenue parity among local governments statewide, State Revenue Sharing is comprised of various State-collected revenues including a portion of the State's sales and gas taxes. The State Department of Revenue estimates the State Revenue Sharing, the General Fund expects to receive \$2,533,295 a slight increase of \$184,463 for FY-13. This represents 73% of the total received. State law requires the balance (27%) go to the Transportation Fund.
- **Utility Franchise Fees:** Franchise fees are locally levied taxes designed to compensate the municipality for allowing private utility businesses to use the City's rights-of-way to conduct their business. The Utility Franchise Fee is economy-based revenue. As an area's growth increases, so does the revenue. They are also affected by weather, especially electric and water. We were informed in June 2011 that due to onetime rebate adjustment and lower fuel rate charges, the City would receive \$2.97 million in electric franchise fees or a reduction of \$1.1 million. We were informed that the City should expect the same for FY 13. We have budgeted a slight increase to \$3.2 million as we have noticed there were increases in consumption from the electricity utility tax receipts. Natural gas franchise fees are collected by Miami-Dade County on our behalf and remitted back to the City.
- **Utility Taxes:** Utility taxes are paid by the utility customer as a percentage of their bill for using the various utilities services – water, sewer, electric and communications. These taxes are collected by other local governments and remitted to the City. The portion remitted to the City by the Miami-Dade Water-Sewer Department is net after the City's portion of a past General Obligation Bond payment is deducted (QNIP Bond). The cities of North

Miami Beach and Opa Locka are the other utility providers in Miami Gardens. Overall, Utility Tax budgeted revenue is expected to increase by \$691,778 or 6.7% from \$10,276,782 to \$10,968,560. The Communications Services Tax is collected by the State and remitted to the City monthly. This revenue is expected to be \$4,028,560 for FY-13 by the State.

- **Half-Cent Sales Tax:** The Half-Cent Sales Tax is levied as a percentage of the retail sales price on all goods and many services purchased in the private sector. For Miami-Dade County, the tax rate is 6½%. This tax is collected by the State of Florida and allocated to cities and counties by statutory formula based largely on population rather than point-of-sale. Based on the State estimates, the City of Miami Gardens expects to receive \$7,285,992 from this source in FY-13. This is approximately \$210,000 more than FY-12.
- **Other Local Revenues:** Locally derived revenues form a major component of our City budget. These revenues include business tax (occupational) licenses, alarm and landlord permits, certificates of use, parks and recreation fees, interest earnings, other operational revenues, and fines and forfeitures. Some of these revenues are collected by the County, while others are directly collected by the City.

Many local revenues are population sensitive and we believe that they will remain fairly steady for the coming year. Total other local revenue is estimated at \$10,431,707 or an increase of 8.2% over FY-12 budget. This increase is attributed to increase in revenue for Jazz in the Gardens due to FY 2012 ticket sales, traffic fines and sale of police vehicles that are due for replacement in FY 2013.

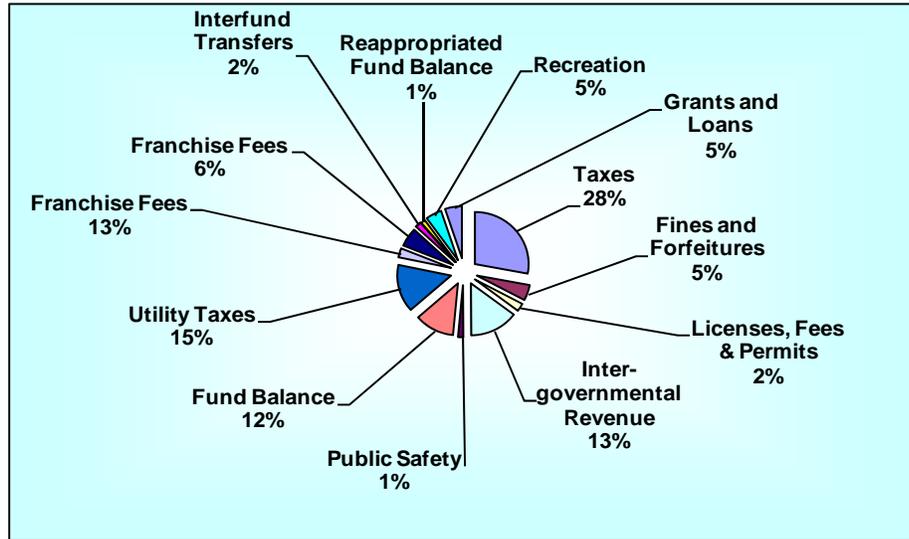

The above represent 92% of total General Fund Revenues. The remaining 8% of revenues include such items as internal service charges, and miscellaneous state and County-shared revenues, loan proceeds of approximately \$3.67 million for police vehicles and equipment, and \$946,437 of re-appropriated fund balance to balance FY 2013 budget.

New Amphitheatre at the Betty T. Ferguson Complex was opened in October 2011.

Chart #2 below, depicts the breakdown of the various revenue types as a percentage of total General Fund revenues by general revenue type.

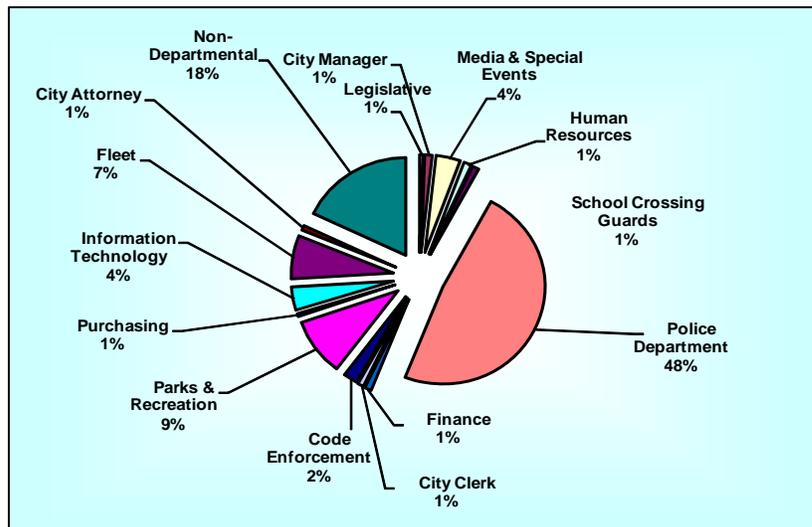

Chart #2: General Fund Revenues for FY-13

Expenditures

The other side of constructing a budget is expenditures. Usually, the largest of these are employee-related costs such as salaries and benefit expenses. Since March 2011, the City’s employees have not been receiving any merit increases, cost of living allowances or the 3% match of the 457 Plan. Above practice will continue in FY 2013. Further, employees also have been taken furlough for the past year-and-a-half and for FY 2013, the budget is balanced at eliminating the imposition of furlough. This budget provides full funding of 9 police officers from the first COPs grant which expired in FY 2012 and partial funding of an additional 10 police officers of the new COPs grant that the City was just awarded.

Chart #3: General Fund Expenditures for FY-13

Transfers

Transfers represent internal transactions between budget Funds. Transfers may appear as revenues or expenditures, depending on whether a Fund is making or receiving a transfer. One of the largest of these transfers is the General Fund administrative charge to non-General Fund activities. This charge is based on actual past usage of General Fund assets (personnel, finance, legal, management and legislative support, purchasing, fleet and information technology, etc.) and is charged to the Transportation Fund, Development Services Fund, the C.I.P. Fund and the Stormwater Fund. The Debt Service Fund also accepts transfers for bond payments based on actual debt service attributable to each fund's usage of bond proceeds.

Changes in the FY 12-13 Budget

The following areas involve major changes over the FY-13 budget.

- **Equipment.** We delayed the replacement of police vehicles in FY 2012 and are now at the point that it is not cost effective to continue maintaining 90 so vehicles. The FY-2013 budget proposes replacing those vehicles for approximately \$2.8 million. Besides vehicles, the City also has to replace the cameras in the police vehicles and purchase body cameras for the police officers (\$500,000) plus replacement of parks equipment of approximately \$40,000. All these purchases will be financed over a five year period. \$100,000 of the body camera cost will be paid for by Law Enforcement Trust Fund receipts (L.E.T.F.). Further, due to the recent award of the COPS grant, the City will have to purchase an additional 10 vehicles to equip the 10 additional officers in the amount of \$400,000.
- **Supplies.** Supplies, computers and other office-type expenses have been reduced for FY-13. They should still be adequate to carry out routine activities. In general, these categories are equal to or less than in FY-12 as a result of continued belt-tightening.
- **Personnel.** The budget provides for a net increase of seven positions to 547 F.T.E. personnel. As for other positions, the City will continue to evaluate and only replace any vacant positions if they are critical to operations.

General Fund Summary

The FY 12-13 budget provides what I believe is the minimum level of City operations necessary to responsibly carry out our duties, to address our fiscal and fiduciary responsibilities, and to provide the foundation for the vision our residents had when they incorporated. The staffing levels and some of the cuts made in the FY-11 through FY-13 budgets due to lower revenues cannot be sustained in the long term; however, I believe that we will be able to operate effectively for the coming year. Miami Gardens

remains one of the lower taxed cities of our size in the Miami-Dade or Broward County area. Despite what we see happening all around us in terms of layoffs and other drastic budgetary actions, Miami Gardens remains financially strong and continues to be able to withstand the financial assault on our revenues by the State and the economy.

TRANSPORTATION FUND

In May 2012, the County settled our lawsuit against them for the City's our share of the County's Transportation sales tax revenue. This provided approximately \$3.5 million to the Transportation Fund to compensate the City for the past eight years. Beginning October 1st, the City will receive a normal allocation of approximately \$3.5 million funding every year. With this funding, the City can begin our resurfacing projects and repairs of bus shelters as well as look at establishing an in-City circulator bus.

As a result of the C.I.T.T. settlement, Finance has established three separate C.I.T.T. budget divisions: 1) For deposit of the settlement monies. These funds have less restrictions on them than will the routine allocation the City will receive in FY-13, thus need to be accounted for and used separately. They still must be for transportation uses. 2) The City has established an operating division for the regular C.I.T.T. funds that will begin in October. These will have the same restrictions on their use as are applicable to other Miami-Dade cities. 3) The third operating division is for C.I.T.T. transit-restricted funds. These must be used to further transit within the City or they must be returned to the County, unless they change the rules which are in discussion at this time. Staff is currently undertaking a study to look at the feasibility of starting an in-City circulator to help more people to major City destinations without having to change County busses two or three times. This would link major retirement populations with shopping and recreational opportunities.

Revenues

The Transportation Fund has four principal sources of operating revenue that comprise 97.7% of the Fund's operating revenue. Two of these are local gas taxes enacted by the County and state and shared with the municipalities. The First Local Option Gas Tax is a 6-cent per gallon levy by the County Commission that is expected to bring the City \$1,571,305 in revenue for FY-13, nearly the same as FY-12 budget. This estimate is provided by the state. The Second Local Option Gas Tax is also estimated by the State. This 3-cent per gallon tax allocation to the City is expected to be \$ 610,402 for FY-13.

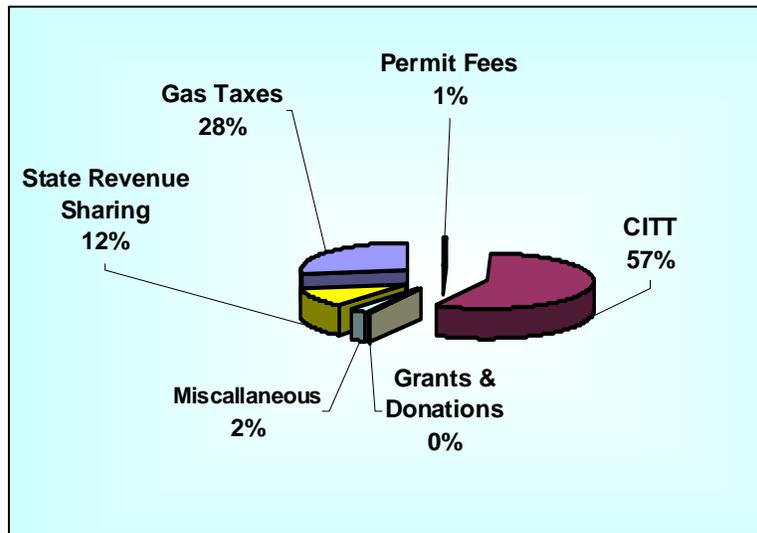

NW 7th Avenue Reconstruction

The third major revenue in the Transportation Fund is State Revenue Sharing. State statutes require that 27% of all City allocated State Revenue Sharing must be used for transportation expenses. The other 73% is revenue to the General Fund. State Revenue Sharing for transportation purposes is estimated by the State at \$919,472 for FY-13.

The fourth major revenue is the County's Transportation Surtax which the City will be receiving on a monthly basis in FY 2013. It is estimated to be approximately \$3.64 million a year.

Chart #4
Transportation Fund Revenues by Percentage

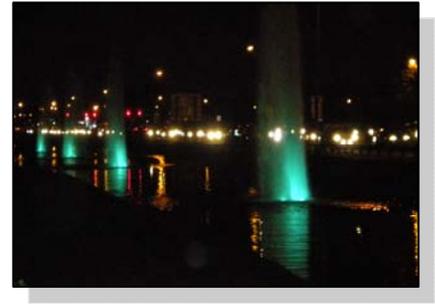

Expenditures

Because almost all of the activities of the Public Works Department concern roads and road rights-of-way, the entire operation of the Public Works Department is budgeted within the Transportation Fund. The only public works-type activity not funded in the Transportation Fund is the City's stormwater activities. These employees are housed in public works and work under the supervision of public works but are funded from the City's Stormwater Utility Fund.

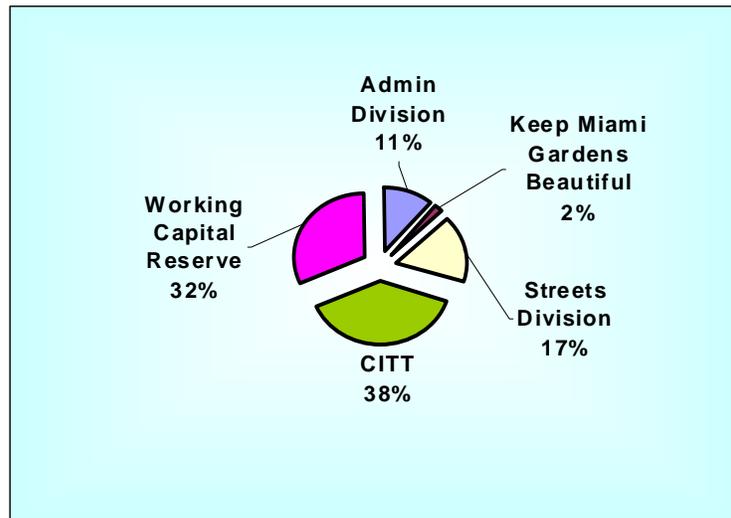

The *Keep Miami Gardens Beautiful* (KMGB) program continues in the new budget at FY-12 levels; however, sufficient funds are available in their operating account, Stormwater Utility, and the C.I.T.T. Fund to continue their present activities and enhance their tree planting efforts, especially in rights-of-way. ^(CVS) KMGB has had an extremely successful year in working with community groups to enhance the

looks of many neighborhoods. KMGB has been very aggressive in seeking sponsors and grants to maintain and enhance their program success. In FY-12 the City received the national Tree City designation for the sixth straight year. The Division works extensively with local schools for its Earth Day and other environmental programs.

Keep Miami Gardens Beautiful installed four fountains at the north 27th Avenue entrance to the City. This project was matched dollar-for-dollar by Calder Casino and Race Course.

Chart #5: Transportation Fund Expenditures by Division

DEVELOPMENT SERVICES FUND

The City’s Development Services Fund was created to account for those activities that are principally designed to serve the City’s development community. The Fund consists of the two operating departments: The Planning and Zoning Services Division and the Building Services Division of the Department of Building and Code Compliance.

The \$85million Calder Casino and Race Course addition was completed in FY-10 and continues to profit-share with the City.

The Planning & Zoning Services Division is divided into the Comprehensive Planning and Current Planning. The Comprehensive Planning Division was responsible for developing the City’s first Comprehensive Development Master Plan (CDMP) and for processing amendments to the

Comprehensive Plan. In FY-07, the Department completed and received approval by the State for the CDMP. It also won a state planning award for innovation in land use. The Current Planning Division handles re-zoning requests, plan amendments and general development approvals, and other development-related activities.

The Building Services Division of the Department of Building and Code Compliance is responsible for administering the Florida Building Code. Its activities include development plan review, building inspections during construction, and unsafe structures enforcement.

In creating the Department of Building and Code Compliance, a new director was hired to oversee these operations; however, due to the economy and especially its impact on the development, this position was eliminated and its duties assigned to the Building Official who now holds both titles.

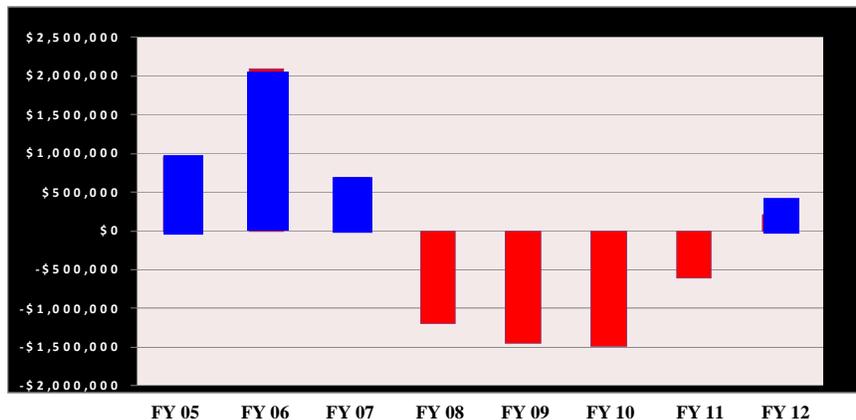

Starting FY 07-08 and still continuing today, growth in the City suffered a conspicuous downturn, following the national trend. One bright spot has been Coconut Cay which continues to experience slower but steady sales.

Revenues: In ‘normal’ times, these developer-related activities generate sufficient income to cover their associated costs; however, since the economic slowdown began, not only has the Fund utilized all of its reserves, but it has required major subsidies from the General Fund to balance. The Fund ended FY-11 with a deficit of some \$650,000. This is on top of a \$1.49 million subsidy for FY-10, \$1.45 million for FY-09 and \$1.2 million in FY-08. (Chart #7 below) For FY 12, we project

the fund will recognize a surplus of \$214,321 which is attributed to the building permits for the City Hall project.

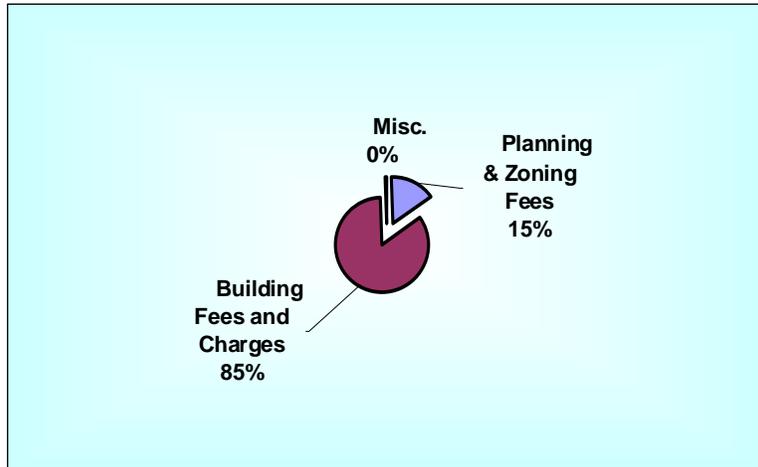

Chart #6 Deficit / Surplus in Development Services Fund

There are actually several pieces of good news in the above chart. First, there is a clear trend back to “normal”, though normal may never be like FY-06; Second, once the Fund begins to show a positive year-end balance, it can begin to repay the General Fund for its advances (subsidies).

Total budgeted revenues are \$2,511,122 which will be breakeven for FY-13.

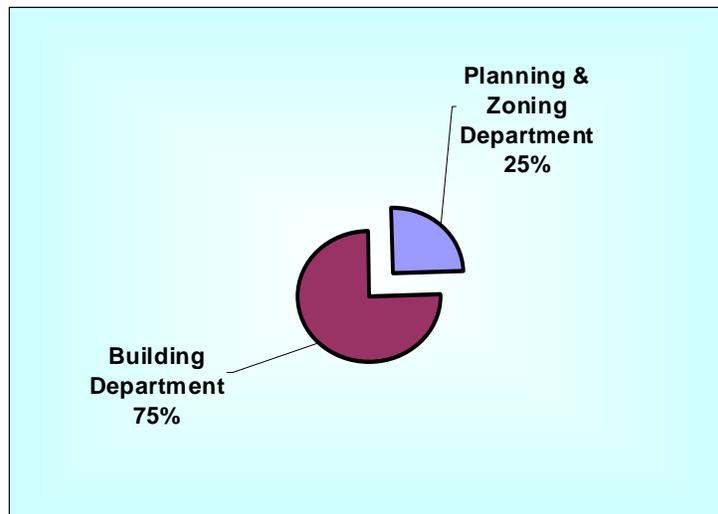

Chart #7 Development Services Fund Revenues by Percentage

Expenditures

Most expenditures in the Development Services Fund are salary related. Expenditures for the Fund are anticipated a slight increase of \$18,635 from \$2,492,487 to \$2,511,122 for FY-13 over FY-12.

Chart #8 Development Services Fund Expenditures by Percentage

STORMWATER UTILITY FUND

Operation of the City of Miami Gardens Stormwater Utility was assumed from Miami-Dade County in March 2007. Eleven (11) staff persons were hired in FY-08 to begin field operations. These employees operate through the Public Works Streets Division. For FY-13, the division has fourteen (14) employees, with 2 additional positions have been requested to start mid-year in order to carry out its responsibilities which include street cleaning, drainage basin cleaning, canal cleaning, and repair of existing drainage facilities.

The City has been successful in receiving a number of grants to supplement City funds for stormwater projects. A top priority for FY-13 will be to finish several earlier grant award projects. ^(TMP)

Street Flooding in Coconut Cay after a 2" rain event.

The City's Stormwater fee is currently \$4 per month for each Equivalent Residential Unit (ERU), or approximately 1,500 square feet of impervious surface. This fee has not been increased in 22 years.

Revenues

100% of the operating revenue for the Stormwater Utility comes from the Stormwater Utility Fee imposed on resident's utility bills. There are approximately 70,000 ERUs in Miami Gardens. Fees are expected to generate \$3,240,000 in revenue. This revenue is reduced by approximately \$110,000 due to the recent ruling by Third District Court of Appeals in *City of Key West v. Florida Keys Community College* which held that the City could not impose the charge on another sovereign government without a contract. The City was informed by Miami-Dade County Public Schools Board that they intended to cease paying stormwater fees due to this ruling.

Because of this loss of revenue and the City's difficulty in collecting the fee from households that are on well and septic tanks, the City is now looking at placing this charge on the property tax bills as allowed by state statutes. The actual fee would not change, only the method of assessment. This would eliminate the \$100,000+ annual charge to the City by the outside utility companies (City of North Miami Beach's Water Utility or by the County's Water & Sewer Department) for collecting our fee.

Expenditures

Expenditures in the Stormwater Utility involve operations (staff) and projects. For FY-13, the largest non-capital expenditure is for canal cleaning.

SPECIAL REVENUE FUND

The Special Revenue Fund was established in FY-06 to assist in the accounting for and tracking of certain revenues that come to the City that have restricted uses. These include parks and police impact fees. For FY-13, it is anticipated that we will spend some of these funds on recreation capital needs and on police equipment for the new police headquarters.

CAPITAL PROJECTS FUND

Entrance Sign and landscaping installed as part of the NW 27th Avenue Beautification project. The project was funded in the CIP with local bond funds and DOT and County grants.

The City has been very successful in securing outside financial commitments for its future capital projects. Most capital-related grants are accounted for in this fund. The FY-13 budget also includes a transfer of \$4,113,818 from the General Fund to the CIP Fund.

Revenues

Revenues in the Capital Project Fund generally consist of four types: Grants, Bonds, transfers from operating departments and interest earnings. The major project for the Fund in FY-13 is the new government complex that includes a new City Hall, Police Headquarters and parking structure. It is being developed as a LEED® Platinum project.

Expenditures

There are five employees budgeted in this fund: A Capital Projects Manager, two projects managers, an on-site construction representative and one administrative position. In that the City has embarked on almost \$100 million worth of capital improvements in our seven years of existence, professional management for these projects was added in FY-09 to ensure timely completion and follow up on grant requirements and building quality. Many of the capital projects are multi-year projects.

The funds for previous scheduled projects are carried over to the subsequent year's budget until used or released.

COMMUNITY DEVELOPMENT BLOCK GRANT FUND

A new Fund established in mid-year FY-2007 was the Community Development Block Grant Fund. The City is designated an entitlement city for the purposes of receiving Community Development Block Grant funds from USHUD. The City was notified by HUD that our allocation For FY-13 will be \$943,925, a 25.3% reduction from FY-12. Because of this, we were forced to eliminate 2 positions.

Projects and programs in the CBDG Fund are based on the priorities established by City Council in the yearly Action Plan as approved by HUD.

In FY-09, the City received \$6.7M in funds from the Federal Neighborhood Stabilization Program as will be purchasing 35 foreclosed homes for rehabilitation and resale to qualified buyers.

DEBT SERVICE FUND

In FY-09, the City established a consolidated Debt Service Fund from which all bonded debt and capital lease payments are made. Individual operating funds transfer their proportionate share of such debt through the budgetary process. This fund provides the public with a quick view of the City's outstanding debt obligations in any particular year. Additional detail on the City's debt can be found in the Appendix titled *Budget-Related Tables and Graphs*.

In FY-12, the City used a portion of its C.I.T.T. settlement to provide funding to retire four bond issues when they come due over the next two years. This provided substantial relief on the General Fund operating budget.

BUDGET SUMMARY

The nationwide recession has, and continues to have, a significant negative effect not only on the activity level of the City's planning and building departments, but is felt throughout the balance of City operations. Dealing with this issue has been challenging to say the least, but we are now moving forward.

FY-12 marked the completion of projects on which we have worked for since the City's incorporation: new playgrounds in our parks, the completion of the NW 7th Avenue road reconstruction project, the 42nd Avenue bridge, the completion of construction of

the Amphitheatre at the Betty T. Ferguson Community Center, ^{(CDMP) (PMP) (CVS)} and the commencement of the new city hall complex, ^(CVS) among others.

Challenges for FY-13 include completing construction and moving operations to the new City Hall complex, dealing with Legislative mandates and take-a-ways and finding sufficient funds to improve infrastructure will remain a key challenge.

Initiatives New For FY 2012-2013

Despite the setback caused by the recent recession, the future of the City of Miami Gardens continues to be full of promise and hope. Maintaining a moderate tax rate while providing the services needed and demanded by our residents is an important guiding principal in preparing our FY-13 budget. ^(CVS) This is good for our residents, and good for the future. This enables us to remain fiscally strong with the flexibility to deal with whatever challenges and opportunities that we may face in the future. The City's bond rating of A+ by Fitch Rating Agency supports this assessment.

The new Betty T Ferguson Recreation Center. It opened in September 2011 and has been running at capacity ever since. ^(PMP)

Unfortunately, the State Legislature will not let cities, counties and school boards carry out their constitutional responsibilities without petty interference and assaulting our revenue base. Their “we know better than local officials” attitude has placed all local governments in jeopardy of fiscal decline.

Taxes and Taxpayers

Of interest to almost any taxpayer reading the budget is “how does this affect me?” The good news is that Miami Gardens remains one of the lowest taxed, major cities in Miami-Dade or Broward counties (see Table #6 below). Table #6 below illustrates the relative tax burden on residents of Miami Gardens as compared to surrounding cities. The per capita tax burden is the amount that each resident pays on the average.

When looking at your tax bill, it is important to remember that only 27.3% of your tax bill goes to the City of Miami Gardens; 72.7% goes elsewhere: Miami-Dade County, the School Board, the County Fire District and to several other special taxing districts. The City tries hard to get the most from each tax dollar.

Table #5 Comparative Tax Burden, Selected Miami-Dade Cities*

City	Population	Tax Rate in Mills	Per Capita Tax Burden
Miami Beach	88,349	6.3477 mills	\$1,658
Miami	404,142	8.471 mills	\$657
North Miami Beach	41,680	7.6445 mills	\$319
North Miami	58,806	8.10 mills	\$284
Miami Gardens	107,091	6.3620 mills	\$201
Hialeah	226,545	6.3018 mills	\$201

* FY 2013 Adopted Millage Rates

Another question often asked is: “Is the City borrowing too much and putting us in debt?” Below are the two key statistics used to evaluate whether a city is borrowing too much. The first, TABLE #7, is the City’s Taxable Value-to-Debt Ratio. A ratio of 0.0 to 3.0 is considered low; 3.0 to 6.0 is considered moderate; and above 6.0 is considered high. In spite of our many start-up costs, our ratio is still low, even after the City Hall project is added.

Table #6 General Fund Debt to Taxable Assessed Value Ratio (Includes City Hall)

	Taxable Assessed Value	Bonded Debt	Debt Ratio
Miami Gardens	\$3,389,256,084	\$ 99,813,672	2.95 %

Another recognized measure of whether a city is carrying too much debt is the per capita debt ratio. In the table below, we have a relatively low per capita debt burden.

Table #7 Debt Burden Per-Capita Florida Cities Over 100,000

City	Debt Per Capita	City	Debt Per Capita
Gainesville, Alachua County	\$9,499	Tampa, Hillsborough County	\$2,458
Tallahassee, Leon County	\$6,043	Clearwater, Pinellas County	\$2,365
Port St. Lucie, St. Lucie County	\$6,113	Miami, Miami-Dade County	\$1,820
West Palm Beach, Palm Beach County	\$4,388	St. Petersburg, Pinellas County	\$1,601
Orlando, Orange County	\$4,293	Cape Coral, Lee County	\$1,533
Fort Lauderdale, Broward County	\$3,594	Palm Bay, Brevard County	\$1,503
Jacksonville, Duval County	\$3,304	Miramar, Broward County	\$1,484
Hollywood, Broward County	\$2,952	Miami Gardens	\$1,043
Pembroke Pines, Broward County	\$2,469	Coral Springs, Broward County	\$538

2011 City’s Financial Statement

Final Thoughts for FY-13

Because of the City's young age, and the necessity to build up an emergency reserve fund, the City has not had the luxury of hiring any but essential employees. This is why it is so difficult to balance a budget when cutting a position may mean cutting a program. We are constantly reorganizing to take advantage of special skills and to reduce overhead. This will continue. As they say, the only constant is change.

Finally, I want to thank the Mayor and City Council for the continuing opportunity to serve you and the residents of Miami Gardens as your City Manager. It is a privilege and honor I share with the other members of your City staff. I know that by working together, we can make the future of Miami Gardens truly something special. I also especially want to thank Patricia Varney for her assistance in this effort.

Respectfully Submitted,

Danny O. Crew

Dr. Danny O. Crew
City Manager

Users Guide to the FY 12-13 Preliminary Budget Document

The Budget

The budget is the spending plan for all financial resources available to the City. Through these resources, services are provided that attempt to meet the needs and desires of Miami Gardens' residents. The City Council and City staff responds to the community's needs in large part through the budget. It balances not only revenues and costs, but also actualizes community priorities and desires. The preliminary budget document is divided into sections as outlined below. Each section provides the reader with important information on the City and its spending priorities. A glossary is provided at the end of the document so that readers can easily find the definition of unusual or unfamiliar words and acronyms.

Table of Contents and Users Guide to the Budget

This introductory section is designed to familiarize the reader with the City of Miami Gardens and the budget process itself. Governmental budgeting can be confusing maze of actions, deadlines and legal requirements. This section provides the reader with an overview of the process and summaries of the critical policy issues that drive the budget.

City Manager's Budget Message

The Charter of the City of Miami Gardens charges the City Manager with the preparation of the City's annual budget. The Manager's budget message contains a summary of the upcoming budget and the issues and challenges faced in its development. It also presents an overview of the budget format and a detailed explanation of property taxes as they apply to Miami Gardens.

Fund and Departmental Detail

This section comprises the heart of the proposed budget. Divided by fund, each section presents a detailed summary of expected revenues and expenditures by department and operating division, including historical information about each revenue source and proposed expenditure line item for personnel, operating and capital expenditure line items. At the end of each Fund detail, there is a Fund summary. The historical data provides the reader with a good view of trends and assists in developing meaningful projections.

In addition to the financial data, the section provides a brief narrative description of the duties and responsibilities of each department and Fund, a listing of major accomplishments for the preceding year, and goals for the coming year. Also provided is a staffing history for the department and an organizational chart. Finally, a millage equivalent has

been calculated for each department in order to give the reader a different perspective on the cost of running the various operations.

Appendices

1. FY 2012-2013 Revenue Manual

The City's revenue manual provides all the information one needs to understand the various sources of revenue the City receives. Every revenue sources is detailed including the legal basis, general definition, payment schedules, and a graphic history of the revenue.

2. Glossary

Municipal finance and budgeting is at best, a bewildering process of terms, acronyms and processes. Even seasoned staff often finds it difficult to keep up with the latest terms and definitions. It is almost impossible for the lay reader of a municipal budget to fully understand all of the jargon. A Glossary is presented as a helpful guide for residents and others who are not familiar with government terminology.

3. Form 420, Tax Rate Resolution and Budget Ordinance

This appendix consists of the principal approval documents used to establish the annual budget. The Form DR-420 is the required form to set the City's millage. It is sent to the County Tax Collector immediately after the adoption of the final tax resolution. The tax rate resolution is the document that actually establishes the tax rate for the coming year. It must be read and approved at two separate public hearings prior to adoption. The budget ordinance is the formal approval of the actual FY 12-13 operating and capital budget. This ordinance also must be approved at two separate public hearings prior to adoption. The ordinance adopts the actual appropriations for each fund and established the rules for budget administration

City Overview

The City of Miami Gardens, Florida, was incorporated on May 13, 2003, as the 33rd municipality in Miami-Dade County, and at a population of 109,200, is the county's third largest city after the cities of Miami and Hialeah. Located in North-Central Miami-Dade County, it stretches from I-95 and NE 2nd Street on the East, to NW 47th and NW57 Avenues on the West, and from the Broward County line on the North, to 151st Street on the South. The City comprises approximately 20 square miles.

Miami Gardens is a solid, working and middle class community of unique diversity. It is the largest predominately African-American municipality in the State of Florida, and boasts

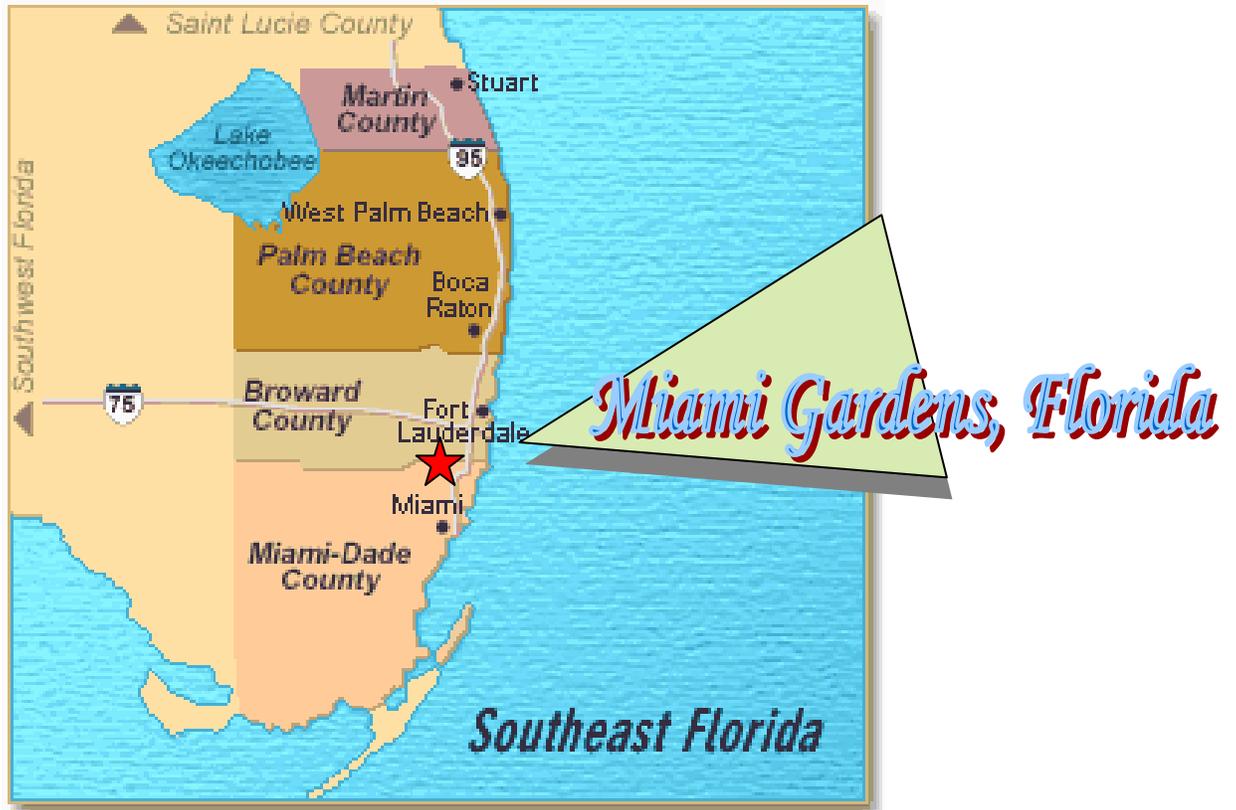

The arch at the entrance to the Sunshine International Business Park was built in 1964 and is 110' high. The City chose this highly identifiable landmark to be part of its official logo.

many Caribbean residents. It is the home to the Miami Dolphins and the Florida Marlins' at Dolphin Stadium and to Calder Race Track. It has vibrant commercial corridors along the Palmetto Expressway serving as a central shopping district for the furniture trade, and along North U.S. 441 serving the automobile trade.

The City is blessed with a central location being midway between the cities of Fort Lauderdale and Miami, and is traversed by I-95, the Palmetto Expressway (SR 826), and the Florida Turnpike. It has rail access through the Florida East Coast Railway and the South Florida Tri-rail system. There are three high schools and two universities within the City.

The City provides various municipal services to its residents including police, planning and zoning services, building code services, public works, stormwater utility, community development, parks and recreation, code enforcement, and school crossing guards. Fire rescue services, sanitation and library services are provided by Miami-Dade County.

Structure of the Government Body

The City of Miami Gardens, Florida, operates under a Mayor-Council-Manager form of government. Elected officials include the mayor and six council members. There are four single-member, resident districts from which four council members are chosen, with the

remaining two council members being elected at-large by citywide vote. The mayor is also elected at-large. The citywide organizational chart, shown on page 45 of this book, displays the relationships between the various organizational units of the City government.

The Mayor nominates and the City Council appoints three staff members – The City Manager, the City Clerk, and the City Attorney. All other departments and employees report to the City Manager. As shown in the organizational chart, there is a deputy city manager and two Assistant City Managers who are responsible for overseeing the various departments.

Population Projections

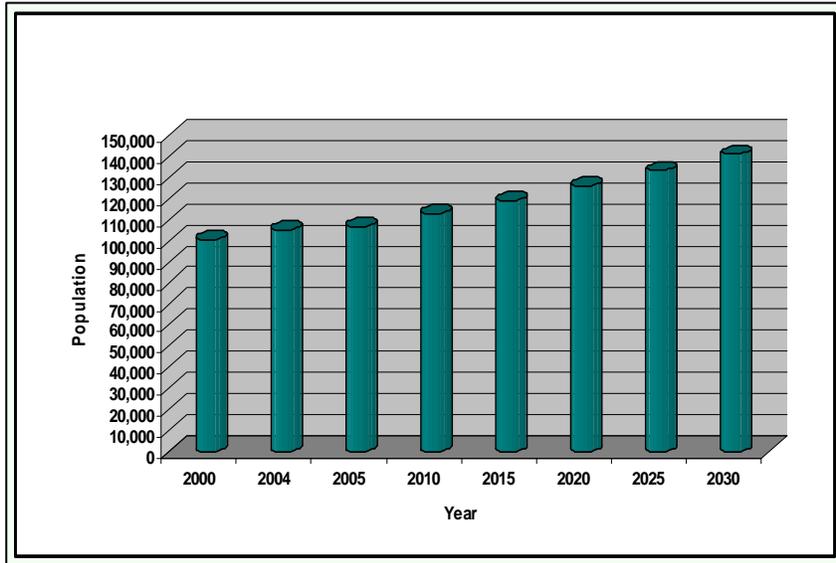

The future population of Miami Gardens was estimated using the shift-share approach and mathematical extrapolation method.

- This methodology utilizes statistical evaluation and analyzes the appropriateness of each extrapolation into the future, from a mathematical measure. It also looks at the extent to which a given extrapolation technique corresponds to the historic and estimated population perspective.
- The extrapolation technique assumes that Miami Gardens future population estimates would remain constant based on the growth rates at the 2000 Census level.

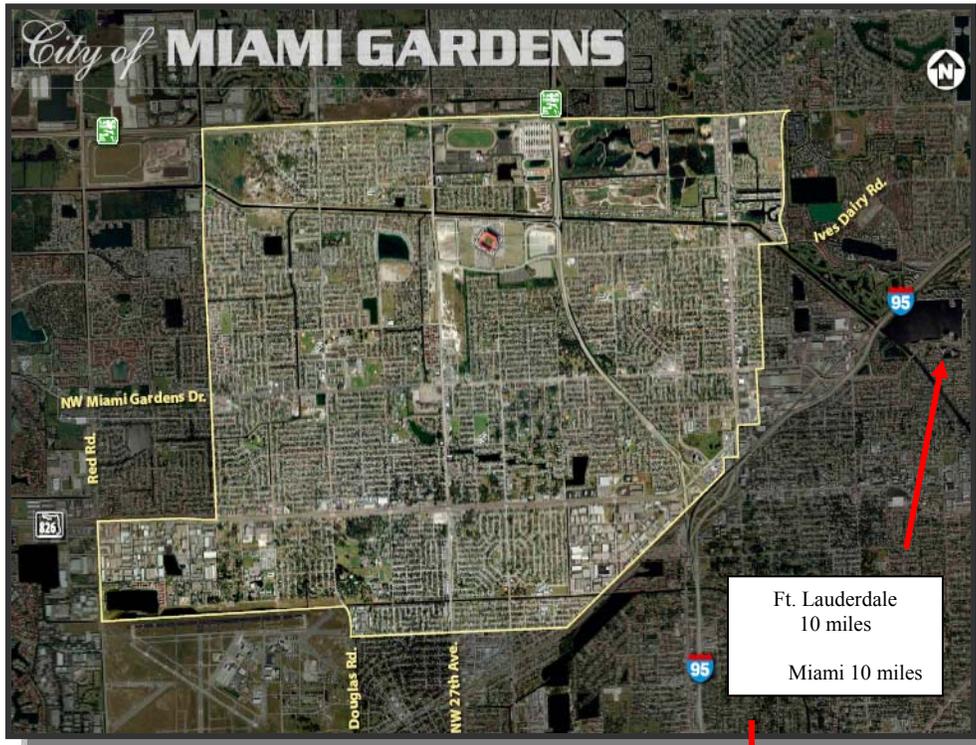

Table #9: Population Estimates & Projections - Miami Gardens
Per U.S. Census Data (2000- 2030)

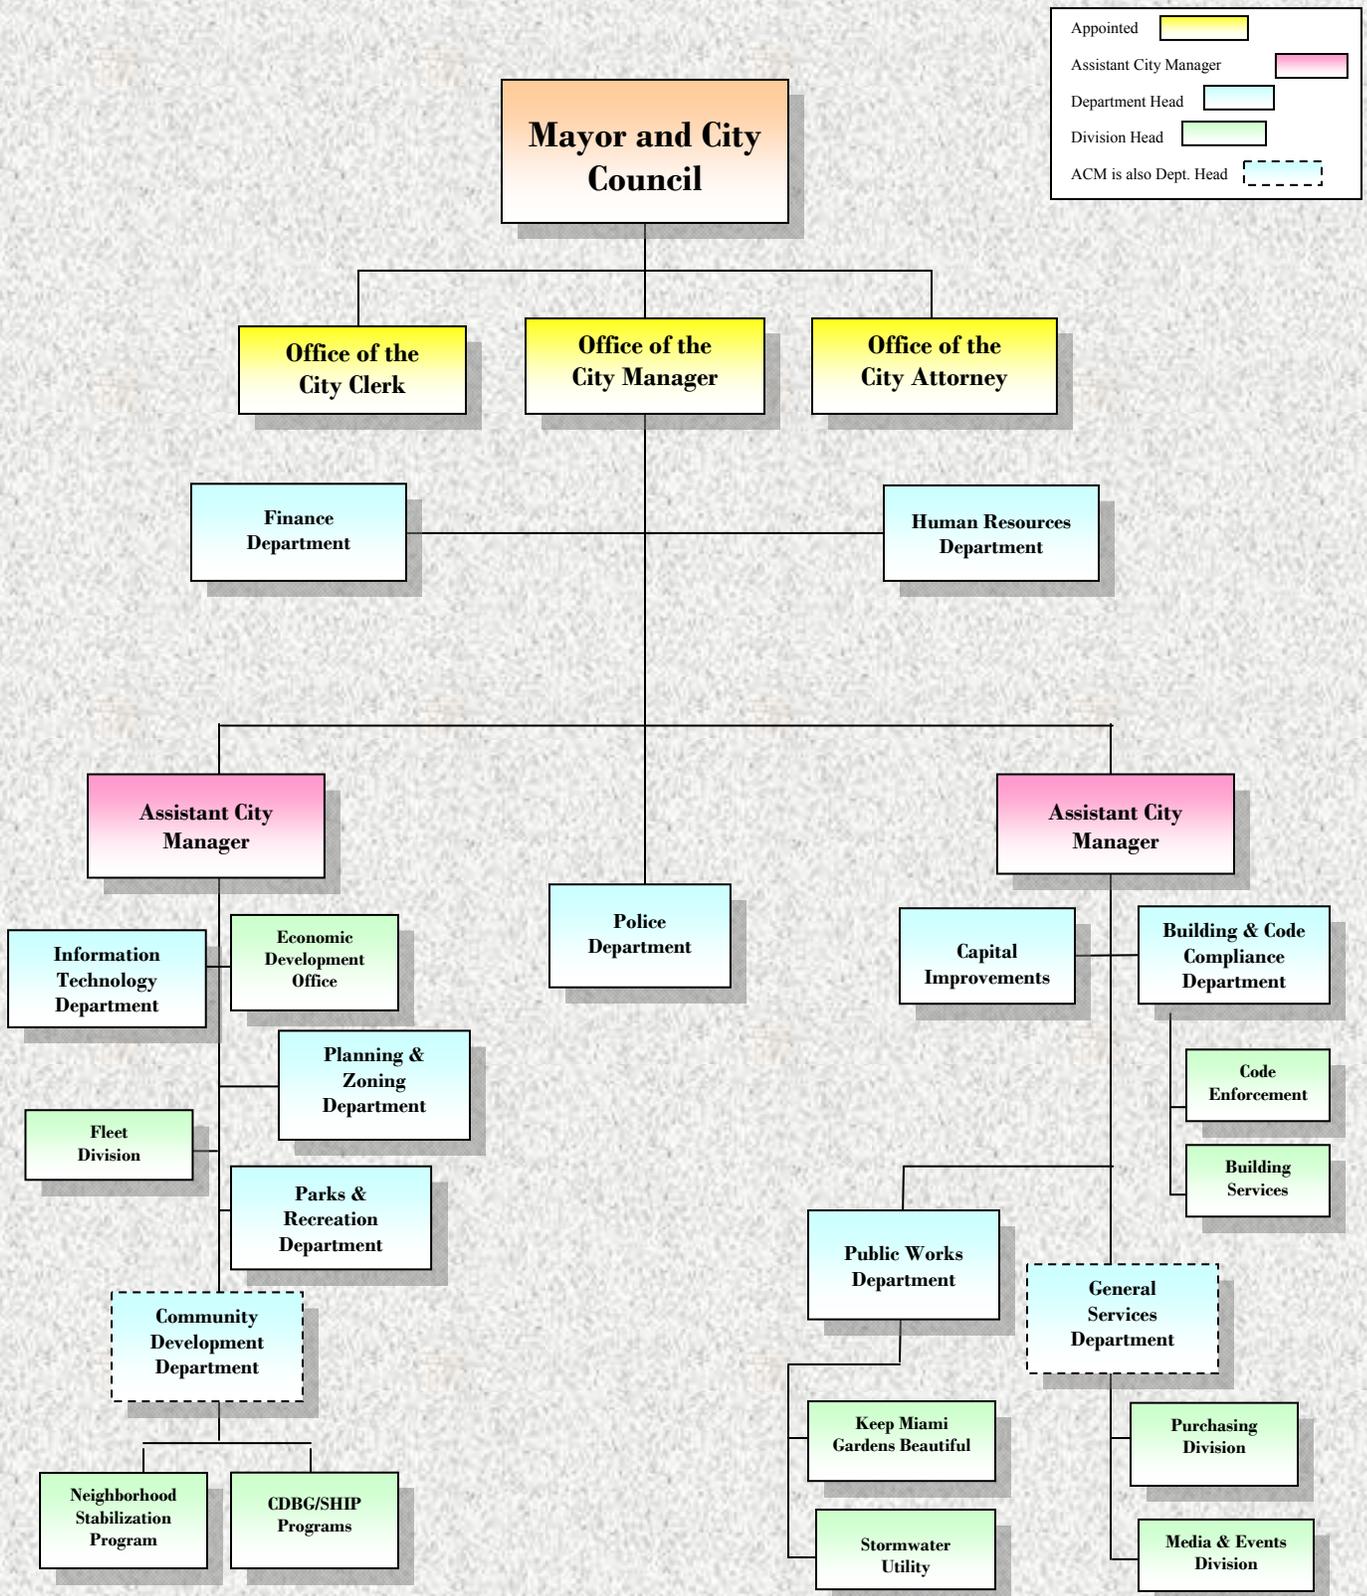

Year	Miami Gardens Population	Miami Gardens Estimated Growth Rate	Miami Gardens Actual Growth Rate
2000	100,809		
2004	105,414	4.57%	4.57%
2006	107,567	1.14%	2.05%

Miami Gardens' 2012 Budget Process

Budget Process and Calendar

A large portion of the budget process in Florida is statutorily driven as outlined in the timetable below. The formal budget policy can be at page 47, Financial Policies. Immediately following this timetable is the specific budget calendar for the City of Miami Gardens. Utilizing this timetable, the City Manager and his staff prepare a tentative budget for consideration by the Mayor and City Council. For Miami Gardens and the FY 12-13 budget, this process was challenging due to the total impact of the statewide property tax reduction, reduction in franchise fee, and one time refund of telecommunication taxes. Nonetheless, the process went forward and will conclude in the presentation of the preliminary budget at the July 25th City Council meeting.

The Planning Phase

In October of each fiscal year, plans are set forth for next year's budget process by the City Manager; however, the actual budget formulation process began in March 2012. Prior to March, the City Manager and finance staff reviewed the GFOA comments from the prior year's budget and began developing the data necessary to address those comments and suggestions.

The Preparation Phase

In March, the beginning phase of budget preparation involved staff preparing updates to the City's anticipated revenues and major equipment needs. This involved developing accurate projections of traditional revenues and estimating any new revenues expected in the subsequent year. Since Miami Gardens still has little, long term reliable revenue history for most of its revenues, it fell to staff to estimate these revenue streams as accurately as possible.

Also during this phase, staff began to develop expenditure profiles for each City department and operation. Again, as a relatively new City, this continued to be a difficult task. Having little or no experience in operating some programs (police for example), and receiving little historical information from the County, estimating proved to be a difficult task.

The Review Phase

This phase involved the City Manager and the various department heads reviewing the submittals from their respective departments. Changes and updates were made to the proposed revenue and spending levels based on overall city priorities and as a result of these one-on-one meetings. Matching proposed services levels with the necessary

personnel and other resources was an on-going process that demanded considerable investigation and focus on the multiple missions.

Final refinements continued until the preparation of the tentative budget was completed and submitted to the Mayor and City Council for their consideration at the July 25th meeting.

The Adoption Phase

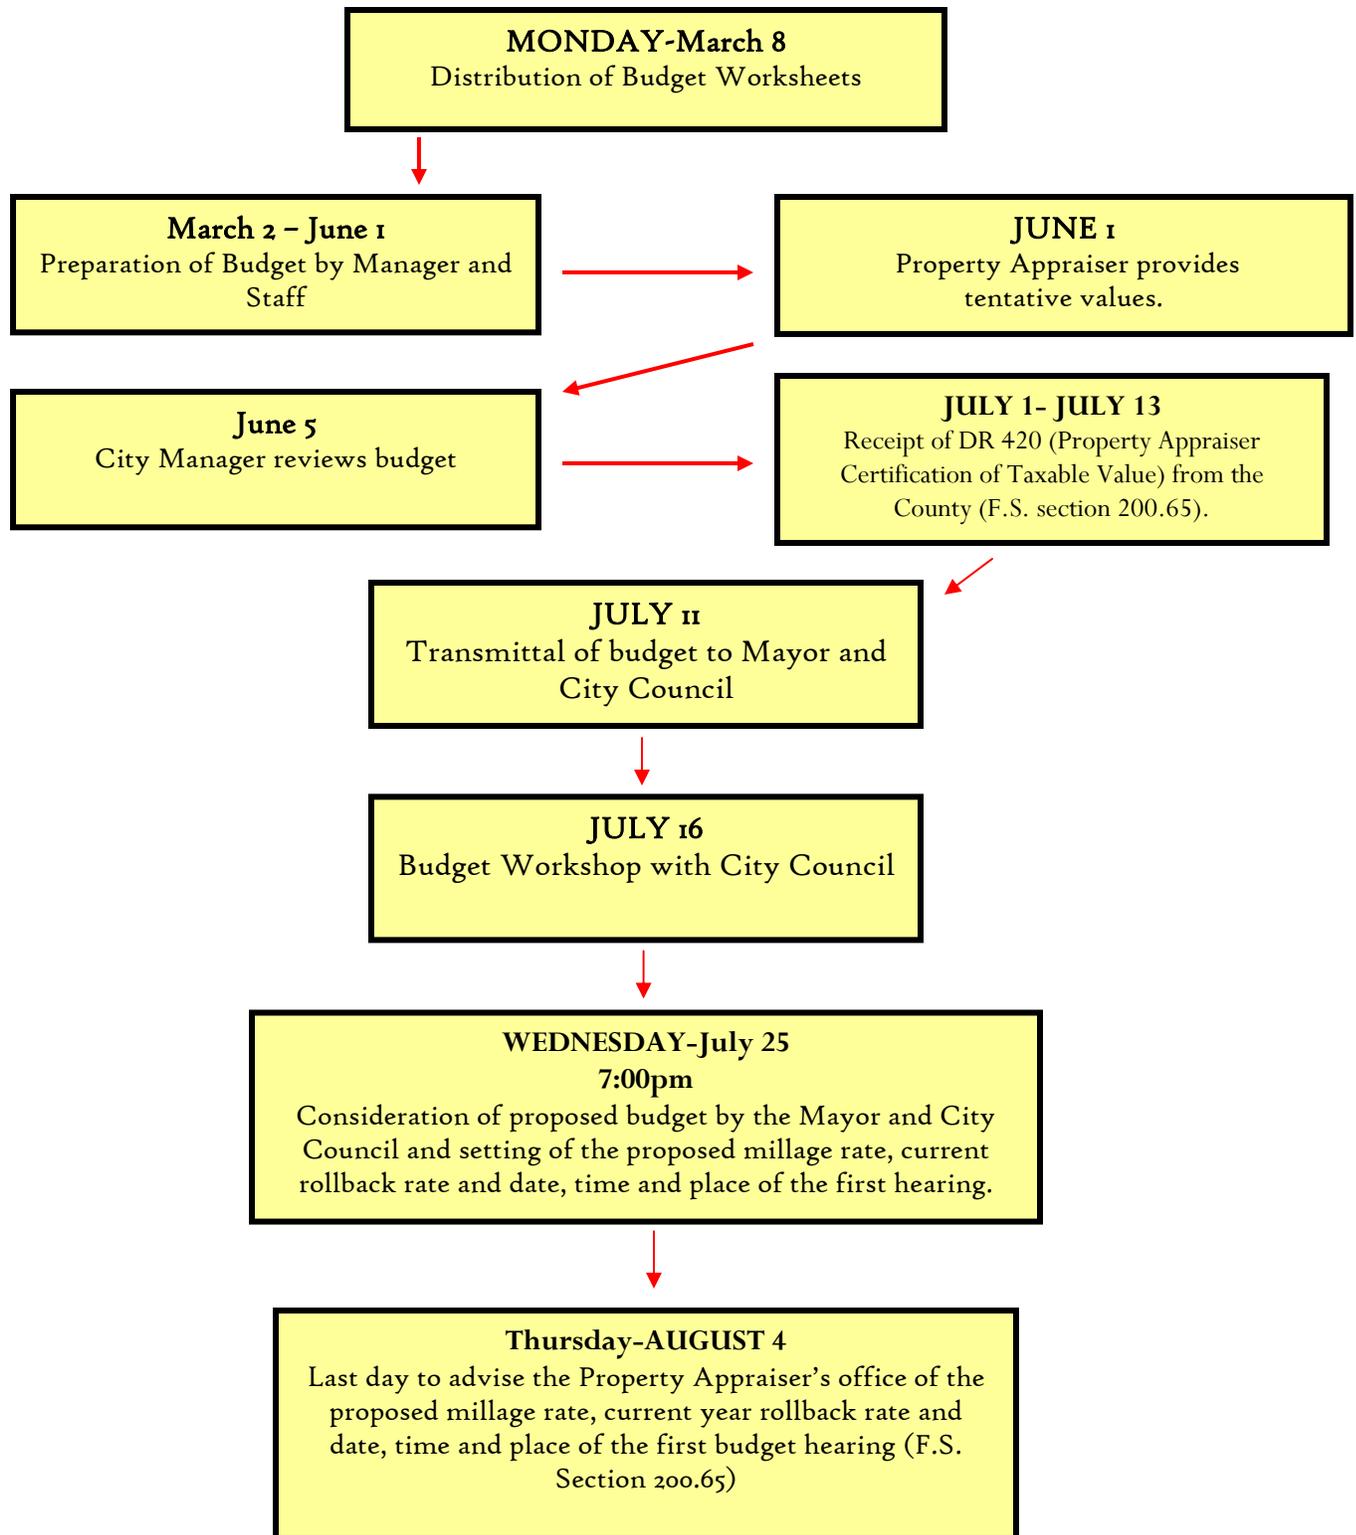

At their July 25th regular City Council meeting, a tentatively balanced budget is presented to the Council. At this meeting, which is open to the public, the City Council must adopt a tentative millage rate for the coming year. This is a requirement of state statutes. The adopted rate is then the maximum millage rate that can be included in the coming year's budget. The City Council may, at a later budget hearing, reduce the rate if it so desires, but cannot raise it above the adopted tentative rate.

At this July's meeting, Council will be requested to set the tentative millage rate at 6.5616, or the current roll-back millage rate. State law requires that two formal public hearing be held in September and neither can conflict with the hearing dates established by the County School Board or the County Commission. The recommended dates are September 12th and September 26th.

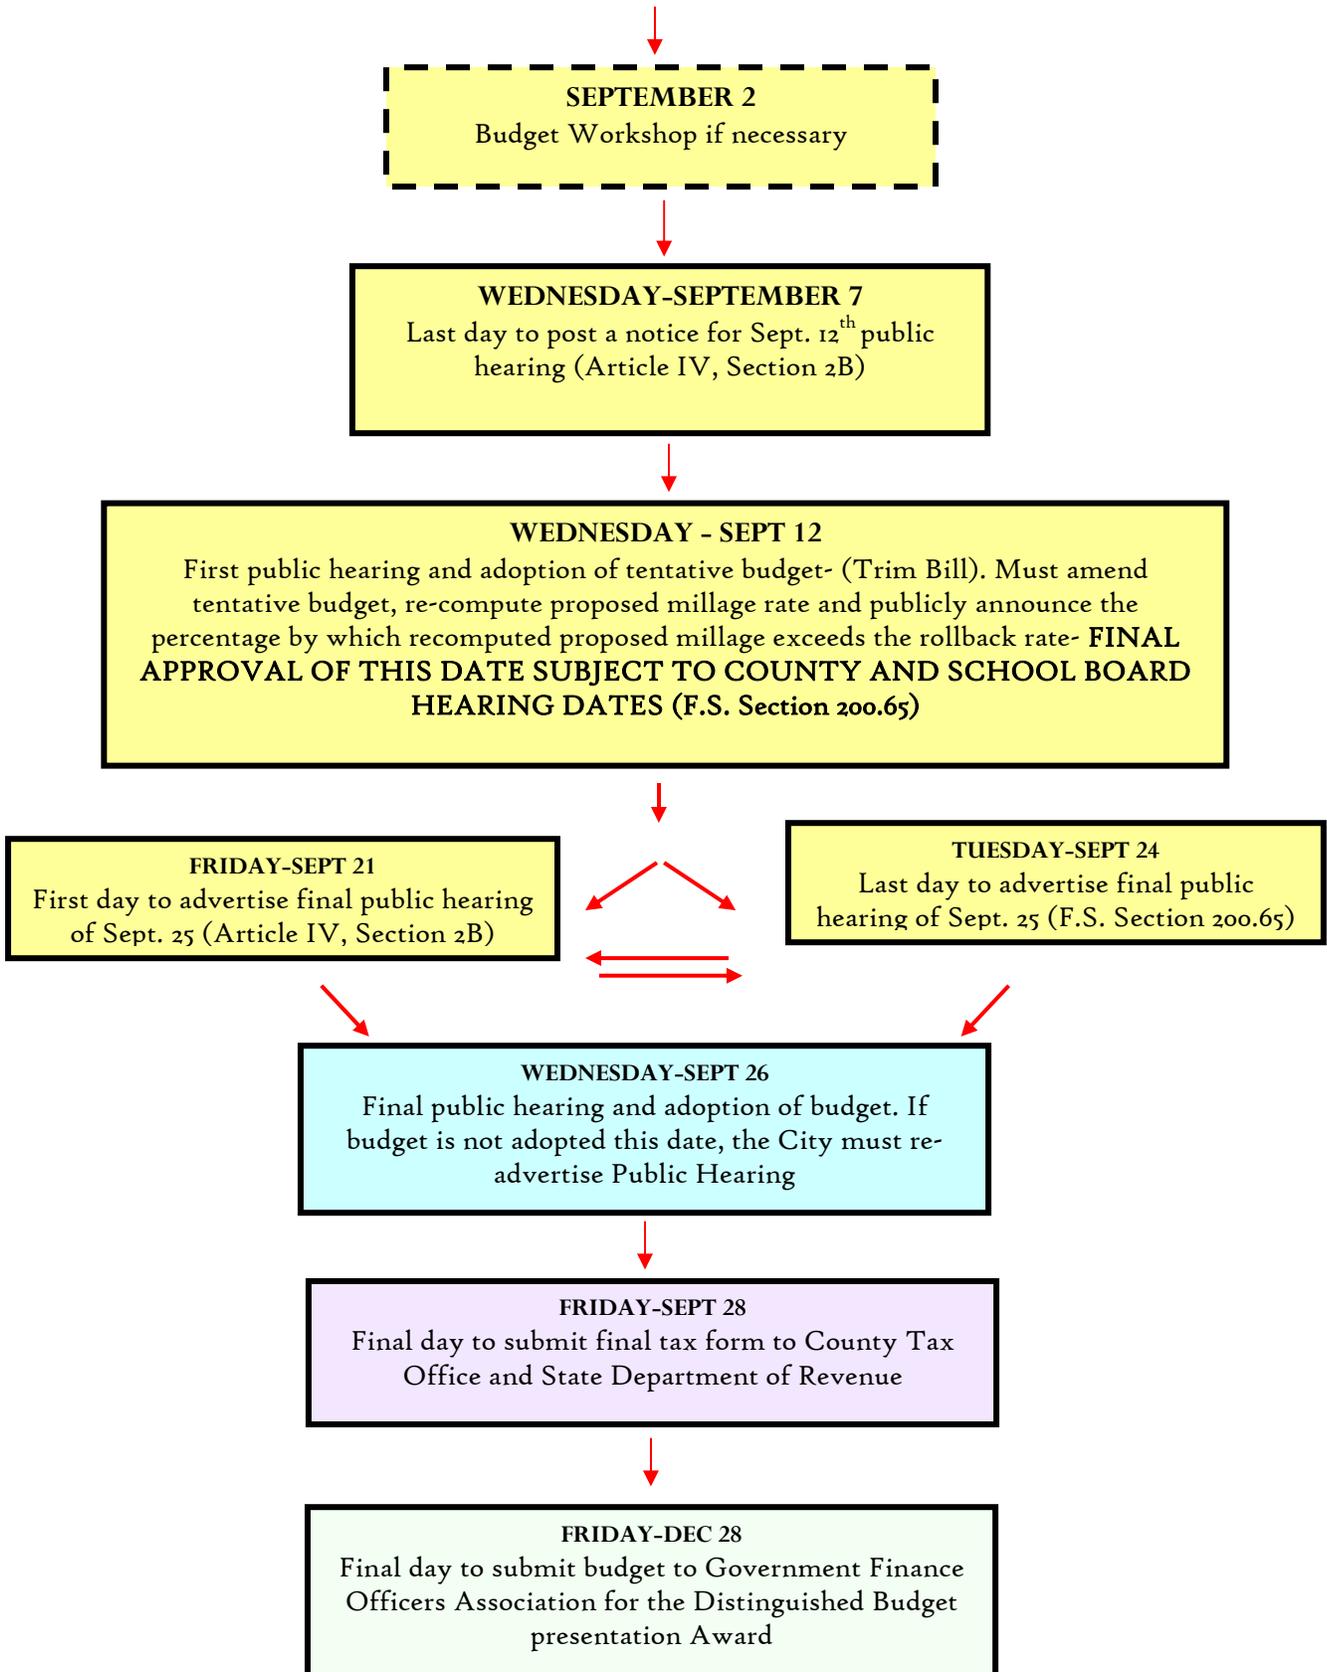

Subsequent to the July vote, the Notice of Proposed Property Taxes, otherwise known as TRIM (Truth in Millage) notices, are prepared and mailed to taxpayers by the County Property Appraiser. Printed on the TRIM notice is the date of the first scheduled public hearing to adopt the tentative budget and the tentative millage rate. This meeting is recommended to be set for the evening of September 12, 2012. The purpose of the public hearing is to give the general public an opportunity to speak for or against the proposed budget and millage rate. At the end of the first public hearing, a date and time will be set for the final public hearing, this being recommended for September 26, 2012. An advertisement will then be prepared and placed in a local newspaper. This ad contains summary budget information along with the tentative millage rate and the tentative approved budget based on the first hearing. Also noted are the time, date and location for the final hearing.

The purpose of the final public hearing is to once again give the general public an opportunity to speak for or against the budget and proposed millage rate. At this meeting, the City Council will adopt the final budget and millage rate. Within three days of that adoption, the City must notify the County Property Appraiser, County Tax Collector and the State Department of Revenue, of the adopted millage rate. Final tax invoices are mailed to property owners by the Tax Collector at the beginning of November. The budget is effective on October 1st of each year.

FY 2012-2013 Budget Schedule

FY 2012/2013 Budget Schedule (Con't)

Significant Financial Policies

1. The annual operating budget of the City of Miami Gardens, Florida, shall balance the public service needs of the community with the fiscal capabilities of the City. It is intended to achieve those goals and objectives established by the City Council for the following fiscal year. Service programs will represent a balance of services, but with special emphasis on the City public safety, quality of life, and compliance with various state and federal mandates. Services shall be provided on a most cost effective basis. A balance between personnel and other classes of expenditures will also be achieved.
2. The City recognizes that its citizens deserve a commitment from their local government to fiscal responsibility, and that a balanced operating budget is the cornerstone of fiscal responsibility. Annual operating expenditures (personal services, contracts, commodities and supplies, and capital outlay) will be fiscally balanced with revenues or income estimates that can reasonably and normally be projected to be received during the fiscal year. New programs or changes in policies which would require the expenditure of additional operating funds will either be funded through reductions in existing programs of lower priority or through adjustments to fee rates, service charges, or taxes.
3. Requests for new or changes to programs or policies will be accompanied by an analysis of the short and long-term impact on the operational budget caused by such changed or new program or policy. When possible, a standard format using this procedure shall be routinely provided to the Council when requesting approval of each new or changed program or policy.
4. New programs, services, or facilities shall be based on general citizen demand or need.
5. The City shall prepare and implement a Capital Improvement Budget (CIP), consistent with state requirements, which shall schedule the funding and construction of projects for a five-year period. The Capital Improvement Budget shall balance the needs for improved public facilities, as identified in the City's comprehensive plan, within the fiscal capabilities and limitations of the City.
6. The City shall maintain its accounting records in accordance with generally accepted accounting principles (GAAP), applied to governmental units as promulgated by the Governmental Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB).
7. The City shall provide funding for public services on a fair and equitable basis, and shall not discriminate in providing such services on the base of race, sex, color, religion, sexual orientation, national origin, physical handicap or other non-merit basis.
8. Budgets for all City Funds and all other City expenditures, shall be under City Council appropriation control.

9. Inter-fund loans must be supported by a fiscally sound source of funds available for repayment.

10. Copies of the tentative and final budgets shall be provided at the North Dade Regional Public Library, posted on the City's website, and shall be available for inspection and copying at the office of the City Clerk. Copies of the tentative budget shall be provided at no charge at all public hearings and workshops.

Balanced Budget

1. **Balance Budget Requirement**: The operating budget of the City of Miami Gardens shall be balanced using current year revenues to finance current year expenditures. Fund balances shall not normally be budgeted as a resource to support routine annual operating expenses. Fund balances may be budgeted as a resource to support capital, debt, or extraordinary major maintenance needs on a non-recurring basis, or as reserves to be carried forward. Under ordinary economic conditions, the use of fund balance forward should not exceed .25 mills equivalent.

2. Revenue projections will be based on an analysis of historical trends and reasonable assumptions of future conditions.

3. Revenue estimates will be made on a reasonable conservative basis to ensure that estimates are realized.

4. The operating budget will be prepared based on 95% of the certified taxable value of the property tax roll revenues.

5. The City will not use long-term debt to finance expenditures required for operations.

6. As early as practical in each annual budgeting cycle, the City Council shall give direction to staff as to the circumstances under which an ad valorem tax millage increase would be considered. Normally, such direction should be given in conjunction with the setting of a tentative budget calendar.

7. Fees should be collected on all City-provided services for which specific users may be readily identified and use may be reasonably quantified. The amount of the fee should be based on actual costs incurred in providing the services (or facility), and shall be reviewed at least biannually. The degree to which fees shall recover full costs shall be a policy determination of the City Council.

Funds and Fund Types

Government resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. All Funds in Miami Gardens are appropriated. The various funds are grouped within three broad categories as follows:

- Governmental Fund Types:
 1. **General Fund (01)** - The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund.
 2. **Special Revenue Funds (10s)** – Special Revenue Funds are used to account for the proceeds from specific revenue sources (other major capital projects) that are legally restricted to expenditures for specified purposes. The City currently has three special revenue funds as described immediately below.
 - A. **Transportation Fund (10)** – The Transportation Fund is used to account for the revenues the City receives from the State-shared local option gas funds, and other revenues designated for transportation purposes. It is the operating fund for the City’s Public Works Department.
 - B. **State Housing Initiative Partnership Grant (SHIP) Fund (13)** – The State Housing Initiative Partnership Grant (SHIP) Fund is used to account for revenues and expenditures of the City’s SHIP Program.
 - C. **Community Development Block Grant (CDBG) Fund (14)** – The Community Development Block Grant Fund is used to account for revenues and expenditures of the City’s CDBG Department. The City is an entitlement community under the U.S. Department of housing and Urban Development (HUD).
 - D. **Development Services Fund (15)** – The Development Services Fund is the accounting entity for the City’s Building, Planning and Zoning Departments. The fund was established to capture a record of fees and expenses oriented toward the building and development industry to ensure that these service costs are largely recaptured by the users.
 - E. **Special Revenue Fund (16)** – The Special Revenue Fund is used to account for the proceeds from specific, earmarked revenues such as impact fees and donations.

F. **Law Enforcement Trust Fund** (17) – The Special Revenue Fund is used to account for funds and property seized or confiscated by either Federal, State, and/or local law enforcement agencies.

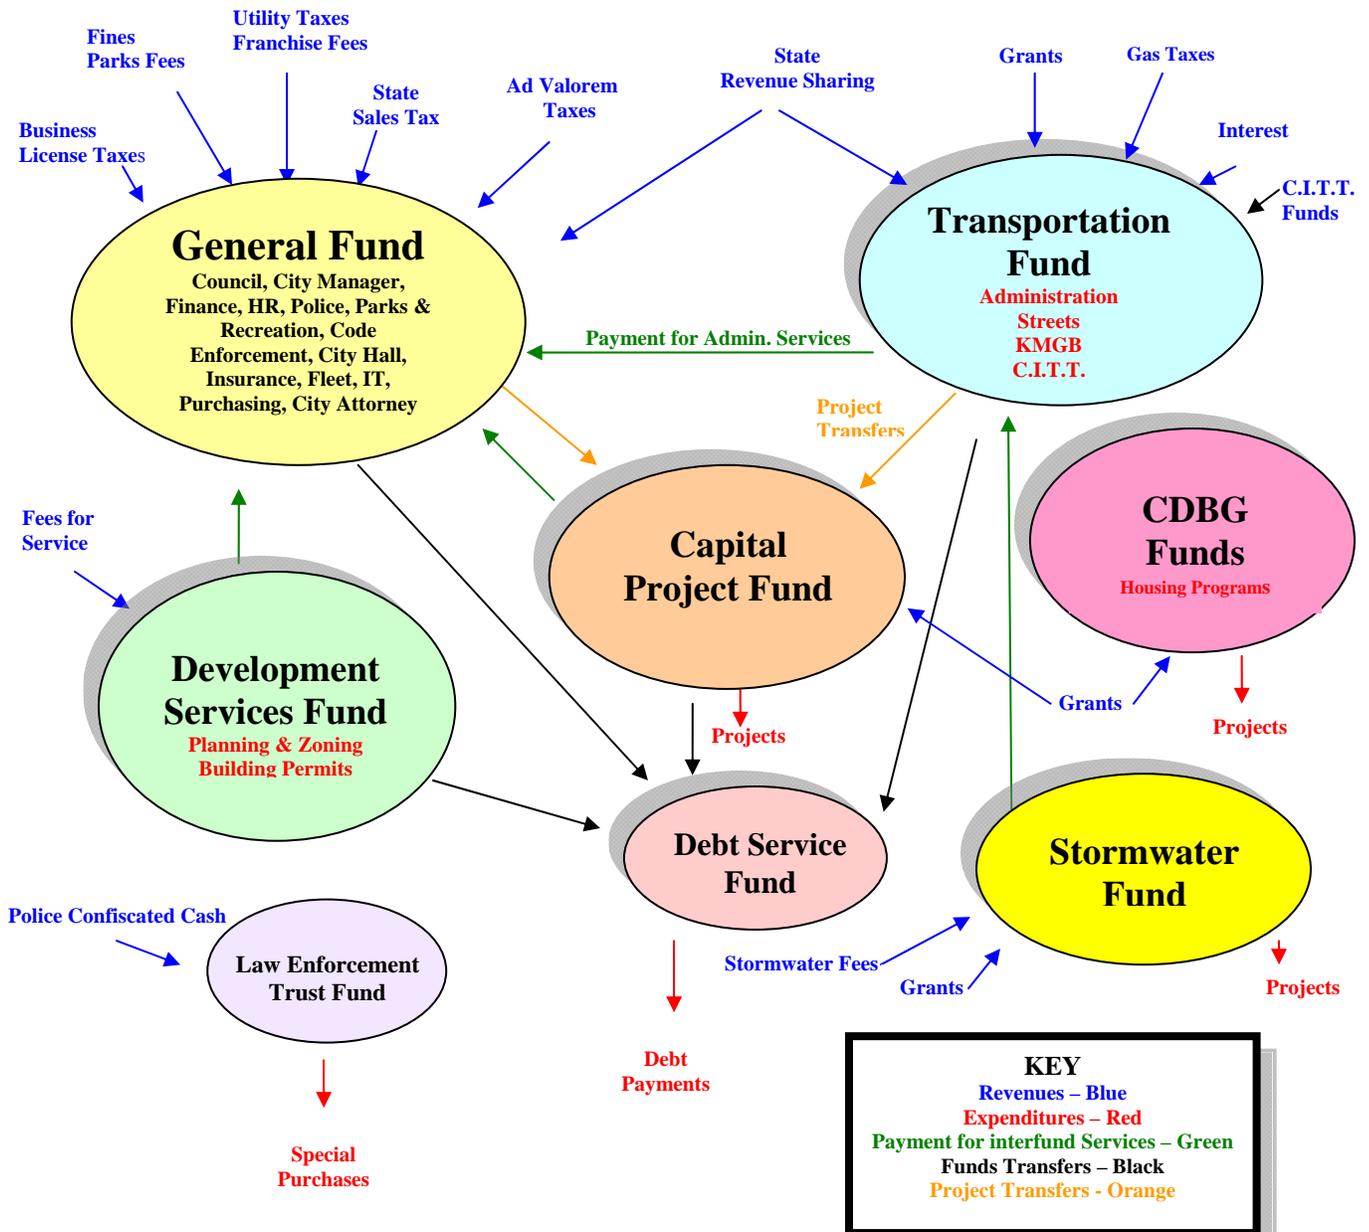

3. **Capital Project Fund** (30) – Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds). The City’s Capital Project Fund was established with the FY 04-05 budget through a dedicated property tax transfer of \$500,000 per year into the fund. This fund serves as an operating fund for the construction of various projects and will receive grants and other project-oriented revenues.
4. **Debt Service Funds** (21) - Debt Service Funds account for the accumulation of resources for, and the payment of, principal, interest, and related costs on general long term debt (other than those payable from the operations of enterprise funds). The City currently has one debt service Fund.

- Proprietary Fund Types:

1. **Enterprise Funds** - Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The City does not anticipate having any enterprise funds.

A. **Stormwater Utility Fund** (41) – The Stormwater Utility Fund is used to account for revenues and expenditures related to the City’s stormwater utility operation. Major revenues include the \$4 per month stormwater utility fee and grants.

Major Operating Funds Relationship Chart

KEY
 Revenues – Blue
 Expenditures – Red
 Payment for interfund Services – Green
 Funds Transfers – Black
 Project Transfers - Orange

To the layman or the uninitiated, municipal budgeting is at best confusing. The use of separate “Funds” to account for operations is conceptually it is similar to a group of unrelated businesses that each has their own unique product, revenues and expenditures; however, they may “buy” certain “services” from each other but must pay for these services as would any business who, say hired another company to do its payroll or maintenance.

Some of these relationships are mandated by law (i.e. gas taxes must go into the Transportation Fund) while others are for convenience (i.e. Payment to the Capital Projects Fund for a specific project to be completed).

The concept that cities have one large pot of money that can be used for anything is widely held but erroneous.

Expenditure Policies

The City shall operate on a current funding basis. Expenditures shall be budgeted and controlled so as not to exceed current revenues plus planned use of fund balance accumulated through the prior years.

1. The City Manager shall take immediate corrective actions if at any time during the fiscal year expenditure and revenue re-estimates are such that an operating deficit is projected at year-end. Expenditure deferrals into the following fiscal year, short-term loans, or use of one-time revenue sources shall be avoided.
2. The City manager shall undertake periodic staff and third party reviews of City programs for both efficiency and effectiveness. Privatization and contracting with other governmental agencies will be evaluated as alternatives to service delivery. Programs that are determined to be inefficient and/or ineffective shall be reduced in scope or eliminated.
3. The City shall make every effort to maximize any discounts offered by creditors/vendors. Staff shall also use competitive bidding to attain the best possible price on goods and services.
4. Normal maintenance requirements necessary to sustain the basic asset value will be included in the budget of the proper operating fund.
6. Contractual obligations and compensation plans for employees will be provided, including estimated pay-out amounts for accrued personal leave.
7. Capital for major improvements and automation of services will be based on multiple-year planning and cost benefit analysis.
8. Working Capital Reserve - This reserve should be established in all operating funds where emergencies may occur. The amount recommended is a minimum of \$50,000 to \$250,000 depending on the size of the fund.
9. Each year, the risk manager shall prepare an estimate of amounts to be budgeted for workers' compensation, self-insured, and malpractice claims.

Fund Balance Policy

Purpose

In 2009, the Governmental Accounting Standards Board (GASB) issued GASB Statement 54 *Fund Balance Reporting and Governmental Fund Type Definitions*. This statement substantially changes how fund balances are categorized. This policy establishes procedures for reporting fund balance classifications, and establishes prudent reserve

requirements also authorizes and directs the Finance Director to prepare financial reports, which accurately categorize fund balance according to GASB 54.

Definitions of Fund Balance

Fund balance is the difference between the assets and liabilities reported in a governmental fund. GASB 54 established the following definite, each of which identifies the extent to which the City is bound to honor constraints on the specific purposes for which amounts can be spent.

A. Non-Spendable Fund Balance

The non-spendable fund balance classification includes amounts that cannot be spent because they are either (a) not in a spendable form or (b) legally or contractually required to be maintained intact. The “not spendable form” criterion includes items that are not expected to be converted to cash, for example, inventories and prepaid amounts. It also includes the long term amount of loans and notes receivable.

B. Restricted Fund Balance

This classification includes amounts that reflect constraints placed on the source of resources, other than non-spendable items that are either (a) externally imposed by creditors (such as through bonded debt reserve funds required pursuant to debt covenants), grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

C. Committed Fund Balance

This classification includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action (an ordinance or resolution) of the government’s highest level of decision making authority. The committed amounts cannot be used for any other purposes unless the government removes or changes the specific use by taking formal action. Committed fund balance also incorporate contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

D. Assigned Fund Balance

The assigned fund balance classification includes amounts that are constrained by the government’s intent to be used for specific purposes, but that are not restricted or committed. Such intent needs to be established by (a) the governing body itself for (b) a body or official to which the governing body has delegated the authority to assign amounts to be used for specific purposes. The authority to “assign” fund balance is delegated to the City Manager or his designee. A few examples for assigned fund balance is as follows:

Continuing Appropriations: Fund balance levels must be sufficient to meet funding requirements for projects approved in prior year and which must be carried forward into the next fiscal year.

Funds set aside for equipment replacement according to the City’s Capital Improvement Plan.

E. Unassigned Fund Balance

This classification is for the government’s General Fund and includes all spendable amounts not contained in the other classification, and therefore not subject to any constraints. Unassigned amounts are available for any purpose.

Stabilization Arrangements

Included in the City’s Adopted Budget each year, it is the City’s goal to maintain an unassigned general fund balance equal to 16% to 25% of the annual budgeted general fund expenditures. All unassigned general fund balance should be appropriated into the succeeding year’s budget and identified as “working capital reserve”.

Comparison of Past Practice and GASB 54 Fund Balance Types

Past Practice	GASB 54 Format
Reservations:	
Inherited: Inventories, Prepaids	Non Spendable
Legal restriction:	Restricted
Special Revenue Fund: Impact Fees	Restricted
Special Revenue Fund: Grants	Restricted
Development Service Fund	Restricted
Transportation Fund: Gas Tax	Restricted
Contractual restriction: Encumbrances	Committed: Contractual obligated
Capital Projects Fund	Restricted: Grant
Unreserved, reported in	Assigned:
Special Revenue Funds	Special Revenues with the exception listed above
Capital Projects Fund	Capital Projects with the exception listed above
Debt Service Fund	Debt Service
Unreserved, undesignated:	Unassigned: General Fund Only*

*Exception: Other governmental funds have Expenditures that exceed the restricted or committed fund balance.

Specific Guidelines For Individual Funds

General Fund: It is the objective of the City to pay as great a portion of operating expenses of the General Fund as possible from sources other than ad valorem taxes. Only to the extent that non-ad valorem tax sources of revenue are inadequate to support services at desired levels should ad valorem taxes be considered for an increase. Service charges and fees for all general fund services will be analyzed to ensure an appropriate proportional recovery of direct costs and overhead from Proprietary Funds.

The annual operating budget of any enterprise or special revenue operating fund shall pay the appropriate general fund operations for a portion of the cost of general administrative departments and a payment-in-lieu-of taxes which will be computed on the latest un-depreciated value as established in the latest C.A.F.R. Services charges, rent, and fee structure will be established so as to ensure recovery of all costs for these funds to the fullest extent possible, considering public benefit. All capital projects and capital bonds shall pay a one-time 2 ½% administrative fee to the General Fund for administration and accounting for such project.

Capital Asset Management Policies

- **Threshold:** The City will capitalize all individual assets and infrastructure with a cost of \$5,000 or more and a life of 5 years or more (except computers at 3 years).
- **Asset categorization:** The City shall account for assets and infrastructure meeting the minimum dollar and life thresholds in the following categories:
 - Land
 - Buildings
 - Improvements
 - Equipment
 - Infrastructure
 - Roads
 - Stormwater system
 - Sidewalks
 - Construction in progress
- **Infrastructure Accounting:**
 - Pre-2003 valuations. Prior to the incorporation of the City in 2003, the City has used the estimated historical cost method of valuation.
 - Method:
 - The City determined the estimated cost of road replacement by using the Florida Department of

Transportation Statistics Unit Prices and then applied the US Bureau of Labor Statistics price trend Information for asphalt, concrete, paving mixtures and blocks weighted average deflator index in determining the present value of the roads.

- The Stormwater system estimated cost is based upon the Florida Department of Transportation Statistics Unit Prices and then applied the US Bureau of Labor Statistics price trend Information for storm sewer pipes and concrete pipes weighted average deflator index in determining the present value of the stormwater system.
- The City determined the estimated cost of sidewalks by using the Florida Department of Transportation Statistics Unit Prices and then applied the US Bureau of Labor Statistics price trend Information for asphalt, concrete, paving mixtures and blocks weighted average deflator index in determining the present value of the sidewalks.
- **Capital Expenditure/Capital Outlay** – Budget vs. GAAP (Generally Accepted Accounting Principles). Only assets or infrastructure with a value over \$5,000 will be budgeted as a capital item in the budget. Short lived assets which do not meet the capital asset threshold will be budgeted as operational materials and supplies.
 - Deprecation Method: GASB (Governmental Accounting Standards Board) Statement 34 requires governments to depreciate capital assets with a defined estimated life.
 - The City will use the straight line depreciation method.
 - There will be no depreciation on land or other assets with an indefinite life.
 - Construction in progress projects are not subject to depreciation until the projected is completed.
 - Depreciation expense is not calculated on the salvage value (value which the asset will not fall below).
- **Capital Assets** – Assets vs. Repair & Maintenance: GASB 34 requires that repair and maintenance items are expenses rather than capitalized assets.

- The criteria determining whether an item is capitalized or expensed is whether the service life of the assets will be extended.
 - The City will adapt this definition and capital expenditures that extend the life of the asset will be classified as capital assets.
- **Estimated useful assets life:** The estimated useful lives of the assets are based on City experience and established projections reflected in the 5 year capital plan. The useful life will be used when determining depreciation expense. The useful lives are:
 - Land – indefinite
 - Buildings – 40 years
 - Improvements – 15 years
 - Equipment :
 - Cars – 5 years
 - Trucks – 10 years
 - Equipment – 5 years
 - Computer equipment – 3 years.
 - Infrastructure:
 - Roads – 25 years
 - Stormwater system – 50 years
 - Sidewalks – 20 years
- **Five year capital plan:** The City prepares a 5 year capital plan which reports the capital asset budget needs for the City.
- **Fixed Asset Accounting.** The City will comply with the standards established by GASB 34 (Governmental Accounting Standards Board) and all subsequent pronouncements with forth by GASB or its successor organization.

Capital Expenditures & Debt Policies

All Funds

Revenue: Revenue projections for the Capital Improvement Budget shall be based on conservative assumptions of future earnings and bond market conditions.

Requirements: Capital projects shall be justified in relation to the applicable elements of the City’s comprehensive plan or other requirements or needs. Estimated requirements for capital projects shall include all costs reasonably associated with the

completion of the project. The impact of each project on the operating revenues and requirements of the City shall be analyzed as required by the general fiscal policy stated above.

Long Term Debt: Long term borrowing will not be used to finance current operations or normal maintenance. A policy of full disclosure will be followed in all financial reports and official statements for debt.

Medium Term Debt: Capital lease purchase methods, bonds, or other debt instruments may be used as a medium-term (5 to 8 years) method of borrowing for the financing of vehicles, other specialized types of equipment, or other capital improvements. The equipment or improvement must have an expected life at least equal to the years leased or financed. The City will determine and utilize the least costly financing methods available and where practical, shall use an open bid system for such financing. Such debt arrangements will be repaid within the expected life of the equipment or improvement acquired.

Short Term Debt: Short-term borrowing may be utilized for temporary funding of anticipated tax revenues; anticipated grant payments, anticipated bond proceeds, or other expected revenues. Such debt should normally be made from pooled cash; however, in rare circumstances, it may be by the use of the line-of-credit at the City's depository or other financial institution, utilizing a short-term note maturing before the end of the current appropriation period. Other short-term debt, such as tax exempt commercial paper, bond anticipation notes, tax anticipation notes, or grant anticipation notes, may be used when it provides immediate financing and an interest advantage, or the advantage to delay long-term debt until market conditions are more favorable. The City will determine and utilize the least costly method for short term borrowing. Short-term debt may be refunded in accordance with applicable federal laws. Anticipated funding is defined as an assured source with the anticipated amount based on conservative estimates.

Specific Guidelines

1. General Capital Improvements: General capital improvements, or those improvements not related to City-owned enterprises, shall be funded from general operating fund revenues or fund balances, the sale of revenue or general obligation bonds, and from special assessments and grants.

2. Pay-As-You-Go Capital Improvements: Pay-as-you-go capital improvements shall be funded from general operating fund revenues or fund balances, state and federal grants, special assessments, or other sources of revenue which may become available to the City. Major capital projects related to the delivery of general public services shall be paid from general purpose revenues.

3. Special Assessments: When special assessments are used for pay-as-you-go general capital improvements where the City as a whole receives the benefit, the interest rate charged will be established by the City consistent with state law.

4. Revenue Bond Debt Limit: Sale of revenue bonds shall be limited to that amount which can be supported by user fees and other associated revenues. Revenue bond coverage shall not be less than parity required coverage or as fixed in the approving bond documents. *While the City has no legal debt limit*, it is the City's policy that the total net annual general revenue bond debt service should not exceed 15% of the total net general purpose revenue and other funds available for such debt service. Net annual debt service shall be gross annual debt service less estimated interest on debt service reserve accounts and funds from other governmental units designated for payment of such debt service.

5. Enterprise Capital Improvements: Enterprise revenue bond coverage shall not be less than parity or the required coverage, whichever is greater.

6. Miscellaneous: The maximum of net bonded debt per capita shall be \$1,000. The maximum percentage of annual debt service to general expenditures shall be 10%.

7. Types of Debt Pledges: There are different types of debt available to finance the City's needs. They are as follows:

- A. General obligation bonds: These bonds are secured by ad valorem tax beyond operating levels. All General Obligation Bond issuance must be approved by voters through a referendum. The State of Florida limits the General Obligation debt service not to exceed a tax of 2 mills.
- B. Covenant to Budget and Appropriate: This is a pledge that the City will consider making payment of debt service annually through budget process.
- C. Special Revenue Bonds: These bonds are repaid by the pledge of specific governmental revenue such as public service tax, gas tax or sales tax. This bond requires that the revenue stream be used first to satisfy the bond covenants and then used for other governmental purposes.
- D. Special Assessment Bonds: This bond is secured by special assessments that the City can levy. This includes any improvements to streets, such as sidewalk program, lighting program, traffic calming devices etc.
- E. State Revolving Loan: This is a low interest loan offered by the State for water, sewer and stormwater improvements. This loan is secured by user fees charged by the jurisdiction.

7. Final Maturity: The following is the guideline and is not a mandatory schedule; however, in no circumstances should the maturity of the loan be longer than the life of the assets.

- A. Vehicles/Equipment: 3-5 years
- B. Heavy Equipment such as loader, dump truck: 5-8 years
- C. Building: 20 – 30 years
- D. Infrastructure Improvement: 10 – 20 years
- E. Land: 20-30 years

8. Debt Instruments: The Finance Director shall choose the best structure of debt warranted by the market conditions and the project to be financed and recommend to Council for approval. The City also has the option of participating in one of the many pool bonds, where local government have joined together to issue debt to gain economy of scale to reduce issuance costs and to obtain better interest rate.

- A. Fixed Rate Bonds: Fixed rate bonds have the future principal and interest payments scheduled until maturity from the time of issuance.
- B. Variable Rate Notes: Variable rate notes are when the amount of interest paid changes in reaction to market demands and investor's preference. Variable rate debt should be used for two purposes: (1) as an interim financing device (during construction periods) and (2) subject to limitations, as an integral portion of a long-term strategy to lower the City's effective cost of capital. Under either circumstance, when the cycle of long-term rates moves down to or near historic lows, consideration should be given to converting to a fixed rate.
- C. Line or Letters of Credit: When the use is considered prudent the City can enter in agreements with local banks or other financial entities to acquire loans or letters of credit that provide City access to funds under emergency circumstances to fund temporary cash flow demands.

10. Measures of Future Flexibility: As the City addresses its needs at any one period in time, the Mayor and City Council must be prepared to ensure the flexibility to meet the present needs and challenges which face the community. Since neither State law nor the City Charter provide any fixed limits on the amount of debt which may be incurred (other than the requirement to have General Obligation debt approved in advance by referendum), the following targets or limits are established to ensure future flexibility. The following goals/targets are set to ensure the current and future flexibility, and financial vitality of the City.

Description	Ceilings
General Government Debt Service as a percentage non-ad valorem General Fund expenditures	
Debt Limit (net of General Obligation Bond)	10%
Goal/Target	8%
Weighted Average Maturity of Debt Programs:	
Self Supporting	10 years
Non-self-supporting	20 years
Weighted Average Maturity of Internal Loan Program:	5 years
General Government Direct Debt per capita	
Limit	\$1,000
Goal/Target	800
Annual Capital Projects Funding (paid as you go or debt service incurred) from non-advalorem tax	
Limit - mill	2
Goal/Target - mill	1.5
Unassigned Fund Balance	16-25% of annual operating budget

11. Refunding Criteria: Periodic review of the City’s outstanding debt should be undertaken to determine refunding opportunities. The City may issue refunding bonds when advantageous, legally permissible, prudent, and when aggregate net present value saving, expressed as a percentage of par amount for the refunding bonds, with a target range of 3-5% or when the average annual savings are greater than \$10,000 per year.

12. Monitoring, Reporting, Amendments and/or Exceptions: The Finance Director shall monitor the actual results against the targets presented in this policy and the report will include the following information, to the extent applicable:

- A. Debt Program Targets and
- B. Measures of Future Flexibility Targets;

From time to time, circumstances may suggest that an exception be approved to one or more of the policy constraints established herein. Amendments and/or exceptions must be submitted to the City Council and shall become effective only after approved by the City Council. This Debt Management Policy will be submitted for ratification by the City Council should economic circumstances arise.

Policies and Procedures for Issuance and Post-Issuance Compliance with Internal Revenue Code Requirements

The City issues tax-exempt and tax credit bonds (including certificates of participation) that are subject to certain requirements under the Internal Revenue Code (the “Code”). The City has established the policies and procedures outlined in this section in order to ensure compliance with the requirements of the Code that are applicable to tax-exempt bonds and tax credit bonds, including “Build America Bonds” that are “qualified bonds” within the meaning of Section 54AA thereof (“Direct-Pay BABs”) that are eligible for interest

subsidy payments (the “Subsidy”). These policies and procedures, coupled with requirements contained in the Arbitrage and Tax Certificate (the “Tax Certificate”) executed at the time of issuance of the bonds, are intended to constitute written procedures for compliance with the Federal tax requirements applicable to the bonds and for timely identification and remediation of violations of such requirements.

1. General Matters. The Finance Director shall have overall responsibility for ensuring that the ongoing requirements described in this section are met with respect to the bonds. The Finance Director shall identify additional employees who will be responsible for each of the procedures described in this section, notify the current holder of that office of the responsibilities, and provide that person with a copy of the procedures. New personnel will be advised of responsibilities under the procedures and the importance of the procedures. If positions are restructured or eliminated, responsibilities will be reassigned as necessary to ensure that all procedures are monitored.

2. Periodic Review. The Finance Director or other responsible persons should periodically review compliance with these procedures and with the terms of the related Tax Certificate to determine whether any violations have occurred so that such violations can be remedied through the “remedial action” regulations (Treasury Regulation §1.141-12) or the Voluntary Closing Agreement Program described in Internal Revenue Service (“IRS”) Notice 2008-31 (or successor guidance).

3. Changes in Bond Terms. If any changes to the terms of the bonds are contemplated, bond counsel will be consulted. Such modifications could result in a reissuance, i.e., a deemed refunding, of the bonds. Such a reissuance could jeopardize the status of any bonds that are Direct-Pay BABs and thereby affect the continued receipt of the Subsidy.

4. Issue Price; Premium Limit for Build America Bonds.

- A. In order to document the issue price of bonds, the Finance Director shall consult with bond counsel and obtain a written certification from the underwriter, placement agent or other purchaser of the bonds as to the offering price of the bonds that is in form and substance acceptable to the City and bond counsel.
- B. Prior to issuing Build America Bonds, the Finance Director shall consult with bond counsel and the City’s financial advisors to assure that the premium on each maturity of the bonds (stated as a percentage of principal amount) does not exceed one-quarter of one-percent (0.25%) multiplied by the number of complete years to the earlier of final maturity of the bonds or, generally, the earliest call date of the bonds, and that the excess of the issue price of the bonds over the price at which the bonds are sold to the underwriter or

placement agent, when combined with other issuance costs paid from proceeds of the bonds, does not exceed 2% of the sale proceeds of the bonds.

- C. In connection with monitoring the premium limitation that applies to the issuance of Build America Bonds, the Finance Director shall ensure that a party other than the underwriter or placement agent, such as the City's financial advisor, reviews the market trading activity of the bonds after their sale date but before their issuance date, answers such questions as the Finance Director shall reasonably ask of such party concerning such data, and produce such reports concerning the sales data as the Finance Director shall reasonably request. Market trading information is generally available through the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System (EMMA) (<http://www.emma.msrb.org>).

5. Information Reporting.

- A. The Finance Director will confirm that bond counsel has filed the applicable information reports (such as Form 8038-G or Form 8038-B) for such bond issue with the IRS on a timely basis, and maintain copies of such form including evidence of timely filing as part of the transcript of the bond issue.
- B. For Direct-Pay BABs, the Finance Director shall review the IRS Form 8038-CP in order to ensure that the proper amount of interest is being reported and the proper amount of Subsidy is being requested with respect to each interest payment date. The Finance Director shall ensure that the IRS Form 8038-CP is filed on a timely basis with respect to each interest payment date in order to receive timely payment of the Subsidy. If the Subsidy is to be paid to a person other than the City (i.e., the bond trustee), the Finance Director shall obtain and record the contact information of that person, and ensure that it is properly shown on Form 8038-CP so that the direct payment will be made to the proper person.

6. Use of Proceeds of Bonds. The Finance Director or other responsible person shall:

- A. Maintain clear and consistent accounting procedures for tracking the investment and expenditures of bond proceeds, including investment earnings on bond proceeds.
- B. At or shortly after closing of a bond issue, ensure that any allocations for reimbursement expenditures comply with the Tax Certificate.

- C. With respect to Build America Bonds, monitor that no more than 2% of the sale proceeds are used to pay costs of issuance.
- D. With respect to Build America Bonds, determine the correct amount of available project proceeds and monitor that 100% of all sale proceeds and investment earnings on sale proceeds (other than proceeds used to pay costs of issuance or deposited in a reasonably required reserve fund) are allocated to capital expenditures in a timely fashion consistent with the requirements of the Tax Certificate.
- E. Utilize requisitions to draw down bond proceeds, and ensure that each requisition contains detailed information in order to establish when and how bond proceeds were spent; review them carefully before submission to ensure proper use of bond proceeds to minimize the need for reallocations.
- F. Ensure that a final allocation of bond proceeds (including investment earnings) to qualifying expenditures is made if bond proceeds are to be allocated to project expenditures on a basis other than “direct tracing” (direct tracing means treating the bond proceeds as spent as shown in the accounting records for bond draws and project expenditures). An allocation other than on the basis of “direct tracing” is often made to reduce the private business use of bond proceeds that would otherwise result from “direct tracing” of proceeds to project expenditures. This allocation must be made within 18 months after the later of the date the expenditure was made or the date the project was placed in service, but not later than five years and 60 days after the date the bonds are issued, or 60 days after the bond issue is retired. Bond counsel can assist with the final allocation of bond proceeds to project costs.
- G. Maintain careful records of all project and other costs (e.g., costs of issuance, credit enhancement and capitalized interest) and uses (e.g., deposits to a reserve fund) for which bond proceeds were spent or used. These records should be maintained separately for each issue of bonds.

7. Monitoring Private Business Use. The Finance Director or other responsible person shall:

- A. Review all of the following contracts or arrangements with non-governmental persons or organizations or the federal government (collectively referred to as “private persons”) with respect to the

bond-financed facilities which could result in private business use of the facilities:

- i. Sales of bond-financed facilities;
 - ii. Leases of bond-financed facilities;
 - iii. Management or service contracts relating to bond-financed facilities;
 - iv. Research contracts under which a private person sponsors research in bond- financed facilities; and
 - v. Any other contracts involving “special legal entitlements” (such as naming rights or exclusive provider arrangements) granted to a private person with respect to bond-financed facilities.
- B. Before amending an existing agreement with a private person or entering into any new lease, management, service, or research agreement with a private person, consult bond counsel to review such amendment or agreement to determine whether it results in private business use.
- C. Establish procedures to ensure that bond-financed facilities are identified and are not used for private use without written approval of the Finance Director or other responsible person.
- D. Analyze any private business use of bond-financed facilities and, for each issue of bonds, determine whether the 10% limit on private business use (5% in the case of “unrelated or disproportionate” private business use) is exceeded, and contact bond counsel or other tax advisors if either of these limits is exceeded.
- E. If private business use limits are exceeded, consult with bond counsel to determine if a remedial action is required with respect to nonqualified bonds of the issue under Treasury Regulation §1.141-12, or if the IRS should be contacted under its Voluntary Closing Agreement Program.
- F. Retain copies of all of the above contracts or arrangements (or, if no written contract exists, detailed records of the contracts or arrangements) with private persons for the period indicated below.

- G. Ensure that loans to persons other than governmental units made with proceeds of bonds comply with the limitations provided in the Code. Consult bond counsel if any such loans are contemplated.

8. Arbitrage and Rebate Compliance. The Finance Director or other responsible person shall:

- A. Review each Tax Certificate to understand the specific requirements that are applicable to each bond issue.
- B. Record the arbitrage yield of the bond issue, as shown on IRS Form 8038-G or 8038-B.
- C. Review the Tax Certificate to determine the “temporary periods” for each bond issue, which are the periods during which proceeds of bonds may be invested without yield restriction.
- D. Ensure that any investment of bond proceeds after applicable temporary periods is at a yield that does not exceed the applicable bond yield, unless yield reduction payments can be made pursuant to the Tax Certificate.
- E. Monitor that bond proceeds (including investment earnings) are expended promptly after the bonds are issued in accordance with the expectations for satisfaction of three-year or five-year temporary periods for investment of bond proceeds and to avoid “hedge bond” status.
- F. Ensure that investments acquired with bond proceeds satisfy IRS regulatory safe harbors for establishing fair market value (e.g., through the use of bidding procedures), and maintaining records to demonstrate satisfaction of such safe harbors.
- G. Consult with bond counsel before engaging in credit enhancement or hedging transactions relating to a bond issue, and before creating separate funds that are reasonably expected to be used to pay debt service on bonds. Maintain copies of all contracts and certificates relating to credit enhancement and hedging transactions that are entered into relating to a bond issue.
- H. Before beginning a capital campaign that may result in gifts that are restricted to bond-financed projects (or, in the absence of such a campaign, upon the receipt of such restricted gifts), consult bond counsel to determine whether replacement proceeds may result.

- I. Even after all proceeds of a given bond issue have been spent, ensure that the debt service fund meets the requirements of a “bona fide debt service fund,” i.e., one used primarily to achieve a proper matching of revenues with debt service that is depleted at least once each bond year, except for a reasonable carryover amount not to exceed the greater of: (i) the earnings on the fund for the immediately preceding bond year; or (ii) one-twelfth of the debt service on the issue for the immediately preceding bond year. To the extent that a debt service fund qualifies as a bona fide debt service fund for a given bond year, the investment of amounts held in that fund is not subject to yield restriction for that year.
- J. Ensure that amounts invested in any reasonably required debt service reserve fund do not exceed the least of: (i) 10% of the stated principal amount of the bonds (or the sale proceeds of the bond issue if the bond issue has original issue discount or original issue premium that exceeds 2% of the stated principal of the bond issue plus, in the case of premium, reasonable underwriter’s compensation); (ii) maximum annual debt service on the bond issue; or (iii) 125% of average annual debt service on the bond issue.
- K. Review the Arbitrage Rebate covenants attached to the Tax Certificate. Subject to certain rebate exceptions described below, investment earnings on bond proceeds at a yield in excess of the bond yield (i.e., positive arbitrage) generally must be rebated to the U.S. Treasury, even if a temporary period exception from yield restriction allowed the earning of positive arbitrage.
 - i. Ensure that rebate calculations will be timely performed and payment of rebate amounts, if any, will be timely made; such payments are generally due 60 days after the fifth anniversary of the date of issue of the bonds, then in succeeding installments every five years. The final rebate payment for a bond issue is due 60 days after retirement of the last bond of the issue. The City should hire a rebate consultant if necessary.
 - ii. Review the rebate section of the Tax Certificate to determine whether the “small issuer” rebate exception applies to the bond issue.
 - iii. If the 6-month, 18-month, or 24-month spending exceptions from the rebate requirement (as described in the Tax Certificate) may apply to the bonds, ensure that the spending of proceeds is monitored prior to semi-annual spending dates for the applicable exception.

- iv. Make rebate and yield reduction payments and file Form 8038-T in a timely manner.
- v. Even after all other proceeds of a given bond issue have been spent, ensure compliance with rebate requirements for any debt service reserve fund and any debt service fund that is not exempt from the rebate requirement (see the Arbitrage Rebate covenants attached to the Tax Certificate).
- vi. Maintain records of investments and expenditures of proceeds, rebate exception analyses, rebate calculations, Forms 8038-T, and rebate and yield reduction payments, and any other records relevant to compliance with the arbitrage restrictions.

9. Record Retention. The Finance Director or other responsible person shall ensure that for each issue of bonds, the transcript and all records and documents described in these procedures will be maintained while any of the bonds are outstanding and during the three-year period following the final maturity or redemption of that bond issue, or if the bonds are refunded (or re-refunded), while any of the refunding bonds are outstanding and during the three-year period following the final maturity or redemption of the refunding bonds.

Investment Policies

Scope

This investment policy applies to all financial assets of the City of Miami Gardens, which are under the direct control of the City Council.

Investment Objectives

The following investment objectives will be applied in the management of the City's funds.

1. Safety of Capital - Safety of capital is regarded as the highest priority in the handling of investments for the City. All other investment objectives are secondary to the safety of capital. Each investment transaction shall seek to first ensure that capital losses are avoided, whether they are from securities defaults or erosion of market value. From time to time, securities may be traded for other similar securities to improve yield, maturity, or credit risk. For these type transactions, a loss may be incurred for accounting purposes, provided any of the following occurs with respect to the replacement security:

- a. Yield has been decreased;
- b. Maturity has been reduced;
- c. Quality of the investment has been improved.

2. Liquidity - The City's investment strategy will provide sufficient liquidity such that cash flow requirements are met through the utilization of marketable securities with structured maturities.

3. Yield - In investing public funds, the City will strive to maximize the return on the portfolio but will avoid assuming unreasonable risk.

Standards of Care

1. Prudence and Ethical Standards – The “prudent person” standard shall be used in the management of the overall investment portfolio. The prudent person standard is herewith understood to mean the following: Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived. Investment officers, or persons performing the investment functions, acting as a “prudent person” in accordance with this written policy and procedures, exercising due diligence and investments authorized by law, shall be relieved of personal responsibility, for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion, as described in the internal control section of this policy, and appropriate action is taken to control adverse developments.

2. Investment Authority - Responsibility for the administration of the investment program is vested in the City Manager. The City Manager shall exercise this authority and regulate the administration of the investment program through the Finance Department. No person may engage in an investment transaction except as stated in the internal controls section of the policy.

3. Ethics and Conflicts of Interest – The Mayor, City Council, City Manager, and Finance Department employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. The above personnel shall disclose any material interests in financial institutions with which they conduct business and any personal financial or investment positions that could be related to the performance of the investment portfolio. Investment related officers and personnel shall refrain from undertaking personal investment transactions with the same individual with whom business is conducted on behalf of their entity.

Safekeeping And Custody

Authorized Investment Institutions and Broker/Dealers

Documented lists of the authorized financial institutions and broker/dealers will be developed and maintained by the Finance Director and approved by the City Manager. Broker/ dealers will consist of banks, regional firms, and other recognizable firms in the general securities business. All such institutions shall be on the State of Florida authorized institution list. Evaluation criteria will include:

- a. The institutional and broker qualification as they relate to both general and specific product knowledge;
- b. The technical support capabilities as well as the operations efficiency of the organization;
- c. The ability to provide value added services;
- d. Pricing competitiveness based on the ability of the dealer to support both the “bid” and “ask” side of various securities market instruments.
- e. The financial strength and security of the company; and
- f. Have a minimum capital of \$10 million. Before engaging in investment transactions with a financial institution or broker/dealer, the Finance Director will have received from said a signed investment certification form attesting that the individuals responsible for the City’s accounts have reviewed the City’s investment policy and that they agree to undertake reasonable efforts to preclude imprudent transactions involving the City’s funds.

Time, practicality, and general business constraints limit the number of investment relationships which can be managed on a regular basis. In most cases, normal investment activity will be limited to no more than five relationships. In all cases, investment relationships will consist of a minimum of three institutions. If at any time the City Manager is appropriately notified of any threat to the integrity of the investment portfolio, proper security measures may be suggested and implemented, and the clerk shall have the option to further restrict investment in selected instruments, to conform to then present market conditions. Repurchase agreements will be conducted through, and negotiated only with, qualified public depository financial institutions and primary securities broker/dealers. A written master repurchase agreement will be negotiated with any institution with which the City, through the clerk, enters into a specific repurchase agreement.

Internal Controls

The City Manager shall exercise and monitor a set of internal controls which are designed to protect the City's funds and ensure proper accounting and reporting of the securities transactions. Such internal controls shall consist of the following:

- a. All securities purchased or sold will be transferred only under the "delivery versus payment" method to ensure that funds or securities are not released until all criteria relating to the specific transactions are met.
- b. The City Manager is authorized to accept, on behalf of and in the name of the City of Miami Gardens, bank trust receipts and/or confirmations as evidence of actual delivery of the obligation or securities in return for investment of funds. Trust receipts or confirmations shall fully describe the various obligations or securities held. The receipt or confirmation shall state that the investment is held in the name of the City of Miami Gardens.
- c. Written documentation and/or confirmation of telephone transactions and wire transfers will be maintained.
- d. There will be adequate separation of duties with clear delegation of authority among investment personnel.
- e. Custodial safekeeping shall be properly utilized.
- f. Investment review and performance reporting, interim and annual, shall be done by the Finance Director and reviewed by the City Manager.
- g. The Finance Director will promptly notify the City Manager of any threat to the safety of the portfolio and proper security measures will be suggested and implemented to conform to market conditions.
- h. There will be an avoidance of bearer-form securities.
- i. There will be no physical delivery of securities, except certificates of deposit, which will be maintained in a safe in an approved financial institution.
- j. There will be a prohibition of collusion.
- k. A wire transfer agreement with the custodial bank outlining the various controls and security provisions for making and receiving wire transfers shall be executed.
- l. Quarterly safekeeping account statements shall be maintained.

- m. Transaction confirmations will be received from the financial institution or securities dealer awarded the investment and maintained as investment document.
- n. Periodic training and educational opportunities will be provided and made available concerning investments and related subjects for appropriate personnel.
- o. Investment activity will be performed by the Finance Director and subsequently approved by the City Manager. In the absence of the Finance Director, the Chief Staff Accountant responsible for overseeing investment record keeping, will perform the investment activity and obtain approval of the City Manager.
- p. The following personnel are designated by the City Manager as having authority to initiate all investment activities.
 - 1. Finance Director
 - 2. Chief Staff Accountant responsible for overseeing investment record keeping (if one is appointed).
- q. Additional controls will be established in written policies and procedures by the City Manager as needed.
- r. The internal controls for investments receipts to the City Manager's office listing the specific instrument, par value, rate, maturity, and any other pertinent information. In addition, the safekeeping institution shall send a report on at least a quarterly basis listing all securities held in each safekeeping account which shall be verified by the City Manager's office. All securities purchased by the City under this policy shall be purchased using the "delivery versus payment" procedure. If it is ever determined to be necessary to perform security transactions on a "free delivery" basis, or to have securities held by the broker/dealer for a temporary period, the approval of the Finance Director must be secured prior thereto and the reason documented in writing.

Suitable And Authorized Investments

The City shall limit investments to:

- 1. Negotiable direct obligations of, or obligations the principal and interest of which are unconditionally guaranteed by, and which carry the full faith and credit of, the United States Government and its agencies. Investments in this category would include, but not be limited to, the following: United States Treasury Bills, Notes and Bonds, and securities issued by the Government

National Mortgage Association (Ginnie Mae), and Federal Housing Administration.

2. Fully collateralized United States Agency obligations which carry an implied guarantee and the implied full faith and credit of the United States Government. Investments in this category would include, but not be limited to, the following: obligations of the Federal Home Loan Mortgage Corporation (FHLMC) and the Federal National Mortgage Association (FNMA)

3. Other United States Agency obligations which carry an implied guarantee and the implied full faith and credit of the United States Government. Investments in this category would include but not be limited to the following: obligations of the Federal Farm Credit Bank, Federal National Mortgage Association (Fannie Mae), Federal Home Loan Mortgage Corporation (Freddie Mac), Student Loan Marketing Association (Sallie Mae), Financial Assistance Corporation, and Federal Agriculture Mortgage Corporation (Farmer Mac).

4. Permitted investments in the above listed agencies and instrumentalities shall include bonds, debentures, notes, or other evidence of indebtedness issued including mortgage pass-throughs, collateralized mortgage obligations, adjustable rate securities, and adjustable rate mortgages.

5. Interest bearing savings accounts, money market accounts, certificates of deposit, money market certificates, or time deposits constituting direct obligations of any bank or savings and loan association certified as a qualified public depository by the State.

6. Repurchase agreements collateralized by securities otherwise authorized in paragraphs one to five.

7. State of Florida Local Government Surplus Funds Trust Fund.

8. Purchase of Tax Certificates. The City may invest in delinquent tax certificates for property located in Miami Gardens within the following guidelines:

- a) First year tax certificates must be purchased from the property appraiser's second tax certificate sale each year (18% fixed sale).
- b) Second year certificates must be from those properties for which the City holds the first year certificate.

- c) The City shall not purchase any certificate on any property for which there is a current homestead exemption and which is currently occupied.
- d) City staff shall review all properties from which a tax deed is eligible and shall recommend to City Council those properties that will serve a public purpose through community redevelopment, parks and recreation, public infrastructure, housing assistance potential, revenue generation or other such purpose that City Council may deem appropriate.
- e) Prior to filing for a tax deed to any property, the City Council must approve by Resolution the acquisition of such property.

9. The City Council of the City of Miami Gardens adopted a policy to incorporate the State of Florida's "Protecting Florida's Investment Act," (Chapter 2007-88, Laws of Florida), prohibiting the investment of public funds managed by the City in any "scrutinized companies" with active business operations in Sudan or Iran, as listed by the State Board of Administration (SBA) on a quarterly basis, in accordance with the provisions of the Act

Bid Requirement

When purchasing or selling securities, the Finance Director, or his designated staff, will obtain competitive bids or offerings from at least three dealers, except in situations where:

1. The security involved is a "new original issue" and can be purchased at par prior to issue date, or "at the window" at date of sale;
2. The security involved is available through direct issue or private placement;
3. The security involved is of particular special interest to the entity and dealer competition could have an adverse impact with respect to the price and availability to the entity.

Reporting

For any investment other than the State Board of Administration (SBA), the Finance Director shall generate monthly reports for management purposes. In addition, he/she shall submit an annual report for submission to the Council, which presents the City's portfolio by type of investment, book value, income earned, and market value as of the report date.

Investment Parameters

1. Liquidity Requirements - To meet the day to day operating need of the City and to provide the ready cash to meet unforeseen temporary cash requirements, a liquidity base of approximately two months of anticipated disbursements, excluding bond construction payments made from escrow or trust accounts, will be kept in relatively short term investments. These would include State of Florida Local Government Surplus Funds, Trust Fund, Discount Notes, Repurchase Agreements.

2. Portfolio Composition; Risk and Diversification - Prudent investing necessitates that the portfolio be diversified as to instruments and dealers. The following limits are hereby established to serve as guidelines for diversification by instrument. These guidelines may be revised by the City Manager for special circumstances.

Local Government Surplus Funds Trust Fund 100%
United States Treasury Bills/Notes/Bonds 75%
Other United States Government Agencies 75%
Repurchase Agreements 35%
Certificates of Deposit 10%
Collateralized Mortgage Obligations 10%

3. Performance Standard - The City seeks to optimize return on investments within the constraints of safety and liquidity. The investment portfolio shall be designed with the annual objective of exceeding by 25 basis points above the weighted average return earned on investments held the State Board of Administration.

Budget Policies

Budgetary Practices and Basis of Budgeting

Balanced Budget – A budgetary state in which planned expenditures equal anticipated revenues. In Florida, it is a requirement that all governmental operating budgets submitted and approved, must be balanced without borrowing.

A. Operating Budget Practices: Each department and division prepares its own budget for review by the City Manager. The budget is approved in the form of an appropriations ordinance after the Mayor and Council have conducted advertised public hearings. The Operating Budget is adopted at the Fund level. During the year, it is the responsibility of the City Manager to administer the budget. The legal

control, which the budget ordinance establishes over spending, is set up under Generally Accepted Accounting Principles. The City Manager has the authority to transfer budgeted amounts between departments within any Fund, but changes in the total appropriations level for any given Fund can only be enacted by the Mayor and Council through an amendment to the current appropriations ordinance, except for prior year encumbrances carried-forward, grants, reimbursements and bond proceeds, which the City Manager may appropriate to the appropriate fund without further Council action.

The City will adopt an annual General Fund budget in which expenditures, net of pay-as-you-go capital project contributions, do not exceed projected revenues. As a management policy, budgetary control is maintained in the General and the Special Revenue Funds at the program level by the encumbrance of estimated purchase amounts prior to the release of purchase orders to vendors. Purchase orders which result in overruns of balances are not processed (locked out of the computer system) until sufficient appropriations are made available through approved intrafund transfers.

The City Manager is authorized by the City's adopted purchasing ordinance, to expend certain amounts without further action by City Council. The Manager is authorized to expend up to \$10,000 without bidding; however, the City Manager has established a staff policy that generally requires multiple quotes for such purchases. Authorization to approve purchase orders under this amount has been delegated to the Assistant City Managers. Purchases between \$10,000 and \$25,000 can be authorized by the City Manager subject to the securing of at least three (3) written quotes. Purchases between \$25,000 and \$50,000 can be authorized by the City Manager after a formal, sealed bidding process. Such purchases are reported after the fact to City Council in a monthly report. All purchases over \$50,000 must be approved by City Council.

B. Basis of Accounting and Budgeting: The basis for budgeting is the same as the basis for accounting. Budgets for General, Special Revenue, Capital Projects, and Debt Service Funds are adopted on a basis consistent with Generally Accepted Accounting Principles. Accordingly, all Governmental Fund budgets are presented on the modified accrual basis as well as the "current resources measurement focus." Under this method of accounting, revenue is recorded when susceptible to accrual, such as when measurable and available for the funding of current appropriations. The Governmental Funds are the General Fund, the Special Revenue Funds, the Capital Projects Fund, and the Debt Service Fund. Enterprise Fund budgets are presented on the full accrual basis as well as "the economic resources measurement focus". Under this method of accounting, revenues are recognized when earned, as billed and unbilled, and expenditures are recorded when incurred. The City has only one Enterprise Fund, the Stormwater Fund. See the Fund Summaries Budget Detail sections for detailed information on the Fund descriptions.

C. Capital Improvements Program Practices: Along with the operating budget, the City Manager submits a Capital Improvements Program (CIP) to the Mayor and Council. This document provides for improvements to the City's public facilities for the ensuing fiscal year and five years thereafter. The first year of the plan establishes a capital budget for the new fiscal year. The remaining five years serve as a guide for use in determining probable future debt issuance needs and operating cost impacts. The Capital Budget is adopted at the Fund level. CIP expenditures are accounted for in the Capital Projects Fund or the Enterprise Funds, as appropriate, and are funded by a variety of sources. The City strives to maintain a reasonable balance between "pay-as-you-go" financing and bond financing for its capital improvements in order to maintain debt within prudent limits. In September 2009, City Administration visited Standard and Poor's and provided them with the required information and obtained an "A-Stable" bond rating.

Other Budget Policies

1. Formal budgetary integration is employed as a management control device during the year for all funds.
2. All fund budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP).
3. Florida Statutes provide that expenditures in excess of those total fund budgets are unlawful.
4. Unused appropriations lapse at the end of each fiscal year. Such unexpended funds may be retained in the appropriate fund's reserve or budgeted for the subsequent fiscal year.
5. The City has chosen to implement GASB 45 through a combination of pay-as-you-go and trust reserve. For those amounts accruing for implied future costs, the City's policy is to fund these expenses as it always has, on a yearly, pay-as-you-go budget basis. The City's health insurance premiums are highly competitive with other cities and the addition of future retirees is not expected to have more than an incremental affect on this budgetary item.

As for those future costs associated with the City's own post-retirement benefits, the will be a direct expense of the City thus the City has elected to establish a trust for these future expenditures.

Budget Amendments

Budget Amendments

The City adopts the annual budget at the Fund level. Budget amendments are required when it is necessary to move funds between budgeted funds, to create new funds, or to appropriate funds from fund balance. Generally, budget amendments are done once or twice each year.

Internal Budget Adjustments (Budget Transfers)

General

Budget adjustments are designed to give the City Manager a degree of flexibility in his/her budgetary administration. They may generally be approved for one of four reasons. First, a budgetary mistake may have been made in the approved budget. Because the budget cycle must begin so early in the year, it is very easy to overlook certain items which should have been included, or to over and/or underestimate the expenses or need for certain other items. A second reason for which transfers should be approved is emergency purchases. In many instances, equipment, supply, or maintenance costs must be incurred at a higher level than could have been anticipated due to a breakdown of equipment, the assumption of a new service, or unusually large contract prices.

A third reason for an amendment is an avoidance of future cost increases. Such opportunities often arise when a certain product or service can be purchased at a certain time rather than putting off the purchase until a later date.

Finally, a municipal organization needs to be dynamic to respond to change. Often this requires moving funds from one area to another.

Budget adjustments exist for very specific reasons, as noted above and should not be used to balance an organization's budget each month. Operating within one's available budgetary resources is a managerial responsibility, and one which should be taken very seriously. While the approved budget is only a plan and can be changed as circumstances change; it should be adhered to as closely as possible. The budget should contain a reasonable working capital reserve account in each Fund to meet unexpected needs.

When needs are less than originally anticipated or should prices come in lower than budgeted, excess funds should accrue as savings to the City. They should not be considered as available dollars for additional expenditures beyond the appropriation level contained in the approved budget without specific justification. These accrued savings become fund balance reserve or cash forward in the next year's budget, a valuable revenue in maintaining service levels and avoiding tax rate increases. The more that can be accrued in one year, the easier the budget process will be the next year.

Capital equipment item funds are budgeted for in the annual budget; however, as needs change, individual items are not specifically approved in the budget. Additional capital equipment needs can be purchased if funds are available. First, if the amount does not exceed \$10,000, and if the requesting party has the funds available, then the Department Head can approve the purchase. If the individual item or systems exceed \$10,000 but do not exceed \$50,000, and if the requesting party has funds available, then the City Manager can approve the purchase after following approved purchasing procedures. Individual items or systems over \$50,000 require City Council approval with justification of fund availability whether from the adopted budget or the appropriate reserve.

Encumbrances

Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of resources are recorded in order to reserve that portion of the applicable appropriation, is utilized in the governmental funds.

Policies

6. The City Manager is authorized to make budgetary transfers, limited to line item allocations within a single fund, including apportioning budgets within funds to line items in the Chart of Accounts for the City. Said authority includes the authority to correct inter-programmatic budgeting and accounting allocations. The budgetary level of control is at the fund level.
6. The City Manager has the authority to adjust the adopted budget to correct scrivener's errors.
7. A receipt of revenue from a source not anticipated in the budget and received for a particular purpose including, but not limited to, grants, donations, gifts, or reimbursement for damages, may be appropriated by the City Manager and expenditures provided for in the budget.
8. The City Manager is hereby authorized to create a suspension reserve account in each fund and, further, authorized to transfer funds across appropriation centers into said accounts.

Accounting, Auditing & Financial Reporting

1. The City's accounting and financial reporting systems will be maintained in conformance with Generally Accepted Accounting Principles (GAAP) and the standards set by the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA).
2. An independent public accounting firm will perform an annual audit. The auditor's opinion will be included with the City's published Comprehensive Annual Financial Report (CAFR).
3. The City's CAFR will be submitted to the GFOA Certification of Achievement for Excellence in Financial reporting Program. The financial report should be in conformity with GAAP, demonstrate compliance with finance related legal and contractual provisions provide full disclosure of all financial activities and related matters, and minimize ambiguities and potentials for misleading inference.
4. The City's budget will be submitted to the GFOA Distinguished Budget Presentation Program. The budget should satisfy criteria as a financial and programmatic policy document, as a comprehensive financial plan, as an operations guide for all organizational units and as a communications device for all significant budgetary issues, trends, and resources.
5. The Finance Department will also prepare, in conjunction with the release of the CAFR, the "Popular Annual Financial Report" which is a condensed and easy to read version of the annual CAFR. This document will be provided to residents so that they can easily understand how the City is using their funds. This document will also be submitted to the GFOA committee in order to receive their award.
6. Financial systems will be maintained to monitor revenues, expenditures, and program performance on an ongoing basis.
7. Monthly budget reports shall be prepared and presented to the City Council on a timely basis.
8. The Finance Department will also prepare, in conjunction with the release of the CAFR, an annual "Financial Trends Report" and presented to the City Council on a timely basis.

Prepare and present regular reports that analyze, evaluate, and forecast the City's financial performance and economic conditions.

All Operating Funds' Summaries and Year to Year Revenue Changes by Revenue Class

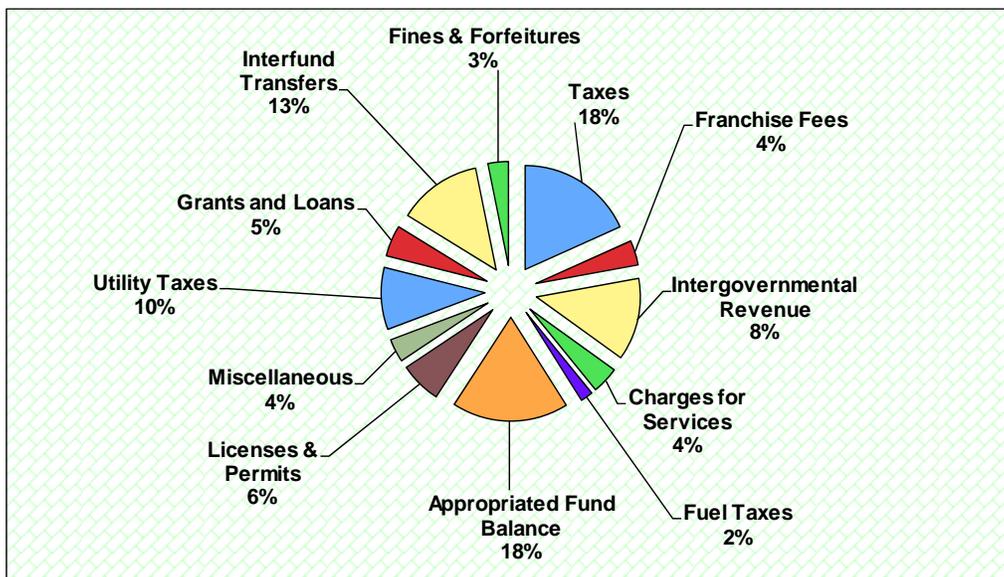

This table offers an overview of all major operating revenues that comprise the City's financial accounting system. The summary below shows all funds.

Table: All Funds Summary with Year-to-Year Changes by Revenue Source

All Funds Revenues	Estimated FY 12	Budget FY 13	Per Cent Change	Note
Taxes	\$21,084,771	\$20,718,436	-1.74%	(1)
Franchise Fees	\$4,056,739	\$4,365,000	7.60%	(2)
Intergovernmental Revenue	\$20,596,160	\$14,536,259	-29.42%	(3)
Utility Taxes	\$10,276,782	\$10,968,560	6.73%	
Fuel Taxes	\$2,124,970	\$2,181,707	2.67%	
Fines and Forfeitures	\$3,593,871	\$3,602,810	0.25%	
Licenses & Permits	\$7,641,680	\$7,330,491	-4.07%	
Miscellaneous	\$4,567,993	\$4,113,578	-9.95%	(4)
Charges for Services	\$4,426,458	\$4,757,698	7.48%	(5)
Grants/Loans/Bonds	\$9,236,620	\$5,496,476	-40.49%	(6)
Interfund Transfers	\$12,095,473	\$14,782,264	22.21%	(7)
Appropriated Fund Balance	\$59,281,265	\$20,532,140	-65.36%	(8)
TOTAL OPERATING REVENUES	\$158,982,783	\$113,385,419	-29%	

- (1) Decrease is attributed to reduction in taxable value
- (2) Increase is higher consumptions of electricity and solid waste franchise fees
- (3) Decrease is attributed to one-time settlement by Dade County for the CITT funds in FY 2012
- (4) Reduction is attributed to less impact fees projected for FY 2013
- (5) Increase is attributed to projection of higher patrons in recreational activities
- (6) Less grant to be received in FY 13
- (7) Higher transfers is attributed to debt payment for City Hall which needs funding to be transferred to the debt service fund.
- (8) Decrease is attributed to the use of bond proceeds for City Hall constructions

Chart: Fund Revenues as a Percentage of total City's Revenue

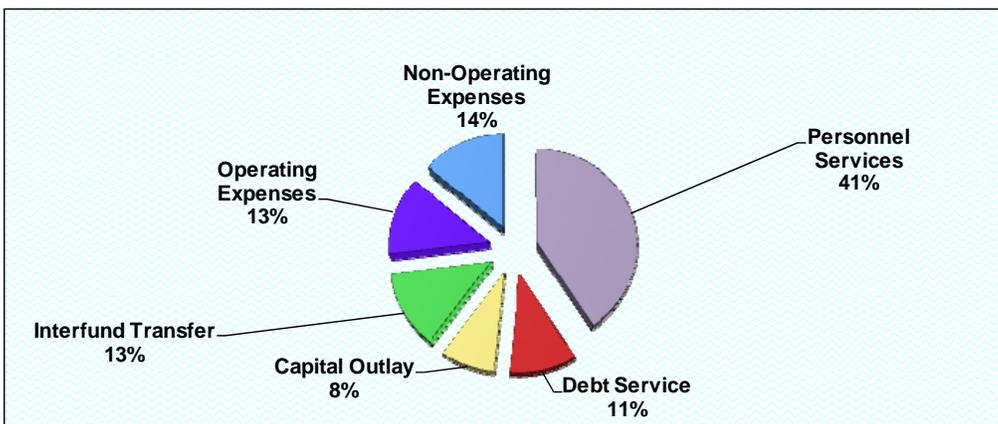

All Funds Summary and Year to Year Changes by Expenditure Class

This table offers an overview of all operating expenditures for each class of expenditure that comprises the City's financial accounting system. The system consists of eleven funds: The General Fund, The Transportation Fund, The Development Services Fund, The Special Revenue Fund, The Capital Projects Fund, The Community Development Block Grant Fund, The State Housing Initiative Fund, the Law Enforcement Trust Fund, The Stormwater Utility Fund and the Debt Service Fund.

All Funds Expenditures	Estimated FY 12	Budget FY 13	Per Cent Change	Note
Personnel Services	\$44,444,311	\$46,445,193	4.50%	(1)
Operating Expenses	\$15,910,057	\$14,899,019	-6.35%	(2)
Capital Outlay	\$55,050,389	\$9,642,081	-82.48%	(3)
Interfund Transfer	\$12,020,473	\$14,782,266	22.98%	(4)
Debt Service	\$10,553,494	\$11,990,632	13.62%	(5)
Non-Operating Expenses	\$5,586,583	\$15,626,228	179.71%	(6)
TOTAL OPERATING EXPENDITURES	\$143,565,307	\$113,385,419	-21.02%	

- (1) Elimination of furlough for FY 2013 and increase in pension contribution for Florida Retirement System
- (2) Decrease is attributed to less grant received for CDBG and NSP projects
- (3) Unspent approved capital projects from previous year will automatically carried forward instead of re-budgeting in FY 2013
- (4) Funding of City Hall bond debt payments will begin in FY 13 as capitalized interest will be exhausted. Funds need to be transferred into the Debt Service Fund.
- (5) City Hall bond debt payments
- (6) Increase in Fund Balance due to CITT settlement.

Chart: All Funds Expenditures by Expenditure Class

All Funds Expenditure Summary and Year to Year Changes by Department

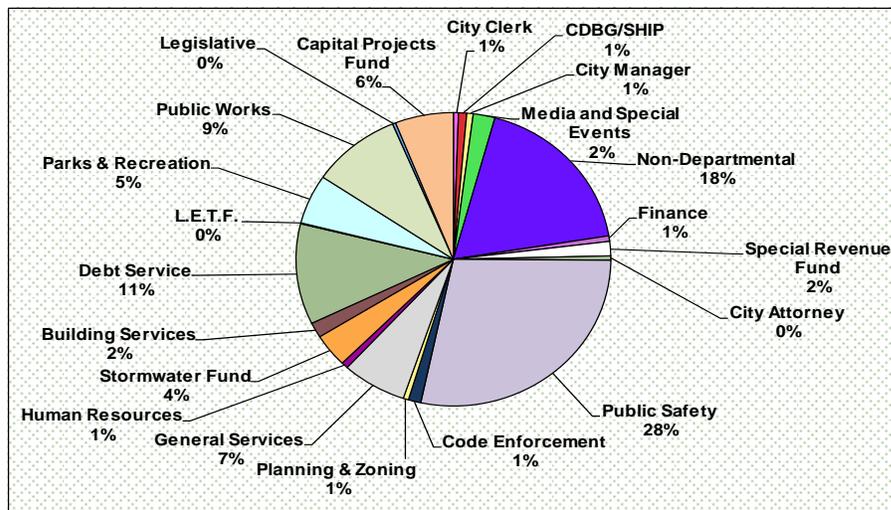

This table offers an overview of all operating expenditures by each operating department that within the City's financial accounting system.

Table: All Funds Expenditures by Department with Year-to-Year Changes

All Funds Expenditures	Estimated FY 12	Budget FY 13	Per Cent Change	Note
Legislative	\$368,268	\$364,524	-1.02%	
City Manager	\$943,598	\$755,447	-19.94%	(1)

Budget Detail by Fund

- General Fund -

For financial purposes, the City conducts its operations from various accounting entities called "Funds." Each Fund is treated as a 'business' and is designed to operate quasi-independently from the other funds. The City's current operating funds are: The General Fund; the Transportation Fund; the Development Services Fund; the Special Revenue Fund; the Capital Projects Fund, the Stormwater Utility Fund, the CDBG Grant Fund, the SHIP Grant Fund and the Debt Service Fund.

The General Fund is the principal fund through which the City conducts business. Its activities are supported and complemented by the other operating funds. Each of the various Funds has its own revenue sources and undertakes expenditures relative to their stated purpose. They may "purchase" various needed services from one or more of the other City Funds, or may provide administrative oversight to the other funds for a cost. Monies can only move between the Funds under certain circumstances as outlined in the City's Charter, financial policies, and/or the adopted budget ordinance.

General Fund revenues are collected by the City and by Miami-Dade County and the State of Florida on behalf of the City. Revenue estimates are prepared in several ways: First, some revenue estimates are prepared by staff based on historical collection data for such revenues as Business Tax Licenses, Solid Waste Franchise, Gas Franchise, Certificates of Use, and local fees and charges. Finally, certain revenue estimates are provided by the State such as revenue sharing and sales and alcohol taxes.

Estimating revenues is always difficult. Trying to anticipate economic trends a year in advance is at best problematic. General budgeting principles dictate the use of caution in revenue prediction and that approach has been used by staff to develop the estimates herein. Where little historic data exists, and in light of the economic downturn, a general 1% increase in the revenue has been used; however, because we are a relatively new city, some of our revenues do not as of now have sufficient reliable historic trend and the best estimate using existing data available was used.

As the reader reviews the various departmental budgets, and especially the goals and objectives for FY-13, the document provides a convenient reference by use of brackets { } to tie these goals to the City's adopted Goals and Objective adopted in its Visioning Plan.

Analysis

In FY-12 Council adopted a millage rate of 6.5616. Unfortunately, the final taxable value reported by the Property Appraiser Office (in July 2012) indicated another decrease of 5.5% compared to the preliminary value released in July 2011. This is a decrease of approximately \$1.12 million in revenue. The FY-13 budget utilizes approximately \$900,000 to balance and absorb the loss of Property Taxes and the additional \$500,000 match needed for the grant award of an additional 10 police officers. We are at the roll-back rate of 6.3620.

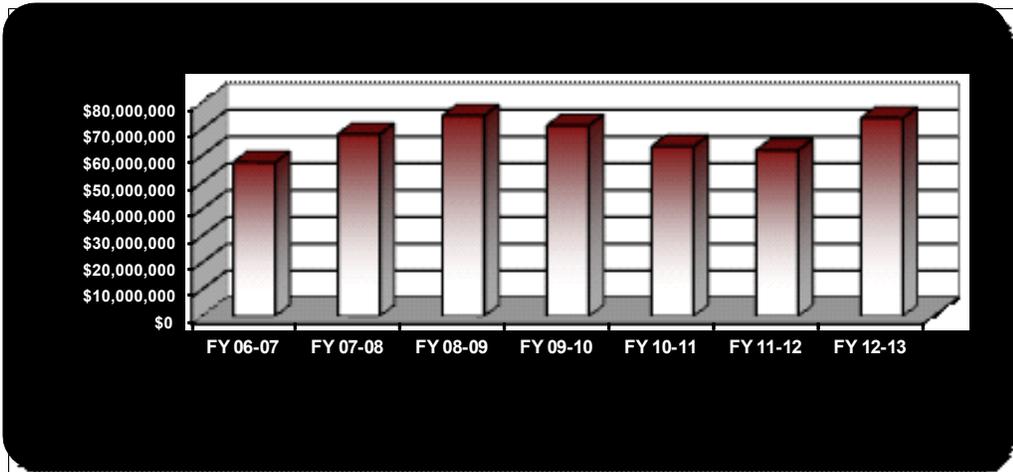

In FY-12 the City received the CITT settlement, providing \$3.2 million to the General Fund.

City of Miami Gardens

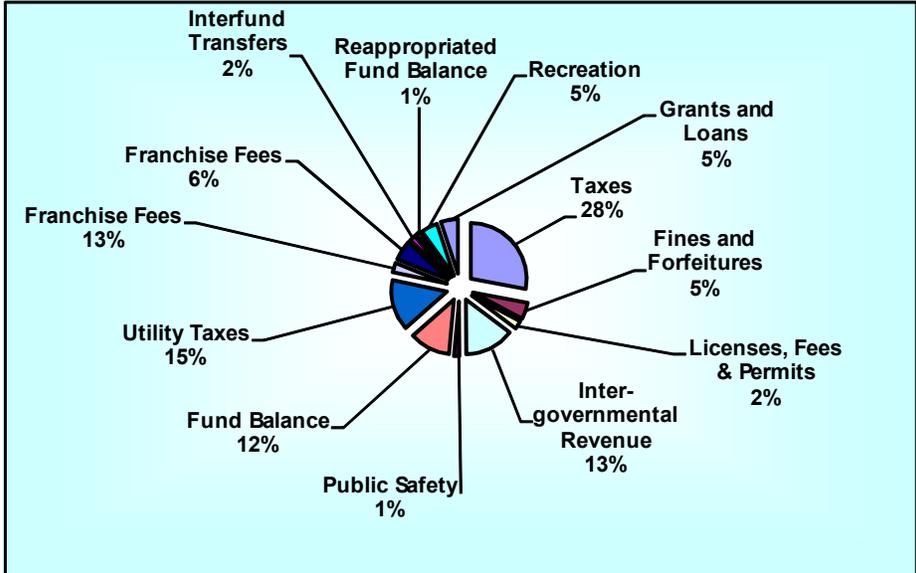

FY 2012-2013 Annual Budget General Fund

Revenue Overview

History of General Fund Revenue

General Fund Revenue by Source

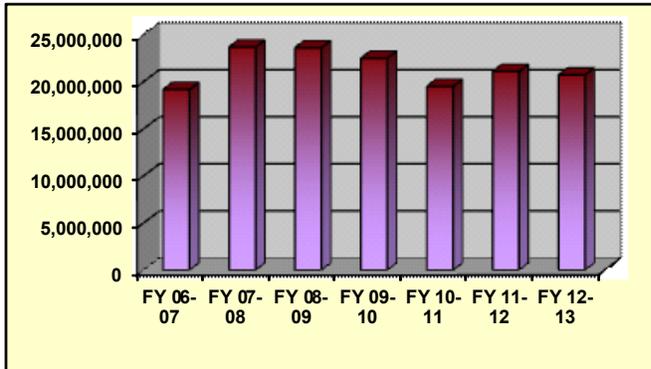

City of Miami Gardens

FY 2012-2013 Annual Budget General Fund

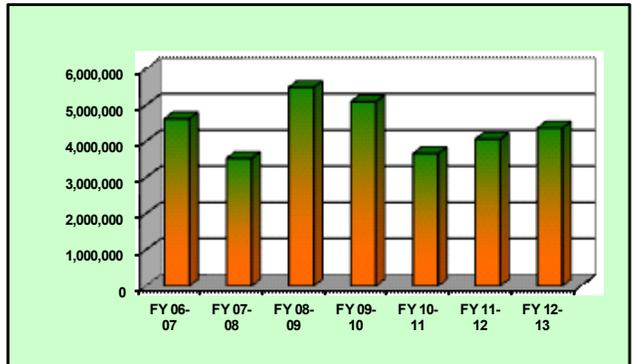

Major Revenues

Ad Valorem Tax Receipts History

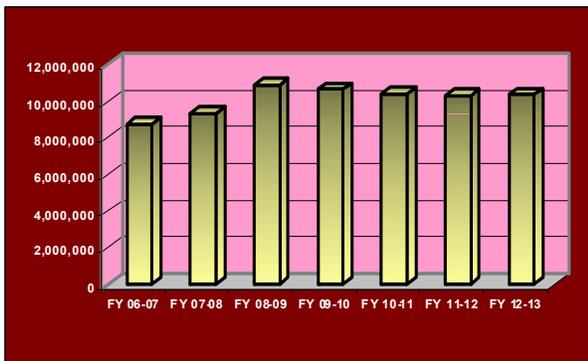

FY-05 was the City's first year to levy property taxes. In FY-06, the rate was raised to establish a municipal rate for services. In FY-08 the rate was again raised to enable the City to form its own police department. FY-13 recommended rate is 6.3620 mills which is the roll-back rate.

Franchise Fee Receipts History

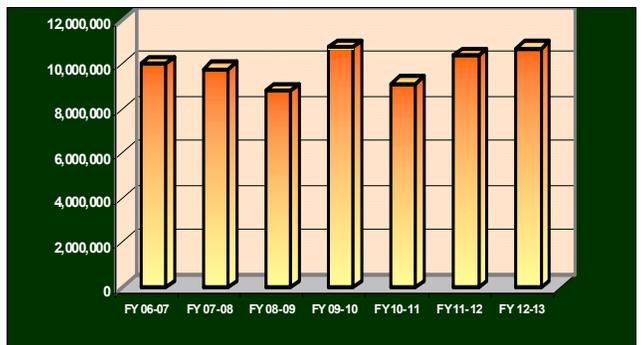

Franchise fees include electric, gas, water and solid waste. They are collected by the private utility and remitted to the City. Slight increase is predicted for FY-13 due to electric franchise one-time rebate will not be repeated.

Utility Tax Receipts History

The Utility tax is a charge on various public utilities serving the City's residents. The City receives its electric taxes through Miami-Dade County which first deducts the City's pro-rata share of pre-incorporation County bond debt service. The City is served by three water utilities: Opa Locka, Miami-Dade County and North Miami Beach. It has remained fairly stable even during the recession.

Intergovernmental Revenue Receipts History

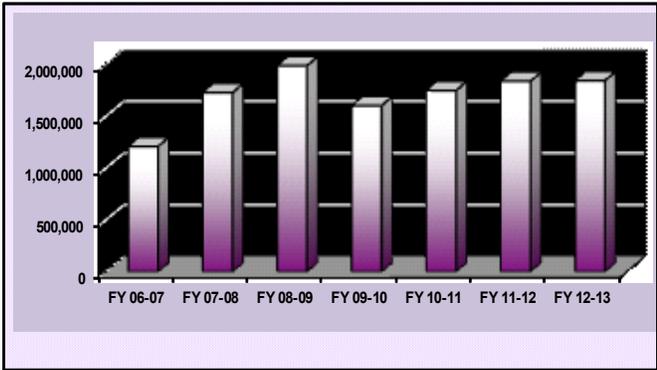

Next to property and Utility taxes, intergovernmental transfers are the City largest source of revenue. The bulk of these revenues are from State Revenue Sharing (approx. 73% of which stays in General Fund and 27% goes to Transportation Fund by State law), and from the State Half-Cent Sales Tax. A slight increase in FY-13 is predicted.

City of Miami Gardens

FY 2012-2013 Annual Budget General Fund

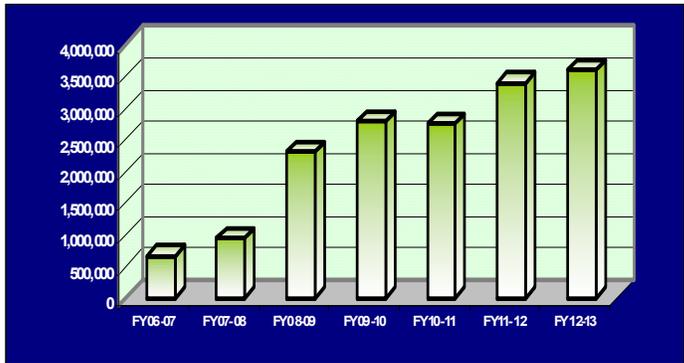

Major Revenues

Licenses and Permits Revenue History

FY-07 was the City's first full year to levy a Landlord Permit and a Certificate of Use Permit. Other permits covered in this category include Alarm Permits and Business Licenses. These fees are fairly steady with only a small impact over the short run from economic changes. The FY-08 and FY-09 increases are due largely to increased business license enforcement. In FY-10, the City started a new housing enforcement bureau. Revenue remains fairly steady.

Cultural & Recreation Revenue History

Revenues received from recreation events, special events and facilities are generally very steady and predictable. The FY-08 spike was a grant received. Fees cover less than 15% of the cost to run the Parks and Recreations Department. FY-10 revenues were up significantly due to the financial success of ticket sales to the City's the annual Jazz Festival. An increase in fees was implemented in FY 12 revenues.

Analysis

Many of the City's revenues are estimated by agencies outside of the City such as the State of Florida and Miami-Dade County. We have found these to be of varying quality. The County provides us with the preliminary estimate for property tax on June 1st each year. This is subject to change on July 1st when the final estimate is provided. The State requires that cities assume only 95% of the estimate for budgeting purposes. Actual collection rates by the County have ranged from 96% to 98%.

General Fund

LEGISLATIVE DEPARTMENT

Mission

The Legislative Department accounts for the activities of the Mayor, City Council and associated support staff. The Mayor and City Council provide policy leadership for the City and perform other duties as prescribed in the City of Miami Garden's Charter and applicable state law. The Mayor and City Council are considered officials and not employees of the City and thus, are not counted in the overall employment data.

Accomplishments, Goals and Objectives

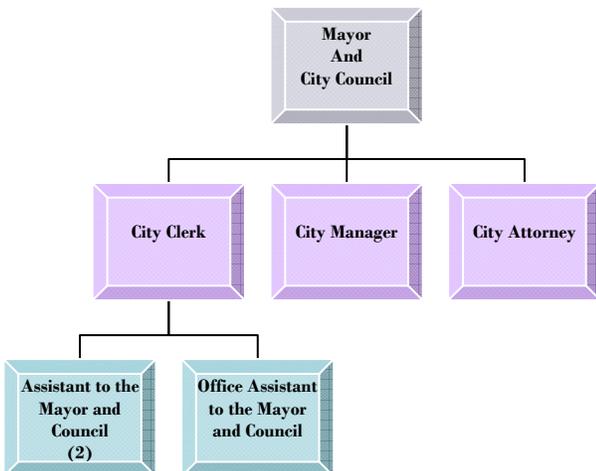

FY 11-12 Major Accomplishments

- Awarded the contract to construct the new City Hall complex.
- Created a new Miami Gardens Chamber of Commerce.
- Held the sixth annual Jazz in the Gardens resulting in a profit of \$80,000.
- Successfully sued the County for the City's fair share of the C.I.T.T. funds.

FY 12-13 Goals and Objectives

- The complete construction on the new City Hall Complex.
- To complete and implement the City's branding campaign.
- Hold a visioning session with the new Council members.

Analysis

The Mayor and City Council are not employees of the City, thus it is difficult to determine traditional efficiency measures. The past year has been extremely busy for the legislative body. Programs adopted included the completing the City's Land Development Regulations and commencing several economic development ventures, and dealing with policy issues surrounding the current housing crisis.

Construction was completed on the City's new amphitheatre at the BTF recreation center and on NW 7th Avenue. The major physical projects for FY-12 will be the completion of the new City Hall Complex and NW 25th Avenue to the east of City Hall.

General Fund**

OFFICE OF THE CITY MANAGER

Mission

The Office of the City Manager’s budget accounts for the activities of the City Manager, the Deputy City Manager and two Assistant City Managers, as well as the Community Outreach Specialist. The City Manager is responsible for the day-to-day operation of the City through the various City departments including staffing, preparing and administering the City budget, and recommending policy alternatives to the Mayor and City Council. The City Manager is appointed by the Mayor, confirmed by the City Council and reports to the Mayor and City Council.

Accomplishments, Goals and Objectives

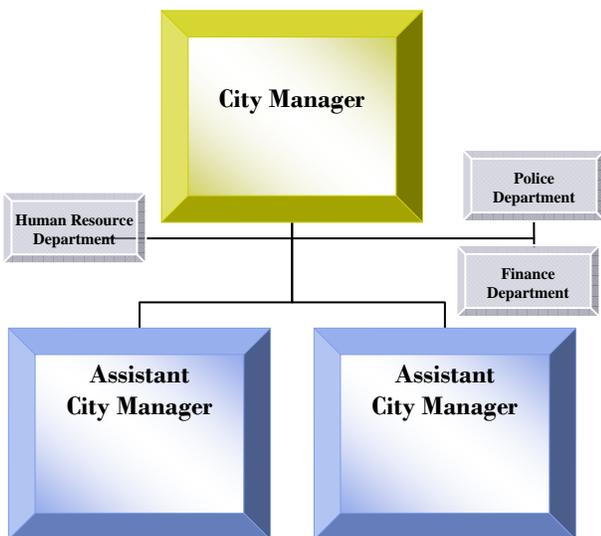

FY 11-12 Accomplishments

- Awarded the Governmental Finance Officers Association's Distinguished Budget Award for FY 11-12 for the seventh year in a row.
- Completed the amphitheatre construction projection
- Successfully ushered the proposed City Hall Project to a successful vote to award the bid and begin construction.

FY 12-13 Goals and Objectives

- Secure the G.F.O.A. Distinguished Budget Award for the FY-13 budget, the Financial Reporting Award for the FY 12 audit.
- To complete construction of the new City Hall.
- To begin the accreditation of the City’s police department.
- To secure additional funds for housing needs.
- To restore the employee benefit cuts given up over the past several years due to the economy.
- Successfully negotiate labor agreements with the City’s two unions.

Analysis

The Office of the City Manager does not deliver traditional services. Evaluation of the activities of the Department is somewhat subjective. The City Hall Complex project and continuing to deal with Legislative cutbacks in municipal revenue are key on-going duties. Major service initiatives started in FY-12 and will continue in FY-13. These include; citywide street paving and landscape beautification projects; grant acquisition and administration.

Grant acquisition remains a critical task for the Manager's office. The on-going \$40 million parks renovation and construction program is moving forward and that will require the dedication of substantial time to locate and secure appropriate resources.

2012 Jazz in the Gardens

Accomplishments, Goals and Objectives

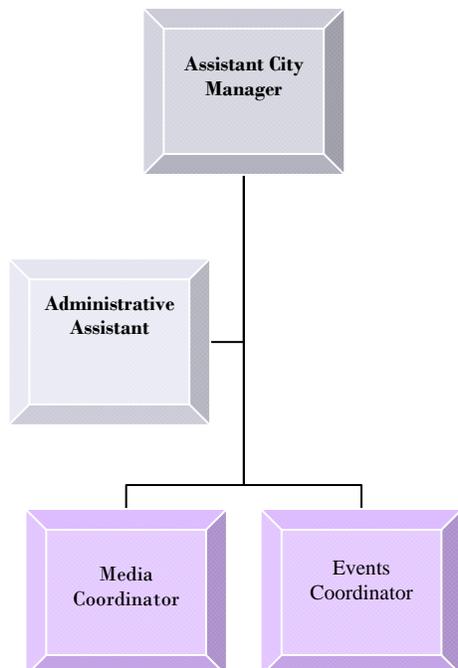

FY 11-12 Accomplishments

- Produced and presented 6 special events, including 6th annual Jazz in the Gardens with over 48,000 attendees.
- Jazz in the Gardens was selected as one of the top 100 events in Florida and is included on the list of 100 Best Florida Events.
- Awarded a \$20,000 Miami-Dade Tourist Development Grant.

FY 12-13 Goals and Objectives

- Increase media exposure to highlight positive events taking place within the City.
- Increase private sponsorship of special events by 25%.
- Increase subscribers of the City's monthly on-line newsletter by 50%.

Accomplishments, Goals and Objectives

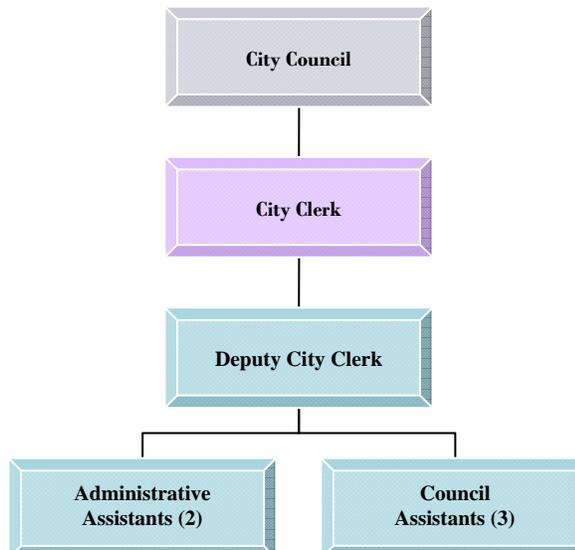

FY 11-12 Accomplishments

- Received from G.F.O.A the Comprehensive Annual Financial Award and the Popular Annual Financial Reporting.
- Implemented e-payables, an efficient method and receive rebate from financial institution by utilizing this method for accounts payable processing.
- Performed an extensive audit of cash processing in different recreation facilities and provided recommendations to improve internal controls.
- With the assistance from Human Resources staff able to reduce of \$30,000 in delinquent charges by City's health care provider.

FY 12-13 Goals and Objectives

- To secure GFOA awards for the FY 2012 C.A.F.R. and Popular Annual Financial Report.
- Perform audit in Police Department cash processing and provide recommendation should weakness incur.
- To implement a bar code system for citywide inventory control.

Analysis

FY-12 the department has performed a detailed cash handling audit for all Recreation facilities and provided the Recreation Department proper internal controls procedures in handling cash. The department also implemented e-payables for City's accounts payable for those vendors who agreed to enroll. This provides efficiency and rebate from the City.

FY-13 will once again require the Department to closely monitor the City's expenditures and revenues due to legislature changes in telecommunication taxes. The department also plans to perform a cash handling audit for the police department.

Analysis

Recruiting was aggressive due to a higher than normal turnover rate for FY 2012. FY -13 is expected to be calm. Collective bargaining began with the Police Benevolent Association and the Federation of Public Employees. Training will remain an important element of the department.

OFFICE OF THE CITY ATTORNEY

Mission

The Office of the City Attorney provides full legal service to the City of Miami Gardens in all legal areas. The Office interprets, drafting and administers city ordinances, and contracts; represents the City in litigation matters, real estate transactions, and land use matters. Moreover, this office provides general legal advice to the City on various matters, including, but not limited to, contractual, business, municipal labor relations, civil service rights, bond issues, planning and zoning, code enforcement, and community redevelopment. The Police Legal Advisor also provides full legal support to the City’s Police Department.

Accomplishments, Goals and Objectives

FY 11-12 Accomplishments

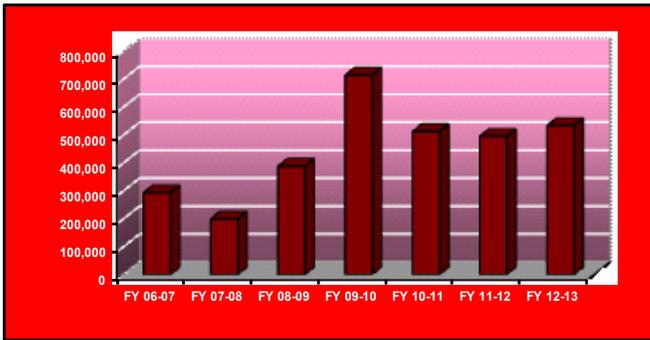

1. Work with outside counsel to finalize the CITT litigation
2. Successfully handled multiple Red Light Camera and Code Enforcement Appeals, and successfully litigated multiple cases
3. Successfully foreclosed on properties under the City’s Administrative Foreclosure program for use in the Community Development Department.

FY 12-13 Goals and Objectives

1. Representation of the City Council in union negotiations with all bargaining agents.
2. Develop an Orientation process for incoming members of the City Council, along with the City Manager and City Clerk.
3. Assist with finalizing the development of City Hall.

Analysis

During fiscal year 2011-2012, the City settled the CITT litigation with the County which allowed the City to recoup more than 10 million dollars. This Office was integral in those negotiations. In FY 2011-12, the City engaged in more litigation that was handled by the City Attorney's, more than ever before. From contractual disputes, to elections disputes, to foreclosures as plaintiff and defendant, this office handled these matters on behalf of the City. Moreover, the City had a banner year with respect to regulatory ordinances, which this office was charged with drafting.

In FY 2012-2013, the City Attorney's Office will continue to handle litigation matters on behalf of the City as well as ensure the City against the potential for litigation whenever we can. We will also continue to pursue Council initiatives to their successful conclusion.

PUBLIC SAFETY DEPARTMENT POLICE ADMINISTRATIVE DIVISION

Mission

The Administrative Division encompasses the Office of the Chief, Professional Compliance and the Training Unit. All administrative matters concerning purchasing, personnel actions and policy are directed from this Division. In addition the Professional Compliance Unit is charged with the investigation of misconduct and policy violations. The Administrative Division supports the work of the operational divisions and facilitates their processes which assist in our mission of reducing crime in our community.

Police Budget History

Accomplishments, Goals and Objectives

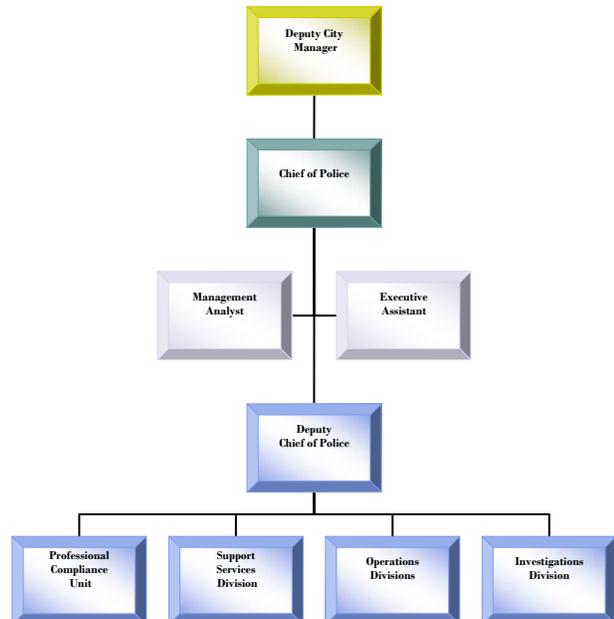

FY 11-12 Accomplishments

- Conducted Department wide training for firearms, active shooter and Field Force Operations to maintain a trained and effective force.
- Completed the initial phase for ShotSpotter implementation in an effort to reduce gun violence.
- Entered into agreements with DEA, FBI, US Marshalls and ATF to engage in task force operation to multiply the number of law enforcement officers operating within the City.

FY 12-13 Goals and Objectives

- Through the use of early warning system to reduce personnel complaints by 5%
- Facilitate the receipt and implementation of the 2012 COPS Hiring Grant which will be used to enhance gang and violent crime investigations through aspects of Community Policing.

The Administration Division is focused on continuing the successful hiring practices set forth in our first five years of operation. In October the Department will focus on hiring ten new police officers as part of the COPS Veteran Hiring Program. During the last three budget cycles the Division has kept pace with all administrative matters and conducted Department wide training which has been supplemented with Grant Dollars. Several grants have been submitted with external partner agencies including a proposal to emulate the Chicago Cease Fire Program.

PUBLIC SAFETY DEPARTMENT POLICE OPERATIONS DIVISION

Mission

The Operations Division is the largest and most visible division in the agency. The Division is composed of Patrol, Rapid Action Deployment Squad and the Canine Unit.

The Primary mission of the Operations Division is to respond to all calls for services, conduct preliminary investigations, pro-actively target identified “hot spots”, coordinate special enforcement activities, and enforce traffic laws. It is an integral part of our mission that we complete the aforementioned tasks with respect and dignity for the community we serve.

Accomplishments, Goals and Objectives

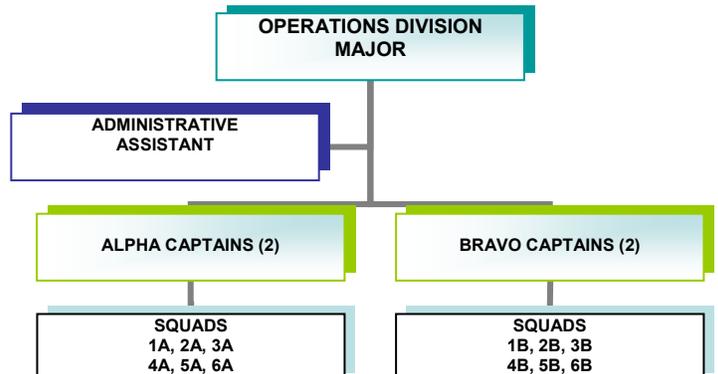

FY 11-12 Accomplishments

- Increase in total arrests by 7.6%.
- Through June 2012 achieved a 25% decrease in robberies.
- Increased cooperation and coordination with the Investigations Division and the Community Enrichment Team.
- Creation of the Rapid Deployment Squad that targets violent crimes and illegal firearms possession.

FY 12-13 Goals and Objectives

- Assist in reducing robberies by 5%.
- Increase arrest, citation, and field contact activity by 3% in an effort to prevent overall crime and increase the quality of life for our residents.
- Reduce response times to all calls for service by 5%.

13. Traffic deaths	n/a	n/a	15	10	11	9	10

Analysis

The Division was extremely pro-active during FY 2012. There was an increase in felony and misdemeanor arrests. There was also an increase in citations issued and an increase in Field Intelligence Cards.

Objectives for FY 13 include continuing the highly effective “Zone Blitz” concept of flooding identified “hot spot” areas in an effort to reduce crime. This program has been very effective at addressing crime spikes in specific law beats which has resulted in a double digit decrease a large majority of time. The Operations Division would also like to reduce response time to all calls for service by 5%

City of Miami Gardens

**FY 2012-2013 Annual Budget

PUBLIC SAFETY DEPARTMENT POLICE INVESTIGATIONS DIVISION

Mission

The Miami Gardens Police Department's Investigations Division consists of two sections to combat crime in the City of Miami Gardens. The Special Investigations Section has six separate units that investigate specific crimes. The Robbery Unit investigates robberies. The Homicide Unit investigates homicides and aggravated batteries/assaults. The Special Victims Unit investigates sexual crimes, child abuse, domestic violence, economic crimes, and tracks sexual offenders. The Burglary Unit investigates residential and commercial burglaries. The Crime Scene Unit collects and documents evidence for future prosecution. The Crime Analysis Unit identifies crime trends within the City of Miami Gardens for proper deployment of personnel.

Accomplishments, Goals and Objectives

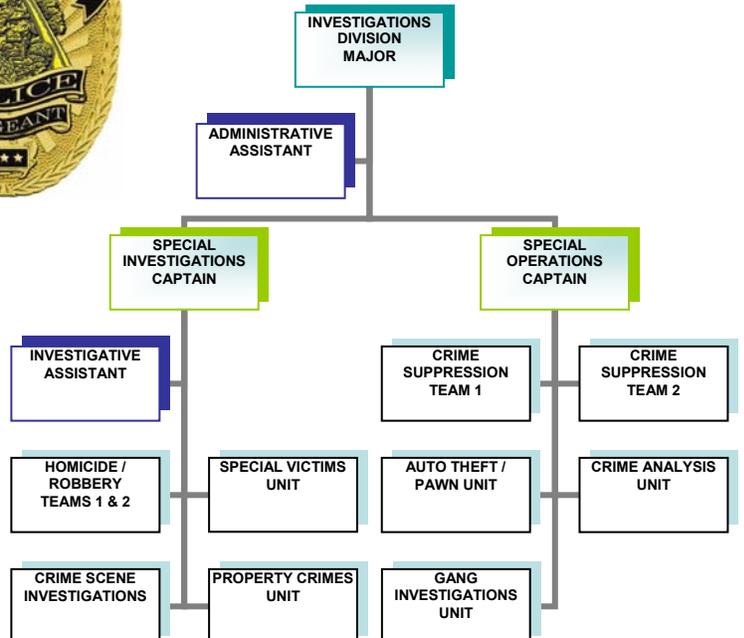

FY 11-12 Accomplishments

- The Investigations Division has spearheaded an approximate 21% drop in crime within the City of Miami Gardens since January 2011.
- Has acquired and established the AFIS fingerprint identification system for the Police Department, identifying over one hundred perpetrators of crimes in less than one year in use.

FY 12-13 Goals and Objectives

- Reduce Auto Thefts by 7%.
- Increase clearance rate on all crime categories from 2012 by 5%.
- Our Newly enhanced Gang Unit seeks to make a significant impact on Gang Related violence by targeting violent felons associated with Gang Activities.

Analysis

The addition of the AFIS Machine will greatly enhance our efforts to apprehend criminals at all levels. The Division will be increasing our participation in Federal and State Task Forces to increase the number of law enforcement officers within the City of Miami Gardens. The implementation of the Shotspotter System will initially result in an increase in gun related calls due to the reporting mechanisms of the system; however over time these calls are expected to drop as enforcement action is effected against violators.

Accomplishments, Goals and Objectives

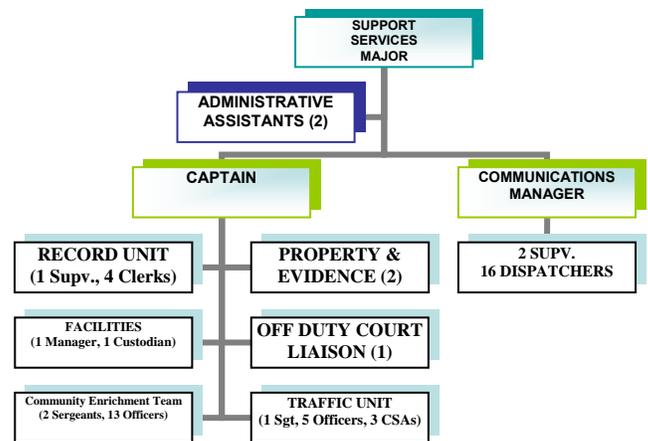

FY 11-12 Accomplishments

- Researched and developed policy for a Reserve Officer program
- Researched, developed, and implemented a False Alarm Reduction program.
- Researched, developed, and trained officers to use electronic disposition forms authorizing destruction of evidence and property no longer required for court.
- Doubled the number of Red Light Cameras within the City of Miami Gardens.

FY 12-13 Goals and Objectives

- Implement the e-Citation program that will electronically transmit all traffic citations written by Miami Gardens Police officers directly to the Miami-Dade Clerk's Office.
- Utilizing the Alarm Reduction program to reduce the number of false alarms and time spent by officers responding to these occurrences.

Analysis

The foundation of the Alarm Reduction program, the Reserve Officer program, the use of electronic traffic citations and electronic vehicle crash reports were developed during FY 11-12.

The citation and crash report programs will increase revenue, reduce personnel hours spent responding to false alarms, reduce the number of printed copies of citations and crash reports by the thousands. The Reserve Officer program will put more police officers on patrol at minimal extra cost. With the issuance of new radios, coverage will improve, and officer safety will be increased.

Analysis

The City received the Federal Award for additional 10 police officers in June 2012. This is a three year grant which will pay 49.1% of salaries and fringe of the officers up to \$1.25 million. The only stipulation of the grant is that the City must hire post September 11, 2001 military veteran as defined in the 2012CHP Application Guide. The City will have to fund for all operating and equipment expenses for the 10 additional officers in FY 2013 budget.

Fiscal Year 2012-2013	F.T.E.
School Crossing Guard Superintendent	1
School Crossing Guard Supervisor	2
School Crossing Guard (Part-Time)	27.5
Sub-Total	30.5

Accomplishments, Goals and Objectives

FY 11-12 Accomplishments

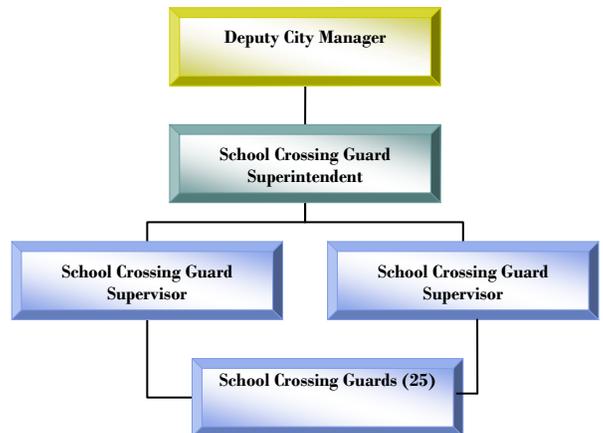

- Held 4 child safety program sessions and processed Approximately 116 child fingerprint cards.
- Supervisory Staff attended 2012 LifeSavers Conference and obtained CEU's for CPS re-certification.
- SCG staff received Traffic Direction training.

FY 12-13 Goals and Objectives

- Improve Community Traffic Safety Team efforts.
- Establish a safety curriculum for the anticipated mobile Safety Town Unit. Safety Town programmed will be program provided to all 18 elementary schools

Analysis

In FY 2011-12 the division placed an emphasis on abandoned/vacant property registration. With the utilization of the Federal Property Registration Corporation database and Housing Inspectors were able to identify 1,315 properties for registration.

In FY 2012-13 the division will concentrate on enhanced property maintenance actions to help improve the aesthetics of the community and the quality of life for the residents by initiating group enforcement of strategic areas of the City. The division anticipates this approach will promote enhanced property maintenance with increased realization.

Analysis

FY 12 staff continued to streamline and implement cost efficient and effective approaches to recreational programs. The summer program and afterschool program was held at five locations by City Staff. The City also outsourced the summer program and afterschool program to the YWCA and Embrace Girls to assist with provide services at three additional locations.

FY 13 staff will continue to improve services and expand programs to our patrons.

Analysis

In FY-10, the City completed construction of its newest and largest community center, the Betty T. Ferguson Recreation Complex. This 54,000 square foot facility is the central focus of the parks and recreation department. It hosts an indoor pool, gymnasium, auditorium, computer lab, and fitness center as well as offices. Outside of the center is a variety of recreation facilities including a world-class track and an artificial turf football field. In FY-11, Phase II construction was completed which resulted in a new amphitheatre. During FY-12 Phase III planning began for the construction and installation of a perimeter fence which will begin construction in FY-13.

The Center is highly utilized by patrons reflecting in additional revenue generated in FY-12 for gym memberships, classes and rental revenues.

Accomplishments, Goals and Objectives

FY 11-12 Accomplishments

- Over 1,500 participants in the Football Program and 400 participants in the Cheerleading Program
- Nearly tripled our registration efforts of last year from 60 to a total of 156 participants in the Basketball Program.
- Track and Field had 250 participants and 60 for Baseball program.

FY 12-13 Goals and Objectives

- Increase the number of participants by 5% by expanding baseball, basketball and soccer leagues.

Analysis

FY-12 staff continued to streamline and implement cost efficient and effective approaches to athletic programs. Football, Cheerleading, Track & Field, Basketball and Baseball programs were held throughout the year with over 1800 participants over 350 volunteer coaches. The staff will continue to expand the programs and participants in FY-13.

Analysis

In FY-08, the City began receiving grants from the Miami-Dade County Children's Trust. The Trust is a tax based non-profit created by a vote of the residents of Miami-Dade County.

The City is the lead agency for a consortium of participants including the City of Opa Locka and various private, non-profit groups. Stats for the use of these funds are in each operating division.

Funding was not available in FY-12 and not expected in FY-13.

Analysis

The Purchasing Division play a large role in ensuring the City departments received the best quality goods and services for the lowest prices in a timely manner. The division was instrumental in assisting the Community Development Department with the NSP home rehabilitation program and the CDBG funded projects. FY 2013 the department will be involved with the buyer direct effort to save sales tax with the new city hall municipal complex.

The City is also a member of the South Florida Purchasing Cooperative, a group made up of several dozen South Florida cities and other public entities that consolidate bidding for various products and services to gain the advantage of quantity buying.

Analysis

The Information Technology department during FY 2012 has supported projects which enabled residents to access more information and perform more city services on-line. IT Department has worked with MGPD to provide more Public Safety Applications in support of the City's Strategic Plan.

FY 13 will be a busy year with additional planning and implementation of the IT Infrastructure Plan for the new City Hall Complex, implementation of additional Public Safety applications and equipment, support for researching a new City Services Software System, Automation and Green Initiative support for all Departments and establishing a new Disaster Recovery for the City.

Analysis

For FY-12, the Fleet Division will be committing more time to the preventive maintenance function in light of the growing age of our fleet as well as phasing in new vehicles. With the future relocation of the Police Department to the new City Hall, the Fleet Department will be exploring the feasibility of utilizing the old Police Department facility as our own repair facility. The Fleet Department is also preparing to purchase a new police fleet in FY-13 from a proposed \$3.2 million equipment bond.

City of Miami Gardens

FY 2012-2013 Annual Budget General Fund

NON-DEPARTMENTAL DEPARTMENT

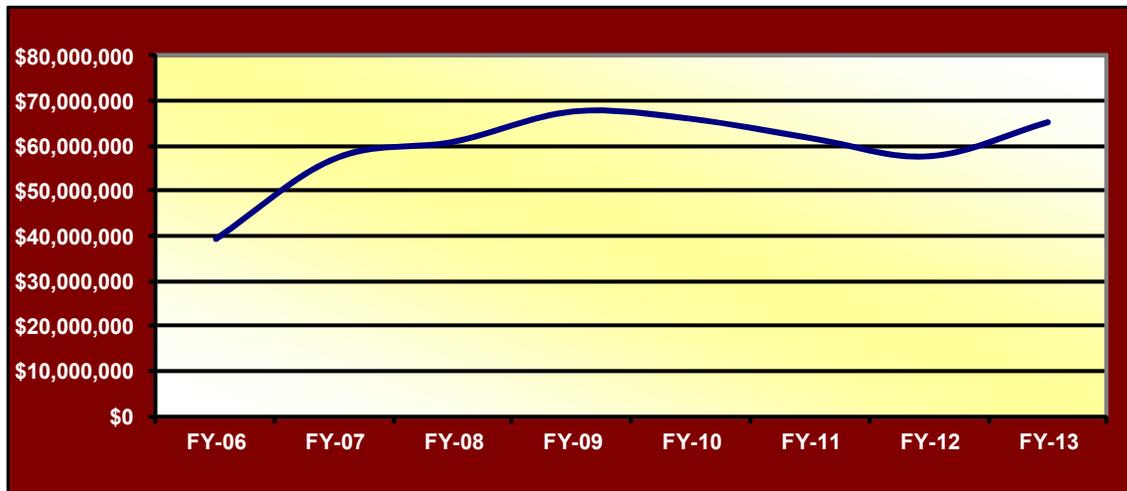

Mission

The Non-Departmental budget is utilized to account for those expenses that are Fund-wide in nature, and to budget them in any one department, would be to unfairly exaggerate that department's budget. The FY-11 budget combines the old General Services Fund into the General Fund. For consistency, the old figures are shown along with the FY-11 budget from the General Fund.

History of General Fund Expenditures

Budget Detail by Fund

Transportation Fund

The Transportation Fund encompasses three operating divisions: The Administration Division, The Keep Miami Gardens Beautiful Program Division and the Streets Division. A fourth division, the Stormwater Utility, is managed by this Fund although it is financed through its own Fund. Revenues come principally from three state-shared revenues: the State gas tax, a County Gas Tax, and a mandatory 27% split with the General Fund of the City's State Revenue Sharing allocation.

New landscaping and pavers were installed as part of Federal Grant received for improvements to US 441 (NW 2nd Avenue)

---------------------------------	--------------------	--------------------	--------------------	--------------------	--------------------	--------------------	---------------------

Analysis

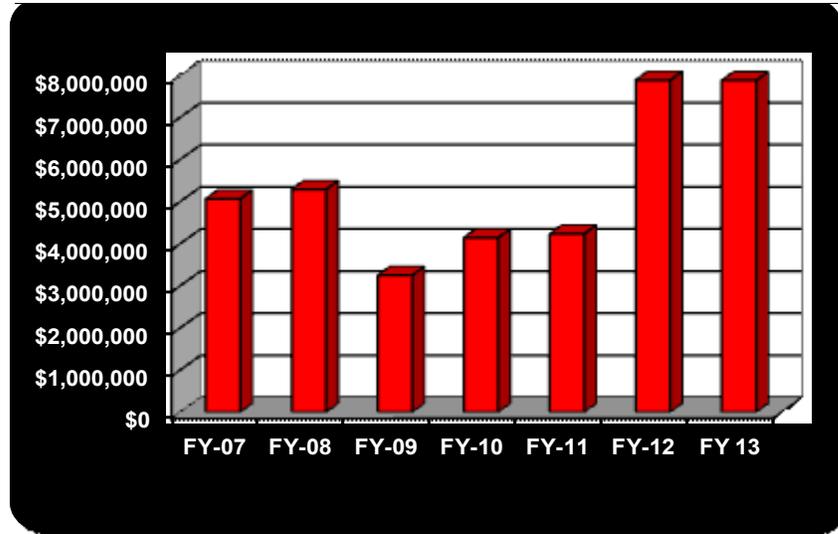

Transportation Fund revenues are generally very steady and predictable. The spike in FY 05-06 was due to reimbursements from F.E.M.A. and the State of Florida for Hurricane Wilma expenditures. With the decline of the Florida economy in starting in FY-08, and the expected poor performance for FY-10, revenues have been estimated conservatively. Normally, the street repaving and sidewalk replacement programs are paid for out of this fund; however, for FY 12, no funds are available. The County settled with the City in FY 2012 the participation in the Citizens Independent Transportation Trust which funding derives from ½ cents sales tax for a one-time settlement distributed in FY 2012 for previous year's share and effective FY 2013, the City's will receive its share of revenue based on population.

Analysis

The Administrative Division of the Public Works Department is responsible for oversight of the department's operations through three operating divisions and a separate division housed in the Stormwater Utility Fund.

The Public Works Director also is a key official in an emergency event such as a hurricane. The Director is also responsible for planning the City's long term capital projects for roadway improvements. The City anticipates the ½ cent sales tax funds in FY 2012/13. This funding will be used for paving, sidewalk construction, maintenance of bus shelters, and other transit projects.

PUBLIC WORKS DEPARTMENT KEEP MIAMI GARDENS BEAUTIFUL DIVISION

Mission

The Keep Miami Gardens Beautiful Program Division of the Public Works Department is responsible for the beautification activities of the City. The Division operates primarily through volunteer efforts and concentrates its efforts on right-of-way beautification and litter removal. It is also responsible for City entrance signs and planted areas. The division sponsors a number of joint programs with the Miami-Dade County schools and with the various homeowner associations throughout the City. The division is also responsible for monitoring the City's contracts with the Florida Department of Corrections for three public works crews that remove litter and maintaining median landscaping.

Accomplishments, Goals and Objectives

FY 11-12 Accomplishments

- The City has received the 2011 Tree City USA certification.
- The City partnered with Miami-Dade County's Adopt-A Tree program to give away over 2000 trees to residents during City's Annual Arbor Day celebration.
- Create community garden in the Leslie Estates community through the collaborative efforts of various city departments and business sponsors.
- Increase the tree canopy in the City to over 11%.
- Received the 2011 American Public Works Association "Project of the Year" Award for the 2nd Phase of the landscaping project on NW 183 Street.

FY 12-13 Goals and Objectives

- To apply for a grant for the beautification of the 42nd Avenue canal bank.
- Plant 1000 street and right of way trees as a part of the City's tree canopy program.
- Create new community pride P.S.A (multi-media campaign)
- Find additional grant funding for landscaping/tree projects.
- Help create new community garden through the joint efforts of city departments and community groups.

Analysis

The Division continues to be involved with environmental education. In FY 12, NW 183 Street Landscaping Project Phase II was completed. The City continues to provide programs to include the Adopt a Road, Earth Day, Swat a Litter Bug, Beautification Awards, and Arbor Day.

In FY-13, 441 medians from NW 183 Street to NW 215 Street design should be completed and funded by FDOT. FY-13 projects will revolve around our tree canopy replacement program.

City of Miami Gardens

FY 2012-2013 Annual Budget Transportation Fund

PUBLIC WORKS DEPARTMENT OPERATIONS/STREETS DIVISION

Mission

The Streets Division of the Public Works Department is responsible for maintenance of the City's 300+ miles streets, medians, sidewalks and street rights-of-way and 10 miles of canals. The Division administers the annual street paving program and pedestrian access efforts.

The division serves as the staff of the Stormwater Utility through a charge-back system.

Budget Detail by Fund

Development Services Fund

The Development Services Fund encompasses two operating Departments: The Planning & Zoning Services Department and the Building Services Division of the Building and Code Compliance Department. Revenues to fund these activities come principally from user fees. Revenues are estimated based on limited historical data as the City has only two year's experience. General economic forecasts for the South Florida vicinity are used to adjust these estimates up or down, depending on trends.

--------------	-------------	-------------	-------------	-------------	-------------	-------------	-------------

Analysis

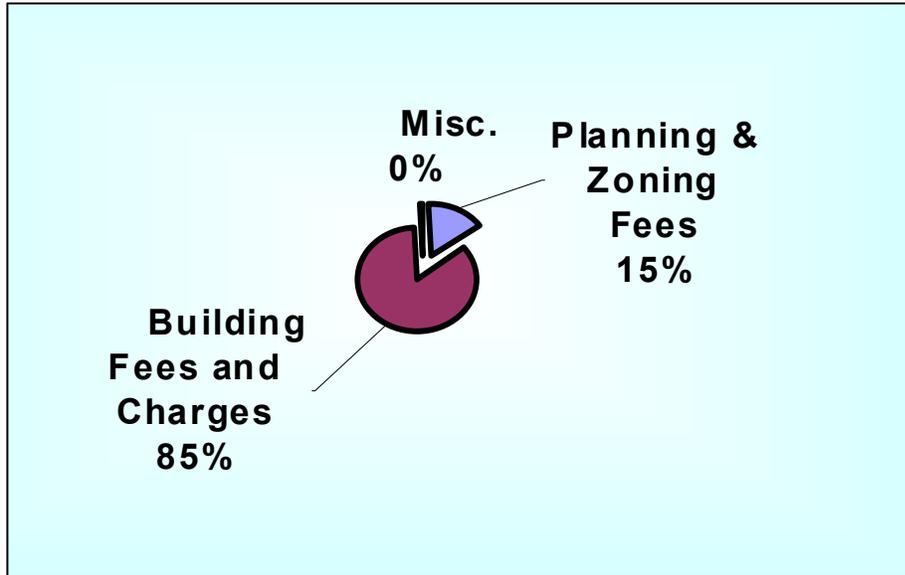

The Development Services Fund had several very good years of revenue generation during FY-05 and FY-06. FY-07 saw the beginning of a slowdown in the local building community. This was anticipated; however, not to the extent that the decline was experienced.

FY-08 through FY-11 saw expected revenues cut several times during the year. It appears that positive economic factors spelled a moderate comeback in building activity in this fund for FY-12. Planning has seen a pick-up in activity which usually foretells more building.

Accomplishments, Goals and Objectives

FY 11-12 Accomplishments

- Obtained Local Historic Designations for both the Sunshine Arch (MiMo Architecture) and the Historic Enrico Dairy Farmhouse/Future Historic Museum
- Obtained a \$760,000 Trail Grant
- Completed Annual Update to Comprehensive Plan, Capital Improvement Element.

FY 12-13 Goals and Objectives

- Complete the grant-funded Bicycle-Pedestrian Mobility master Plan
- Remove the City's Property from Dolphin Center South DRI
- Develop new City shuttle bus routes and implement service.
- Obtain funding for Enrico Dairy Farmhouse/Historic Museum renovation.

Effectiveness Measures							
9. Major Studies Adopted	2 2		3	2	2	1	2
10. % of Rezoning Recommendations Adopted	100%	100%	100%	100%	100%	92%	100%

Analysis

A slight decrease in the sheer number of actions directly corresponds to a decreased number of building plan review by zoning. The number of site plans has increased plus hundreds of sign plans have been processed; property owners are attempting to comply with the five year requirements with new sign criteria by February 13, 2013. This trend is anticipated to intensify due to enforcement.

BUILDING SERVICES DIVISION

Mission

The Building Services Division commits to preserve the health, safety and welfare of its residents, businesses and the general public through the interpretation and enforcement of the Florida Building Code, as well as other applicable regulations governing construction and land sue. The Division is committed to provide quality services to all citizens through innovation, continuous improvement, and excellence in customer service. Through orderly review, processing, issuance and inspection of building permits, we ensure construction within the City comply with the provisions of all applicable codes to enhance the general quality of life.

Analysis

On-line services were launched which includes inspection requests, online payments, and obtaining permit information via City's website in FY 2012. There has been a marginal increase in permit activities signifying an economic shift.

For FY-13, an increase inspection is expected as the New City Hall proceeds into construction phase. There are commercial projects anticipated to commence within the fiscal year.

Budget Detail by Fund

Capital Projects Fund

The Capital Projects Fund is an accounting entity designed to ease the administration of multi-year capital projects. Capital Expenditures are defined as amounts expended for fixed asset acquisitions and improvements thereto. Generally, an asset is considered a capital expenditures if over \$10,000 with an expected life of 10 years or more.

The fund was established by City Council for the FY 04-05 budget year by allocating .18 mil of ad valorem revenue for this purpose. During FY 04-05, no projects were scheduled so that these funds could be used for cash flow and as an emergency reserve as the City did not have a fund balance as of FY 04-05. This same approach was used for the FY 05-06 budget year. In FY-07, projects were undertaken from the CIP and a Special Projects Director was hired to administer the schedule of projects and manage the myriad of funding sources associated with this account. In FY-08, the City hired a registered architect/building inspector to oversee field projects. In FY-09, the City hired an additional inspector to assist oversee the field construction of all projects, ensuring timely completion and adherence to construction industry best practices.

The Division of Capital Improvement Projects is responsible for the planning, coordination, execution, and supervision of all construction related capital projects in the City, and for the administration of all capital funds. Among the projects scheduled for the upcoming fiscal year include the continuing renovation of the parks system and the City Hall Complex.

Revenues in the Capital Projects Fund are determined by the secured grants and proposed or prior bond issues. Transfers from other departments are budgeted transfers-in for specific projects. There is no independent source of continuing revenue in the Fund.

FY 2012-2013 Annual Budget Capital Projects Fund

CAPITAL PROJECTS FUND OPERATING DIVISION

Mission

The Capital Projects Fund is an accounting entity designed to ease the administration of multi-year capital projects. Capital Expenditures are defined as amounts expended for fixed asset acquisitions and improvements thereto. Generally, an asset is considered a capital expenditure if over \$10,000 with an expected life of 10 years or more.

The fund was established by City Council for the FY 04-05 budget year by allocating .18 mill of ad valorem revenue for this purpose. During FY 04-05, no projects were scheduled so that these funds could be used for cash flow and as an emergency reserve as the City did not have a fund balance as of FY 04-05. This same approach was used for the FY 05-06 budget year. Funds accumulating in this fund are used for the City's first revenue bond proceeds which were deposited in this fund for capital projects such as a City Hall site, a public works complex, parks and other capital projects as City Council may direct.

A new playground was installed at A.J. King Park.

Accomplishments, Goals and Objectives

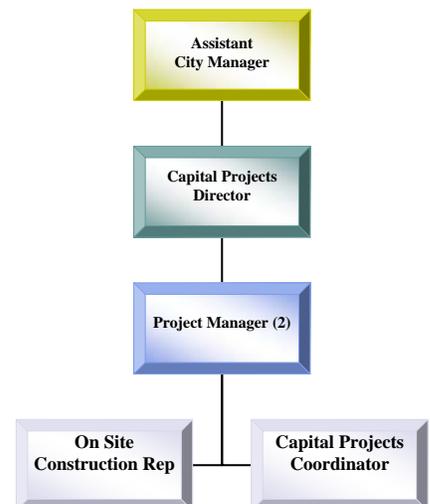

FY 11-12 Accomplishments

- Completed Amphitheatre at BT Ferguson Complex.
- Replace playground at Miami Carol City Park
- Completed sports field for Brentwood Park
- Completed installation of sports lighting at Miami Carol City Park.

FY 12-13 Goals and Objectives

- Start construction on North Dade Optimist Park
- Planning for new Senior Center.
- Install perimeter fence and gates for BT Ferguson Complex
- Start construction of the new City Hall/Police Complex.

Analysis

FY-12 was an important year as many of the projects for which we have been planning for years were completed or actually got underway. The same should be true for FY-13 with the commencement of additional improvements at a number of parks and the construction of the new City Hall complex.

Budget Detail by Fund

-- Stormwater Utility Fund --

The Stormwater Utility Fund was created to account for the revenues and expenditures associated with the City's Stormwater Utility. Revenues to this fund come for a Stormwater assessment against all property in the City as well as from grants for specific projects. Assessments are determined by a property's total number of Equivalent Residential Units (ERUs). Each ERU represents 1,548 square feet of impervious surface. The rate is \$4 per ERU per month. Revenue is based on a count of existing ERUs adjusted for estimated new construction coming on line during the fiscal year.

Actual work and supervision of the Utility's employees are handled by the Public Works Department. Revenue for this initial year is estimated based on prior County operations within our municipality.

Accomplishments, Goals and Objectives

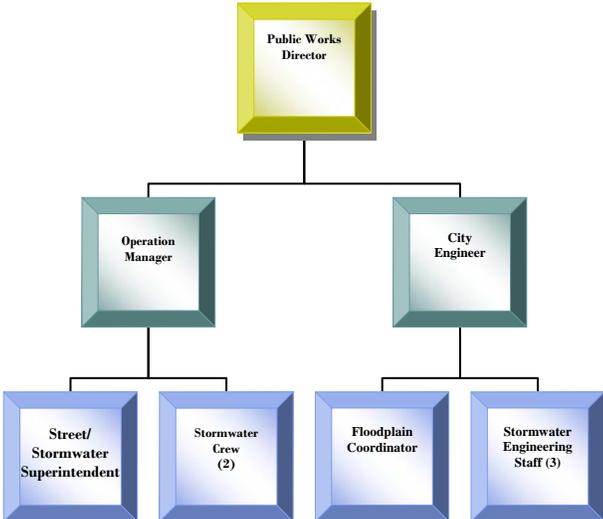

FY 11-12 Accomplishments

- Completed NW 38 Court and NW 203 St. Stormwater/Swale drainage project
- Completed NW 21 Ave Stormwater/Swale drainage project.
- Completed NW 159 Street Stormwater/Swale drainage project.
- Completed NW 38 Court and NW 185 Street Stormwater/Swale drainage project.
- Completed the Vista Verde Stormwater Improvements.
- Completed the canal stabilization and outfall/culvert repairs.
- Re-negotiated with Miami Dade County for canals maintenance (herbicide and harvesting) to a lower amount.

FY 12-13 Goals and Objectives

- To add the stormwater fees to the tax roll to eliminate the fees in utility bills.
- Complete NW 191 Street Stormwater Drainage Project.
- To continue the new embankment stabilization project.

Analysis

In FY-11/12, five construction projects were completed minimize flooding in the community. In addition, the City received Natural Resources Conservation Services funding for canal stabilization and culvert/outfall repairs. For FY 2013, the City will continue canal bank stabilization. Furthermore, the Stormwater Fees will be charged in the tax roll instead of in the utility bill. This will make the process more efficient due to the present process being collected by Miami Dade County, North Miami Beach and the City.

City of Miami Gardens

**FY 2012-2013 Annual Budget
Debt Service Fund**

The debt service fund was created in FY-08 in order to provide transparency to the City’s debt issues. User departments make internal transfers into the Debt Service Fund in the amount of their pro-rata share of various bond issues; then the payments to the bond holders are made from here.

FY 2012-2013 Annual Budget Debt Service Fund

DEBT SERVICE FUND

Mission

The Debt Service Fund was established to account for and pay the principal and interest on the City's various debt issues. Funds are received by inter-fund transfers from the various operating funds in proportion to the equipment or facilities purchased for them.

The use of the Debt Service Fund also provides additional transparency to the general public as to the City's bonded indebtedness. Also included in the fund are capital lease payments for equipment financed in this manner. There is no staff in this fund.

Projected Fund Balance	\$9,867,886	\$8,921,449	\$11,583,935	\$11,704,260	\$12,002,404	\$12,529,322

A key purpose in developing 5-year plans is to give sufficient time to resolve any fiscal challenges identified. It is also critical to the City's capital program that both anticipated 5-year capital projects be identified, but that operating funds be identified to be incorporated in the planning also. Another important aspect of 5-year planning is the ability to see how the many non-finance planning programs integrate into the fiscal picture (through planned borrowing, use of anticipated surplus funds or grants).

Millage Equivalent of City Services

1 mill = \$3,211,993

For illustrative purposes, I have calculated the millage equivalent of each City service. In other words, if residents had to pay through their taxes property ONLY for City operations, they would pay almost 35.30 mills in taxes instead of the 6.3620 that they actually pay. This represents the "leveraging" of resident power through grants, state shared revenues and other fees and charges that would have gone to the County prior to incorporation.

Department	FY 12-13 Budget Expenditures	Millage Equivalent
Legislative	\$364,524	0.11 mills
City Manager	\$755,447	0.24 mills
Media & Special Events	\$2,528,633	0.79 mills
City Clerk	\$599,237	0.19 mills
Finance	\$694,385	0.22 mills
Human Resources	\$796,077	0.25 mills
City Attorney	\$533,901	0.17 mills
School Crossing Guards	\$682,883	0.21 mills
Police	\$31,317,175	9.75 mills
Code Enforcement	\$1,464,208	0.46 mills
Recreation	\$6,182,172	1.92 mills
Non-Departmental	\$20,619,245	6.42 mills
Public Works	\$10,483,182	3.26 mills
Planning	\$618,956	0.19 mills
Building	1,892,166	0.59 mills
Purchasing	\$312,907	0.10 mills
Information Systems	\$2,501,611	0.78 mills
Fleet Maintenance	\$4,691,422	1.46 mills
Capital Projects	\$6,779,026	2.11 mills
Special Revenue Fund	\$1,87,816	0.56 mills
Stormwater	\$4,146,972	1.29 mills
CDBG	\$943,925	0.29 mills
SHIP	\$0	0.00 mills
LETG	\$106,670	0.03 mills
Debt Service	\$12,582,878	3.92 mills
TOTAL CITY DEPARTMENTS	\$113,385,419	35.30 mills
ACTUAL CITY MILLAGE		6.3620 mills

Notes:

- (1) ½ Grant position moved back to General Fund in FY 2013
- (2) Reduction due to budget constraints
- (3) New Cops Grant, provided 10 additional officers
- (4) Provided contract services to another jurisdiction ended in FY 2012
- (5) Reduction in Grant funding

* Deficit in FY 10 is attributed to 17.5% decline in taxable value, resulting a shortfall of \$600,000 in property taxes. Evlopment Services Fund recognized a shortfall of \$1.45 million of which subsidy was provided from the General Fund.

** Deficit in FY 11 is attributed to shortfall in Red Light Camera Fines due to new legislature imposed by the State, and a one time refund imposed by the Public Service Commission to Florida Power and Light and adjustment in lower fuel charges reduced the revenue for electric franchise fees. Also being affected is a further 7.5% decline in the City's taxable value resulting in a short of approximatley \$700,000 in property taxes.

*** Surplus generated is partly attributed to the settlement by Dade County for the Citizens Independent Transportation Trust, of which the City utilized some General Fund Revenue to fund the projects and the proceeds from the settlement was deposited back to General Fund in 2012.

Miami-Dade County Municipal Tax Rates and 2013 Per Capita Tax Burden

The per capita tax burden is the theoretical property tax paid by each man, woman and child in the City. Actual burden is determined by individual properties. Millage Rate is based on FY 2013 proposed rate.

City	2012 Population	FY 13 Millage	2011 Taxable Value	Per Capita Tax Burden

- (1) Miami-Dade Property Appraiser is responsible for establishing the assessed value of property within the City of Miami Gardens. Property is assessed at 100% each January 1st. Residential property that is subject to a Homestead Exemption can only increase in taxable value by 3% in any year.
- (2) Miami Gardens was incorporated on May 10, 2003.
- (3) Decline due to the January 2008 statewide tax referendum, providing for an additional \$25,000 homestead exemption to homeowners. Without the additional exemption, the valuation would have been \$5,252,646,020 or a 12.5% increase.
- (4) The 2008 statewide referendum granted a \$25,000 exemption to the personal property of all businesses.

City of Miami Gardens' Capital Improvement Program

History of CIP

Because Miami Gardens is a fairly new municipality, the City's first Capital Improvement Program was only begun in FY 2007.

In order to prepare for such a program, in FY 04-05 the City Manager proposed, and the City Council approved, the establishment of a separate budgetary fund called The Capital Project Fund. This fund initially received its revenue from a dedicated .1840 mill revenue stream (\$500,000). No expenditures were planned from these funds for FY 04-05 or FY 05-06 in order to utilize the monies as a back-up emergency reserve and to assist in cash-flow. (As a new City, we did not have a lot of reserve fund balance to carry us over until the property tax receipts came in). Programming for these monies, as well as potential grants and other resources begin with the FY 06-07 budget.

In late FY-05, the City issued its first capital bond issue, a \$7.5 million, 20 year bond, designed to provide funding to purchase land for a future City Hall and a future Public Works complex. In FY-07, the City issued an additional \$14.4 million for a new Police Headquarters as well as other capital acquisitions. In FY-11 the City issued a \$55,000,000 Certificate of Participation for the construction of the City Hall. Most of the City's funding in the Capital Project Fund has come from grants and most are received on a reimbursement basis.

What is a Capital Project?

Capital projects are major fixed assets or infrastructure with long-term value, such as buildings, roads, bridges and parks. Proposed project requests may originate from staff, City Council and/or citizens. A key feature of a capital project is that funds budgeted for specific projects remain allocated until project completion.

Project budgets are reviewed annually; and, if needed, funding may be adjusted. Projects may be funded by current revenues, grants or by debt financing, depending upon the availability of funds, the nature of the project.

What is a Capital Improvement Program (CIP)?

The City's Capital Improvement Program (CIP) is a planning, budgetary, and prioritizing tool which reflects the City's infrastructure needs (via a list of capital projects) for a five-year time frame. Only the first year of a CIP is required to be balanced; for the remaining

four years, potential funding sources have been identified that in future years could be used to help balance the CIP. Utilization of these sources cannot be initiated without formal Council approval as part of the budget process. Based on such approval, the five-year CIP should be balanced in future years.

The program consists of projects that generally comply with all or a combination of the following criteria: project costs \$50,000 or more (minimum threshold); project meets a health and safety standard qualifying it for funding consideration; project enhances a department's productivity; and project is identified by the City's Development Master Plan. The CIP is updated on an annual basis during budget formulation time.

Capital Improvement Costs

Capital project costs include all expenditures related to land acquisition, planning, design, construction, project management, legal expenses, and mitigation of damages. Departments estimate project costs but consider operating impacts as well, including startup and recurring costs. The start-up costs refer to one-time initial costs to be funded from the operating budget at the time the facility comes on line. Recurring costs are those costs to be borne from the operating budget that cover annual personnel and operating expenses related to the facility. Both start-up and recurring cost details are broken down by project and submitted with the proposed capital project list to the City Council for review and consideration. In this manner, the decision makers can readily recognize the "true" costs of a potential CIP project, and the funding impact once a project is completed and becomes "on-line." The operating cost estimates provide information which is then useful in preparing the City's operating budget.

Capital Improvement Program Process

The Capital Improvement Program process begins during the second quarter of each fiscal year with a Capital Improvement Program meeting attended by all City departments. Instructions for required data and proposed schedules are discussed and revised. Preliminary revenue estimates are disseminated.

In July, City Council may hold a CIP workshop where department managers, Council Members and City residents identify initial proposed revisions to the CIP. Typically, there are not sufficient funds to provide for all of the projects that are identified. These preliminary lists are then reviewed to determine if the projects meet the requirements of the Comprehensive Plan. Once this review is completed, the revised project lists are reviewed by the City Manager and a "balanced CIP" is prepared. It is presented to the City Council along with the preliminary budget in July.

After receiving direction from the Council and implementing any resulting changes, the CIP is approved by the City Council in September. In balancing the CIP, projections of revenues from existing sources are compared to requested capital projects. If there are adequate revenues to fund all the requested projects, the program is balanced. If not, projects must be revised to reduce costs, postponed to a future time period or eliminated.

from the program. Alternative financing, such as long-term debt, may be proposed in order to provide sufficient revenues to fund requested capital projects. The current fiscal year funding for the approved CIP is incorporated in the proposed budget prepared in August and adopted at the public hearings held in September of each year.

The overall CIP with its five-year time-frame gives a fair indication of the foreseeable infrastructure needs of the City. The CIP helps to structure this decision-making by reviewing both capital project requests as well as the operational impact from the implementation of the program.

The Capital Improvement Program is dynamic, changing as identified projects require funding adjustments during the fiscal year and sometimes from year to year. Any amendments must be approved by the City Council. Monitoring of the CIP being the responsibility of the City Manager through the City's' Public Works Director or the Capital Projects Administrator.

Summary of FY 12-13 Capital Improvements Program

The FY 12-13 the Capital Projects Fund is proposed for \$6,799,026. \$591,484 is for operating purposes, \$1,216,726 for City Hall complex, and \$4,970,816 interfund transfer mostly for debt service. FY 2013 budget will automatically carry forward any unspent approved projects in previous fiscal year. The Five Year Capital Improvement Plan located on page 224 will provide better idea of what capital project activities the City will incur in FY 2013.

FY 12-13 Carryover Capital Projects Overview

FUND	Project	Planning Goal	Cost
GENERAL PROJECTS			
Parks & Re creation	Rolling Oaks Walking Trail	CVS (1aeg); PMP	\$263,000
	North Dade Optimist	CVS (1aeg); PMP	\$1,165,432
	BTF Community Ctr.	CVS (1aeg); PMP	\$88,868
	Senior Center	CVS (1aeg); PMP	\$113,616
	BTF Community Ctr. Phase II	CVS (1aeg); PMP	\$608,360
General Government	City Hall Complex	CDMP; CVS (1a)	\$40,993,040
Public Safety	Urban Area Security Initiative		\$69,323
TOTAL GENERAL			\$43,301,639
TRANSPORTATION PROJECTS			
Streets	School Safety Bridge/Sidewalk	CDMP; TMP;	\$850,000
	Arch Renovatoin		\$68,184
TOTAL TRANSPORTATION			\$918,184
TOTAL PREVIOUS APPROVED CAPITAL PROJECTS			\$44,219,823

New Funding of Projects for FY 13-14 Overview

FUND	Project	Planning Goal	Cost
GENERAL PROJECTS			
General Government	City Hall Complex	CMPD; TMP; CVS (1e)	\$1,216,726
TOTAL GENERAL			\$1,216,726
TOTAL NEW CAPITAL PROJECTS			\$1,216,726

City of Miami Gardens City Hall Complex LEED[®] Certification Plan

The City of Miami Gardens is in the process of building a new city governmental complex on property it owns at NE 188th Street and NW 27th Avenue. The complex will consist of a 63,000 sq. ft. City Hall building and a 58,000 sq. ft. Police facility. In addition, the City will build a 435 car multi-story parking structure. The site will also include open space and landscaping. The building's roofs are designed so that the City can add up to 60,000 sq. feet of photovoltaics (solar panels) to generate a substantial portion of our electrical needs. The total project is expected to cost approximately \$55 million and is financed by Certificates of Participation. All of this will be done to LEED[®] [Leadership in Energy & Environmental Design] certified platinum standards. Upon completion and certification, it will be the largest LEED[®]. Platinum City Hall complex in the United States.

LEED[®] certification provides independent, third-party verification that a building project meets the highest green building and performance measures. An integrated project team will consist of the major stakeholders of the project including the City's Capital Project Office, the project architect, engineer, landscape architect, developer, contractor, and asset and property management staff of the City. Implementing an integrated, systems-oriented approach to green project design, development and operations can yield synergies and improve the overall performance of a building. Initial LEED[®] assessment will bring the project team together to evaluate and articulate the project's goals and the certification level sought.

There are both environmental and financial benefits to earning LEED[®] certification. LEED[®]-certified buildings are designed to:

- Lower operating costs and increase asset value.
- Reduce waste sent to landfills.
- Conserve energy and water.
- Be healthier and safer for occupants.
- Reduce harmful greenhouse gas emissions.
- Demonstrate an owner's commitment to environmental stewardship and social responsibility.

This is accomplished by addressing nine (9) substantive areas of environmental concern through specific performance requirements in the process, promoting a whole-building approach to sustainability by recognizing performance in key areas:

Sustainable Sites

Choosing a building's site and managing that site during construction are important considerations for a project's sustainability. The Sustainable Sites category discourages development on previously undeveloped land; minimizes a building's impact on ecosystems and waterways; encourages regionally appropriate landscaping; rewards smart transportation choices; controls stormwater runoff; and reduces erosion, light pollution, heat island effect and construction-related pollution.

Water Efficiency

Buildings are major users of our potable water supply. The goal of the Water Efficiency credit category is to encourage smarter use of water, inside and out. Water reduction is typically achieved through more efficient appliances, fixtures and fittings inside and water-wise landscaping outside.

Energy & Atmosphere

According to the U.S. Department of Energy, buildings use 39% of the energy and 74% of the electricity produced each year in the United States. The Energy & Atmosphere category encourages a wide variety of energy strategies: commissioning; energy use monitoring; efficient design and construction; efficient appliances, systems and lighting; the use of renewable and clean sources of energy, generated on-site or off-site; and other innovative strategies.

Materials & Resources

During both the construction and operations phases, buildings generate a lot of waste and use a lot of materials and resources. This credit category encourages the selection of sustainably grown, harvested, produced and transported products and materials. It promotes the reduction of waste as well as reuse and recycling, and it takes into account the reduction of waste at a product's source.

Indoor Environmental Quality

The U.S. Environmental Protection Agency estimates that Americans spend about 90% of their day indoors, where the air quality can be significantly worse than outside. The Indoor Environmental Quality credit category promotes strategies that can improve indoor air as well as providing access to natural daylight and views and improving acoustics.

Locations & Linkages

The LEED® for Homes rating system recognizes that much of a home's impact on the environment comes from where it is located and how it fits into its community. The Locations & Linkages credits encourage homes being built away from environmentally sensitive places and instead being built in infill, previously developed and other preferable sites. It rewards homes that are built near already-existing infrastructure, community resources and transit, and it encourages access to open space for walking, physical activity and time spent outdoors.

Awareness & Education

The LEED® for Homes rating system acknowledges that a green home is only truly green if the people who live in it use the green features to maximum effect. The Awareness & Education credits encourage home builders and real estate professionals to provide homeowners, tenants and building managers with the education and tools they need to understand what makes their home green and how to make the most of those features.

Innovation in Design

The Innovation in Design credit category provides bonus points for projects that use new and innovative technologies and strategies to improve a building's performance well beyond what is required by other LEED® credits or in green building considerations that are not specifically addressed elsewhere in LEED®. This credit category also rewards projects for including a LEED® Accredited Professional on the team to ensure a holistic, integrated approach to the design and construction phase.

Regional Priority

USGBC's regional councils, chapters and affiliates have identified the environmental concerns that are locally most important for every region of the country, and six LEED® credits that address those local priorities were selected for each region. A project that earns a regional priority credit will earn one bonus point in addition to any points awarded for that credit. Up to four extra points can be earned in this way.

A LEED® rating is achieved through earning points in each of six categories. Within each category, there are subcategories including prerequisites. For example, the Sustainable Sites category contains a prerequisite for Erosion and Sediment Control, and also several other subcategories, including Site Selection and Storm Water Management, for earning possible points if applicable. The rating system is flexible in that it is performance-based, and does not force the applicant into following a narrowly defined set of specifications. The number of points available under LEED®-New Construction is 110. The chart below illustrates the point system as associated rating:

- Certified: 40 to 49
- Silver: 50 to 59
- Gold: 60 to 79
- Platinum: 80-plus

It should be noted that there are very few LEED® platinum buildings in the nation. At the time of this memo preparation, there were only five LEED® Platinum buildings in Florida. As far as our research goes, there are only two LEED® Platinum city halls in the nation, and they are relatively small in comparison to our project square footage.

One of the more unique features of LEED® is its requirement that a LEED® certified building commissioning occur as part of the process. The term commissioning comes from shipbuilding. A commissioned ship is one deemed ready for service. Before being awarded this title, however, a ship must pass several milestones. Equipment is installed and tested, problems are identified and corrected, and the prospective crew is extensively trained. A commissioned ship is one whose materials, systems, and staff have successfully completed a thorough quality assurance process.

Building commissioning takes the same approach to new buildings. When a building is commissioned it undergoes an intensive quality assurance process that begins during design and continues through construction, occupancy, and operations. Commissioning ensures that the new building operates as the owner intended and that building staff are prepared to operate and maintain its systems and equipment.

Impact of Capital Projects on the Operating Budget

As indicated above, it is not only important to understand the full costs of constructing a capital improvement (planning, design, financing, bidding and construction), but it is important to understand that all Capital Improvements will have a resulting effect on the City's operating budget, positive or negative. The analysis below looks at the projects listed above and tries to predict the impact on the operating budget of the City in future years. This information assisted in the preparation of the FY 11-12 and will be useful subsequent budgets by providing a more complete picture of the cost of a particular capital project.

Capital projects are an important part of what we do in local government. They often make the difference in defining a community's identity, and in delivering efficient and responsive service to our residents. Because of the inherent significant costs involved in capital improvements, it is important to look at not only those immediate development costs such as planning, design and construction, but to understand how the capital improvement will affect the city's operating budget once completed.

For the purposes of this budget, a capital improvement is any project that costs in excess of \$10,000 and has an expected life of at least 10 years. This may be a single item, such as a recreation center, or may be a "project" such as the "ADA" sidewalk project. While repairs for routine maintenance are not generally considered "capital" projects, certain maintenance operations, because of their scope or sheer cost, may be classified as capital projects.

Capital projects will have an effect on the City's operating budgets. This effect may be to save money, or it may require an increase in operating funding. The table below looks at both the new CIP project for FY-12 and also the previous year funded projects that have not yet completed and their expected impact on operating budgets.

Project	Capital Cost	Operating Cost impact	Notes
Senior Center	\$163,616	+ \$120,000/yr	The renovated building will require Parks staff to operate and maintain. This includes a Recreation leader and aide and janitorial and minor repair services. Utilities will also be a new expense. These expenses are

<u>Project</u>	<u>Capital Cost</u>	<u>Operating Cost impact</u>	<u>Notes</u>
			not included in the FY-13 budget and renovations are not expected to be completed in FY-12. The City is currently in discussion with several joint participation partners for the development of a center at minimal capital cost to the City.
Optimist Park	\$1,398,478	+\$5,000	This is a major upgrade to the park and the facilities thereon including parking and concession. Operating savings will be minimal. There may be a small increase in concession revenue.
Rolling Oaks Walking Trail	\$728,000	\$2,000	This project is projected to be completed by FY 2014. The operating impact will be minimal as we current maintain the area.
Bunche Park	\$134,000	\$0	This is for repairs and upgrades to the pool; however, since all pools have been closed for budgetary reasons, these repairs will most likely be postponed for another year at least.
Rolling Oaks Park	\$1,63,616	\$60,000	This is for the grounds improvement of the Parks
City Hall Complex	\$47,709,766	Significant Staff - \$200,000 Electric (\$150,000)	Development of the new City Hall complex is expected to be complete in summer-2013. Until that time, all costs for the new complex are paid from the proceeds of the sale of COPs (Certificates of Participation). The new building will have solar and should save over \$150,000 in electric expenses. On the cost side, there will need to be added one facilities maintenance person, one electrical

engineer and several grounds maintenance staff.

Engineer position to deal with the complex HCAV and Photovoltaics and the overall facilities repair and maintenance. In addition, a new reception will be created as well as an additional 2 janitorial staff persons.

Coconut Cay Paving \$35,000 Minimal

Matching for repaving due to damage by the developer of Coconut Cay. Should help reduce the on-going pothole repair for this road section.

Street Paving/Sidewalks \$1,000,000 \$25,000

Savings from reduction of pothole repairs and sidewalks repairs.

FY 2012-2017 Capital Improvement Plan with 5-Year Horizon

	FY 2012 Est.	FY 2013	FY 2014	FY 2015	FY 2016	FY 2017

City of Miami Gardens Financial and Non-Financial Goals

Introduction

This budget document is designed to provide the reader with a comprehensive understanding of the City financial policies, procedures and financial objectives. However, a City does not exist for finances. It exists to provide services to its residents and to aid in fulfilling their vision for a good life. To do this, the budget provides the fuel (money) to accomplish these goals and visions. Too often, we tend to see the budget and finance process as a separate entity from the overall goals and objectives of the City. To this end, the budget must be viewed in conjunction with the City's Comprehensive Development Master Plan (CDMP) and other elements of the City C.I.P. and long-term planning program.

Miami Gardens was incorporated in May of 2003, with the City able to adopt its first budget in FY 04-05. Prior to that, the City's budget was set by the County and reflected their priorities. In FY 04-05, the City began a number of planning and visioning processes to enable it to set its own goals for the City's future. Some of these processes are still ongoing as of this date. In 2005, the City Council completed a series of retreats designed to establish an overall vision for the City Council. This process was repeated in FY 2009-2010 to update the vision and rethink priorities. In FY 2007, the City completed its first Comprehensive Development Master Plan (CDMP). The CDMP plan is a state-mandated process designed to assist cities and counties in developing a long term vision for their communities. It is a series of smaller plans including Land Use, Parks & Recreation, Public Safety, Housing, Environment, Utilities, Transportation and Intergovernmental Cooperation, among others. The linkage between the goals, objectives and action plans developed in the CDMP process and the Annual Budget process is fundamental to municipal finance. As indicated above, in late 2008, the City Council and senior City staff met again at a series of retreats to update the 2005 visioning process. The results of this latest round of visioning will not be available for inclusion in this document; we do know enough that most of the goals and objectives remain the same, though. new strategies and action plans will be developed. To the extent that the 2005 action steps remain, we have used them to help prioritize this budget. Also used were the policies adopted in the City's recently completed Comprehensive Plan (CDMP).

As part of the CDMP process, annual goals and objectives are identified. For each of these goals and objectives, specific, yearly actions plans were developed. These yearly objectives are then translated into the annual budget process for funding. Under the CIP Tab of this document, a more complete explanation of the long-term planning process is presented. Each of the plans the City has under study are directly linked to the City's C.I.P.

During the past two years, the City has completed has part of the CDMP process, several subsidiary planning documents: A Recreational Trail Master Plan (RTMP); a Town Center Master Plan (TSMP); a Technology Master Plan (TMP); and a US 441 Livability Corridor Study (441CS), a Street & Sidewalk Assessment (SSA), and hope to undertake and/or complete the development of several important long range plans in addition to the CDMP described above. These planning

process are outlined below. The results of these planning processes, especially as they relate to service levels and capital improvements, will become a part of the FY-12 and beyond budget processes. Item related to these processes are marked in the budget as:

(CDMP) = Comprehensive Development Master Plan

(CVS) = Community Visioning Stud

(ITSP) = Information Technology Strategy

(441CS) = US 441 Corridor

(RTP) = Recreational Trails Plan

(TCMP) = Town Center Master Plan

(TMP) = Transportation Master Plan

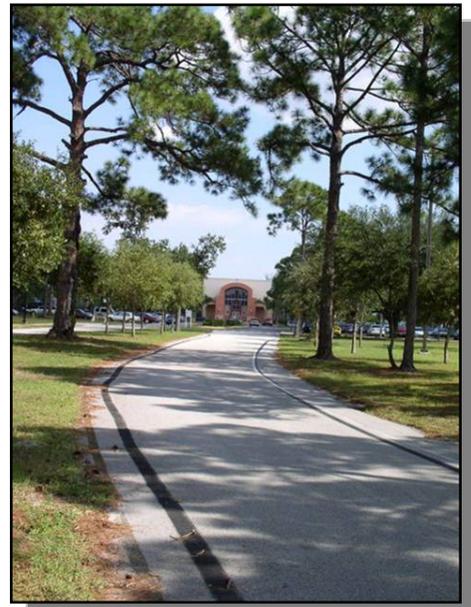

Miami Gardens Comprehensive Development Master Plan and Other Ongoing Planning Processes that Impact the Development of the Annual Operating and Capital Budgets

The CDMP plan is a state-mandated process designed to assist cities and counties in developing a long term vision for their communities. It is a series of smaller plans including Land Use, Parks & Recreation, Public Safety, Housing, Environment, Utilities, Transportation and Intergovernmental Cooperation, among others. The linkage between the goals, objectives and action plans is fundamental to municipal budgeting.

As part of the CDMP process, annual goals and objectives are identified. For each of these goals and objectives, specific, yearly actions plans were developed. These yearly objectives are then translated into the annual budget process for funding. Under the C.I.P. Tab of this document, a more complete explanation of the long-term planning process is presented. Each of the plans the City has under study are directly linked to the City's C.I.P.

To begin this process, the City developed a Community Vision Statement. This statement was developed after extensive public participation and forms the basis for the further development of the Comprehensive Development Master Plan and other planning processes that the City has undertake.

The following section describes the various planning completed as part of this process. Each of the resulting plans will have an impact on both the annual operating and capital budgets for years to come. They will provide guidance in the development of the budget process to ensure that the City is actually allocating its limited resources to those priorities that have been identified by the public and policymakers as fulfilling the City's ultimate development vision.

- Comprehensive Development Master Plan
- Transportation Master Plan

- Street & Sidewalk Assessment & CIP
- Town Center Master Plan
- US 441 Livable Communities Master Plan
- Park & Recreation Master Plan
- Snake Creek Bike Train Master Plan
- Metrorail Station Master Plan
- New Florida Turnpike Toll Station

All of the above plans and processes have significant implication for the current and future budgets. Many of the recommendations resulting from these processes require specific appropriations in order to complete. Below is a table that looks at the processes above and extracts known financial requirements for the current year and for the succeeding five years. Potential funding sources have also been identified. This will help focus staff and City Council on the financing aspects of plans, both short and long-range and guide staff in seeking or developing the appropriate resource mix.

Table 1: Estimated Budgetary Impact of Planning Processes: FY-12 to FY-16

	FY-12	FY-13	FY-134	FY-15	FY-16	Notes
Community Visioning						
1a/e/g Parks	\$1,500,000	\$5,000,000	\$3,665,952	\$1,500,000	\$4,560,000	Grants Secured. Future bonds, fund balance
1h Canals	\$280,000	\$300,000	\$325,000	\$350,000	\$350,000	City takes over maint. In FY-11 budget
1i Signs		\$1,250,000	\$1,250,000	\$550,000	\$250,000	Assume County Sign Program – ½ Cent tax
1j/2c City Hall	\$25,000,000	\$25,000,000				COP Issue
3c elderly transport	\$0	\$250,000	\$250,000	\$250,000	\$250,000	Study completed. ½ cent trans tax
Transportation Master Plan						
Pave Existing Roads	\$0	\$1,500,000	\$1,500,000	\$1,500,000	\$1,500,000	Dependent on receipt of ½ cent sales tax from County
Build Sidewalks	\$75,000	\$250,000	\$250,000	\$250,000	\$250,000	½ cent sales tax
New Landscaping	20,000	\$200,000	\$200,000	\$200,000	\$200,000	Grants; local funds
Recreational Trails Plan						
Improve Canal ROW	\$0	\$200,000	\$200,000	\$200,000	\$200,000	Grants/local funds from stormwater
Information Technology Plan						
Add New Modules	\$35,000					Add: Web (FY-11)
Tech. Assessment				\$100,000	\$100,000	System assessment study
Palmetto Landscaping	\$120,000	\$250,000	\$250,000	\$250,000	\$250,000	Developer/City/DOT

Report of the Miami Gardens Community Visioning Exercise

Community Visioning

Introduction

As a relatively new city, Miami Gardens is just finishing its initial planning processes. One of the most critical was and is community visioning. Since incorporation, the City has undertaken two visioning studies. The first was organized by the City of Miami and facilitated by a technical team from Florida Atlantic University (FAU), Department of Urban and Regional Planning. Three years later, the City conducted its own with the help of an outside facilitator.

The goal of these visioning sessions was to engage residents in constructive and pragmatic discussions of overall “Quality of Life” issues, leading to ideas that would be incorporated into the Master Plan and to identify possible funding sources. Issues identified and action step are identified below in Table 2.

Table #2: Results of visioning session

Residents' Issues by Key QOL Goals	Main Reasons	Suggested/Recommended Action Steps for Key Community Stakeholders			
		Government	Community	Non-Profits	Corporate
1. Physical Development and Improvement					
1a. Develop better parks and green areas, and maintain public facilities	a. Recreation for residents b. Improve overall environment c. Make city liveable	a. More patrol of parks b. Fix broken lights, signs and road surfaces c. Finish canopy project d. More public funds e. Build recreational centers in city parks	a. Community needs to use parks more often b. Inform private citizens of advantages of open space donation	a. Advocate for private donation of open space	a. Urge business owners to donate open space
1b. Need to clean up all areas in the city to avoid slum and blight conditions. Maintain common areas	a. Retail areas are dirty b. Streets are not well cleaned c. Buildings are poorly painted d. Abandoned cars e. Overgrown brush	a. Need active community development program b. Strict building codes for retail and homes c. Need sign and loitering ordinances d. Need community education and outreach e. Advertise community clean-up campaigns f. Adopt ordinance to remove abandoned vehicles citywide	a. Need to organize and task government b. Be more responsible in disposing old cars c. Take better care of lawns and landscape		a. Need to invest more in retail business
1c. Residences used for multiple rentals	a. Need for extra income	a. Enforce code			
1d. Unsightly chain fences and structures	a. Chain fences and dilapidated structures are a visual blight	a. New ordinance to regulate chain fences (5-year transition) b. Demolish unsightly structures c. Create community design standards	a. Find more attractive fencing options b. Get educated on effects of fences on property values		

Residents' Issues by Key QOL Goals	Main Reasons	Suggested/Recommended Action Steps for Key Community Stakeholders			
		Government	Community	Non-Profits	Corporate
1e. Need bike paths and walkways	a. Economic, social and health impacts b. Provide for pedestrians				a. Take leadership role
1f. Need tasteful affordable housing and limit low-income housing	a. Mass relocation of low-income people to city.	a. New zoning and building codes b. Use available land c. Use federal, state and local funds for homeownership d. Cap building heights	a. Attend city commission meetings to give inputs b. Stay informed through HOAs.	a. Seek help from HUD officials	
1g. Build facilities for culture-related recreation (soccer, cricket, etc.)	a. Social, health impacts. b. Prevents crime	a. Need public funds	a. Needs community support and usage	a. Create museums to provide cultural education facilities	a. Create museums to provide cultural education facilities
1h. Need inventory and clean up of city canals and lakes	a. Canals and lakes are neglected assets	a. Assign staff to develop a flood control plan b. Dredge waterways	a. Make good use of canals and lakes		a. Market city's assets
1i. Need better signage citywide and on major routes	a. City boundaries and directions are not clear	a. Adopt sign ordinance for all types of land uses, especially business b. Put a welcome to MG sign at overpass at north of 441 ramp c. Change signs on I-95 and major routes to acknowledge MG as a city	c. Neighbourhoods should be encouraged to demand and put up standard signage	a. Comply responsibly with local sign codes	a. Inform businesses to get signs approved by city to meet standards
1j. Create community identity	To help define boundaries and give the community identify ability	a. Provide a community focus b. Hold cultural shows and "Meet and Greet" c. City needs a different zip code from Opa Locka d. Adopt new landscape and sign ordinances, make retroactive for commercial and industrial uses e. Set up city bill boards listing community events	a. Provide a community focus b. Hold cultural shows and "Meet and Greet" c. Encourage resident participation and bring meetings to people	a. Provide a community focus b. Team up with City to advertise events to public on bill boards c. Encourage resident participation	a. Provide a community focus b. Team up with City to advertise events to public on bill boards
1k. Too many churches	a. Conflicting uses	a. Restrict permits b. Require parking spaces			

Residents' Issues by Key QOL Goals	Main Reasons	Suggested/Recommended Action Steps for Key Community Stakeholders			
		Government	Community	Non-Profits	Corporate
2. Economic growth and development					
2a. Develop programs to become a more business-friendly city	a. Need to create jobs and bridge the 'employment divide' b. Improve city tax base c. Make city competitive d. Reduce unemployment e. Create minority entrepreneurs	a. Develop incentives, loans and grants for small businesses. Reduce taxes b. Update current programs to suit current economic environment c. Fix infrastructure to attract big industries d. Sub-contract with minority businesses e. Develop strategic economic development plan (start with economic study of city by a consultant) f. Enforce street vendor ordinance	a. Patronize and support businesses b. Discourage vandalism of businesses c. Participate in economic study and plan d. Train for relevant employment skills	a. Patronize and support businesses b. Provide business, employment and language training c. Discourage vandalism of businesses d. Assist with economic plan	a. Contract with small businesses b. Provide business training and technical assistance c. Provide business mentoring d. Market city e. Help fund economic study
2b. Attract national chains, franchises, hotels and key industries. Market city worldwide	a. Need to create jobs b. Improve city tax base c. Make city competitive d. Reduce unemployment	a. Work with business leaders to sell city. Adopt a marketing theme b. Provide regulatory and financial incentives c. Encourage firms to hire and sub-contract locally d. Grant 5-year tax holiday	a. Explore job and contracting opportunities with firms b. Hold firms socially responsible	a. Explore investment opportunities with firms b. Advocate for community jobs	a. Help market city b. Provide technical assistance for new firms
2c. Plan mixed-use and smart growth projects	a. Maximize use of land b. Create jobs and revenues c. Give city identity	a. Build new city hall at NW 27 and 183 as anchor for mixed-use project and community meeting place b. Assist developers with mixed-use projects c. Adopt mixed-use ordinance			a. Help attract developers and viable businesses
2d. Develop travel and tourism plan	a. To create jobs b. Improve tax base c. Make city competitive d. Reduce unemployment	a. Include in strategic plan b. Focus on culture-based tourism	a. Set up businesses that attract tourists	a. Bring big events and sports to the city	a. Help city with plan b. Market city worldwide

Residents' Issues by Key QOL Goals	Main Reasons	Suggested/Recommended Action Steps for Key Community Stakeholders			
		Government	Community	Non-Profits	Corporate
3. Psycho-social and human development					
3a. Build a hospital for MG residents	a. Need accessible health facility for residents b. Improve overall health of residents c. Make city liveable	a. Fund Golden Glades old hospital, or build new one b. Request hospital district to build hospital	a. Request and support city to build health facility	a. Assist city to build health facility	a. Assist city to build health facility
3b. Upgrade substandard schools	a. Lack of School Board and community support	a. Build, or provide land for new school facilities	a. Advocate for better school facilities	a. Advocate for better schools	a. Fight for better schools

		b. Link housing and school development through state concurrency c. Increase signage and crossing guards d. Sponsor Charter Schools	b. Parents need to be more active in children's education		
3c. Need better elderly services and facilities	a. Large segment of MG is elderly b. Make city elderly-friendly	a. Establish transportation service for elderly b. Support food-delivery service for shut-in elderly	a. Support and volunteer for elderly services	a. Support and volunteer for elderly services	a. Support and fund services
3d. Establish or encourage 'signature' community events	a. Put city on the map for its cultural diversity b. Boost residents' pride in their city	a. Consider MLK, Party at the Plaza and Community Family Day as key city events b. Set up "Food Fair"	a. Support and invest in establishing events b. Attend and publicize events	a. Support, publicize and invest in events	a. Market events b. Invest in events
Residents' Issues by Key QOL Goals	Main Reasons	Suggested/Recommended Action Steps for Key Community Stakeholders			
		Government	Community	Non-Profits	Corporate
3f. Establish Sister City Program	a. Need to put city on the map	a. Work with business leaders to set up program d. Develop marketing and promotion package for city c. Set up program with City if West Park in Broward	a. Support city plan	a. Support city plan	a. Assist city with program set up
3g. Coordinate programs with local colleges	a. Colleges located in the city are an asset b. Colleges have programs and resources that can make city better, especially technology	a. Compile college programs and services that community can use b. Establish formal links with colleges c. Involve businesses and non-profits in partnerships d. Set up an "Adopt a Mentor" program	a. Support city efforts b. Seek direct links with colleges b. Partner with local universities: provide study/ work programs, create transition study to work programs, and merge campus life with city life.	a. Support city efforts b. Seek direct links with colleges	a. Support city efforts b. Seek direct links with colleges
3h. Need youth development programs	a. The future belongs to youths b. Need to engage youth productively and positively c. Youth must do better educationally (FCAT)	a. Help organize and sponsor programs b. Develop incentives for major youth programs c. Provide and seek grants for youth programs	a. Publicize, support and volunteer for programs b. Discourage duplication of programs or services	a. Publicize, support & volunteer for programs b. Discourage duplications	a. Market, fund, and volunteer for programs
3i. Strengthen HOAs	a. HOAs are good agents for development b. Existing HOAs are weak and apathetic	a. Take lead in convening groups to form HOAs b. Provide technical and financial help to HOAs	a. Get more active and be more responsible b. Push for formation of active HOAs	a. Assist HOAs with training & grantwriting	a. Assist HOAs with training and grants
3j. Compile a social service directory	a. Residents need to know location and types of social services	a. Take lead, or fund non-profit to produce directory b. Set up 411 information system for social services. c. Collect email addresses for information sharing	a. Request for, use and publicize directory	a. Take lead to produce directory	a. Support directory
3k. Make city services more efficient	a. Bulk garbage pick up is slow and inefficient	a. Work with County to streamline and monitor garbage pick up b. Assign new fire engine at Honey Hill Station	a. Report poor service to city leaders	a. Advocate for community	a. Privatize some services
3l. Encourage mass transit	a. Provide a shuttle service or re-route current transportation facilities to create linkages throughout the community.	a. Have local transit routes where metro drops off on 199E and 441 b. Plan shuttle services where needed to check traffic			
3m. Clean up	a. Too many adult	a. Adopt strict codes to	a. Educate and appeal	a. Educate and	a. Educate and

residential areas of noise pollution and adult entertainment	entertainment in close proximity of residential areas b. Noise pollution is widespread, parties and cars	regulate noise and adult entertainment b. Enforce loitering laws c. Enforce design codes for adult entertainment buildings	to youth to show discipline and respect for laws	appeal to youth to show discipline and respect for laws	appeal to business owners to comply with local codes
3n. Set up services and programs to promote citizen education and awareness	a. There are few facilities to encourage citizens to read and be informed b. Illiteracy is an obstacle to patriotism and citizenship	a. Seek federal, state and county funds to establish new libraries and upgrade existing ones b. Promote and encourage civic education programs	a. Organize, promote and encourage civic education programs	a. Organize, promote and encourage civic education programs	a. Organize, promote and encourage civic education programs

4. Political empowerment	Main Reasons	Suggested/Recommended Action Steps for Key Community Stakeholders			
		Government	Community	Non-Profits	Corporate
4a. Need more political activism by residents	a. Lack of information and knowledge b. Apathy c. Low voter turnout	a. Develop community-, TV- and school-based voter-education programs b. Work with non-profits on voter-education and registration c. Create 'civic participation' award for school, parent or student of the month	a. Request and attend voter-education programs b. Form or join political action groups c. Develop voter-mobilization theme d. Run for political office	a. Provide voter - education and registration programs b. Support mobilization theme	a. Fund or provide voter - education and registration c. Support theme
4b. Need to improve methods and frequency of dialogue and communication between the city and the community	a. Residents feel that communication with city is inadequate and not mutual (insincere)	a. Publicize and promote city's web site more b. Televis council meetings c. Provide time for public input in critical matters d. Notify residents of council events timely and inclusively (everybody)	a. Use and provide feedback on web site b. Attend and speak up at council meetings c. Be politically aware and speak up d. Make time to meet or visit with politicians	a. Use and provide feedback on web site b. Fight for political fairness	a. Help refine and promote we site b. Be more active political advocates
4c. Youth empowerment programs	a. Need to prepare youth for politics and leadership	a. Encourage and fund youth activities focussed on political education b. Emphasize non-party political education	a. Mobilize youth and volunteer for programs	a. Mobilize youth and volunteer for programs	a. Mobilize youth and volunteer for programs
4d. Need accountable political and civic leaders	a. Elected leaders reach out to residents only during elections	a. Organize periodic political awareness forums in the community b. Use various media to provide updates on political events to community groups c. Hold quarterly meetings with council members	a. Hold politicians accountable b. Attend political forums c. Run for office d. Use voting power wisely and seriously e. Educate voters on their rights and encourage them to exercise their impeachment rights when politicians don't follow through	a. Hold politicians accountable b. Organize political awareness forums for community	a. Stay out of funding politicians

Comprehensive Development Master Plan

Introduction

In early 2005, the City undertook a process to develop a consensus vision for the newly formed City of Miami Gardens. The Vision would provide direction for the Comprehensive Development Master Plan (CDMP). Utilizing its most valued and renewing resource, a representative group of almost 40 citizens and community leaders, including the Mayor and City Council, residents, business owners, and representatives of key organizations and agencies, each person filled out a “baseline” questionnaire and then was interviewed for their best ideas. After compiling responses, a vision of the city began to take shape.

Additionally, the City Council decided to hold facilitated work sessions or charrettes that would open up the visioning process to the public. This process was facilitated by Dr. Jerry Kolo of Florida Atlantic University. While the vision does not specify exact dates, these general time frames coincide with the Comprehensive Development Master Plan timeframes. What would the City be like when the dreams, ideas and projects expressed by its citizens are realized? To the greatest extent possible, the words, expressions and ideas of these citizens and leaders are directly quoted in the below scenario of the not-to-distant future of Miami Gardens.

Additionally, the City has considered the recently adopted amendments to the state’s Growth Management Act that provide the basis for smart growth principles and sustainable development.

Conclusion

The City’s Vision combines the commitment and determination generated by the founders, leaders and residents of the City. The ideas expressed articulated the community’s concerns and desires. The Comprehensive Development Master Plan provides but one, albeit important key to realizing the vision. The direction for the CDMP’s plan elements are driven by this vision. The CDMP’s goals, objectives and policies will lead to the development of high quality public and private amenities as well as the provision of excellent services articulated in the vision. Visioning or strategic planning is not static and should be accomplished every few years, especially to evaluate performance and new conditions. Consistent with the City of Miami Gardens’ motto, “Striving to the best,” the City’s vision must be kept alive and dynamic.

In early 2007, the City’s proposed CDMP was approved by the State of Florida. The plan subsequently won both the South Florida Chapter of the American Planning Association’s and the State American Planning Association’s 2007 Innovation Award for its novel treatment of Land Use. Following that approval, the City began work on a new set of Land Development Regulations (LDRs). This work was completed in FY-10 with the adoption of new zoning and development criteria.

THE NEW CALDER CASINO ADDITION TO THE CALDER RACE COURSE WAS OPENED IN FY-10. CALDER IS A DIVISION OF CHURCHILL DOWNS.

Miami Gardens Transportation Master Plan

The Miami Gardens Transportation Master Plan was developed to provide an overall framework for transportation decision-making and transportation-related improvements for Miami Gardens. Analysis of all transportation modes, integrated with the City's vision for growth and development, will provide a comprehensive plan for "all things transportation" in Miami Gardens.

The project was performed by the Corradino Group, over a period of Eight months at a lump sum cost of \$80,000. It was completed in late 2006.

Miami Gardens is a newly incorporated municipality in Miami-Dade County.

Officially incorporated in May, 2003, the city is part of the growing regional traffic congestion in South Florida and Miami-Dade County. The development of a Transportation Master Plan for the City of Miami Gardens is intended to provide a rational and organized response to addressing the problems of general travel and more specifically traffic congestion, and to anticipate and address travel problems which are in the future.

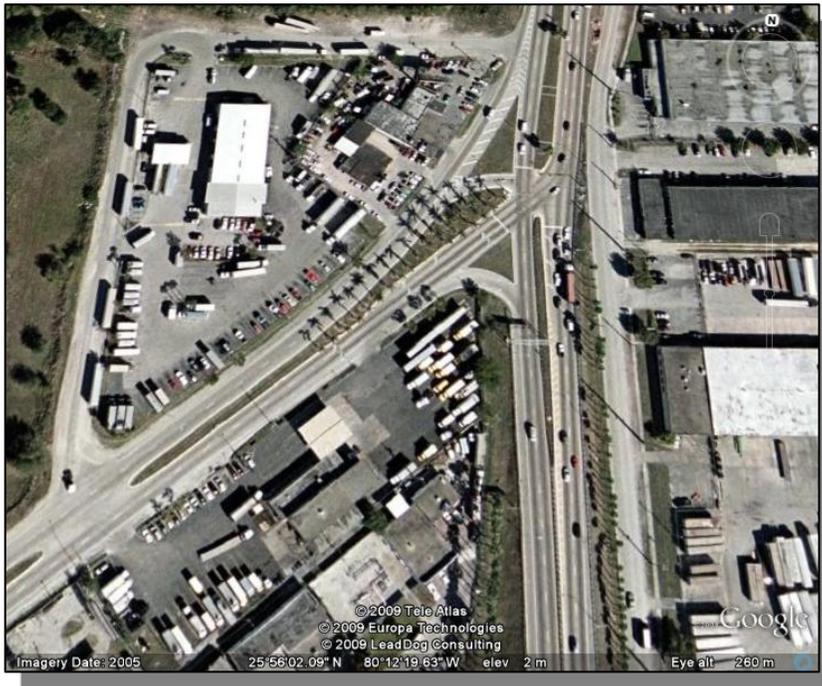

While much of a transportation master plan necessarily involves the employment of transportation planning and engineering professionals for their expertise, it also must involve local citizens for identification of problems and needs, and the city fathers for their input as well, in developing the city's guide for transportation improvement planning and programming into the future.

Miami Gardens' geographic location on the northern Miami-Dade & Broward County Line transects north-south major arterials routing significant volumes of inter-county traffic along these facilities. The Transportation Master Plan will show how this affects, and effects, travel within and passing through the city.

Development, and periodic updating, of a Miami Gardens Transportation Master Plan is an ideal and effective way to establish policies, to provide guidance as to meeting those policies, and to provide an open, public, codified general plan for management of the transportation system for which the city is responsible, and for providing input to County and State agencies dealing with County and State facilities and operations.

The City of Miami Gardens Transportation Master Plan (MGTMP) recognizes that the City represents but one entity involved in the transportation planning process. The Master Plan must coordinate with all major transportation entities and effected jurisdictions including but not limited to

the Florida Department of Transportation, the Florida Turnpike Authority, the Miami Dade County MPO, the Miami-Dade Expressway Authority, and Miami-Dade Transit, Public Works, and Planning and Zoning Departments, as well as adjacent jurisdictions including Broward County and Broward County Transit, and the neighboring cities of North Miami Beach, Miramar, Opa-Locka and Miami Lakes.

Assessment of Existing Roadway Conditions & CIP

The City has undertaken an assessment of existing road and sidewalk condition for the purpose of prioritizing of needs and the preparation of a CIP for implementation. The assessment of existing roadway conditions for the City of Miami Gardens includes the following tasks, 1) project

management, 2) visual assessment of existing roadways (asphalt), 3) inventory of existing roadway signs and pavement markings, 4) visual assessment of existing sidewalks and handicapped ramps, and 5) development of a capital improvement plan.

Those tasks are outlined as follows:

Visual assessment of existing roadways (asphalt)

Conduct a visual assessment of roadway conditions, specifically related to the condition of the roadway asphalt. Note locations where there are structural issues such as depressions

and asphalt cracking. Inventory each street in a database to document location and type of defects/conditions. The database shall be provided digitally in ArcGIS as well as in hard copy graphic and tabular format. A point system should be utilized in order to prioritize needed repairs. Roadways should be considered on a minimum 1 block increment, or some other method as may be agreed upon by the City and Contractor.

Inventory of existing roadway signs and pavement markings

In similarity to Task 2, provide an inventory of existing roadway signs and pavement markings at major intersections. Document the general location, condition, size and type of signs and pavement markings at major intersections. Produce a schematic sketch for each assessed intersection. Also provide digital photographs for substandard areas.

Summarize the inventory in tabular format and provide recommended actions for signage and signing that does not meet code. Provide database in ArcGIS similar to Task 2. Visual assessment of existing sidewalks and handicapped ramps and bus shelters

Visually assess existing sidewalks, handicapped ramps **and bus shelters** with the areas of the City that are reviewed in the previous tasks. Document general condition as it relates to potential “trip and fall” or American with Disabilities Act (ADA) violations. Include digital photographs of substandard areas and include in digital database per previous tasks. Outline actions necessary to correct substandard conditions. A point system should be utilized in order to prioritize needed repairs.

Integration into the capital improvement plan

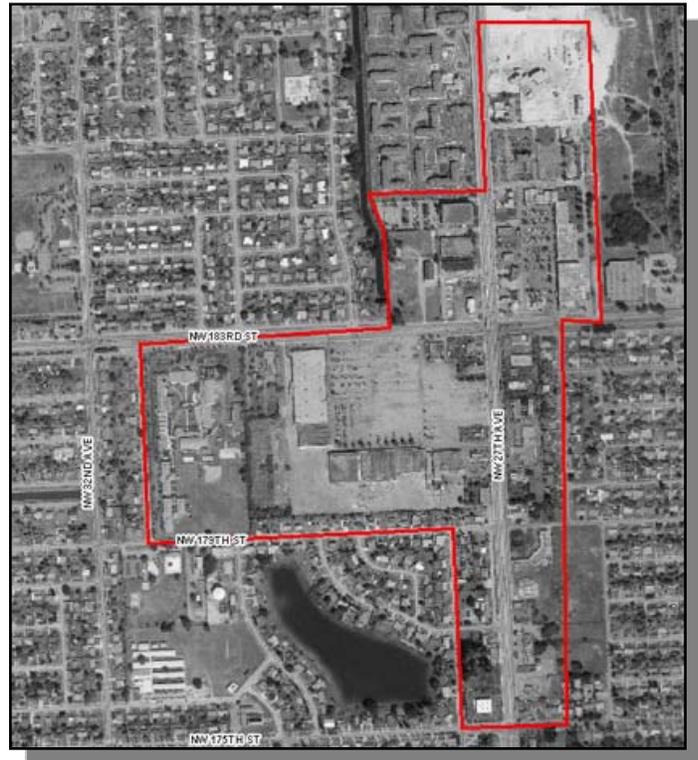

Summarize the improvements outlined in the above tasks. Provide as a prioritized list and include probable costs associated with each improvement. Provide a description and budget for each project in digital spreadsheet format. Add these projects to the City's CIP.

Town Center Master Plan

In addition to and, in part as a response to developing the city-wide vision for the Comprehensive Development Master Plan, the City embarked on developing a special Miami Gardens Town Center Master Plan. Many residents have expressed the desire for there to be a community focal point in the form of a town center development that would include commercial and mixed use development, entertainment, and nice sit-down restaurants. The location expressed by many would be in the city's geographical center, i.e., around the intersection of NW 27th Avenue and NW 183rd Street/Miami Gardens Drive.

Formerly known as Carol City, the City established a building & construction moratorium in the area to prevent unplanned development proposals from being approved prior to the development of a master plan and special development guide-lines for the area. The City also hired a master planner design group to develop the Town Center Master Plan and associated development and design guidelines. An initial meeting was held on June 27. The interactive session allowed almost 50 residents to draw and design their ideal town center on aerial maps of the area. A

second Town Center Master Plan Meeting was held on July 20, 2005, at which over one hundred (100) persons attended. In November of 2005, the city's master planner presented town center design concepts based on public input. City Council approved the plan and revised zoning regulations for the Town Center in 2006 and will consider additional revisions in FY-2012.

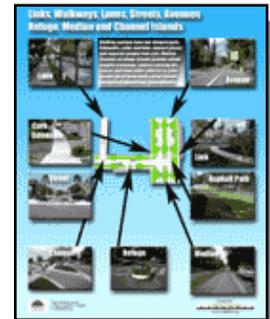

The new City Hall Complex is being built on five acres that the City owns within the Town Center Master Plan area. The City hired an architect to design the complex in FY-10. In late FY-11, the City secured a developer and initial construction began.

In FY-12, the addition of the new \$50 million City Hall Complex is expected to begin to generate significant interest in private development. In preparation for this, the City Council will consider revisions to the zoning code to upgrade development standards in the Town Center area.

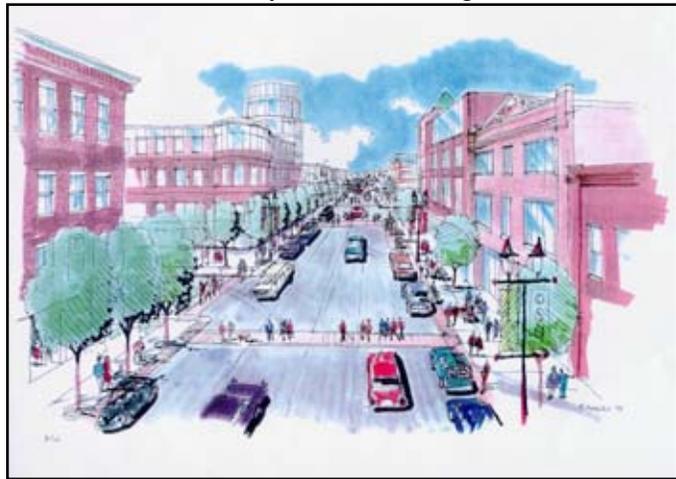

State Road 7 Corridor Study: FDOT Livable Communities Program

In FY 06-07, the City completed a State Road 7 corridor study conducted under the Florida department of transportation's (district 6) Livable Communities contract. The work effort involved six tasks described below to define corridor problems and issues.

The consultant collected from the department and localities available land use and transportation coverages for the study corridor. They created a base map from the coverages and land use and transportation maps from the information provided. To the extent available, the department and the city provided the consultant with aerial photographs of the study corridor at the finest resolution possible.

The Consultant took photographs along the corridor to illustrate typical roadway cross-sections and relationships between the land uses / buildings and the roadway. The Consultant classified and analyzed areas of like uses and relationships along the corridor (functional areas) and prepared generalized plan and profile graphics for those areas. In addition to an analysis of existing land uses and buildings in relationship to the roadway, the

Consultant analyzed how these areas function independently, and relationships between these areas in the context of the transportation corridor. The graphics included the roadway cross-section and the buildings adjacent to the roadway and major urban form determinants.

The Consultant conducted meetings with residents and business owners in the study area. The meetings helped define corridor specific issues that were translated into goals and objectives.

The Consultant worked with the City and neighborhood associations and identified and meet with key stakeholders, stakeholder groups, community leaders and elected officials in the corridor to seek their input and involvement.

The Department will provide the Consultant with the MPO's latest Long Range Transportation Plan and the FSUTMS files that support the plan. The Consultant will use FSUTMS to evaluate traffic shifts in the corridor caused by improvements to parallel corridors or to regional transit service. The Consultant will prepare tables and maps that indicate changes in travel patterns based on alternative improvement scenarios.

The Consultant used the data collected and the future travel forecasts develop multimodal strategies for the corridor. The Consultant documented and enhanced the alternatives developed by the workshop participants and evaluated scenarios and

alternatives rating each of the alternatives against each of the measures using relative rankings, ranging from negative to positive changes.

The Consultant presented the final plan to the City Council, who adopted the findings.

Based on the study, the FY-11 budget contained over \$700,000 in funding to partner with Florida DOT to enhance the aesthetics of US 441 through patterned sidewalks, irrigation and patterned crosswalks. This project continues into FY-12 with the work underway.

Miami Gardens Recreational Trails

Background

With the incorporation of the City of Miami Gardens in 2003, area residents implemented a vision to become masters of their own fate. One factor in particular helped spur this movement was the lack of parks that met the needs of the residents. With incorporation, the City inherited 16 parks from Miami-Dade County. The condition of these parks was from fair to poor and few were really meeting the wants and needs of the surrounding residents.

A top priority for the new City was to re-establish these parks as an integral part of the community, providing for the needs of residents young and old. Through a series of old County bond issue monies that had been set aside for use on these parks, but not been used, a new County bond issue passed in 2005 providing additional funds, and through grants, impact fees and other monies, the City identified some \$30 million available over the next five years to renovate these parks into a state-of-the-art facilities that will meet the needs of current and future residents for decades to come.

In 2005, the City embarked on a comprehensive planning program to identify opportunities and challenges faced in renovating these parks. Underway is the development of a Parks and Recreation Element to the City's proposed first Comprehensive Development Master Plan (CDMP), a separate Parks and Recreation Master Plan covering improvements to all 17 parks, and the development of this Recreational Trails Master Plan (RTMP).

One key challenge quickly identified is the profound lack of land available for park expansion. Miami Gardens is currently 93% built-out, and land values are becoming an obstacle to even moderate park property additions. Aware of development pressures and other challenges threatening park expansion, the City and residents began to look beyond the traditional “park” as possibilities for recreational opportunities. The one thing that South Florida in general and Miami Gardens in particular does have an abundance of is canals. Drainage canals belonging to the South Florida

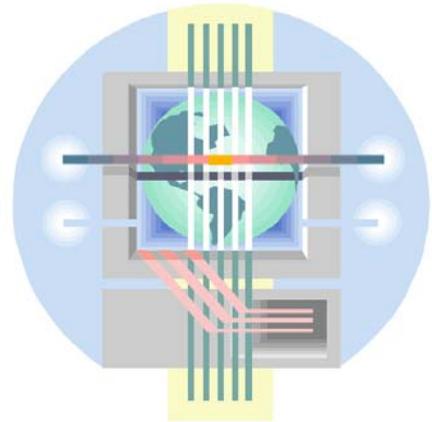

Water Management District, Miami-Dade County and the City provide an unparalleled opportunity to develop non-traditional linear parks and “blueway trails.” Blueways are water-based trail for canoes, etc. Blueway trails are linked to the Blueway as a land-based , water resource trail.

For FY-12, the City received a grant from the Miami-Dade Metropolitan Planning Organization to update our pedestrian and bike trail plan. Changes will be incorporated into the FY-13 budget..

Information Technology Strategic Plan

As a new municipality, the City of Miami Gardens had not adopted a plan for its technology assets. From its incorporation in 2003, technology purchases were made on an as-needed basis without regard to future needs. This was necessary as the City has an obligation to immediately begin the various critical components of a city (finance, code enforcement, parks and recreation, personnel, etc). Waiting for the development of a long term plan was not an option.

At that time, use was made of the existing purchasing agreements entered into by Miami-Dade County. These were used mainly for the purchase of desktop computers and printers. A technology consultant was hired to piece the various components together literally with a week so the City could begin operations. Computer technology was also purchased or leased based on existing contracts and bid waivers. A telephone system was purchased through BellSouth and the City's temporary offices were retrofitted to accommodate a basic system. Cell phones were also hastily arranged for to meet the needs of a quickly growing workforce. The most critical of these systems was the City general ledger/financial system. In February 2004, the City contracted for financial services from a private company, New Community Strategies of Davis, Florida. As part of this contract, the company allowed the City to utilize its financial system for the City's records. This system was Fundware by Kintera.

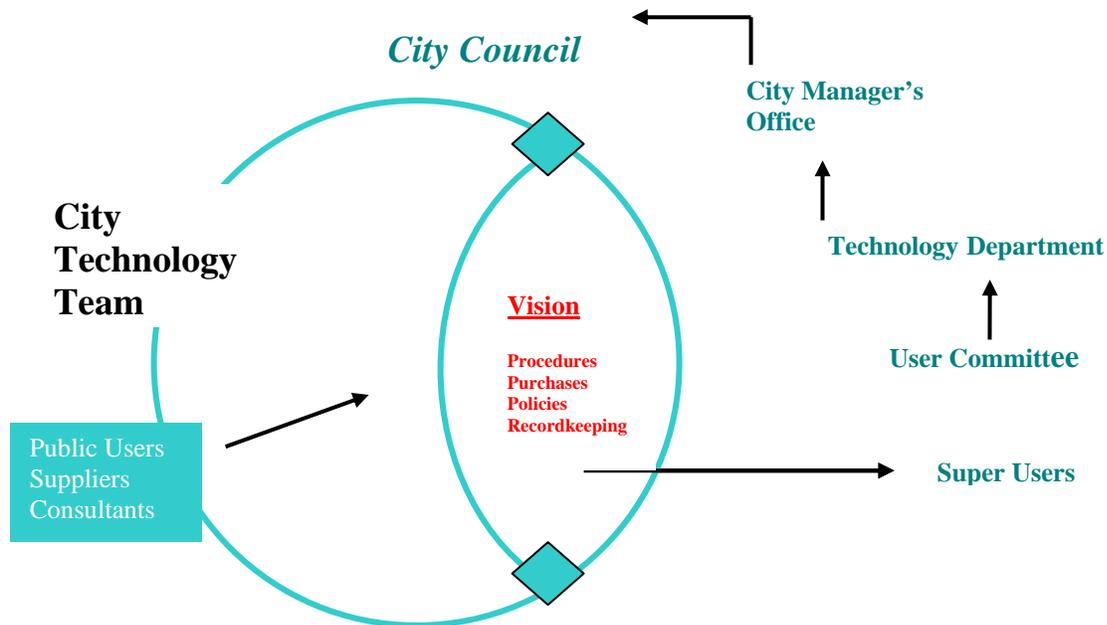

Upon moving the temporary City Hall into new quarters, the same time and operational considerations continued to drive technology decisions. A new phone system was purchased for BellSouth and a new cell contract was negotiated with T-Mobile. Other contracts were awarded for building security systems and web page design and hosting.

In order to begin many of the City's critical services, stop-gap and/or temporary solutions were developed. Stand-alone software programs were written by consultants to handle code enforcement, alarm billing, occupational licenses. Other small software products were purchased to address present needs until a more comprehensive approach could be developed.

The rapid growth of the City from 2 employees in early 2004 to over 220 in FY-07, led to significant technology-related problems, the most critical of which was the lack of a modern, comprehensive financial system for the City. In 2007, the City Council approved \$630,000 to purchase a new financial software system in anticipation of bringing the City's finance function in-house in FY 2007. After an exhaustive investigation of possible software systems on the market, including a number of site visits around the state, a committee of user departments recommended

that the City acquire the Eden Software System from Tyler Technologies. The system was purchased and installed in 2007

The problems that arose from a lack of vision in the technology were unavoidable given the priority of initiating an operational City; however, by 2007, the City was largely formed and running. It was time that a comprehensive assessment of current assets and future needs be made.

2.2 Development Process

The development of the Information Technology Strategic Plan was begun in early 2007. It included a review of the City's current assets, reviews of Information Technology Strategic Plans from several other municipalities, and a survey of middle and senior management levels to better determine future operational requirements from information technology resources. Further information was gathered via informal discussions with various staff within the City departments.

It was recognized that the City Information Technology Strategic Plan should include three core items:

1. Information Technology Vision

The Information Technology Vision should document the generally accepted view of how the City would utilize existing and new information technologies to meet the business objectives of the City. This vision should be as independent as possible of specific technologies or vendors and focus more on how technologies will be integrated into City business processes in both the short and long term. The vision is detailed as a series of principles defining how technology is used within the City.

2. Information Technology Strategic Plan

The Information Technology Strategic Plan documents the existing systems, infrastructure and architectures, defines the principles the City will use to guide the development of IT systems and applications and defines a process

for moving forward with systems development in order to meet expected business developments and needs. The Strategy is viewed as a working document with a 3 to 5 year timeline, but should be reviewed and updated annually in conjunction with the annual budget process.

3. Information Technology Tactical Plan

The Information Technology Tactical Plan documents the proposed Information Technology activities over a 24 to 36 months timeline, or through the FY-2012-2013. It includes details on specific projects and priorities. This is the working document for the Information Technology Division and is updated annually. During FY-12, staff updating and expanding the plan based on the known needs of the new proposed City Hall complex as well as changes in current technology.

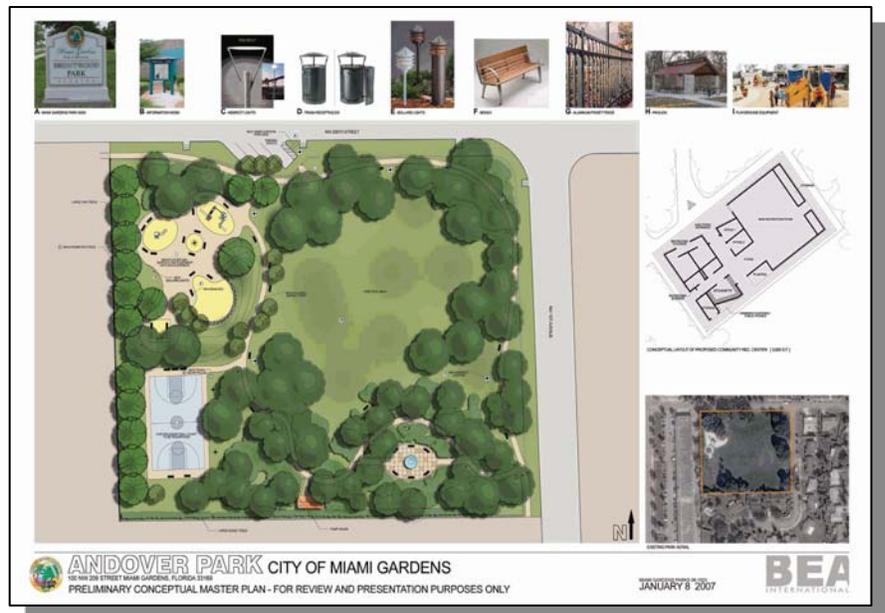

Parks Master Plan

The Parks Master Plan (“the Plan”) is a planning document for the Parks & Recreation Department and offers many distinctive functions. First, the plan works to implement the City’s goal to preserve open space and promote preservation of natural resources. As specified in the City’s CDMP Recreation and Open Space Element in Policy 5.2.1 under Objective 5.2, “*the City shall develop a City-wide Parks and Recreation Master Plan that will provide master site planning for each park and categorize parks in terms of their development, infrastructure and amenities.*”

Second, the Plan evaluated the existing recreation facilities through best management practices and funding techniques (as specified in Object 5.4, Policy 5.4.3). The City commits to monitoring on annual basis the system needs, demands and development of public recreation sites and facilities and budgetary needs for improvements, repairs and maintenance.

In addition, it creates a framework for future development. The goal of the master plan was to create a consistent park system, thereby improving the overall quality of life for the City of Miami Gardens.

The Plan also serves as a guideline for future staffing requirements. As our facilities improve and recreation programs increase, so does the City’s need for qualified, trained personnel. Staff will be able to use this document as a model to structure its organizational chart and evaluate its current staffing.

Lastly, the adoption of a master planning document has provided the foundation for standardized, consistent development. The plan also specifies standardized equipment (i.e. benches, shelters, pavilions, bike racks, etc.). This allows the City’s parks to become identifiable and distinctive from other municipal and county parks, while maintaining consistency amongst our own parks.

Capital Improvements

From FY-2008-FY-2015, the City has or will receive over \$33 million for park improvements. These improvements will include a complete re-design of grounds, facilities and amenities including the creation of quality infrastructure to sustain proper park system for the next 20 years. It is necessary for the redevelopment of the park system for several reasons:

- ✓ Renovations to the sixteen parks will include compliance with the American Disabilities Act, thereby producing accommodations to meet the needs of all visitors to the park;
- ✓ Improvement to the existing parks will allow the City to adequately plan for growth and increased use;
- ✓ Renovations to the parks encourage the use of recreation and open space, which promotes longevity, quality of life and sustainability of the environment;
- ✓ Creation of amenities that accommodate current and future use. Planning for the upgrade to the park system should allow for implementation of future innovative designs and latest trends in order to remain attractive to users and competitive with industry standards.

The purpose of this document is to plan for future development, encourage standardized equipment and amenities, and establish consistent aesthetics and prioritization of goals. As of 2012, the City's current population exceeds 109,730 residents and growing. Planning for growth through the preservation of open space is an essential component of smart growth principles. Existing communities with established infrastructure should encourage the protection of natural resources in order to prevent a burden to the current system.

Additionally, the master plan will offer uniformed park standards. It will address management's assessment of specific departments (parks, recreation, and administration) as it specifically relates to current challenges and future opportunities in maintenance, programming, staffing, and facility operations. Separately, it will address planned capital improvements including re-design of park layouts, crime prevention through design, ADA accessibility, preservation of Miami Modern inspired architecture—to name a few. By identifying potential gaps in service(s), a model of best practices will be formulated in order to foster quality assurance in all parks.

The master plan also serves as the point of reference document, officiating the City's intent to maximize its parks system and thereby serving as the certified planning document for purposes of grant applications. For FY-13, several of the long-term grant-funded projects will begin. These include Optimist Park for which the County has just released the funds. Bidding will take place in October 2012 with construction taking place in calendar 2013. Also in the works for FGY-13 is the walking trail at Rolling Oaks park which is funded by additional County G.O. Bond proceeds.

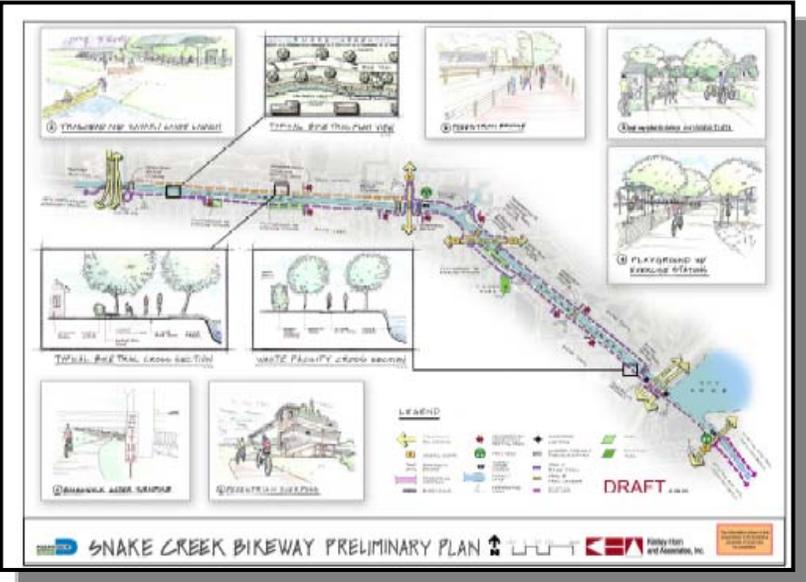

Intergovernmental Plans Affecting Miami Gardens

In addition to city-sponsored meetings, the following planning-oriented projects are progressing with meetings for public input. While these plans are being developed by agencies other than the City, the results and recommendations resulting from the studies will inevitably has financial implications for the City.

Snake Creek Greenway

The Miami Dade County Parks and Recreation Department is planning a multi-use bicycle and pedestrian trail along Snake Creek/Canal 9 from Miami Gardens Drive to the Florida Turnpike. Most of the planned facility is located in Miami Gardens.

The feasibility study will provide the basis for funding request for construction. This will connect the city's residents up with the regional and statewide system of trails and bikeways. The facility is proposed to be heavily landscaped with rest stop amenity areas that have benches and other amenities.

While this project does not directly affect the City's budget initially, there are enhancements and future extensions that could be of interest to the City. This plan should be integrated into the City own Recreation Master Plan.

NW 27th Avenue Rail Station Planning

The Miami-Dade Transit Agency (MDTA) is proposing a locally preferred alternative that will extend existing Metrorail service into north-central Miami-Dade County. The Miami-Dade County Metropolitan Planning Organization (MPO) has selected a locally-preferred alternative (LPA), identifying a new heavy rail line along a 9.5-mile section of NW 27th Avenue between an existing Dr. Martin Luther King Jr. Metrorail station and the Broward County line, including four (4) stations within the City of Miami Gardens.

Park-n-ride lots would be provided to intercept commuters in the corridor. The proposed heavy rail line along the Northwest 27th Avenue corridor would provide direct service to the Miami CBD and Medical Center as well as provide service to Miami Dade Community College - North Campus and the Pro Player Stadium. MDTA has estimated total project costs in year of expenditure (YOE) at \$595.7 million; based on the assumed Federal/local share, the YOE Section 5309 share is \$405.4 million.

Summary Description	
Proposed Project:	Heavy rail line 9.5 miles, 7 stations
Total Capital Cost (\$YOE)	\$579.2 million
Section 5309 Share (\$YOE)	\$405.4 million
Annual Operating Cost (\$1998):	\$7.8 million
Year Ridership Forecast (2015):	11,200 daily boardings

Status

The Miami-Dade Transit Agency completed a Major Investment Study (MIS) for the North Corridor in November 1995. The MPO Board selected the NW 27th Avenue alignment as the locally preferred alternative in November 1995 and added the project to its Cost Feasible Year 2015 Long Range Transportation Plan. An Option 1 Alternative Analysis and the Draft Environmental Impact Statement (DEIS), including consideration of two busway alternatives and one heavy rail alternative, has been completed with FTA participating as the lead Federal Agency. In May 1998, the MPO selected the heavy rail alternative, a Metrorail Extension along NW 27th Avenue, as the LPA. The Preliminary Engineering/Final Environmental Impact Statement (FEIS) phase is underway and is currently scheduled for completion in April 1999. Through FY-1999, Congress appropriated \$11.94 million in Section 5309 New Start funds for this proposed project. Station planning began in 2005

and continues. Right of Way acquisition is pending Federal approval. Currently, the project has been put on hold pending funding shortfalls by the County. The City continues to protect the proposed right-of-way from encroachment.

Transit-Supportive Existing Land Use and Future Patterns

The Land Use rating reflects local policies which encourage infill development and increased densities at transit station locations and the potential for future development activities in the corridor. Land use along the project corridor consists mainly of strip commercial areas bordered on the east and west by low/medium residential uses. Potential high-trip generators including the Pro Player Stadium, St. Thomas University and the North Campus of the Miami-Dade Community College and Miami-Dade County Health Center are located along the project corridor.

Infill development and increased densities are promoted by initiatives from the State of Florida and several regional planning councils and recommendations from an Urban Infill Strategy Task Force. State and regional policies promote infill development with implementation dependent on local jurisdictions. Miami-Dade County's Comprehensive Development Master Plan (CDMP) requires localities to accommodate new development around transit stations that incorporate certain physical design elements. The CDMP promotes pedestrian access and provision of bus stops. Recent changes to the Miami-Dade County's CDMP require a minimum density of housing units and employment based on distance from rail stations. Currently, there is no county-wide parking policy for Dade County. However, a recent study proposes a schedule for development of a coordinated parking policy. The DEIS process has resulted in a program to tie each station to the adjoining residential neighborhoods through the planning of pedestrian connections and bus transfers. Dade County has included extensions of water and sewer lines to each station along the project corridor to support development in the station areas. The development community has participated in project planning through membership in the citizen's advisory committee. Recent development activities are indicated by proposals for new development projects. For example, developers have obtained clearances for large-scale projects near the proposed NW 199th Street Station.

Introduction to Performance Measurement

Performance measurement is an assessment of how well an organization performs when providing goods and services to its customers. In government, customers may be residents, visitors, businesses, other governmental entities or even the internal organization itself. Performance measurement produces information that can be used to support day-to-day operations and to help make strategic and budgetary decisions.

Governments must be accountable for the proper use of tax dollars and for providing services that residents demand in an efficient and effective manner. Performance measurement helps provide citizens with the information necessary to ensure accountability - making sure governments are doing what they are suppose to be doing and achieving results that will improve people's lives. As a result, taxpayers have an opportunity to understand what programs to support, as well as the impact of those programs.

In addition, performance measures are a powerful management tool that indicates workload levels, operational results and operational performance. They provide the information needed to make accurate assessments of what has happened, to help understand what needs are and are not being met, to devise plans to meet those needs and demands and to improve service delivery. Government also requires this information to plan for the long term and to ensure that day-to-day operations run smoothly.

Performance measures are indicators of where efforts are, and are not, working well. However, they do not pinpoint specifically why a program, service or department succeeds or fails to produce expected results. It is one of the many tools that the City uses to assess needs and work to improve services.

Miami Gardens and Performance Measurement

Miami Gardens was incorporated in 2003 but operated under a largely County-dictated budget and organizational structure until FY 2005. Even now, some of the traditional functions are still being carried out through contract. The reader is cautioned not to put too much emphasis on the actual results this soon into our program delivery history. As the City matures, the data collected will begin to reflect the true nature and quality of services provided. The City now maintains a performance system at the division level.

Performance Data and the FY-13 Budget

For each major service area, there is presented a brief description of the duties, responsibilities and programs carried out under the administrative organization of the department or division. This is followed by a chart presenting various measurement data: Workload measures and Outcome/Effectiveness Measures. These are presented over time (again, because of the City's recent incorporation, there is not a great deal of reliable historical data available in some operations). This section is followed by a brief analysis of factors that may have had an impact on the statistics and an interpretation of their import.

The data has proven useful over the past several years as resources have declined. They continue to help us focus our efforts and areas of proven high need rather than on antidotal claims. During this period, staff will be reviewing the data collected to ensure that it accurately reflects the kind of data that is useful as both a management tools and a citizen resource.

Miscellaneous Statistical Charts, Graphs & Tables

This section provides the user selected charts and graphs that supplement the material presented in the main body of this document. These provide additional detail and in some cases, a graphic representation of previous narrative.

Golden Glades City-owned Property	17650 NW 2nd Ave.	Commercial	364,271sq.ft.	15 Deal	Partnership site plan approved; City marketing property
JPM Centre at Miami Gardens Drive (Proposed Rezone)	4055 NW 183rd St.	Mixed Use	136,000 sq.ft.	11	Permits issued for elderly, male, and female housing, 2012
Lakeside Point Townhomes	16855 NW 14th Ave.	Townhomes	52 units	3	Remaining units under construction, 2012
Aldi Food Store at Stadium Corners	SW Corner of NW 27th Ave. & NW 193rd St.	Commercial	10,799 sq.ft.	3	Site plan approved. Project on hold
Palmetto Gardens Village	NW Corner of NW 37th Ave. & NW 167th St.	Commercial	107,647 sq.ft.	7	Incomplete construction
Quantum Warehouse/Office	NW 15th Avenue in Sunshine State IP	Industrial	43,000 sq.ft.	0.75	Site plan approved 2010. Project on hold
Bulletline Warehouse/Office	1320 NW 163 st	Industrial	40,000 sq. ft	.50	Anticipated zoning submission 2012.
St. Thomas of Villanova	16400 NW 32 AVE	Commercial	5,800 sq. ft.	47	Construction in progress. Expected completion 2012
Two-story Office Building	16800 NW 27 Ave	Commercial	15,921 sq. ft	.43	Under review. Construction anticipated 2012
Social Security Building	NW Corner of NW 12th Avenue and NW 167th Street	Office	20,000	2	Construction in progress. Expected completion 2012

Land Use within the City of Miami Gardens

Source: Miami Gardens Planning and Zoning Department, September 2011.

Type	Acreage	Percentage
Single Family Residential	4,483	33.79
Multi Family Residential	564	4.25
Mobile Home Parks	19	0.14
Commercial	997	7.52
Parks & Recreational Open Space	249	1.88
Educational	569	4.29
Institutional	434	3.27
Industrial	832	6.27
Transportation	3,526	26.58
Airport	59	0.44
Agriculture	0.72	0.01
Undeveloped (Vacant)	938	7.07
Water	596	4.49
Total	13,267	100.00%

Note: 1 sq mi = 640 acres

City's total area is approx. 20 sq miles.

Therefore 13267 acres divided by 640 = 20 square miles approx.

Miami Gardens Awards & Recognition

One reason for the City's success is the caliber of staff. In 2003, the City had 1 employee. Today, there are over 500 employees, including over 200 in the City's police department alone. From the outset, the City made a conscience effort to recruit the best employees possible. While City residence was a plus (today, over 60% of our employees reside in the City), experience, attitude, innovative thinking and a willingness to do whatever job is necessary were and are the principal criteria for hiring. We are proud of our employees and here is proof of their abilities:

- 2005-2012 Distinguished Budget Award from the Government Finance Officers Association.
- 2005-2011 Tree City USA Award.
- 2006, City Manager Awarded the Outstanding Public Administrator, American Society of Public Administration.
- 2006, City receives an ISO rating of its building department (3rd highest in Miami-Dade County).
- 2006 Rogers Award for outstanding public service announcements Keep America Beautiful National Awards
- 2007 National Purchasing Institute Achievement of Excellence in Procurement
- 2007 Federal Certification (LAP) to work on Federal Highways and roads.
- 2007 HUD Certified and eligible to administer HUD housing programs.
- 2007 American Planning Assn - Florida, Gold Coast Section, Innovation Award for the City's Future Land Use Plan.
- 2007 Florida Planning and Zoning Association - Outstanding Innovation Award.
- 2007 Received I.S.O. Rating of #4 for the City's Building Department.
- 2008 Trees Florida, Inc. Best in State Award for Tree Planting Project.
- 2007-20011, Award for the City's Popular Financial Report, Government Finance Officers Association.
- 2007-2011, Award for excellence in Comprehensive Annual Financial Report, Government Finance Officers Association.
- 2008, School Crossing Guard Division was featured in the FDOT Best Practices Book.
- 2009, American City & County Magazine's Crown Community Award.
- 2009, G.E.M.S. Program (Girls Empowerment) listed in the Florida League of Cities Best Practices Book.
- 2009, Miami Gardens' Foreclosure Program featured in Time Magazine.
- 2009, City of Miami Gardens featured on the NBC Evening News with Brian Williams as "What Works."

**REVENUE
MANUAL**
For FY-2012 - 2013

GENERAL FUND

Ad Valorem or Property Tax

Revenue Description

An ad valorem tax (or property tax) is a levy against the taxable value of real and personal property. Prior to October 1 of each fiscal year, the City Council sets the millage rate for the tax. One mill equals \$1 of tax per \$1,000 of taxable assessed value. The millage rate is applied to the most recent taxable assessed value as provided by the Miami-Dade Council Property Appraiser.

Taxable assessed value equals total assessed value less any allowable exemptions, such as the first or second \$25,000 for Homestead exemption, additional Senior Citizen exemption, and/or disability exemptions.

Example:

Assessed Value	\$100,000
Less 1 st Homestead exemption	\$25,000
Less 2 nd Homestead exemption	<u>\$25,000</u>
Taxable Value	\$50,000

Tax rate = \$6.2728 per \$1,000 of taxable value, thus:
 \$50,000/1,000 = \$50 x \$6.2728 = \$313.64 (tax bill)

Legal Basis for Revenue

Florida Constitution, Article VII, Section 9
 Laws of Florida, Chapter 200
 Florida Statutes §116.211
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
 City of Miami Gardens Ordinance 2004-19-35
 City of Miami Gardens Resolution 2007-135-642

Special Requirements

Cities, counties and school boards are authorized to levy property taxes up to a total of 10 mills each. The 10 mill cap can be exceeded by a voter referendum for capital projects. This voted millage is not counted towards the 10 mill cap. Special districts may also have taxing authority independent of the general government(s) in which they conduct business such as hospital districts, drainage districts and similar quasi-governmental organizations. These millages vary according to their individual enabling legislation.

In addition to the 10 mill cap, state law regulates the process and amount of millage levied each year. The Truth in Millage Act (TRIM) regulates the process for setting the annual millage and for determining the "roll-Back rate" or the rate of millage required to yield the same dollar amount of revenue received in the prior period. All proposed increases in annual millage must be calculated from the roll-back rate.

Fund/Account Number: General Fund
 01-00-00-311-100-00

Use of Revenue: General Fund, unrestricted.

Method/Frequency of Payment

Payment is made directly to Miami-Dade County Tax Collector either by the property owner or through the owner's mortgage company. Payment is made annually from November to March each year. Payments made prior to March are eligible for a discount as follows: 4% if paid in November, 3% if paid in December, 2% if paid in January,

1% if paid in February. Payments made after March are subject to penalty.

Basis for Budget Estimate

Each June 1, the Miami-Dade County Property Appraiser is required by statute to provide an estimate to each taxing jurisdiction of the estimated taxable valuation of all personal and real property within the jurisdiction. A final estimate is provided on July 1. Using this estimate, the city applies its proposed millage rate to yield the estimated revenue for the coming year. By state statute, the City can only budget 95% of this estimate.

History of Property Tax Collections

Discussion

Upon incorporation, the City inherited the prior set Miami-Dade County un-incorporated rate of 2.4 mills. This rate was in place for FY 2003 and was re-adopted for FY 2004. Finding this rate insufficient to accomplish the improvements desired by the community, Council raised the rate to 3.6384 mills for FY 2005.

In FY 2007, the City Council voted to start its own police department and raised the millage to 5.1488 raised to cover the transition costs. This rate was maintained for FY 08-09.

For FY-09, City Council adopted the roll-back rate of 5.1402. For FY-10, the roll back rate rose lightly to 5.3734. For FY 12, Council approved a tax rate increase to 6.5616 to rebuild the reserve fund. FY 13 Council has tentatively adopted a roll back rate of 6.3620.

Electric Franchise Revenue

Revenue Description

Revenue is derived from a fee levied on all electrical service within the City. Fee was levied by the Miami-Dade County under a 1989 franchise agreement between the County and Florida Power & Light Corporation granting the utility the non-exclusive right to serve the area. In 2007, the City and Miami-Dade County entered into an interlocal agreement transferring the collected fees to the City effective upon the City's incorporation in 2003 until the end of the current franchise agreement.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 Miami-Dade County Ordinance 89-81
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4 Interlocal Agreement between Miami-Dade County and the City of Miami Gardens, Resolution 2007-96-603

Special Requirements: None.

Fund/Account Number: General Fund
 01-00-00-323-100-00

Use of Revenue: General Fund, unrestricted.

Method/Frequency of Payment

The Franchise fee is 6% of the total revenues less permit fees and ad valorem taxes paid by FP&L from the sale of electricity. Payment is made directly to Florida Power & Light which remits it who, in turn, remits it to the City once a year.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City based on historical trends. This is adjusted by estimates of new construction.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$2,423,973	
FY 06	\$3,015,219	24.4%
FY 07	\$3,477,481	15.3%
FY 08	\$4,188,860	20.5%
FY 09	\$3,978,584	(5.02%)

History of Electric Franchise Tax as % of Total General Fund Revenue

Discussion

The electric franchise tax is moderate sized revenue for and a vital component to the financing of the General Fund. While the tax grew steady over the City's first four years, it has been declining as a percentage of total General Fund Revenues due in large part to the relative increase in millage as a primary source of financing.

Because electric use is partially the function of weather, there is always an unknown factor in estimating for budget purposes. In addition, a major hurricane can interrupt service for an extended period of time, also affecting revenues. In addition, the fuel adjustment charge on the electric bill has can change dramatically, affecting the tax collected.

History of Electric Franchise Tax Collections

Gas Franchise Fee

Revenue Description

Revenue is derived from a fee levied on all natural service within the corporate limits of the City of Miami Gardens. Fee was levied by the City in 2004 under a 1989 franchise agreement between the City of Miami

Gardens and NUI Utilities awarding a non-exclusive franchise for the utility to offer service within the corporate limits.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
 City of Miami Gardens Ordinance 2004-04-20
 Contract between City of Miami Gardens and NUI Utilities

Special Requirements

None

Fund/Account Number

General Fund
 01-00-00-323-400-00

Use of Revenue

General Fund, unrestricted.

Method/Frequency of Payment

The Gas Franchise fee is 10% of the total revenues from the sale of natural gas. Payment is made directly by the customer to NUI Utilities (A.K.A. City Gas), which remits it monthly to the City.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City based on historical trends. This is adjusted by estimates of new construction.

Collection History

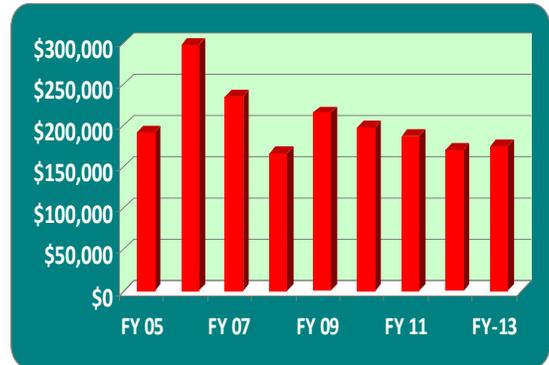

<i>Fiscal Year</i>	<i>Amount</i>	<i>% Increase/ (Decrease)</i>
FY 04	\$68,016	
FY 05	\$191,895	182.1%
FY 06	\$297,989	55.3%
FY 07	\$234,798	(21.2%)
FY 08	\$166,459	(29.11%)
FY 09	\$215,436	29.42%
FY 10	\$197,849	(-8.16%)
FY 11	\$187,734	(5.11%)
FY 12*	\$171,213	(8.80%)
FY 13**	\$175,000	2.21%

* Estimated
 ** Budgeted

Discussion

The gas franchise fee is one of several franchise fee revenues for the City. Currently, the City has only one provider, NUI Utilities, also known as City Gas. Gas is not a large component of the local power scene, thus the revenues are rather modest. The largest users of gas are the City industrial sector. Because gas use is partially the function of weather as with electric, there is always an unknown factor in estimating for budget purposes.

History of Gas Franchise Fee Collections

Solid Waste Franchise Fee

Revenue Description

Revenue is derived from a fee levied on all commercial solid waste disposal service providers that do business within the corporate limits of the City of Miami Gardens. Fee was levied by the City in 2004 under an ordinance adopted by City Council establishing non-exclusive franchises for commercial solid waste providers. The ordinance established a 15% fee on the total billing of franchisees for business conducted within the City. The fee is collected monthly from each provider. For FY 2012, the City has 9 active franchise agreements.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
 City of Miami Gardens Ordinance 2004-03-19
 Franchise agreements between the City and various providers.

Special Requirements

State statutes provide an exemption for solid waste that is recycled such as curbside recycling and for debris deposited in separate construction and demolition landfills, and other recycling activities.

Fund/Account Number: General Fund
 01-00-00-323-700-00

Use of Revenue: General Fund, unrestricted.

Method/Frequency of Payment

Franchise fee is 15% of the total company's gross sales from commercial garbage collection within the City of Miami Gardens. Payment is made directly to the City by each franchisee on a monthly basis. Roll-Off containers are charged at \$100 each.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City staff based on historical trends. This is adjusted by estimates of new commercial construction.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 04	\$248,254	
FY 05	\$800,869	222.6%
FY 06	\$667,007	-16.7%
FY 07	\$863,951	29.5%
FY 08	\$888,000	2.8%
FY 09	\$823,232	(7.37)%
FY 10	\$813,856	(1.13)%
FY 11	\$806,978	(0.85)%
FY 12*	\$823,526	2.05%
FY 13**	\$840,000	2.0%

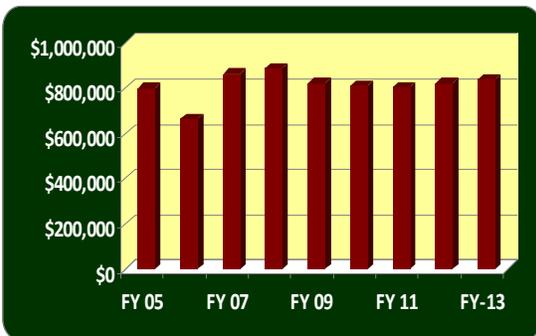

* Estimated
** Budgeted

Discussion

The solid waste franchise fee is one of several franchise fee revenues for the City. Currently, the City has 9 providers. The City's franchise fee is 15% of gross revenues; this is in addition to Miami-Dade County's 17% franchise fee. This later fee will eventually be reduced and/or eliminated as the County pays off solid waste bonds for which the fee was pledged.

The fee applies to all haulers of commercial solid waste within the City. This includes routine commercial garbage collection as well as commercial roll-off containers.

History of Solid Waste Franchise Fee Collections

Electric Utility Tax

Revenue Description

Revenue is derived from a tax on all electric Utility Service customers within the corporate limits of the City. The tax rate is 10% of the total bill excluding governmental charges, taxes and fuel adjustments.

Legal Basis for Revenue

Florida Statutes §166.231-.236
Miami Dade County Code of Ordinances §29-36

City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 & Section 8.4
City of Miami Gardens Ordinance 2003-01

Special Requirements: None.

Fund/Account Number: General Fund
01-00-00-314-100-00

Use of Revenue: General Fund, Unrestricted.

Method/Frequency of Payment

Tax is collected by the respective Florida Power & Light and remitted to the County, and in turn, the County remits it to the City monthly after deducting the City's pro-rata share of the County's Q.N.I.P. bond payment.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City staff based on historical trends. This is adjusted by estimates of new commercial construction.

Collection History

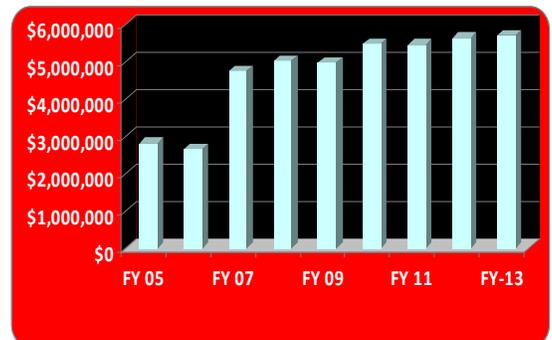

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$2,818,967	
FY 06	\$2,652,561	(5.9%)
FY 07	\$4,735,403	78.52%
FY 08	\$5,032,182	9.79%
FY 09	\$4,968,381	(1.28)%
FY 10	\$5,473,141	10.16%
FY 11	\$5,458,988	(0.25)%
FY 12*	\$5,633,082	3.19%
FY 13**	\$5,700,000	1.19%

* Estimated
** Budgeted

Discussion

Currently, the City collects utility tax from water, electric and gas utilities operating within the City and a rate of 10% of the customer's bill. The tax is moderately large revenue for the general fund and is of generally low volatility. It can be affected by weather and positively by new construction and increased fuel adjustment charges. It is these latter two factors that have driven the relatively steady increase in the City's collections over time.

History of Electric Utility Tax Collections

Water Utility Tax

Revenue Description

Revenue is derived from a tax on all water utility service customers within the corporate limits of the City. The tax rate is 10% of the total bill excluding governmental charges, taxes and fuel adjustments.

Legal Basis for Revenue

Florida Statutes §166.231-.236
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
 City of Miami Gardens Ordinance 2003-01

Special Requirements:

None.

Fund/Account Number

General Fund
 01-00-00-314-300-00

Use of Revenue: General Fund, unrestricted.

Method/Frequency of Payment

Tax is collected by one of three water utilities that serve residents and businesses within the City: City of North Miami Beach, City of Opa Locka or Miami-Dade County Water and Sewer Department. All jurisdictions remit the revenue to the City on a monthly basis. The City of Opa Locka remits their collections to Miami-Dade County who in turn, remits it to the City.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City staff based on historical trends. This is adjusted by estimates of new commercial construction.

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$603,834	
FY 06	\$559,457	-7.35%
FY 07	\$796,199	42.32%
FY 08	\$835,364	4.9%
FY 09	\$1,031,801	23.52%
FY 10	\$968,843	(6.1%)
FY 11	\$1,033,985	6.72%

Discussion

The gas utility tax is one of several utility tax revenues for the City. Currently, the City collects utility tax from water, electric and gas utilities operating within the City. The tax is minor revenue for the General Fund and is of generally low volatility. It is affected by new construction. The drop in revenue for FY 05 is due to a misclassification of the revenue by our outside finance firm. Records are not sufficient to restate.

History of Gas Utility Tax Collections

Local Communications Services Tax

Revenue Description

The Communications Services Tax was enacted to restructure and consolidate taxes on telecommunications, cable, direct-to-home satellite, and related services that existed prior to October 1, 2001. The definition of communications services encompasses voice, data, audio, video, or any other information or signals, including cable services that are transmitted by any medium.

The tax is imposed on retail sales of communications services which originate and terminate in the state, or originate or terminate in the state and are billed to an address within the state. Tax proceeds are transferred to county and municipal governments, Public Education Capital Outlay and Debt Service Trust Fund, and the state's General Revenue Fund.

A county or municipality may, by ordinance, levy a local communications tax. The City levies the maximum rate of 5.22%.

Legal Basis for Revenue

Florida Statutes Chapter 202
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
 City of Miami Gardens Ordinance 2003-02

Special Requirements

A city cannot levy the maximum rate and also require that the provider obtain building permits. Miami Gardens does not require such permits.

Fund/Account Number

General Fund
 01-00-00-315-510-00

Use of Revenue

General Fund, unrestricted. Miami Gardens has pledged this revenue as security on several revenue bond issues.

Method/Frequency of Payment

Tax is collected by the State of Florida Department of Revenue who has the sole authority to audit the providers. The collections are remitted to the City on a monthly basis.

Basis for Budget Estimate

Estimate of communications services tax revenue for budgeting purposes is made by the State Department of Revenue and posted online during June; however, the City has found their estimated to be far in excess of actual collections. Budget estimates are now made by staff based on actual remittance experience.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 04	\$180,069	
FY 05	\$4,392,713	2339.46%
FY 06	\$3,313,754	-24.56%
FY 07	\$2,995,664	-9.60%
FY 08	\$3,788,720	26.47%
FY 09	\$4,061,914	7.21%
FY 10	\$3,994,708	(1.66%)
FY 11	\$4,426,216	10.8%
FY 12*	\$3,419,449	(22.75%)
FY 13**	\$4,028,560	17.81%

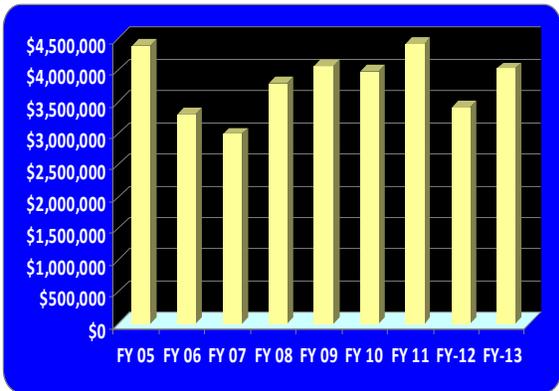

* Estimated
 ** Budgeted

Discussion

The Communications Services Tax has been one of the more difficult revenues for the City since its inception. As many of the local providers were miscoding their remittances to the state and the revenue was being diverted to Miami-Dade County instead of Miami Gardens.

The City and Miami-Dade County entered into an interlocal agreement whereby the County would give the City the amount of the State estimate and the City would transfer to the County all revenue directly collected by the State. This agreement expired at the end of FY 2005-2006. At that time, staff budgeted an amount that was reflective of the actual revenue received. Since that date at the City's request, the State has been undertaking audits of the providers within the City and revenue has significantly increased and in FY 2011 due to State audit, the City received more than \$700,000 in retro payment due to miscoding.

History of Communications Services Tax Collections

Local Business License Tax (Occupational License Tax)

Revenue Description

The Local Business Tax is levied by cities and counties for the privilege of conducting or managing any business, profession, or occupation within its jurisdiction. Tax proceeds are considered general revenue to the local government. The Business Tax is not a regulatory fee and does not refer to any fees or licenses paid to any board, commission, or officer for permits, registration, examination or inspection.

Legal Basis for Revenue

Florida Statutes Chapter 205
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
 City of Miami Gardens Ordinances 2003-01, 2004-08-24, 2004-20-36, 2005-05-43, 2006-02-83, 2007-06-112 and 2007-18-124.

Special Requirements

None.

Fund/Account Number

General Fund
 01-00-00-316-000-00

Use of Revenue

General Fund, unrestricted.

Method/Frequency of Payment

The Business License Tax is collected by the City's Code Enforcement Department. Tax bills are mailed to all current license holders in August of each year with an effective date of October 1st. Businesses starting during the year must obtain the license prior to opening or face penalties. There is no prorating of the tax for mid-year licenses.

Basis for Budget Estimate

Estimate for the business license tax is made by staff based on current holders and an anticipated new business activity.

Collection History

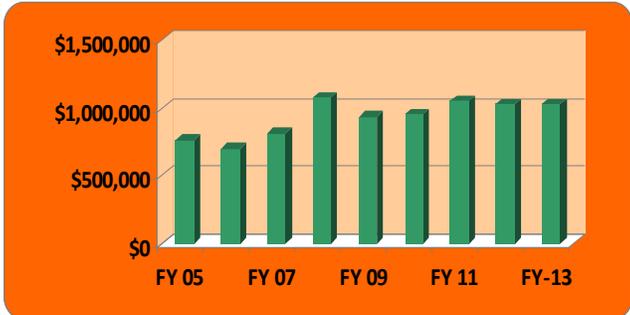

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 04	\$22,962	
FY 05	\$761,313	3215.53%
FY 06	\$701,176	-7.90%
FY 07	\$811,926	15.79%
FY 08	\$1,078,384	32.82%
FY 09	\$934,161	(13.37)
FY 10	\$954,886	2.2%
FY 11	\$1,047,248	9.67%
FY 12*	\$1,030,000	(1.65%)
FY 13**	\$1,025,000	(0.49%)

* Estimated
 ** Budgeted

Discussion

The business license tax is moderate-sized City revenue. After incorporation, Miami Gardens adopted the rate schedule of the City of Miramar as its schedule. In FY 2008, the City began an aggressive program to visit all businesses for compliance. This has resulted in a significant increase in collections. FY-09-FY11 represents a decline in local business due to the recession.

History of Business License Tax Collections

Business Tax Schedule

For the purposes of this section, inventory shall mean the average selling value of annual inventory owned by the business, exclusive of excise tax. License tax fees for the following business occupations and/or professions are hereby levied and imposed as follows, provided that no license or combination of licenses for a single entity at a single business location shall exceed thirty thousand dollars (\$30,000.00).

Occupational License taxes for the following business, occupations and/or professions are hereby levied and imposed:

Certificate of Use Fee

Revenue Description

Revenue is derived from a fee charged annually for each business within the City. The certificate of Use process is used to ensure that each business is

operating in accordance with the City's zoning laws. Annually, each business is visited to determine that the uses at that particular location have not changed and are still allowed under the zoning code.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
City of Miami Gardens Charter Article 4, Section 4.9
& Article 8, Sections 8.3 & 8.4

Special Requirements: None.

Fund/Account Number

General Fund
01-00-00-322-001-00

Use of Revenue

General Fund, unrestricted.

Method/Frequency of Payment

Tax is collected by the City yearly, with the renewal date established as October 1st.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City staff based on historical trends. This is adjusted by an estimate of new businesses.

Collection History

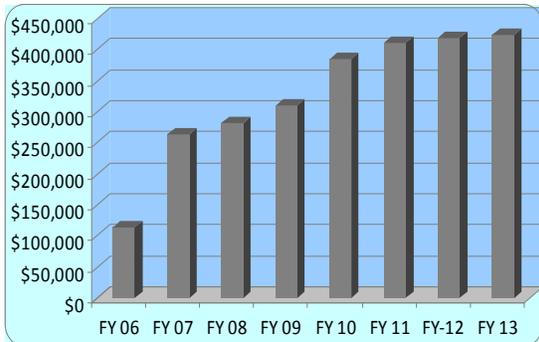

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 06	\$114,627	
FY 07	\$262,836	129.30%
FY 08	\$282,967	7.66%
FY 09	\$309,731	9.46%
FY 10	\$384,850	24.3%
FY 11	\$411,123	6.83%
FY 12*	\$420,000	2.16%
FY 13**	\$425,000	1.19%

* Estimated
** Budgeted

Discussion

Certificates of Use are a vital tool in assisting the City and its code enforcement and zoning departments by ensuring that improper land uses do not occur in the City. The program began in FY-06. The program to collect business licenses has also resulted in a significant increase in Certificate of use collections.

History of Certificate of Use Fee Collections

Fee Schedule

New Application Fee \$11.00

Other fees: (See next page)

CERTIFICATE OF USE (C.U.) AND TEMPORARY CERTIFICATE OF USE (T.C.U.)

The following original fees shall be paid for all uses. The indicated renewal fee applies to those uses which are required to be renewed annually by Code or by Resolution. All non-renewable uses are issued permanent use certificates which shall remain valid for an unlimited time, unless revoked for cause, or abandoned, provided there is no change of use, ownership, or name, or that there is no enlargement, alteration or addition in the use or structure. An "up front" processing fee equal to 50% of the total C.U. fee shall be assessed at the time of filing an application. The processing fee is non-refundable but shall be credited towards the final C.U. fee.

Landlord Permit Fee

Revenue Description

Revenue is derived from a permit required of all property owners who rent their property for residential use.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
 City of Miami Gardens Ordinance 2005-04-52 and Resolution 2005-41-218

Special Requirements

None.

Fund/Account Number

General Fund
 01-00-00-329-200-00

Use of Revenue

General Fund, unrestricted.

Method/Frequency of Payment

Fee is paid directly to the City at the Code Enforcement. Fee is due upon application of the annual permit. Permit cycle is from April 1 to March 31.

Basis for Budget Estimate

Estimate is a staff estimate based on historic collections and new construction.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$143,841	
FY 06	\$154,832	7.64%
FY 07	\$151,020	-2.46%
FY 08	\$157,398	4.22%

FY 12*	\$180,000	(6.17%)
FY 13**	\$185,000	2.78%

*Estimated
 ** Budgeted

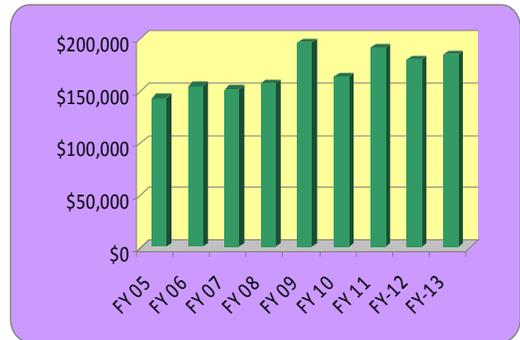

Discussion

The landlord permit was initiated by the City as a means to control property maintenance by absentee landlords. As part of the process, the City inspects each rental property annually to ensure that all property codes are being met. A major push to register landlords was made in FY-09 and continues.

Fee Schedule

Application Fee \$11.00
 Single Family dwelling per year, per unit \$63.00
 Multi-Family dwellings w/more than one unit first unit \$52.50 each additional unit \$25.00
 Single-Family dwelling renewal \$47.25 (if no code violations)
 Multi-Family Dwelling renewal \$36.75 first unit (if no code violations) + each additional unit \$15.00
 Re-Inspection Fee \$25.00
 Ordinance Violation (Civil) \$250.00 per day
 Ordinance Violation (Criminal) \$500.00 + 60 days Jail per day
 Late Fee : Fee due April 1st. After April 1st, 10% for April plus %5 for each month of delinquency thereafter until paid. Max. penalty 25% of fee due.

History of Landlord Permit Fee Collections

Lien Search Fee

Revenue Description

Revenue is derived from a fee levied on all requests for pending lien information. This later information is provided by the City's Code Enforcement department to the public, to realtors and to other closing agents. The fees are designed to recover the actual cost for providing this specialized service.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
 City Ordinance 2004-12-28

Special Requirements: None.

Fund/Account Number: General Fund
 01-00-00-341-101-00

Use of Revenue: General Fund, unrestricted.

Method/Frequency of Payment

Fee is paid in advance to the City's Code Enforcement Department by the requesting party for lien letter and upon release of registered lien.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City based on historical trends. This is adjusted by estimates of the coming real estate market.

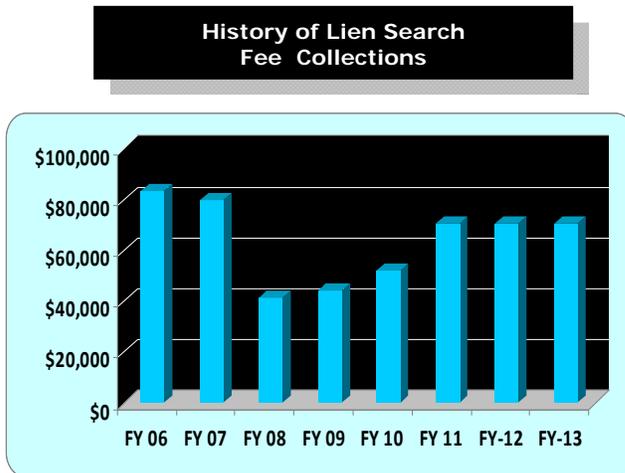

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 06	\$83,374	
FY 07	\$79,954	(4.1%)
FY 08	\$41,285	(48.36%)
FY 09	\$44,358	7.44%
FY 10	\$52,300	17.90%
FY 11	\$70,396	34.60%
FY 12*	\$70,642	0.35%
FY 13**	\$70,500	(0.20%)

* Estimated
* Budgeted

Discussion

The lien release and search fees are revenues designed to recover the cost of this specialized service. It grew significantly during the real estate boom FY-06 and FY-07, but took a dive in FY-08. Since that time, there has been a steady increase in collections due to the large number of foreclosures, short sales, etc. and other real estate transaction surrounding.

Fee Schedule

Lien Search Fees	
Response within 24 hours	\$53.00
Response within seven (7) days	\$26.00

Lien Reduction Fee

Revenue Description

Revenue is derived from a fee levied on all requests for reductions/releases of liens, including the Lien Amnesty program. This includes the fee to apply for a lien reduction or for the City's lien amnesty program. It also includes the fee to release a lien when there is a foreclosure involved. The fees are designed to recover the actual cost for providing this specialized service.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
City Ordinance 2004-12-28

Special Requirements

None.

Fund/Account Number

General Fund
01-00-00-341-301-00

Use of Revenue

General Fund, unrestricted.

Method/Frequency of Payment

Fee is paid in advance to the City's Code Enforcement Department by the requesting party for lien letter and upon release of registered lien.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City based on historical trends. This is adjusted by estimates of the coming real estate market.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 08	\$18,078	
FY 09	\$271,220	14000.28%
FY 10	\$379,919	40.07%
FY 11	\$408,931	7.64%
FY 12	\$386,494	(5.49%)
FY 13**	\$280,000	(27.55%)

* Estimated
** Budgeted

Discussion

The lien release fees are revenues designed to recover the cost of this specialized service. It grew significantly during the real estate boom and during the FY-09 amnesty period. Amnesty will continue into FY-13 which should continue but will begin to see a decline when most cases have been settled.

History of Lien Reduction Fee Collections

Fee Schedule

Lien Reduction Application Fee	\$250.00
Release of Lien Fee	\$250.00
Lien Amnesty Fee	\$79.00
Release of Lien Fee after bankruptcy	\$500.00

Bid Specification Charge

Revenue Description

Revenue is derived from the sale of certain bid plans and contract specifications to potential bidders. The fee varies and is designed to cover the cost of reproducing said plans. Fee varies to reflect the actual cost to the City of reproducing the plans and specifications.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Sections 8.3 and Section 8.4
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

Plans and specifications are available in PDF form, this makes them available on DemandStar where they are free to members.

Fund/Account Number

General Fund
 01-00-00-341-300-00

Use of Revenue

General Fund, unrestricted.

Method/Frequency of Payment

Charge is paid at the time the plans and specifications are purchased from the Purchasing Office.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City's staff based on historical trends and known projects for the coming fiscal year.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$1,615	
FY 06	\$245	-84.80%
FY 07	\$8,136	3220.82%
FY 08	\$13,055	12.56%
FY 09	\$4,200	(67.87%)
FY 10	\$8,350	98.81%
FY 11	\$6,200	(25.75%)
FY 12*	\$1,200	(80.65%)
FY 13**	\$2,500	108.33%

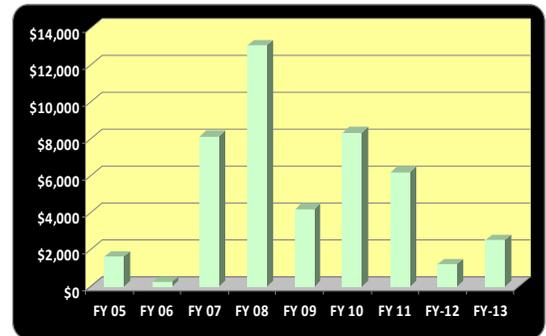

*Estimated

** Budgeted

Discussion

The Bid spec charge is minor revenue designed to recover the cost of this specialized service. Generally, the City provides free bid documents through DemandStar; however, occasionally, the documents cannot be shared on Compact Disc and must be reproduced mechanically. Because of this, the fee collection amounts are very erratic.

History of Bid Spec Charge Collections

State Revenue Sharing

Revenue Description

The Florida Revenue Sharing Act of 1972 created a revenue sharing trust fund for Florida municipalities in order to ensure revenue parity throughout the state. The revenues collected from sales and fuel taxes and are allocated to local governments for specific, authorized purposes. To participate, the following requirements must be met:

- Report finances for the most recently completed fiscal year to the Department of Banking and Finance, pursuant to §218.32, F.S.;
- Make provisions for annual post-audits of its financial accounts, pursuant to Chapter

10,500, Rules of the Auditor general (§218.23(1)(b), F.S.);

- Levy ad valorem taxes that will produce the equivalent of 3 mills per dollar of assessed valuation or an equivalent amount of revenue from an occupational license tax or a utility tax in combination with the ad valorem tax, in the year 1972;

- Certify that its law enforcement officers, as defined in §943.10(1), F.S., meet the qualifications set by the Criminal Justice Standards and Training Commission, its salary structure and salary plans meet provisions of §943, F.S., and no law enforcement officer receives an annual salary of less than \$6,000;

- Certify its firefighters, as defined in §633.30(1), F.S., meet qualifications for employment established by the Division of State Fire Marshal pursuant to §633.34 and 633.35, F.S. and the provisions of §633.382 have been met;

- Each dependent special district must be budgeted separately according to §218.23(1)(f), F.S.;

- Meet Department of Revenue "Truth in Millage" (TRIM) requirements as stated in §200.065, F.S.

Legal Basis for Revenue

Laws of Florida, Chapters 72-360, 73-349, 76-168, 83-115, 84-369, 87-237, 90-110, 90-132, 92-184, 92-319, 93-233, 93-71, 94-2, 94-146, 94-218, 94-353, 95-417.

Florida Statutes §218.23

Florida Statutes §166.231, 180.14, 80.20

City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4

City of Miami Gardens Ordinance 2007-16-122

Special Requirements

For FY 2010, 29.4% of this revenue must be use for transportation purposes. The balance may be used for any legal purpose. Miami Gardens budgets this 70.60% in the General Fund as general revenue.

Fund/Account Number

General Fund

01-00-00-335-120-00

Use of Revenue

General Fund, unrestricted.

Method/Frequency of Payment

Revenue is received from the State on a monthly basis with an extra "True-Up" amount after the year closes. Revenue has declined significantly in FY 09 & FY 10 but since then has gradually show a slight increase.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the State Department of Revenue and may be adjusted by the City staff based on historical collections. The City historically has received 1% to 2% more than State estimates.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$2,144,147	
FY 06	\$3,826,368	78.96%

Discussion

State Revenue Sharing is a major source of revenue for both the General Fund and the Transportation Fund. Because it is composed on sales, gas and other state collected revenues dependant on the economy, there was a drastic reduction in FY-07 and a slow recovery since.

History of State Revenue Sharing Collections

Alcoholic Beverage Licenses

Revenue Description

The City is authorized to receive a portion of the State Alcohol License Fee collected by the Florida Department of Business and Professional Regulation's Division of Alcoholic Beverages and Tobacco for license taxes levied on manufacturers, distributors, vendors and sales agents of alcoholic beverages. Revenue is collected and remitted to the City on an annual basis.

Legal Basis for Revenue

Florida Statutes §561.342; §563.02; §564.02; §565.02(1), (4)-(5); and §565.03

City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Sections 8.3 and Section 8.4
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements: None.

Fund/Account Number: General Fund
 01-00-00-335-150-00

Use of Revenue: General Fund, unrestricted.

Method/Frequency of Payment

Tax is paid annually by manufacturers, distributors, vendors and sales agents of alcoholic beverages to the State of Florida Department of Professional Regulation and subsequently remitted to the City annually.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City based on historical collections and trend analysis.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$12,913	
FY 06	\$17,776	37.7%
FY 07	\$13,648	-23.2%
FY 08	\$16,213	18.8%
FY 09	\$19,244	18.7%
FY 10	\$19,500	1.34%
FY 11	\$15,713	(19.42%)
FY 12*	\$17,500	11.37%
FY 13**	\$17,500	0%

* Estimated
 ** Budgeted

Discussion

This is minor revenue that does not yet have a very predictable pattern.

History of Alcoholic Beverage License Fee Collections

Half-Cent Sales Tax

Revenue Description

The 1/2-cent Sales tax is a state-shared revenue. In 1982, the local government half-cent sales tax program was created to

provide an additional income for municipalities beyond ad valorem and utility taxes. Eligibility requirements are outlined in §218.63, F.S. as follows:

- Meet incorporation criteria in §165.061, F.S.,
- Meet millage limitation requirements outlined in §200.065, F.S.

Legal Basis for Revenue

Laws of Florida, Chapters 82-154, 83-299, 85-342, 86-166, 87-6, 87-101, 87-548, 87-239, 88-119, 90-93, 91-112, 92-319, 93-207, 94-245

Florida Statutes §218.63

City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4

City of Miami Gardens Ordinance 2007-16-122

Special Requirements: None.

Fund/Account Number: General Fund
 01-00-00-335-180-00

Use of Revenue

The proceeds may be used for general public expenditures.

Method/Frequency of Payment

The Department of Revenue distributes funds from the Local Government Half-Cent Sales Tax Clearing Trust Fund (created §218.61, F.S.) directly to the city by Electronic Fund Transfer (EFT). Payments are received by the City monthly.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the State Department of Revenue and may be adjusted by the City staff based on historical collections.

Discussion

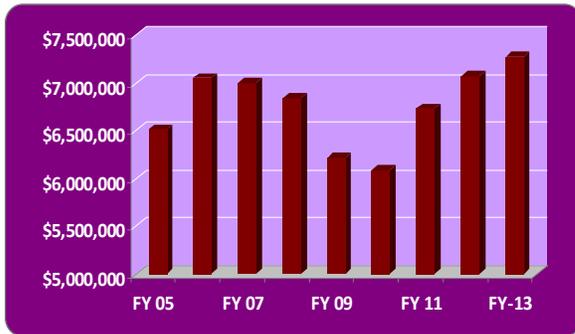

The ½-Cent Sales Tax is the second largest continuing source of revenue to the City's General Fund. Collections took a dramatic drop in FY-09 as the recession bottomed out.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 04	\$6,267,062

FY 11	\$147,746	145.94%
FY 12*	\$136,862	(7.37%)
FY 13**	\$140,000	2.29%

* Estimated
 ** Budgeted

Discussion

The County Business License Tax is minor City revenue first received in FY-04. FY-04 figure is unreliable as this revenue may have been misclassified upon receipt and records are no longer available to reconstruct exact receipts. Subsequent receipts seem to have leveled off at a consistent level. The County could not give a reason for FY-10's decline.

History of County Business License Tax Collections

General Fund Overhead Charges

Revenue Description

As part of the City's internal charge system, the General Fund assesses a fee from the other operating Funds for the services it provides to those Funds. These services include such policy functions such as their proportionate share of the costs of the Mayor and City Council, Offices of the City Manager and City Clerk and the Office of the City Attorney. It also covers expenses related to the Human Resources and Finances Departments.

Legal Basis for Revenue

Florida Statutes §166.231
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements: None.

***General Service was re-combined into the General Fund

Discussion

The internal chargeback or cost allocation system was developed in order to ensure that all Funds paid their fair share of overhead costs. In this way, a more accurate financial picture of the Funds' operations can be portrayed. Changes in the collected levels generally reflect an increasing sophistication of the formula and the inclusion of additional components.

Additional, the continued rapid growth in the City's organization since incorporation exaggerates the trend. Finally, for FY-11, the General Services Fund is being combined with the General Fund. This should level out in future years as the police department is the last major expansion of service for the foreseeable future.

History of the General Fund's Overhead Charges to other Operating Funds

CIP Project Management Charge

Revenue Description

As part of the City's on-going capital improvements program, the City occasionally issues bonds in order to undertake these improvements. The process of issuing the bonds and of accounting for them is a significant continuing expense involving the City's management, finance and legal department and the City outside auditors. In addition, the City must hire an actuary to calculate arbitrage in conjunction with such bonds in order to meet IRS requirements. During the construction phase, the City's Capital Improvements Office, consisting of registered architects, devote the better part of their time managing the project and the contractor.

In order to recapture these expenses, the City Council adopted a financial policy requiring a one-time 2 ½% management fee be assessed against each capital bond issue or may elect to receive actual reimbursement based on time of affected employees plus overhead.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements None.

Fund/Account General Fund: 01-00-00-381-031-30

Use of Revenue General Fund, unrestricted.

Method/Frequency of Payment

Fee transferred upon issuance of the bond.

Basis for Budget Estimate

Estimate for the budget is based on 2.0% of the proceeds of any planned bond issue.

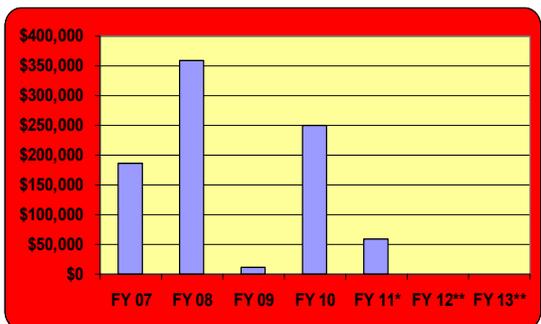

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>	
FY 07	\$187,500		
FY 08	\$360,000	92.00%	
FY 09	\$12,500	(96.53%)	
FY 10	\$250,000	2,000%	
FY 11	\$60,000	(76%)	
FY 12*	0	(100%)	* Estimated
FY 13**	\$0	(0%)	** Budgeted

Discussion

Since incorporation, the City has issued only two capital improvement bond issues. In 2005, the City issued a \$7.5 million revenue bond and in 2007, the City issued a \$14.4 million issue. The CIP management charge was implemented in FY 2007 and applied retroactively to the \$7.5 million issue. The FY-08 charge is for the FY 07 issue. For FY-9, there is a charge against the Senior Center Land Acquisition bond. FY-10 and FY-11 the overhead charge to the new City Hall COP issue. It is expected that the City will actually expend in excess of this over the 3 year project life.

History of CIP Project Management Charge

Non-Criminal Traffic Fines

Revenue Description

Court costs and fees for civil traffic infractions as determined by statute with 25% to the General Fund of the State of Florida and 75% to the municipality that issued the ticket. These fees are collected by the Clerk of Courts for Miami-Dade County and the City's portion is remitted on a monthly basis.

Legal Basis for Revenue

Florida Statutes §1318.18 and §318.1215
 City of Miami Gardens Charter Article 4, Section 4.9
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

None.

Fund/Account Number

General Fund
 01-00-00-351-500-00

Use of Revenue

General Fund, unrestricted.

Method/Frequency of Payment

The City's portion of the traffic fine is forwarded by check monthly by the Miami Dade County Clerk of Court.

Basis for Budget Estimate

Estimate for the budget is based on historical receipts.

Collection History

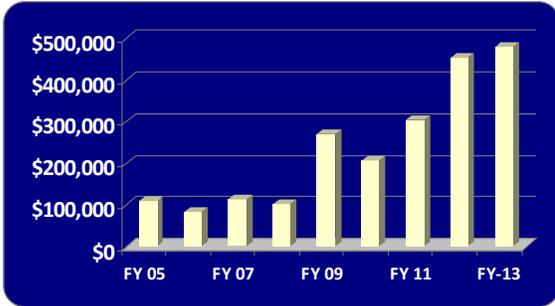

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$111,242	
FY 06	\$83,194	-25.2%
FY 07	\$113,326	36.2%
FY 08	\$100,543	(11.27%)
FY 09	\$269,834	168%
FY 10	\$206,488	(23.48%)
FY 11	\$304,4320	47.43%
FY 12*	\$454,922	49.43%
FY 13**	\$480,000	5.51%

* Estimated
 ** Budgeted

Discussion

This revenue was fairly stable over the first four years when the County Police patrolled the City. However, with the start of the City's own police department, one of its main emphases is traffic enforcement. The results of this priority can clearly be seen.

History of Traffic Fine Revenue

Fees

The schedule of non-criminal traffic fines is as follows:

Speeding <i>MPH Over Speed Limit</i>	
6-9:	\$80.50
10-14:	\$155.50
15-19:	\$180.50
20-29:	\$205.50
30/More	\$305.50

If the case goes to Court, the Judge can impose a fine of up to \$500.

For other fines, call the Miami-Dade Clerk of Court.

Parking Fines

The City receives a portion of all parking ticket violations written within its municipal borders. These fines are paid to the Miami-Dade County Clerk of Court and remitted to the City monthly.

Legal Basis for Revenue

Florida Statutes §166.231, §318
 City of Miami Gardens Charter Article 4, Section 4.9
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

None.

 Unrestricted.

Method/Frequency of Payment

The City's portion of the traffic fine is forwarded by check monthly by the Miami Dade County Clerk of Court.

Basis for Budget Estimate

Estimate for the budget is based on historical receipts, trend analysis and any known or planned enforcement enhancements.

Collection History

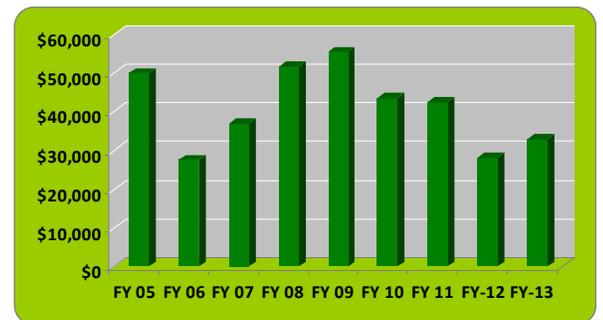

<u>Fiscal Year</u>	<u>Amount</u>	<u>% Increase (Decrease)</u>
FY 05	\$50,704	
FY 06	\$27,673	-45.4%
FY 07	\$36,951	33.5%
FY 08	\$51,739	40.02%
FY 09	\$55,588	7.44%
FY 10	\$43,709	(21.36%)
FY 11	\$42,610	(2.51%)
FY 12*	\$28,220	(33.77%)
FY 13**	\$33,000	16.94%

* Estimate
 ** Budgeted

Discussion

This revenue has been fairly stable over the past several years. The FY-05 figure is unreliable as there were numerous uncorrected coding errors in this total. However, with the start of the City's own police department, one of its main emphases will be traffic enforcement, including illegal parking in fire lanes and handicapped spaces. We would expect this revenue to grow over the next few years.

History of Parking Fine Revenue to the General Fund

School Crossing Guard Fines #1

A portion of traffic fines collected by the Clerk of Courts for violations of Chapter 318, Florida Statutes (Traffic Code), must be returned to the local government in which the infraction occurred and be used for School Crossing guard expenses.

Legal Basis for Revenue

Florida Statutes §166.231, 318.21
 City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 and Section 8.4
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

Funds must be used to fund a school crossing guard program.

Fund/Account Number: GF: 01-00-00-351-300-00

Use of Revenue

General Fund. Funds must be used to fund a school crossing guard program.

Method/Frequency of Payment

The City's portion of the traffic fine is forwarded by check monthly by the Miami Dade County Clerk of Court.

Basis for Budget Estimate

Estimate for the budget is based on historical receipts.

Collection History

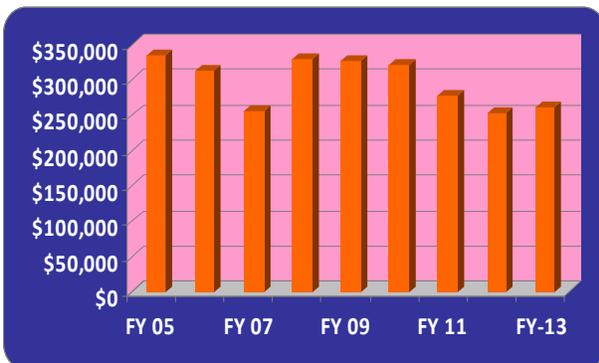

<i>Fiscal Year</i>	<i>Amount</i>	<i>% Increase/ (Decrease)</i>
FY 05	\$334,735	
FY 06	\$313,132	-6.5%
FY 07	\$255,491	-18.4%
FY 08	\$329,362	28.9%
FY 09	\$326,525	(0.86)%
FY 10	\$321,924	(1.41)%
FY 11	\$276,604	(14.08)%
FY 12*	\$253,361	(8.4)%
FY 13**	\$260,000	2.62%

* Estimated
 ** Budgeted

Discussion

This revenue has been stable over the past several years. The revenue covers approximately 1/3 of the costs associated with the City's School Crossing Program (See Chart below). The higher revenue received in FY-05 may have resulted from the improper coding of revenues.

History of School Crossing Guard 1 Revenue to the General Fund

Percentage of all School Crossing Revenues compared to Actual School Crossing Program Expenditures

School Crossing Guard Fines #2

A portion of traffic fines collected by the Clerk of Courts for violations of Chapter 318, Florida Statutes, must be returned to the local government where the infraction occurred to be used for School Crossing guard expenses.

Legal Basis for Revenue

History of School Crossing Guard 2 Revenue to the General Fund

Discussion

This revenue has been stable over the past several years. It relatively small revenue used to help fund the Crossing Guard Program.

The threefold increase in revenues in FY-09 is directly related to the City starting its own police force.

Parks and Recreation Fees

Revenue Description

The City's Parks and Recreation Department provides a wide variety of activities and programs throughout the year, serving residents, youth, seniors and others. Each of these activities carries a user fee for the service designed to help the City pay for providing the particular program. Generally, fees only recover approximately 10% of the total cost to run the department.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4

Special Requirements

None.

Fund/Account Number General Fund 01-00-00-347-200-00

Use of Revenue

General Fund, unrestricted.

Method/Frequency of Payment

Fees and charges are collected throughout the year in conjunction with each respective event or program.

Basis for Budget Estimate Historical receipts and trend analysis.

FY 13**	\$559,830	14.73%

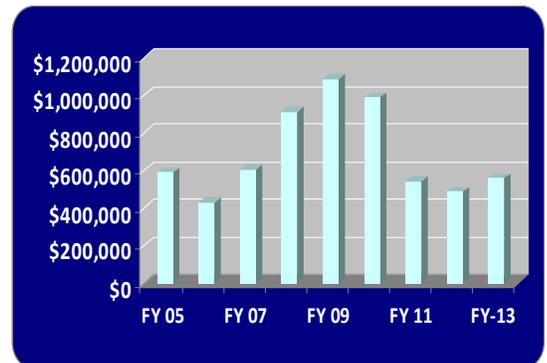

* Estimate (Includes Grants)

** Budgeted

Discussion

Recreation revenues include fees charged for after-school programs, summer camps, daily admissions and facility rentals. For FY-11, a number of fees once included in this category have been broken out into their own revenue. This includes the new Community Center and youth sports programming.

History of Parks and Recreation Department Fee Revenue to the General Fund

Sports Programming Fees

Revenue Description

The City's Parks and Recreation Department provides a wide variety of youth sports. Prior to FY-11, most of these programs were run by the Optimist Club, what revenues there were got captured under miscellaneous parks revenue. Since we have assumed the control of these programs, a new revenue category has been created.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4

Special Requirements

None.

Fund/Account Number

General Fund 01-00-00-347-203-00

Use of Revenue

General Fund, unrestricted.

Method/Frequency of Payment

Fees and charges are collected throughout the year in conjunction with each sport.

Basis for Budget Estimate

Historical receipts and trend analysis.

Collection History

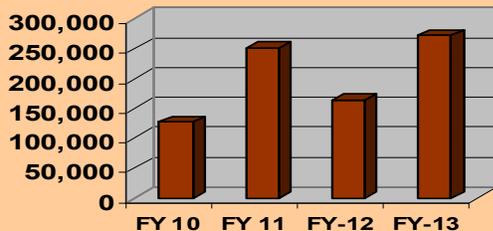

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>

Discussion

Revenues include facility rentals, participant memberships, and contracted classes.

FEES: See page360.

Local Code Violations

Revenue Description

City, County and State codes establish various fines for civil violations of ordinances and laws.

Legal Basis for Revenue

Florida Statutes §166.231, §142.03, §316, §318
 City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 and Section 8.4
 City of Miami Gardens Ordinance 2003-01

Special Requirements: None.

Fund/Account #: GF: 01-00-00-354-103-00

Use of Revenue: General Fund, unrestricted.

Method/Frequency of Payment: Per use

Basis for Budget Estimate

Revenue estimated on historical collections and trend analysis adjusted by any planned code enforcement activity for the coming year that may increase fines and collections.

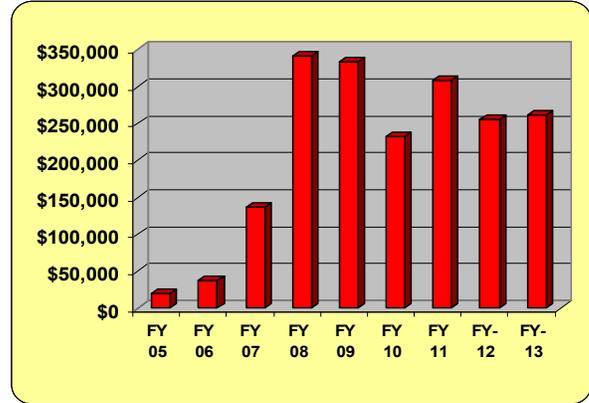

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$19,050	
FY 06	\$37,248	95.5%

History of Code Enforcement Fine Revenue to the General Fund

Discussion

Prior to becoming a City, Miami-Dade County estimated the revenue for local code violations to be in excess of \$600,000; however, the City's philosophy of working with violators impacted this figure considerably. In the first year under City jurisdiction, revenue was only \$19,000. In FY-07, the City began to actively enforce collection of the code enforcement magistrate's fines, resulting in a significant increase in collections. In FY-10, the City introduced an amnesty program to try and collect fines from large violators. While this has reduced the local code violation category, there has been a significant increase in the amnesty collections.

Fees: (See Next Page)

Local Violations (Also see: Miami-Dade County Code violations)

Alarm Permits

Revenue Description

This revenue results from the City's requirement that all audible fire and burglar alarms in private homes and businesses be permitted prior to operation. The fee is charged on an annual basis beginning January 1 through December 31st.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 and Section 8.4
 City of Miami Gardens Ordinance 2004-06-22 and 2007-16-122

Special Requirements: None.

Fund/Account # GF: 01-00-00-329-100-00

Use of Revenue: General Fund, unrestricted.

Method/Frequency of Payment

The fee is charged on an annual basis beginning January 1 through December 31st.

Basis for Budget Estimate

Estimate for the budget is based on historical receipts, plus an estimate of new businesses coming on-line during the fiscal year. Also taken into account are the number of discounts.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$63,659	
FY 06	\$27,099	-57.4%
FY 07	\$42,200	55.7%
FY 08	\$33,819	(19.86%)
FY 09	\$32,239	(4.67%)
FY 10	\$33,867	11.25%
FY 11	\$20,046	(44.11%)
FY 12*	\$41,390	106.48%
FY 13**	\$45,000	8.72%

Discussion

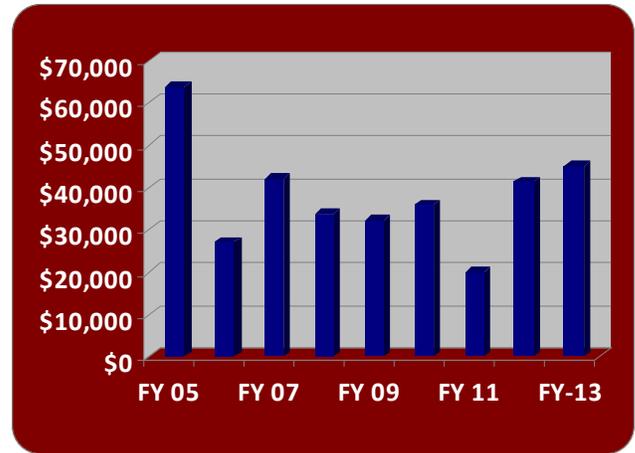

Alarm revenue covers the cost of administering the program. The FY-05 number appears to be a misclassification of revenue. Records for that time period are incomplete. It is expected that this revenue will remain level as all renewals without a prior false alarm are gratis.

Fees

Initial Registration Fee	\$37.00
Renewal Fee (No false alarms in previous year)	\$0.00
Renewal Fee (1 or more false alarm in previous year)	\$15.00

Total False Alarms/yr	Fine	Additional Civil Penalty- Unregistered Alarm
1st	\$0	\$50
2nd	\$0	\$100
3 rd & 4th	\$50	\$250
5 th & 6th	\$100	\$500
7 th to 10th	\$200	\$500
>10 (each)	\$500	\$500

History of Alarm Permit Revenue to the General Fund

Interest Income

Revenue Description

This revenue results from the investment of idle City funds.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4

FY 13**	\$15,000	(25%)

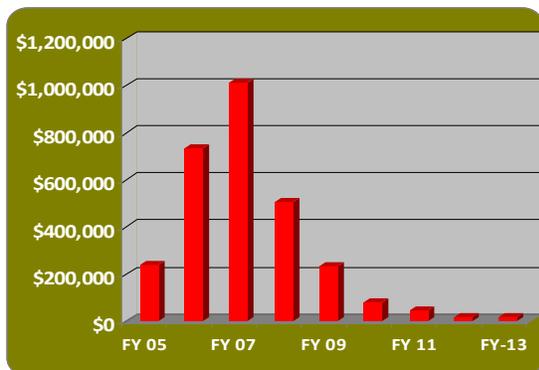

* Estimated
** Budgeted

Discussion

In FY-04 through FY-07, the City received interest on its idle cash in its bank operating account. In FY-08, the City added the Florida State Board of Administration to its authorized depositories. This latter alternative generally pays 30-50 basis points higher than our commercial deposit institution; However, in FY-08, the state defaulted to the depositories due to its losses in the mortgage investment market. The City was timely in withdrawing over \$20 million prior to the state freezing the remaining assets.

The higher amounts received for FY-07 and FY-08 generally reflect the interest earned on bond issues prior to the expenditure of the proceeds and on significantly higher market rates for interest earnings. FY-11 is expected to again be a poor year for interest earning as the interest rate market remains low. With continue low interest rate environment, the City projection of interest earnings become minimal.

History of Earned Interest Income Revenue to the General Fund

Bus Shelter Advertising Revenue

Revenue Description

The City receives monthly revenue from CEMUSA, Inc. for allowing the company to construct various bus shelters throughout the city and to sell advertising on the shelters.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
City of Miami Gardens Ordinance 2004-06-22 and 2007-16-122

FY 07	\$92,430	22.71%
FY 08	\$94,220	1.93%
FY 09	\$94,890	0.71%
FY 10	\$89,728	(5.44%)
FY 11	\$0.00	(100%)
FY 12*	\$0.00	0%
FY 13*	\$0.00	0%

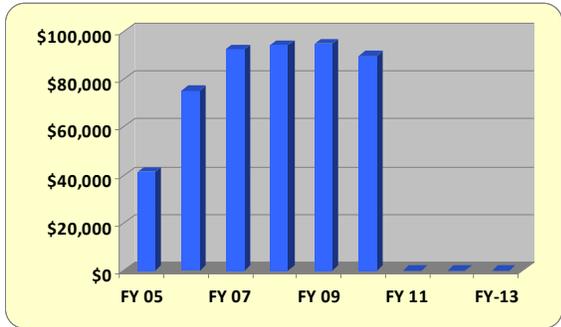

* Estimated
** Budgeted

Discussion

The County entered into this agreement with CEMUSA prior to the City's incorporation. The City re-entered into its own agreement in FY-05. The agreement calls for CEMUSA to construct bus shelters throughout and set a minimum fee for the privilege. It also provides for additional income to the City based on the sales of advertising. The

program of installation was completed in time for FY-07, which accounts for the large increase in revenue that year. In FY-10, the City was notified that CEMUSA was leaving the area, therefore the City was not able to generate any revenue since FY 2011.

History of Bus Shelter Revenue to the General Fund

Insurance Reimbursement

Revenue Description

This revenue reflects claims paid to the City by its insurance carrier for reported losses and from private insurance carriers for claims of damage to City property by the public. Also included are receipts from other insurers when a private vehicle damages City property.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 and Section 8.4

Method/Frequency of Payment

Occasional. No set frequency of payment.

Basis for Budget Estimate

Estimate for the budget is based on historical receipts and anticipated pending claims.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$12,574	
FY 06	\$88,590	604.5%
FY 07	\$1,973	-97.8%
FY 08	\$109,924	5446.1%
FY 09	\$226,341	106.85%
FY 10	\$271,026	19.74%
FY 11	\$200,319	(26.09%)
FY 12*	\$45,000	(77.54%)
FY 13**	\$45,000	0

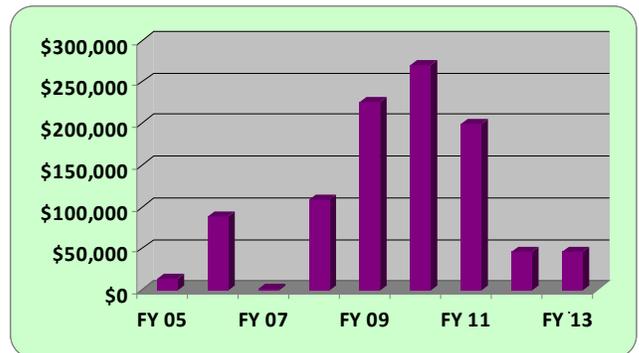

* Estimated
 ** Budgeted

Discussion

This revenue is difficult to anticipate as it relates to actual damage recovery from claims. It remains a small revenue and is usually used to replace the lost or damaged equipment or property. The City carries a \$10,000 deductible, thus most claims do not rise to the level required for reimbursement from our insurance carrier. The City does pursue private carriers in the event that City property is damaged in a traffic accident. The large increase in FY-09 represents the City starting its own police department. This resulted in a spate of vehicle accidents the first year. Training has reduced these significantly.

Being a reimbursement for unknown levels of damage and theft, this revenue is difficult to predict with accuracy. Based on the prior three years, we have used a conservative estimate for budgeting purposes.

History of Insurance Reimbursement Revenue to the General Fund

Lobbyist Registration Fees

Revenue Description

The City of Miami Gardens requires all lobbyists to register with the City each fiscal year. Registration is handled by the City Clerk. No lobbyist can

address staff or City Council on any issue where City action is required unless they have registered.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 and Section 8.4
 City of Miami Gardens Ordinance 2004-02-18
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements: None.

Fund/Account Number: General Fund
 01-00-00-369-902-00

Use of Revenue: General Fund. Unrestricted.

Method/Frequency of Payment: Occasional.

Basis for Budget Estimate: Estimate for the budget is based on historical number of registrants.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$5,500	
FY 06	\$5,807	5.6%
FY 07	\$5,250	(9.6%)
FY 08	\$5,750	9.5%
FY 09	\$4,250	(26%)
FY 10	\$7,250	70.59%
FY 11	\$3,850	(46.9%)
FY 12*	\$3,000	(22.08%)
FY 13**	\$3,000	0%

* Estimated
 ** Budgeted

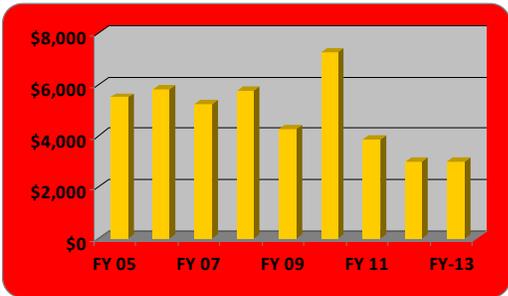

Discussion

This minor revenue remains fairly stable as the number of lobbyists tends to be mostly repeat registrations. Occasionally, a new lobbyist will register, usually in conjunction with a re-zoning. In the early years of the City, there were many more lobbyists attempting to influence decisions; however, this has fallen off dramatically.

Fees

One year registration	\$250.00
Late Report	\$ 50.00

History of Lobbyist Registration Revenue to the General Fund

Grants and Donations

Revenue Description

Periodically, the City is awarded grants from other governmental agencies or private organizations. These grants are usually specific to a particular activity. Revenue may be received in advance of the actual performance, but more usual is for the revenues to be received after completion of the activity for which the grant was awarded. Often, partial draw downs on the grants can be effectuated upon completion of various milestones of progress toward the completion of the activity. With the creation of the Capital Improvement Fund, most grants for capital improvements that were previously received in the General Fund are now managed in the CIP Fund.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9
 City of Miami Gardens Ordinance 2007-16-122

Use of Revenue

General Fund. Restricted to the purpose for which it was received.

Method/Frequency of Payment

Occasional. No set frequency.

Basis for Budget Estimate

Estimate for the budget is based on approved grant awards.

Discussion

The history of grants and donations to the General Fund is very uneven. Until FY-07, most grants were recorded in the General Fund and the Special Revenue Fund; however, as the City created additional funds, grants and donations were shifted to the appropriate receiving fund.

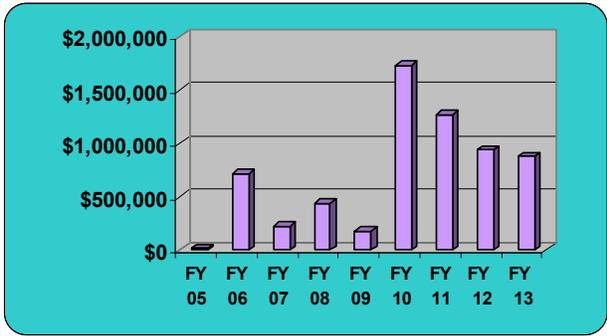

Increase in FY-10 is attributed to the City receiving over \$1,000,000 in ARRA grants for overtime in the police department which was received to assist in the security of the Super Bowl, Orange Bowl and the Pro Bowl.

Collection History

History of Grants and Donations Revenue to the General Fund

Jazz-in-the-Gardens Festival

Revenue Description

Since 2006, the City has sponsored and run a spring Jazz festival. This is a 2-day event featuring major singing talent from across the nation. A major component in this festival is the raising of sponsorship funds to underwrite the events costs. The festival also brings in revenues from food and merchandise vendors. Ticket sales constitute the largest single source of revenue. In FY-10, the festival turned its first "profit" over \$100,000.

Legal Basis for Revenue

History of Grants and Donations Revenue to the General Fund

Discussion

The City's annual jazz festival has seen a dramatic increase in its size, attendance and funding since its inception in FY-06. In FY-09, the festival came in under budget. Since FY-11, the City engaged a professional sponsorship-raising firm to try and improve funding.

Passport Fees

Revenue Description

The City processes passport applications for its residents and others. A portion of the fees charges become revenue to the City.

Legal Basis for Revenue

History of Gardens' Off-Duty Police Fees

Off-Duty Police Revenues

Revenue Description

Since creating the police department in December 2007, the department has had numerous requests for off-duty uniformed officers in the community to protect various businesses and events. The City established a fee structure and regulations and procedures for officers working private duty and began the service. The business pays the estimated amount up-front, and the officers are subsequently paid by the City.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 and Section 8.4

Special Requirements: None.

Fund/Account Number

General Fund
01-00-00-342-105-00

Use of Revenue: General Fund. Unrestricted.

Method/Frequency of Payment

Occasional.

Discussion

This revenue is a major source of extra funds for police officers who choose to work extra hours. The actual cost to provide the service is approximately \$5.00 per hour more than we collect; however, the value of having the additional officers in the community is invaluable for crime prevention and community visibility.

Fees: See "Police Department Fees" Above.

Miscellaneous General Fund Fees/Revenues

Revenue Description

Various City departments have fees for certain activities and services. Most of these are relatively small in income and are grouped together as "Miscellaneous Revenues."

Legal Basis for Revenue

History of Miscellaneous Revenue to the General Fund

Rebates

Revenue Description

The City periodically receives rebates based on purchases or from our insurance carrier or our P-Card vendor. These revenues are accounted for here.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4

Special Requirements: None.

Fund/Account Number: General Fund
01-00-00-369-906-00

Use of Revenue: General Fund. Unrestricted.

Method/Frequency of Payment

N/a. Money appropriated with budget approval.

Basis for Budget Estimate

Budgeted amount is based on prior year's receipts.

Collection History

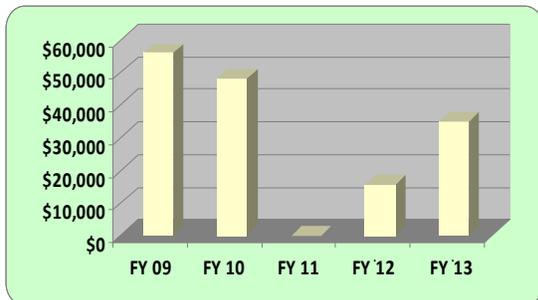

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 09	\$56,039	
FY 10	\$48,344	(13.73%)
FY 11	\$0	(100%)
FY 12*	\$15,702	100%
FY 13**	35,000	122.9%

* Estimated
** Budgeted

Discussion

Prior to FY-09, Rebates were lumped into the "Miscellaneous Revenue" classification. In FY-09, the City began a purchasing card program that provides for rebates if spending thresholds are met. Occasionally the City receives rebates from other vendors, especially our liability insurance carrier, the Florida League of Cities.

History of Rebate Revenue in the General Fund

Other Non-Operating (Unreserved Fund Balance)

Revenue Description

It is the City's policy to budget fund balance reserve each year. This provides additional flexibility should emergency funding is needed and provides the public with transparency with regards to our reserve balance.

Fund Balance History

* Estimated
** Budget

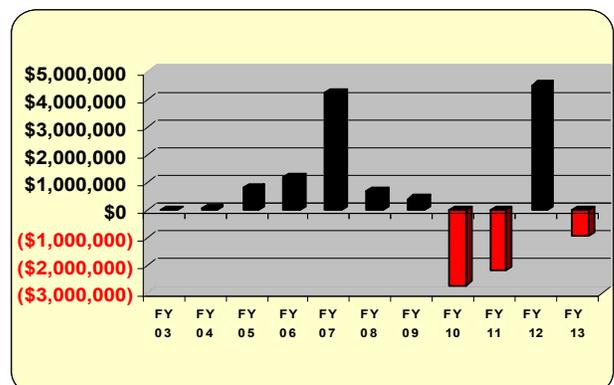

Discussion

Each year, the City budgets its fund balance in all funds. However, in FY-05, the City dedicated a portion of its millage for two years in order to build the City's reserve. This, combined with conservative expenditures, grew the fund balance to \$9.2 million in FY-09. In FY-10, the revaluation of property coupled with several cuts in state revenue, lead to the use of approximately \$1.3 million to balance the budget at year-end. For FY-11, the City budgeted \$300,000 to begin replacing the reserve funds used in FY-10. In FY-12, the City received a settlement from the County and added \$4 million to the balance.

Increase/decrease in Fund Balance

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 03	\$0	
FY 04	\$53,174	
FY 05	\$820,802	1443.62%

Discussion

City Council approved the Red-Light Camera Enforcement Program on May 23, 2007. The City entered into an agreement with American Traffic Solutions, Inc. to administer the program. The first five cameras became operational in January 2009; however, fines were not collected until mid-February so that there could be a warning period. Two new cameras were installed in summer 2009.

In FY-10, the State Legislature adopted a statewide Red Light Camera Bill. They raised rates but cut the amount the City receives. This program began July 1, 2010. The City is currently adding an additional 18 camera locations for FY-11. Appeals/disputes are now handled by the County Court.

State Fine:

Red Light Camera Violation \$158.00

Certificate of Re-Occupancy Fee

Revenue Description

As part of the City's code enforcement services, City Council established a program of inspection upon the sale of a residence. Prior to closing, a buyer must get a Certificate of Re-Occupancy.

In order to receive the certificate, a home buyer must make application to the Code Compliance Division to have the home inspected prior to the closing. The purpose of the inspection will be to verify that there are no outstanding zoning, use or setback violations on the property.

History of THE Certificate of Re-Occupancy Fee in the General Fund

Discussion

In 2009, the City Council received many horror stories about foreclosed homes and their physical condition and continuing violations. A concern was expressed that people were continuing to carry r, violations that existed on the property.

As a result, the City Council implemented a Certificate of Occupancy Certificate program requiring all home for sale, have a City-issued certificate prior to closing.

FEES

Regular Application Fee	\$150.00
Expedited Application Fee	\$225.00
Conditional Re-Occupancy	\$206.00
Re-Inspection Fee	\$26.00

Slot Machine Revenues

Revenue Description

This revenue results from an agreement between the City of Miami Gardens and Calder Race Course. On January 29, 2008, voters did, in fact, approve the addition of slot machines at the County's three pari-mutuel site, one of which is Calder Race Course in the City of Miami Gardens.

Legal Basis for Revenue

History of Slot Machine Revenue to the General Fund

Discussion

Although the referendum was approved on January 29, 2008, by the voters of Miami-Dade County. Construction on the casino began in mid-2009 and is expected to be completed by Super Bowl Sunday in 2010. The City received partial-year revenue in FY-2010. The City also receives a small pari-mutuel tax

from Calder for each day of active horse racing. This amounts to approximately \$15,000 per year.

Towing Franchise Fee

Revenue Description

This revenue results from towing of private vehicles due to an accident or code enforcement. The fee is paid by the City's contracted tow firm.

Legal Basis for Revenue

Florida Constitution, Article X, Section 23
 Florida Statutes Chapter 550, 849.16

Discussion

When the City initiated its police department, there came a need to occasionally tow vehicles from crash scenes. The City contracted with a local towing company for this service. The City was paid a set amount per tow. The City's Code Enforcement also uses this service for junk and abandoned vehicles. In FY-12, the City re-bid the franchise and settled for a flat yearly fee of \$150,000.

History of Towing Franchise Revenue

FEES

The City charges a flat fee of \$150,000 per year for the exclusive franchise.

Bonds and Capital Lease Proceeds

Revenue Description

Periodically, the City issues debt in order to finance its vehicle and major equipment purchase. Generally the proceeds of these debt issues are placed in the General Fund which in turn, purchases the vehicles and equipment for the using departments. In the subsequent years following the issue (or capital lease), the repayment or debt services, is budgeted in the Debt Service Fund.

This revenue item reflects the direct proceeds from such bond issue or capital lease-purchases, whether issued in during the year or carried over from prior years as unspent proceeds.

Legal Basis for Revenue

Florida Statutes §166.231
 City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 and Section 8.4
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

None.

Fund/Account Number

General Fund
 01-00-00-384-000-00

Use of Revenue

All Funds. Purchase vehicles and equipment and pay Debt Service.

Method or Frequency of Payment

The City's Finance Department transfers total prior to the debt service payment date.

Basis for Budget Estimate

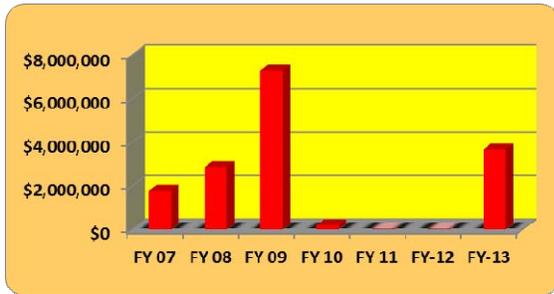

Estimate for the budget is based on actual debt service schedule and the police department's prorated share of the total debt service.

Collection History

FY 10	\$185,300	(97.46)%
FY 11	\$0	(100%)
FY 12	\$0	0%
FY 13**	\$3,673,500	100%

*Estimated
** Budgeted

History of Bond Proceeds Available in the General Fund

Discussion

Generally, the City uses short-term debt (5 years) to finance the purchase of its vehicles and major equipment. This allows the City to evenly spread out the impact of major capital items so as to not distort the revenue or expenditure needs in any particular year.

A \$3.2 million bond issue/capital lease is budgeted for FY-13 to replace police vehicles and other equipment

Sale of Assets

Revenue Description

From time to time, the City has pieces of equipment that no longer serves its purpose or which has come to the end of its useful life. This includes vehicles, computers, furniture, and other such items. The City generally sells these at public auction over the internet.

Some unique item may be sold on site with bidders invited to make an offer.

Legal Basis for Revenue

Florida Constitution, Article X, Section 23
Florida Statutes Chapter 550, 849.16
City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4

Collection History

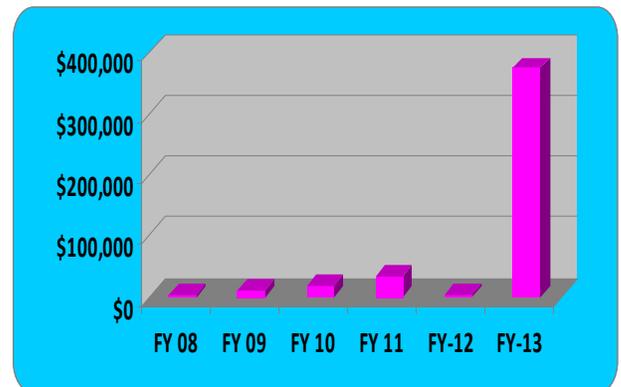

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 08	\$4,925	
FY 09	\$10,875	120.81%
FY 10	\$19,079	75.44%
FY 11	\$34,658	81.66%
FY 12*	\$5,000	(85.75%)
FY 13**	\$375,000	7400.00%

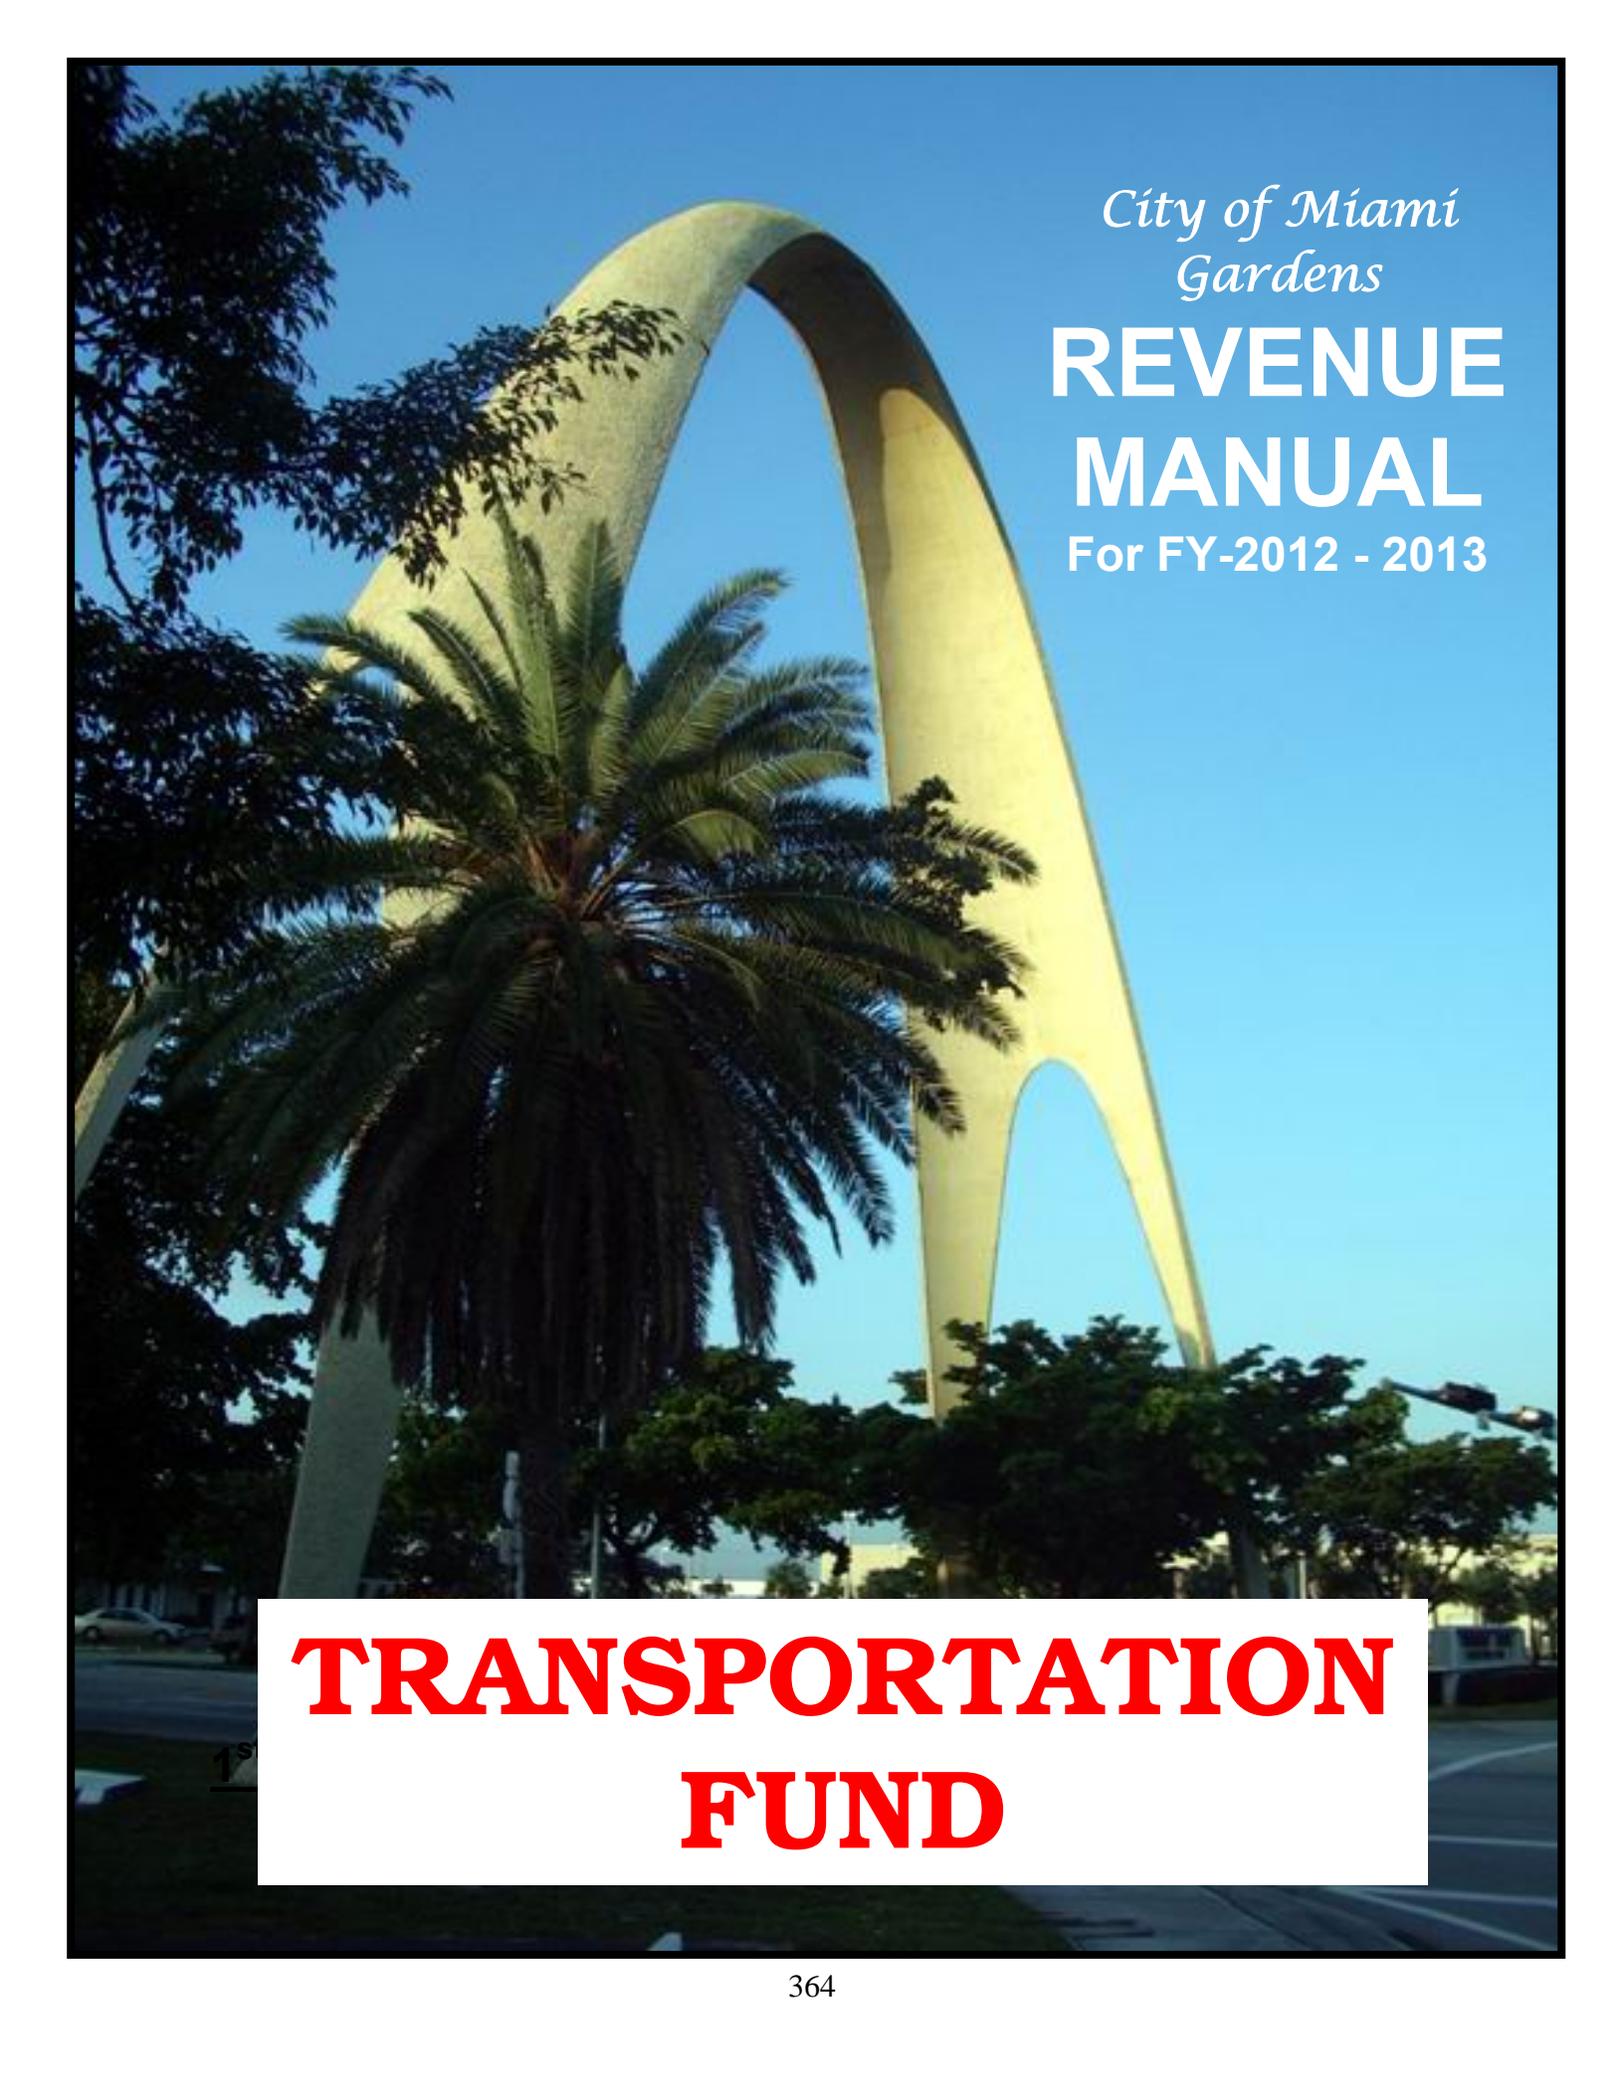

*Estimated
** Budgeted

Discussion

This revenue results from the direct sale of non-real estate assets such as old vehicles, computers, furniture and other old items beyond their useful life. This revenue has increased significantly as the City's once new equipment has aged. FY-13 increase is attributed to sales of old police vehicles.

REVENUE MANUAL

For FY-2012 - 2013

TRANSPORTATION FUND

Local Option Fuel Tax

Revenue Description

The State authorizes several gas taxes to support transportation operation at the local government level. The first is the 1 to 6 Cents Local Option Fuel Tax that is imposed on Motor and Diesel Fuels. The funds are collected by the state and forwarded to the City on a monthly basis. Miami Gardens receives 2.5747989% of the collection in Miami-Dade County.

Legal Basis for Revenue

Florida Statutes §336.025
 Chapters 90-110 and 90-132, Laws of Florida
 City of Miami Gardens Charter Article 4, Section 4.9
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

Florida Statutes, §336.025(1)(a)2, requires the proceeds of the local option gas tax be used only for transportation related expenditures. Paragraph (7) defines "transportation expenditures" as:

- Public transportation operations and maintenance.
- Roadway and right-of-way maintenance and equipment and structures used primarily for the storage and maintenance of such equipment.
- Roadway and right-of-way drainage.
- Street lighting.
- Traffic signs, traffic engineering, signalization and pavement markings.
- Bridge maintenance and operation.
- Debt service and current expenditures for transportation capital projects in the foregoing program areas, including construction or reconstruction of roads.

Fund/Account Number

Transportation Fund
 10-00-00-312-410-00

Use of Revenue

Transportation Fund. Generally, the refunded monies are to be used to fund the construction, reconstruction, and maintenance of roads.

Method/Frequency of Payment

Motor fuel wholesale distributors (prior to July 1, 1995, it was collected by retailers) collect the tax and submit it to the Florida Department of Revenue, which distributes to cities and counties monthly, after a 7.3% General Revenue Service Charge is deducted. The change in the collection method was projected to increase compliance and therefore increase revenues. The City receives its distribution monthly by EFT.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City based on an estimate published by the State

Department of Revenue and historical collection trends.

Collection History

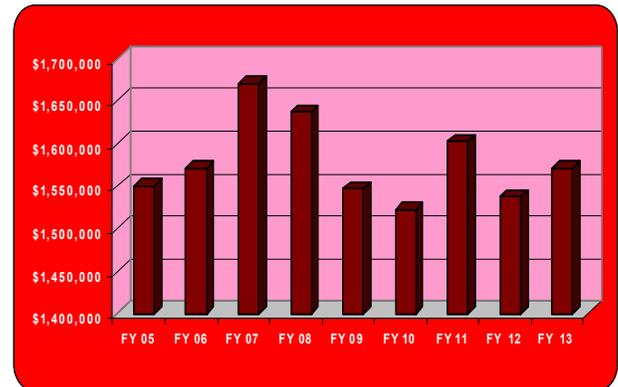

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 04	\$1,081,467	
FY 05	\$1,549,681	43.3%
FY 06	\$1,571,138	1.4%
FY 07	\$1,670,304	6.3%
FY 08	\$1,637,145	(1.98%)
FY 09	\$1,546,630	(5.52%)
FY 10	\$1,521,890	(1.6%)
FY 11	\$1,601,604	5.24%
FY 12*	\$1,537,138	(4.03%)

Discussion

This is the third largest revenue source for the City's Transportation Fund. It has been steady revenue with consistent growth until economy changes and higher gas prices affect the revenue.

History of 2nd Optional Fuel Tax Collections

State Revenue Sharing

Revenue Description

The Florida Revenue Sharing Act of 1972 created a revenue sharing trust fund for Florida municipalities in order to ensure revenue parity throughout the state. The revenues collected from sales and fuel taxes and are allocated to local governments for specific, authorized purposes. To participate, the following requirements must be met:

- Report finances for the most recently completed fiscal year to the Department of Banking and Finance, pursuant to §218.32, F.S.;
- Make provisions for annual post-audits of its financial accounts, pursuant to Chapter 10,500, Rules of the Auditor general (§218.23(1)(b), F.S.);
- Levy ad valorem taxes that will produce the equivalent of 3 mills per dollar of assessed valuation or an equivalent amount of revenue from an occupational license tax or a utility tax in combination with the ad valorem tax, in the year 1972;
- Certify that its law enforcement officers, as defined in §943.10(1), F.S., meet the qualifications set by the Criminal Justice Standards and Training Commission, its salary structure and salary plans meet provisions of §943, F.S., and no law enforcement officer receives an annual salary of less than \$6,000;
- Certify its firefighters, as defined in §633.30(1), F.S., meet qualifications for employment established by the Division of State Fire Marshal pursuant to §633.34 and 633.35, F.S. and the provisions of §633.382 have been met;
- Each dependent special district must be budgeted separately according to §218.23(1)(f), F.S.;

• Meet Department of Revenue "Truth in Millage" (TRIM) requirements as stated in §200.065, F.S.

to recover somewhat for FY-12 based on the collection rate during the last 3 months of FY-11.

Legal Basis for Revenue

Laws of Florida, Chapters 72-360, 73-349, 76-168, 83-115, 84-369, 87-237, 90-110, 90-132, 92-184, 92-319, 93-233, 93-71, 94-2, 94-146, 94-218, 94-353, 95-417.

History of Public Works Fee Collections

Discussion

Public Works began processing permits for the above activities in FY-07. Activity somewhat mirrors general building permits. Revenue for permits declined significantly in FY-10; however, with known projects in line for FY-11, revenue is expected to climb. FY 12 also reflected a decline with slight growth for FY 13.

The following schedule of fees is the Miami-Dade County schedule of fees adopted by the City through its municipal charter.

Fee Schedule

Fees for public works construction, under permit issued by Public Works Department, in canal, road and street rights-of-way, and in rights-of-way of canals, roads and streets located within the City, and for paving and drainage on private roads and parking lots in the City are as follows.

A. Fees for public works construction, under permit issued by the Public Works Department, in canal, road and street right-of-way, and utility or other easements in the City, to include paving and drainage on private roads and parking lots.

1. For installation or repair of sanitary and storm sewer, water lines, gas lines, buried electric, telephone, CATV or other underground utilities:
 - For 100 linear feet or less.....\$ 175.00
 - For each additional 100linear feet or fraction thereof.....55.00
2. For exfiltration drains consisting of catch basins, exfiltration trench, or slab cover ex-trench:
 - For each 100 linear feet or
 - Fraction thereof.....\$ 155.00

3. For installation of poles or down guys for overhead utilities:
 - For each pole or down guy.....\$ 100.00
4. For construction or replacement of side walk, curbs and gutters:
 - For 100 linear feet or less.....\$160.00
 - For each additional 100 linear feet or fraction thereof.....\$75.00
5. For construction of asphalt or concrete driveways:
 - a) For driveway width of 20 feet or less consisting of 1 or 2 drives, including private property.....\$60.00
 - b) For driveway width greater than 20 feet, but not greater than 40feet, consisting of 1 or more drive approaches, including private property.....\$125.00
 - c) For driveway consisting of 1 or 2 drives (on private road).....\$ 30.00
 - d) For driveway with greater than 40 feet (each driveway).....\$180.00
 - e) For construction of stamped concrete driveways (liability release must be signed by homeowner prior to permit being issued):
 - For each driveway (20ft. max)\$100.00
 - f) For construction of brick pavers driveways (Recorded Covenant of Construction must be on file prior to permit being issued)
 - For each drive (20 ft. max)\$100.00
6. Water and Sewer Connection.....\$105.00
7. Paving and Drainage (One Time only fee paid at initial of paving plans)
 - A. Review of plans for paving and drainage.....\$1,050
8. For construction of streets pavements, including paving of parkways and shoulders:
 - One lane or two lane pavements (width of pavement being 0 to 24 feet):
 - a) For 100 linear feet.....\$400.00
 - b) For each additional 100 linear feet or fraction thereof..... \$100.00

- Three or more lanes of pavement (aggregate width greater than 24 feet):
 - a) For 100 linear feet or less.....\$360.00
 - b) For each additional 100 linear feet or fraction thereof.....\$120.00
- Note: Fees for paving of parkways and shoulders will be priced the same as those charged for street paving.
9. For the installation of embankment and/or subgrade material in dedicated or zoned right-of-way, excluding base rock and asphalt:
 - For 100 linear feet or less.....\$120.00
 - For each additional 100 linear feet or fraction thereof.....\$35.00
 10. For construction of curb separators:
 - For 100 linear feet or less.....\$60.00
 - For each additional 100 linear feet or fraction thereof.....\$20.00
 11. For erection of street name signs, traffic or directional signs, etc:
 - For each sign.....\$20.00
 12. For construction of bridges:
 - a) For bridge roadway are of 1,000 square feet or less.....\$1,200.00
 - b) For each additional 100 sq. feet of fraction thereof...\$245.00
 13. For installation of permanent type traffic barricades, guardrails or guide posts:
 - For each additional 100 linear feet or fraction thereof.....\$90.00
 14. For construction of street or driveway culvert:
 - For each additional 100 linear feet or fraction thereof.....\$120.00
 15. Installation of culvert pipe to enclose existing drainage ditch or canal:
 - For each additional 100 linear feet or fraction thereof.....\$180.00
 16. Installation of new traffic signals (include signals, poles and all incidental wiring and interconnects):
 - For each intersection.....\$1,800.00 (50% of this fee shall be paid at time of application for plan review. This up-front fee shall be applied to the all permit fee if the permit is issued within one year of plan approval).
 17. For upgrade or modification of existing traffic signals (includes signals, poles, and Incidental wiring and interconnects):
 - For each intersection.....\$1,200.00 (50% of this fee shall be paid at time of application for plan review. This up-front fee shall be applied to the all permit fee if the permit is issued within one year of plan approval).
 18. For resurfacing, waterproofing, or seal coating in public right-of-way (does not apply to private homeowners):
 - For each 1000 square feet or fraction thereof.....\$30.00
 19. For installation of bus shelter:
 - For each shelter.....\$120.00
- B. Fees for placement of a newspaper or storage rack under permit issued by the Public Works Department, in the public right-of-way in the City, but excluding right-of-way for roads which are maintained by the State of Florida or Dade County.
1. For placement of a newspaper or newspaper to include inspection by the Public Works inspector.....\$40.00
 2. Annual renewal fee per each newspaper or newspaper storage rack.....\$20.00

- 3. Fee for removal, storage, and disposal per each newspaper or newspaper storage rack..... \$130.00
 - 4. Re-inspection fee.....\$30.00
- C. Fees for paving and drainage on private property are fixed as follows (private street pavement, drainage and curb shall be the same as listed in (A) above:
- 1. Pavement (other than street pavement):
 - For each 1000 square feet or fraction thereof.....\$30.00

D. Special Projects:

A fee equal to actual staff time and related costs shall be assessed for special projects requiring research by the Department in order to answer question proposed by property owners, homeowner's associations, developers, attorneys, realtors, contractors, or municipalities, etc., in connection with:

- (a) the use, restriction, re-subdivision, and development of properties, including right-of-way and easements;
- (b) the requirements and fees for permitting, planning, bonding, licensing, impact fees, concurrency, road engineering and/or construction, etc; and/or
- (c) the determination of any existing violations on the property through a review of department's records. Such special fees will only be levied for requests outside the scope of normal department work. A minimum \$55.00 shall be charged.

A fee equal to \$2.00 per page shall be assessed for pre-programmed computer reports on Department records. The minimum fee will be \$15.00.

- E. Review – Fence in Right-of-Way
Review of application for permission to fence within right-of-way.....\$ 600.00
- F. Public Works Construction Projects completed by Contractor to be Inspected..... \$525.00 flat fee per project.
- G. Tree Planting Fees (Planting Trees in the Right Place in the ROW - Inspection.....\$20.00

General Information on Special Fees, Refunds, Extensions and Cancellations

A. PENALTY FEES

When work for which a permit is required is commenced prior to obtaining a permit a penalty fee will be imposed. **THE PENALTY FEE WILL BE \$123.00 PLUS DOUBLE THE ORIGINAL PERMIT FEE.**

- B. Failure of owner-builder or contractor to obtain permit.....\$525.00
- C. Failure to display permit card.....\$105.00
- D. Failure to obtain required inspection.....\$525.00
- E. Failure to properly guard and protect an excavation.....\$525.00
- F. Unlawfully making an excavation which endangers adjoining property, buildings,\$1,050.00
Right-of-Way or is a menace to public health or safety.
- G. Failure to remove debris, equipment, materials or sheds on the Right-of-Way.....\$ 210.00
- H. EXTENSION OF PERMIT

A permit may be extended for a period of up to, but not more than one year, from the expiration date of the original permit, provided the Permit Section of the Public Works Department is notified prior to the expiration of the permit. If the permit is allowed to expire without requesting an extension, a new permit will be required, including appropriate fee, for the remainder of the uncompleted work.

A fee of \$73.65 shall be paid by the permit holder who submits a written request for a permit extension.

I. FINAL INSPECTION REQUESTED AFTER EXPIRATION OF PERMIT

A fee of \$120.00 will be assessed when a final inspection is required after a permit's expiration date.

J. LOST PLANS FEE

When a permitted set of plans for all type of projects are lost by the applicants, owner, contractor, or any other representative of the projects, a recertification fee will be required to review, stamp and approve a new set of plans as a field copy. Such fee shall be assessed at the cost of reproduction plus \$30.00 original public works permit fee.

K. LOST CARD PERMIT FEE

After a permit has been issued, if the permit inspection card has been lost, the applicant will be required to pay a charge of \$35.00.

L. Plan Review Minimums to include DRC (Development Review Committee) Plan Review

- A. Single Discipline Review.....\$ 80
- B. Multiple Discipline Review.....\$ 210

L. INSPECTIONS / PLAN REVIEWS REQUIRED OVERTIME:

Charges for construction inspections or plan review, which are requested in advance and require overtime, will be a rate of \$92.00 per hour and \$147.00 per hour on a holiday. Fees are over and above the original permit fee.

Reproduced records – per page\$ 0.15
 Double sided copies – per page.\$ 0.25
 Certified copies – per page..\$ 1.00
 Notary public service – per document (City business)\$ 1.00
 Notary public service – per document (Non-City business)\$ 5.00

M. RE-INSPECTION FEE

Work should be complete and ready for inspection at the time the inspection is scheduled. If the work is not ready or does not conform to Code or the approved drawings, a re-inspection will be necessary. With respect to inspections, if a local government finds it necessary, in order to enforce compliance with the Florida Building Code, to conduct any inspection after an initial inspection and one subsequent re-inspection of any project or activity for the same code violation.

\$76.00 per re-inspection

N. ACTUAL COST FOR PROJECTS REQUIRING SERVICES NOT CONTEMPLATED IN CURRENT FEE STRUCTURE TO INCLUDE DRY RUNS OR ANY OTHER PALN REVIEW REQUEST

The Director, or designee, has the authority to invoice for reimbursement of actual costs on project(s) requiring services not contemplated in the current fee structure. The invoice will consist of actual labor cost, including any and all fringe benefit costs the Department is legally obligated to pay. Additionally, the invoice will include any other indirect cost associated with the actual labor cost, as determined by the City of Miami Gardens Public Works Department and/or the Finance Section on a yearly basis.

O. RIGHT-OF-WAY IMPROVEMENT BOND FEES

- 1. Right-of-Way Project Bonding (fees required when bond documentation is submitted)
 - A. Initial Submittal and review of Agreement and Letter of Credit)..... \$ 210
 - B. Review of Agreement and Letter of Credit....\$ 55
 - C. Processing the reduction of bond amount.....\$ 105

P. Drainage/Paving Consulting Plan Review Fees.....Min.\$265

Note: Fees may vary depending on plan review time

Q. CHANGE OF CONTRACTOR OR QUALIFIER

Where there is a change of contractor or qualifier involving a permit, the second permit holder shall pay a fee of \$114.00 to cover the cost of transferring the data from the original permit to the second permit.

R. COPIES OF DEPARTMENTAL RECORDS

Plan reproductions from microfilm – per sheet\$ 6.00

S. TECHNOLOGY AND TRAINING FEE

A technology and training fee of 15% of the total Public Works permit fee shall be assessed to each permit to enhance the City’s ability to provide state-of-the-art technology to its Public Works Department customers.

T. REVISIONS

A fee of \$72.20 per hour for a minimum of one (1) hour will be applied for revisions (new constructions, commercial, water and sewer lines, paving and drainage).

A fee of \$25.00 will be applied to each request for a driveway permit.

U. AMENDMENTS TO PUBLIC WORKS PERMIT FEE SCHEDULE

All public works permits fees shall be increased by 5% annually effective October 1 of each fiscal year.

Banner Fees

Revenue Description

Florida local governments are allowed to charge a fee for the privilege of placing banners on light poles within the public right-of-way. The fee also held defray the costs of dealing with licensed installers and with damaged and errant signs that fall to the street. The Transportation Fund charges a small fee for public or private entities to install banners on public street light poles.

Legal Basis for Revenue

Florida Statutes §206.41(1)(g) and §206.41(1)(b).
 City of Miami Gardens Charter Article 4, Section 4.9
 City of Miami Gardens Ordinance 2005-07-45
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

None.

Fund/Account Number

Transportation Fund
 10-00-00-329-100-00

Use of Revenue

Transportation Fund. Unrestricted.

Method/Frequency of Payment

Fees are collected from businesses and non-profit organizations desiring to place banners on light poles. Fees are subsequently remitted to the City.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City based on historical collections and trend analysis.

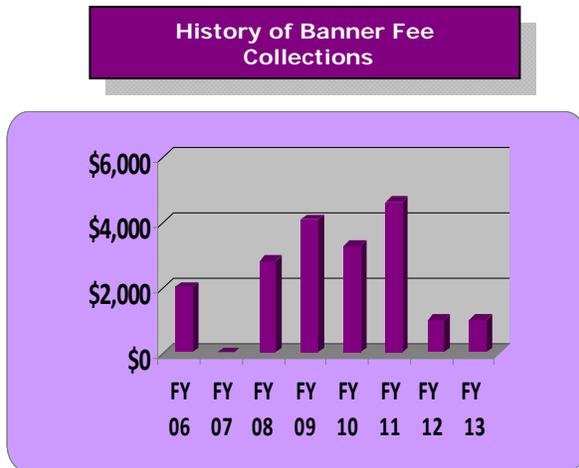

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 06	\$2,018	
FY 07	\$0	-100.0%
FY 08	\$2,850	n/a
FY 09	\$4,110	44.2%
FY 10	\$3,300	(19.71%)
FY 11	\$4,675	41.67%
FY 12*	\$1,000	(78.61%)
FY 13**	\$1,000	0.00%

* Estimated
**Budgeted

Discussion

This is a minor revenue source to compensate the City for tracking signs in the City and for the use of the public right-of-way. Usage of the sign slots declined drastically when the City imposed the fee in FY-06. Currently the City is the primary user of the slots for its holiday displays and other special events.

BANNER FEES

1. Fees: City Ordinance #2005-07-45
 - A. Basic approval fee: \$50.00
 - B. Per banner fees:
 - \$10.00 – nonprofits events to be held in the City
 - \$50.00 – profit events to be held in the City
 - \$20.00 – nonprofit events to be held out of the City

- \$75.00 – for profit events to be held out of the City

2. Regulations:

- A. Banners may only be displayed for a period of up to 30 days, unless the City Manager or his designee grants an extension, in writing.
- B. If a banner(s) is not removed by the applicant within the aforementioned 30 day time period, the City shall have the right to assess a fine of \$10.00 per day, per banner. The failure of an applicant to remove a banner(s) in the specified time may also subject the applicant to forfeiting the right to erect banners in the City in the future.
- C. Banners shall be used solely for the purpose of promoting public events, seasonal decorations or holidays, and for no other purpose.
- D. The events for which the banner is to be displayed shall be of a City or County-wide, public nature and shall have no commercial advertising except for the name and/or logo of the event or sponsor, which shall not exceed in area 20% of the banner face.

3. Other requirement:

- A. Applicant must provide an emergency contact.
- B. Banners placed on FDOT Right-of-Way must have approvals from FDOT and adhere to their regulations (Florida Statute 337.407 -- Regulation of signs and lights within rights-of-way).
- C. The City assumes no liability by the issuance of this permit. The applicant is responsible to see to the safe erection, operation, and removal of the banner.
- D. Applicants shall be responsible for the observance of all necessary safety precautions in the construction, erection and removal of flags and/or banners.

Grants and Donations

Revenue Description

Periodically, the City is awarded grants from other governmental agencies or private organizations. These grants are usually specific to a particular activity. Revenue may be received in advance of the actual performance, but more usual is for the revenues to be received after completion of the activity for which the grant was awarded. Often, partial draw downs on the grants can be effectuated upon completion of various milestones of progress toward the completion of the activity. With the creation of the Capital Improvement Fund, most grants for capital improvements that were previously received in the Transportation Fund are now managed in the CIP Fund.

Legal Basis for Revenue

Florida Statutes §166.231
City of Miami Gardens Charter Article 4, Section 4.9
City of Miami Gardens Ordinance 2007-16-122

Special Requirements: None.

Fund/Account #: TF 10-00-00-389-400-00

Use of Revenue

Transportation Fund. Restricted to the purpose for which it was received.

Method/Frequency of Payment

Occasional. No set frequency.

Basis for Budget Estimate

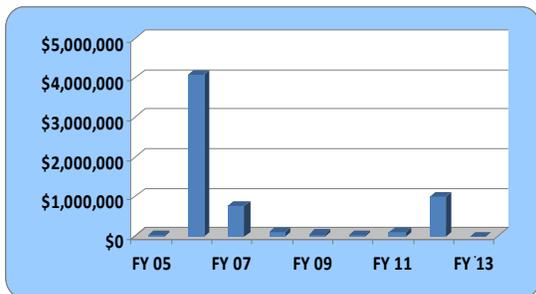

Estimate f is based on approved grant awards.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$17,911	
FY 06	\$4,065,829	22,600.2%
FY 07	\$751,242	(81.5%)
FY 08	\$110,408	(85.3%)
FY 09	\$39,671	(64.06%)
FY 10	\$26,687	(32.73%)
FY 11	\$85,128	218.99%

History of Grants and Donations Revenue to the Transportation Fund

Discussion

Generally, grants for the Transportation Fund are received by the CIP Fund. Only operating grants are accounted for here. These include equipments grants and program grants received by Keep Miami Gardens Beautiful. The spikes in FY-06/07 were a result of Hurricane Wilma Reimbursement grants.

Stormwater Management Overhead Charge

Revenue Description

While the employees, projects and operational expenditures of the City's Stormwater Utility are paid

directly from Stormwater Utility Fund accounts, it is the Transportation Fund that is responsible for the day-to-operation of the Stormwater Utility's activities. In order to reimburse the Transportation Fund for these efforts, the Transportation Fund charges a 2 1/2% management fee to the Stormwater Utility Fund. The fee is based on the total operating expenditures of the Stormwater fund.

Legal Basis for Revenue

Florida Statutes §166.231
City of Miami Gardens Charter Article 4, Section 4.9
City of Miami Gardens Ordinance 2006-25-106
City of Miami Gardens Resolution 2006-143-489
City of Miami Gardens Ordinance 2007-16-122

Special Requirements: None.

Fund/Account #: TF - 10-00-00-381-029-41

Use of Revenue

Transportation Fund. Unrestricted.

Method/Frequency of Payment

Budgeted amount is transferred 1/12th monthly from the Stormwater Utility to the Transportation Fund.

Basis for Budget Estimate

Estimate for the budget is based total operational expenditures in the Stormwater Utility Fund.

Collection History

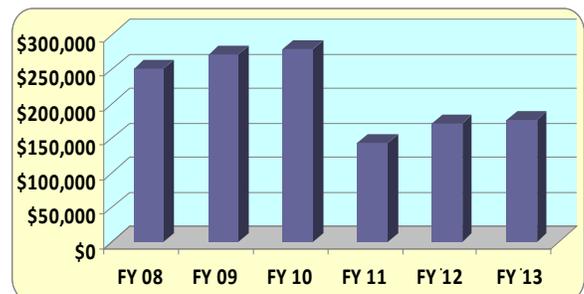

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase (Decrease)</i>
FY 08	\$252,184	
FY 09	\$272,286	7.12%
FY 10	\$280,000	2.83%
FY 11	\$143,730	(48.67%)
FY 12*	\$171,273	19.16%
FY 13**	\$176,724	3.18%

* Estimated
** Budgeted

Discussion

FY-08 was the first full year of the City's Stormwater Utility's operations and the first year of the administrative management charge. The fee is based on 2 ½% of the Stormwater operating expenses.

History of Stormwater Management Fee to the Transportation Fund

Interest Income

Revenue Description

Generally, the City deposits its revenues in a general operations account at its authorized depository. These funds earn interest in this account until expended. Routinely however, the City has more funds in this account than is actually necessary to meet operational needs at any particular time. In those cases, funds are transferred to the Florida State Board of Administration account which generally earns 30 to 50 basis points higher than a commercial bank deposit.

Since the City received the CITT settlement in FY 2012, it is projected that interests will be allocated for FY 2013.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 & Section 8.4
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements:

None.

Fund/Account Number:

Method/Frequency of Payment

Interest is credited to the Transportation Fund on a monthly basis in proportion to their participation in pooled cash.

Basis for Budget Estimate

Estimate for the budget is based on historical receipts and trend analysis and anticipated cash available for deposit.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 10	\$694	
FY 11	\$0	(100%)
FY 12*	\$0	0.0%
FY 13**	\$5,000	100%

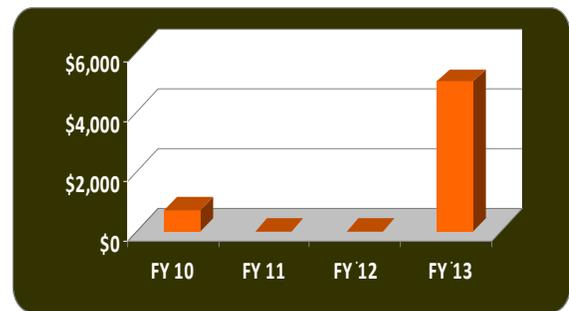

* Estimated

** Budgeted

Discussion

Historically, all city interest earned was received by the General Fund; however, in FY-10, interest receipts were allocated to the earning fund. FY 13 increase is attributed to CITT settlement.

History of Interest Revenue to the Transportation Fund

FDOT Landscaping Agreement

Revenue Description

As part of the City's overall beautification program, the City requested of FDOT the task of maintaining state road medians within the City. This has allowed the City to upgrade the planting in these medians and swales. The agreement calls for the State to pay the City each year the same amount it would have paid a private contractor to maintain these medians.

The actual cost of upkeep of these medians is significantly higher as the City has added water and thousands of plants.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 & Section 8.4
 City of Miami Gardens JPA Agreement with FDOT.

* Estimated
** Budgeted

Discussion

Each year, the City budgets its entire fund balance in all of its operating funds. In the first two years of the Transportation Fund, the fund balance reserve grew; however, largely as a result of Hurricane Wilma, the reserve declined significantly. It is estimated that the total of un-reimbursed expenses for the Hurricane were in excess of \$800,000. Additional decline is due to several special projects which have required additional funds to complete. The largest of these was the NW 27th Ave, Beautification Program done in conjunction with the Super Bowl in 2007. For the first time in FY-09, FY-10 and again in FY-11 the Fund needed a small subsidy from the General Fund to balance; though in the former two years, it was not used as funds remained at year-end. This was due largely to the decline in State Revenue Sharing receipts.

As the economy picks up, this should no longer be necessary. The County is now planning on giving the City its fair share of the ½ cent sales tax for transportation. If we receive this \$3.5 million per year, the fund will once again be able to maintain an appropriate reserve.

History of DOT Median Maintenance Revenue

Other Non-Operating (Unreserved Fund Balance)

Revenue Description

It is the City's policy to budget the fund balance reserve each year. This provides additional flexibility should emergency funding is needed and provides the public with transparency with regards to our reserve balance.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20

Use of Revenue: Transportation Fund. Unrestricted.

Method/Frequency of Payment

History of Budgeted Fund Balance Reserve in the Transportation Fund

1/2 Cent Sales Tax Surcharge

budget as the settlement has not been approved by all involved.

Revenue Description

In 2002, Miami-Dade County held a referendum to raise the general sales tax by ½ cent and to dedicate this additional revenue to funding transportation needs. As part of the process, the County entered into agreements with all then existing cities to share this revenue if it passed. The County would keep 80% and the cities would share 20%. Even though the original resolution establishing this arrangement stated that if new cities came along, they would negotiate with the County for their proportionate share. Three cities have incorporated since that date and the County has refused to negotiate in good faith with any of them (Miami Gardens, Doral and Cutler Bay).

Revenue received under this tax must be used by the cities for transportation purposes only. At least 20% must be used for transit-related purposes and the balance can be used for other transportation needs.

In FY-11, the City sued the County for these fund in FY 2012, the County settled with a payment of approximately \$10.2 million.

Legal Basis for Revenue

State Statute
Miami Dade Ordinance

Special Requirements

20% must be used for Transit-related expenditures and 80% must be used for other transportation-related expenses.

Fund/Account Number

Method/Frequency of Payment

Revenue is collected upon application for a permit or other requested activity.

Basis for Budget Estimate

Estimate for budgeting purposes is made by the City staff based on historical collections and trend analysis. This is adjusted by an estimate of new construction expected in the subsequent year.

Collection History

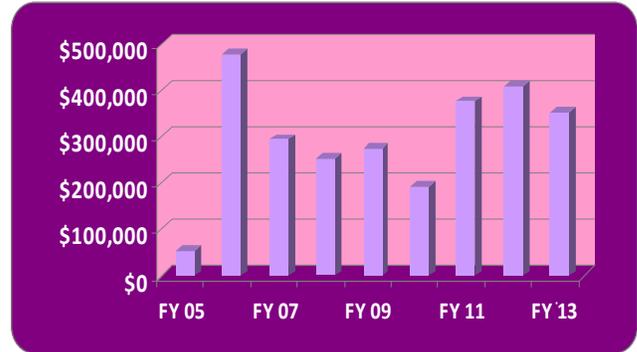

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 05	\$542,765	
FY 06	\$476,443	-12.2%
FY 07	\$292,988	(38.51%)
FY 08	\$253,024	(13.64%)
FY 09	\$273,541	8.1%
FY 10	\$190,058	(30.52%)
FY 11	\$375,001	97.31%
FY 12	\$408,929	9.05%
FY 13**	\$350,000	(14.41%)

*Estimated
 **Budget

Discussion

Prior to FY-05, all Planning and Zoning activity was handled by Miami-Dade County. FY-05 and FY-06 saw significant development activity which is reflected in the revenues. FY-07 thru FY-10 reflect the major downturn in development activity faced by all of South Florida. FY-11 is expected to reflect a moderate increase in development activity. FY 12 increase is attributed to permits issued for the City Hall project with FY-13 returning to normal activities.

History of Planning & Zoning Fee Collections

Fee Schedule

The Miami Gardens Planning and Zoning Department charges and collects fees for the items and rates listed in the following schedule:

I. TENTATIVE PLAT

- A. Fee to accompany Tentative Plat application:
 - 1 -6 sites \$2,082.00
 - *7 or more sites (base rate)..... \$2,082.00
 - amount added to base rate for each site over 6 sites.... \$10.90*
- B. Fee for resubmission of Tentative by same or new owner (revision).... \$684.00*

Additional Fee is required for sites added prior to the approval of the Tentative, base on the number of additional sites.
- C. Fee for review of Tentative Plat, new owner application (no revision) ...\$468.00
- D. **Resubmission of Tentative due to non-compliance to Platting committee recommendations**
 - Second resubmission of Tentative to non-compliance to Platting Committee recommendation..... \$1,000.00
- E. **Fee to request an extension of the original Tentative Plat Approval period determined by Chapters 28 & 33G of the Miami-Dade County Code**
 - Before expiration of the approval period..... \$996.00*
 - After the expiration of the approval period \$1,932.00

II. WAIVER OF PLAT After approval of a Waiver of Plat, any change shall be submitted as new Waiver of Plat. If approved, the new submittal will nullify the previously approved Waiver of Plat.

- A. Fee to accompany Waiver of Plat application (new application)..... \$2,082.00*
- B. Revision of previously deferred Waiver of Plat to change parcels at owner's request (same or new owner) \$546.00
- C. Review of Waiver of Plat, new owner application (no revision)..... \$468.00

D. Resubmission of Waiver of Plat due to non-compliance to Platting committee recommendations

Second resubmission of Tentative to non-compliance to Platting Committee recommendation..... \$1,000.00

III. WAIVER OF SUBDIVISION CODE REQUIREMENTS

A. Additional fee for review of Tentative Plat or Waiver of Plat which entails a request for a waiver of subdivision code requirements \$468.00

B. Fee for Request for waiver of Underground Ordinance \$156.000

C. Correspondence answering inquiries \$117.00

IV. PAVING AND DRAINAGE One time only flat fee paid at initial submittal of paving/drainage plans.

A. Fee for review of plans for paving and drainage..... \$1,000.00

VI. FINAL PLAT Final Plat fee to be paid at the time the Final Plat is submitted for review:

A. Fees for Final Plat (concurrency fee of 6.00% does not apply)

10 sites or less..... \$2,000.00

11 to 100 sites..... \$2,000.00

plus \$150.00 per site in excess of ten sites

101 or more sites.. \$15,500.00 plus

\$120.00 with a maximum fee of \$25,000.00

B. Fee for reverting any previously recorded plat..... \$2,000.00

VI. RIGHT-OF-DEDICATION, ROAD CLOSING AND RELEASE OF RESERVATION

A. Fee for Right-of-WAY dedication..... \$300.00

B. Fee for release of reservation \$300.00

C. Road closing Petition

1. Fee for road closing process..... \$800.00

2. Discussion

Occasionally, a developer will request the establishment of a special purpose government pursuant to Florida Statutes §190.05(1). The City's planning department reviews the applications and makes a recommendation to the City Council. The City Council, in turn, makes a recommendation to the Board of County Commissioners. Final approval lies with the BCC. Currently the City has three CDD's (plus one in approval stages as of

10/1/07); however, one was approved prior to the City instituting the fee.

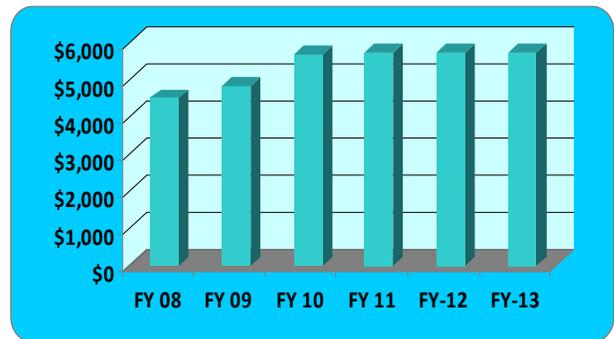

While Community Developments are a special purpose government, most of its activity impacts the City. Often these districts are responsible for road, utility and drainage maintenance. These system feed into the City's systems. Also, when the District has completed paying for these infrastructure improvements, they generally become the property of the City. The City must monitor the District's maintenance activity to ensure that when these assets become the City's, they will be transferred in good condition. Additionally, the city receives numerous calls form the residents in these districts complaining about the infrastructure. These calls must be checked and routed to the District for correction where appropriate.

Fee Schedule

District Application Fee (all sizes) \$15,000
 Districts Monitoring Fee (all sizes) \$1,000 or \$100 per unit per year, whichever is

History of Building Permit Revenue to the Development Services Fund

Discussion

Prior to FY-05, all building permit activity was handled by Miami-Dade County. In FY-05, the City established its own department; however, the City retained the County fee schedule. FY-06 saw significant development activity which is reflected in the revenues; however, with the development bust in FY-07, revenues declined significantly and have remained low. This has resulted in the General Fund having to subsidize the Fund by over \$1 million in FY-08; \$1.8 million in FY-09; and \$1.2 million in FY-10. FY-11 is expected to be some \$600k short. FY 12 increases is attributed to the issuance of permits of the City Hall Project.

A. General Information

1. Amendments to the Building Services Division Permit Fee Schedule

Per building permit fee shall be increased annually by 5% effective October 1 of per year.

2. Effective Date

This fee schedule shall be effective October 1, 2011.

3. Exemptions for Permits

a. Exemptions from Building Permits but requiring a (ZIP) Zoning Improvement Permit

Certain buildings, structures, improvements, and installs are exempted by the Florida Building Code from building permit issuance, but must otherwise comply with the minimum of this section. Therefore, such building structures, improvements, and installs shall be subject to review under the Zoning Improvements Permits (ZIP) standards contained in this section, as well as the regulations of the underlying zoning district.

The following buildings, structures, improvements, and installs shall require a ZIP from the Department of Planning and Zoning:

1. Above ground pools that contain water less than twenty-four (24) inches deep;
2. Agricultural/farm buildings and non-habitable structures on bona fide farms;
3. Canopy carports, canopies and other fabric covered framework installed on residential properties;
4. Chickee huts constructed by Miccosukee or Seminole Indians;
5. Picket fences, ornamental iron fences and other fences installed on residential property that are deemed non-wind resistant; provided, however, any pool safety barrier fence and any fence with concrete columns shall require a building permit;
6. Decorative reflective pools and fishponds that contain water less than twenty-four (24) inches deep, that contain less than 250 s/f in area, and contain less than 2,250 gallons in volume;
7. Decorative garden-type water type fountains;
8. Signs – balloon type;
9. Signs – painted wall type;
10. Signs – stick on letter type;
11. Buildings and structures specifically regulated and preempted by the Federal Government;
12. Temporary buildings or sheds used exclusively for construction purposes;
13. Mobile homes used as temporary offices, except that the provisions of the Florida Building Code relating to accessibility by persons with disabilities shall apply to such mobile homes; and

14. Paving and drainage.

The Building Director shall have the authority to require a ZIP review for other buildings, structures, improvements, and installs that are newly created or come about by changes in the state or local building codes.

- b. Building Permit Exemptions NOT Requiring a (ZIP) Zoning Improvement Permit
The following construction improvements do not require a building permit by the Florida Building Code, or a Zoning Improvements Permit (ZIP). However, other regulating agencies may require a permit.

1. Surfacing of floors or slabs with carpet, tile, brick, wood, Chattahoochee.
2. Kitchen cabinets, vanities or paneling install inside residential units. Any associated plumbing and electrical work may require a permit.
3. Playground equipment (swings, slides, monkey bars, basketball hoops, doghouses and pump covers) for residential use. All equipment
4. Excavation of swales and drainage holding areas above the water table and in compliance with the Department of Environmental Resources Management (DERM) regulations.
5. Ironwork for decorative purposes only (security bars and doors and railings require a permit).
6. Interior or exterior painting and roof painting (water tight coatings require a permit).

- c. Mechanical Exemptions for Residential & Commercial Properties

The Florida Building Code Section 104.1 establishes the following permit exemptions for mechanical work:

1. Any portable heating appliance.
2. Any portable ventilation equipment.
3. Any portable cooling unit.
4. Any steam, hot or chilled water piping within any heating or cooling equipment regulated by this section.
5. Replacement of any part which does not alter its approval or make it unsafe.
6. Any portable evaporative cooler.
7. Any self-contained refrigeration system containing 10lbs. (4.54 kg.) or less of refrigerant and actuated by motors of 1 horsepower (746 W) or less.
8. The install, replacement, removal, or metering of any load management control device.

4. Interest Charges on Unpaid amounts due to the City of Miami Gardens Building Services Division

The City of Miami Gardens Building Department is authorized to impose an interest charge on any and all unpaid amounts which are due to the Department. This includes, without limitation, items such as past due boiler fees, 40 year recertification fees, Civil Violation fines and demolition costs. The City of Miami Gardens Building Department shall also have

the authority to charge interest as part of any settlement agreement of installment payment plan to recover fees, fines or costs as well as outstanding liens. The interest charged shall be assessed as provided for in applicable County Code provisions or administrative orders. In all other cases, interest shall be charged from the date the amount was due and payable to the Department computed at the rate of ten percent (10%) per annum. The Department Director or designee shall have the right to waive all or any portion of the interest charged in order to ensure public safety concerns are met.

5. Time Limitations and Refunds

The fees charged pursuant to this schedule, may be refunded by the municipality subject to the following:

- a. No refund shall be made on requests involving
 1. Permit fees of one hundred dollars (\$100.00) or less; or
 2. Permits revoked by the Building Official or Director of the Building Department under authority granted by Florida Building Code, of
 3. Permits cancelled by court order, or
 4. Conditional permits; or
 5. Permits which have expired; or
 6. Permits under which work has commenced as evidenced by any recorded inspection having been made by the Building Department; or
 7. When there is a change of contractor.
- b. A full refund shall be granted to a permit holder who takes out a permit covering work outside the jurisdictional inspection area.
- c. A full refund less than one hundred dollars (\$100.00) or fifty percent (50%) of the permit fee, whichever amount is greater, rounded down to the nearest dollar shall be granted to a permit holder who requests a refund, provided:
 1. That the permit holder makes a written request prior to permit expiration date; and
 2. That the applicant's validated copy of the permit be submitted with such a request; and
 3. That no work as evidenced by any recorded inspection has commenced under such a permit.

B. Administrative Fees

- 1. Actual Cost for Projects requiring services not contemplated in the current fee structure.**

The Director, or designee, has the authority to invoice for reimbursement of actual costs on project(s) requiring services not contemplated in the current fee structure.

The invoice will consist of actual labor cost, including any and/or all fringe benefit costs the Department is legally obligated to pay. Additionally, the invoice will include any other indirect cost associated with the actual labor cost, as determined by the City of Miami Gardens Building Department's Finance Section on a yearly basis.

All of this (these) project(s) will have mutually agreed on contract(s), which will be maintained in the Finance Section. The Director will also have the ability to request a deposit amount that is mutually acceptable to the Department and company or individual that is legally responsible for the project(s). The deposit amount shall be used to offset the final invoiced project cost; if any amount is remaining, it shall be returned to the party that executed the agreement with the Department. The life span of the project(s) shall be included in the agreement.

2. Administrative Fees

Building administrative fees for Planning & Zoning processing. **\$ 10.50**

3. Annual Facility Permit Fees

In accordance with provisions of the Florida Building Code and the Miami-Dade County Code Chapter 10, per firm or organization in the City of Miami Gardens which performs its own maintenance work with certified maintenance personnel in Factory-Industrial (Group F) Facilities, as well as helpers there under, may pay to City of Miami Gardens an annual Master and Subsidiary Facility Permit (Premise Permit) - fee in lieu of other fees for maintenance work. Such fee shall be paid to the Building Department and such permit shall be renewed annually at a fee which is calculated in accordance with the provisions of this sub-section.

Prior to per Facility Permit's expiration; the holder will be sent a renewal notice to continue the Premise Permit for the next renewal period. The fee will be the same as the original Facility Permit Fee. No allowance shall be made for late renewal fees or part year renewal fees.

a.	Master Facility Permit Fee	per employee	\$ 66.15
		MINIMUM	\$ 1,252.44
b.	Subsidiary Facility Permit Fee	per employee	\$ 66.15
		MINIMUM	\$ 350.60

4. Change of Architect, Contractor and/or Engineer

Where there is a change of contractor or qualifier involving a permit, the second permit holder shall pay a fee of one hundred thirteen dollars and forty cents to cover the cost of

transferring the data from the original permit to the second permit.
per change \$ **119.07**

per page \$ **0.18**

6. Double Fees

a. When work for which a permit is required is commenced prior to obtaining a permit, the permit applicant will be required to pay the penalty fee, of **one hundred thirty-two dollars and thirty cents** plus 100% of the usual permit fee in addition to the required permit fee established herein. The payment of the required fee shall not relieve any person, firm, or corporation from fully complying with all of the applicable regulations and codes, nor shall it relieve them from being subject to any of the penalties. The double fee requirement shall be applicable to all sections of the Building Department noted herein.

b. For the second offense of doing work without a permit, the permit applicant shall be required to pay twice the penalty fee, **two hundred sixty-five dollars and seventy cents** plus a double permit fee. For per subsequent offense, the permit applicant shall be required to pay five times the penalty fee, **six hundred and sixty-four dollars and eighty-one cents** plus a double permit fee.

Per Offense
2 times permit fee amount
_{1st offense penalty} \$ **132.30**

2 nd offense penalty	\$	265.70
3 rd offense penalty	\$	664.81

7. Inspections and Plan Reviews

a. Additional Inspections Fees

The building permit fee entitles the permit holder to an initial and follow-up inspection for per type of mandatory inspection. All work shall be inspected and deficiencies shall be noted by the building inspector. When the work to be inspected is only partially complete, the inspection shall be performed on those portions of the work completed, provided that compliance with the applicable Building Code(s) may be determined with respect to those portions. A permit holder shall pay a fee of **eighty-two dollars and sixty-nine cents** for per added inspection required to assure compliance with the applicable Building Code(s) beyond the initial and one follow-up inspection. All additional inspection fees shall be paid by any method acceptable to the City of Miami Gardens.

per inspection	\$	82.69
----------------	----	-------

b. Consultation after regular hours of operation

Development Services Technology Surcharge

Revenue Description

Revenue comes from a 15% local surcharge on all permits and fees collected in the Development Services Fund except impact fees.

Legal Basis for Revenue

Florida Statutes §166.231
 City of Miami Gardens Charter Article 4, Section 4.9
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

None.

Fund/Account Number

Development Services Fund
 15-00-00-345-200-00

Use of Revenue

Development Services Fund. Funds are to be used for the addition and improvement of technology used by the fund.

Method/Frequency of Payment

Concurrent with all other fees paid.

Basis for Budget Estimate

Estimate for the budget is based on a percentage of the permit fee estimate.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 06	\$4,446	
FY 07	\$331,495	7356.00%
FY 08	\$148,696	-55.14%
FY 09	\$44,488	-69.37%
FY 10	\$0	-100%
FY 11	\$132,713	100%
FY 12*	\$269,096	102.77%
FY 13**	\$218,301	(18.88%)

Estimated

** Budgeted

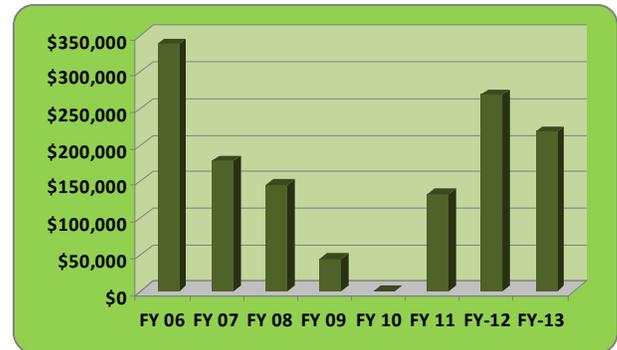

Discussion

This fee was originally imposed when the City assumed the operation of the Planning, Zoning and Building departments because of our lack of revenue history. Staff was concerned that sufficient funds to operate would not be generated by the normal permit fees. The fee has been renewed each year in order to provide sufficient revenue to run the Fund's activities. In FY-08, the fee was designated as a technology fee to help the City recover and expand technology-related expenses. The wide variation in revenue is due largely to the inaccurate coding of revenue during

the City's early days before full automation of the revenue system.

From the graph above, the effects on revenue of the economic slowdown is obvious.

History of Technology Surcharge in the Development Services Fund

General Fund Subsidy

Revenue Description

It is the City's policy to budget the City's fund balance reserve each year. This provides additional flexibility should emergency funding be needed and provides the public with transparency with regards to our reserve balance.

Generally, the Development Services Fund should be a self-balancing operation; however, starting in 2008, the Fund has had to have a direct subsidy from the General Fund in order to cover operational costs.

History of General Fund Subsidy to the Development Services Fund

Discussion

Each year, the City budgets its entire fund balance in all of its operating funds. In the first year of the Development Services Fund, the fund balance reserve grew substantially due to the hot development scene; however, as a result of economic turndown, the reserve has been depleted and a subsidy has been required to balance the budget. FY-10 saw more of the same, albeit less. In order to balance the FY-11 budget, \$103,690 had to be transferred from the General Fund as a subsidy. To date, \$3,659,297 has been transferred from the General Fund to the Development Fund. These funds will be paid back when conditions improve.

Interest Income

Revenue Description

This revenue results from the investment of idle City funds. Since the City's incorporation, interest earned was retained by the General Fund; however, in FY 08, the City will begin allocating interest earned to the various operating funds in proportion to their participation in pooled cash. Generally, the City deposits its revenues in a general operations account at its authorized depository (bank). These funds earn interest in this account until expended. Routinely however, the City has more funds in this account than is

actually necessary to meet operational needs at any particular time. In those cases, funds are transferred to the Florida State Board of Administration account which generally earns 30 to 50 basis points higher than a commercial bank deposit.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4

History of Earned Interest to the Development Services Fund

Discussion

From FY-04 through FY-06, the City received interest on its idle cash and that interest earned was retained by the General Fund. In FY-07, the City began to allocate interest earnings based on a Fund's proportionate share of the pooled cash. The decrease in FY-08 and FY-09 are due to the decline of the fund balance. Until the Fund begins to have a positive balance sheet, no interest will be earned.

**SPECIAL REVENUE
FUND**

Impact Fees

Revenue Description

Impact fees are charged on new land development and also on the expansion, replacement or change of use of existing land uses and are designed to capture a portion of the cost of providing the capital infrastructure needed to integrate the development into the existing community. They can only be used for new services or capital expenditures designed to serve this new population or business.

The City of Miami Gardens, through Miami-Dade County, levies several impact fees. These include impact fees for Law Enforcement, Parks Open Space and Parks Improvements. Also included is a General Administration Fee that is assessed as part of the fees.

- Law enforcement impact fees are imposed upon all land uses that create an impact on law enforcement services. This includes Commercial, Industrial and Residential.
- Parks and recreation Open Space impact fees are imposed upon all land uses that create an impact on City parks.
- Parks and recreation Improvement impact fees are imposed upon all land uses that create an impact on City parks.
- Admin Fees

In addition to the above impact fees, Miami-Dade County levies impact fees on development within the City including Road and School impact fees.

Legal Basis for Revenue

Article VIII, Section 1(g), Florida Constitution
 Florida Statutes §125.01, §163.3161, §236.24(1), §380.06
 City of Miami Gardens Charter Article 4, Section 4.9
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

Funds collected from impact fees cannot be used to replace existing capital facilities or to fund existing deficiencies, but only to provide for new capital facilities, which are necessitated by new development.

Prior to the imposition of impact fees, the local government must conduct a study to establish the costs to be recovered through the fees. Miami-Dade County conducted these studies for the City of Miami Gardens when this area was unincorporated.

FY 12*	\$73,752	35.72%
FY 13**	\$15,000	(79.66%)

Discussion

Impact fee collection varies with the construction economy. The City began collection of its own impact fees in FY-05. Also in FY-05, Miami-Dade County remitted prior year collections to the City (FY-03 to FY05). That accounts for the extraordinary collection amount in that year.

FY-07 reflects the height of the construction boom in South Florida with the downturn in overall construction activity reflected in the FY-08.

**Law Enforcement Training
Trust Fund (L.E.T.T. F.)**

Revenue Description

The distribution of traffic fines is regulated by Florida Statute 318.18 and 318.21. These laws clearly describe where certain portions of a traffic fine are to be distributed. For instance, a set amount goes to the Child Welfare Trust Fund (\$1.00) and the Juvenile Justice Trust Fund (\$1.00). Other distributions are by percentage: 20.6% to the State's General Fund, 7.2% to the Emergency Medical Services fund, 8.2% to the Brain & Spinal Cord fund, etc.

When a citations is issued within a municipality, the statutes allocate 50.8% of the fine to the City's General Fund (Florida Statutes §318.21(2)(g)(2)). An additional \$2.00 per ticket is designated to be used for law enforcement training purposes. The City has established a Law Enforcement Training Trust Fund (L.E.T.T.F.) to receive these funds per Florida Statute §938.15 and §318.18(1)(d).

Legal Basis for Revenue

Florida Statutes §318.18(1)(d) and §938.15
City of Miami Gardens Charter Article 4, Section 4.9
City of Miami Gardens Ordinance 2007-16-122

Special Requirements

Municipalities and counties may assess an additional \$2.00 on each ticket to pay for expenditures for criminal justice education degree programs and training courses, including basic recruit training, for their respective officers and employing agency support personnel, provided such education degree programs and training courses are approved by the employing agency

administrator, on a form provided by the State, for local funding.

Workshops, meetings, conferences, and conventions shall, on a form approved by the state for use by the employing agency, be individually approved by the employing agency's administrator prior to attendance. The form shall include, but not be limited to, a demonstration by the employing agency of the purpose of the workshop, meeting, conference, or convention; the direct relationship of the training to the officer's job; the direct benefits the officer and agency will receive; and all anticipated costs.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 06	\$13,348	
FY 07	\$22,843	71.1%
FY 08	\$14,280	(32.49%)
FY 09	\$22,923	102.14%
FY 10	\$18,386	(19.79%)
FY 11	\$19,281	4.87%
FY 12*	\$14,294	(25.86%)
FY 13**	\$15,000	4.94%

* Estimated

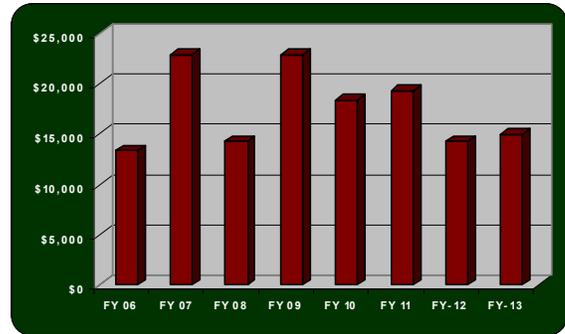

** Budgeted

Discussion

The City receives these funds as part of each traffic ticket issued within the City's municipal boundaries. Thus far, the City has not spent any of these funds. With the start-up of our department in December 2007, we should begin using the funds in the future.

This revenue is based on traffic tickets issued, thus we expected and saw an increase after our police department was created in FY-09. Overall, revenue is small and fairly stable.

History of Law Enforcement Training Trust Fund Revenues (\$2 Funds) to the Special Revenue Fund

Interest Income

Revenue Description

This revenue results from the investment of idle City funds. Since the City's incorporation, interest earned was retained by the General Fund; however, in FY 08, the City will begin allocating earned interest to the various operating funds in proportion to their participation in pooled cash.

Generally, the City deposits its revenues in a general operations account at its authorized depository (bank). These funds earn interest in this account until expended. Routinely however, the City has more funds in this account than is actually necessary to meet operational needs at any particular time. In those cases, funds are transferred to the Florida State Board of Administration account which generally earns 30 to 50 basis points higher than a commercial bank deposit.

**REVENUE
MANUAL**
For FY-2012 - 2013

**CAPITAL
PROJECTS FUND**

Grants and Donations

Revenue Description

Periodically, the City is awarded construction grants from other governmental agencies or private organizations. These grants are usually specific to a particular project. Revenue may be received in advance of the actual performance, but it is much more likely for the revenues to be received after completion of the activity for which the grant was awarded and paid on a reimbursement basis.

Often, partial draw downs on the grants can be effectuated upon completion of various milestones of progress toward the completion of the activity. With the creation of the Capital Improvement Fund, most grants for capital improvements that were previously received in the other operating Funds are now managed in the CIP Fund.

Legal Basis for Revenue

FY 12	\$3,733,607	(29.39%)
FY 13**	\$0	(100%)

* Estimated
 ** Budgeted

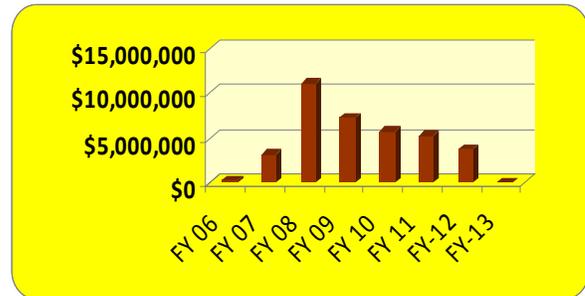

Discussion

Grants have comprised a major portion of the construction capital that the City has had available since its inception. Local, state and Federal grants has been received for a variety of activities including parks, roads, stormwater and beautification.

Until FY-06, such grants were accounted for in the appropriate operating fund; however, this tended to distort the finances of the fund, thus in FY-06 the Capital Project Fund was created and all grants except those in enterprise funds are accounted for here.

Funds not expended in any particular fiscal year are carried over to the new budget in the same line item for continuity. Funding for FY-13 is \$0 at this time although we know that we will be receiving a UASI grant but the amount is not known at this time.

History of Grants and Donations Revenue to the Capital Projects Fund

Proceeds of Long Term Debt (Bonds)

Revenue Description

Periodically, the City issue debt in order to finance its major capital projects. These projects range from street improvements, parks acquisition and improvements, the purchase of property and the design/construction of new building and facilities, and the purchase/renovation of older buildings.

Bonds are the municipal way of borrowing. The City issues bonds or notes upon which the City indicates the interest rate it will pay to the lender and the timeframe for repayment. There are several varieties of bonds, but the most common is the revenue bond. Revenue bonds are loans backed the City's pledge of certain, specified revenue for repayment. These pledged revenues can be almost any revenues the City receives except property taxes. Revenue bonds are usually sold on a negotiated basis with potential lenders. Smaller revenue issues, like ours, are solicited on a competitive basis with area lending institutions through sealed bids.

If property taxes are pledged, Florida requires that such bond be approved by a referendum of the voters. This pledge states that the City will guarantee the repayment of these bonds even it takes a tax increase to do so.

These tax-backed bonds are called General Obligation Bonds (GO Bonds). These are usually sold on the open market in New York City through a major underwriting agency.

FY 12*	0	(100%)
FY 13**	0	0%

* Originally recorded in the General Fund
 ** Budgeted from a COP issue for City Hall

Discussion

The City has issued two facility improvement revenue bonds since its inception in 2003. The first was a \$7.5 million issued backed by the Communications Services Tax, State Revenue Sharing and the County 3-cent Gas Tax. These funds were used for the purchase of a parks addition to Rolling Oaks Park, the purchase of a pocket park off NW 37th Avenue, purchase of right-of-way for a road project at NW 27th Ct. and NW27th Avenue, NW27th Avenue beautification, and the police and public works complex.

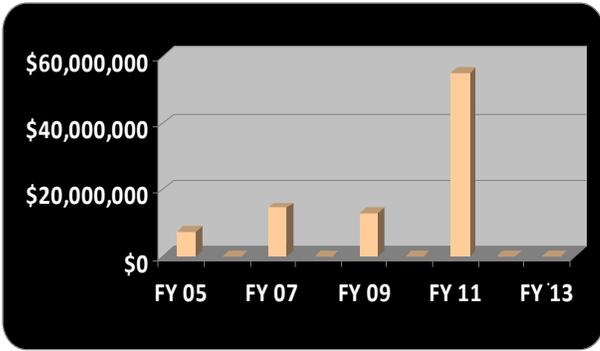

The \$14.4 million revenue bond issue was also backed by the Communications Services Tax and State Revenue Sharing revenues. These funds were designated for renovation of the police and public works facilities, the construction of a fuel

station for City vehicles, the purchase of additional parks property, and other miscellaneous capital needs.

In FY-09, the City issued a taxable revenue bond (\$8.8 million) secured by the electric utility tax. These bonds were for the purchase of two parcels of developer-owned property for possible resale under the City's economic development program. The City also issued \$4 million in revenues bonds to purchase a 14 acre parcel with 5 existing building for a senior center and botanical garden.

FY-11 will see the issuance of \$55,000,000 in Certificates of Participation (COPS) to finance the City's new City Hall complex.

History of Bond Proceeds Available in the CIP Fund

Transfers In

Revenue Description

Transfers-in represent two types of transfers from other operating Funds. The first are capital transfers. These are programmed transfers of funds for specific capital projects. With the addition of the Capital Improvement Projects Fund, most capital projects are now funded in, and managed out of, this Fund. These transfers represent either the full or partial cost of a proposed project. Often, these funds are the City's match for a grant that was received.

The second type of transfer-in is for debt service on the City's capital-related bond issues. The projects undertaken with bond funds thus far have been for the benefit of both the General Fund and the Transportation Fund. Both Funds transfer their proportionate share of the annual debt service to the CIP Fund from where the bond payment is actual made.

Legal Basis for Revenue

Florida Statutes §166.231
 City of Miami Gardens Charter - Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4.
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

None.

Fund/Account Number

Capital Improvement Project Fund: 30-00-00-381-015-10 to 30-00-00-381-030-01

Use of Revenue

Capital Improvement Projects Fund. Restricted.

Method or Frequency of Payment

Transferred with the approval of the annual budget.

Basis for Budget Estimate

Estimate for the budget is based on a formula which varies for each covered service. These are as follows:

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 06	\$376,380	
FY 07	\$8,752,020	2225.3%
FY 08	\$4,884,197	(44.19%)
FY 09	\$1,700,000	(65.19%)
FY 10	\$2,235,869	31.52%
FY 11	\$960,661	(57.03%)
FY 12	\$936,847	(2.48%)
FY 13**	\$4,518,298	382.29%

* Estimated
** Budgeted

Discussion

Transfers-in to the Capital Projects Fund are largely as a result of capital construction programs being carried out by other Funds. Often they are needed to supplement a grant that was received. Also, the City Council periodically transfers monies into the Fund to use for future projects and for contingency on current projects.

History of Transfers-In in the Capital Projects Fund

Interest Income

Revenue Description

This revenue results from the investment of idle City funds. After the City's incorporation, interest earned was retained by the General Fund; however, in FY

*City of Miami
Gardens*

**REVENUE
MANUAL**
For FY-2012 - 2013

**STORMWATER
UTILITY FUND**

Stormwater Utility Fee

Revenue Description

USEPA has required that local governments have a program to deal with stormwater runoff, improve water quality discharge, to maintain the existing stormwater discharge system, to implement and remain compliant with the Environmental Protection Agency's National Pollutant Discharge Elimination System (NPDES) Permit Program through efficient operations and the use of Best Management Practices (BMP).

In order to implement such a program, the State of Florida has authorized local governments to establish stormwater utilities and to charge a fee such as necessary to cover the costs of such a program. Miami-Dade County initially established a stormwater utility for the Miami-Gardens area. In April of 2006, the City assumed management of the utility through its own ordinance and interlocal agreement with the County.

Under the Miami Gardens Stormwater Utility, each property is charged a monthly fee of \$4.00 per Equivalent Residential Unit (ERU). An ERU is based on a typical residential unit having 1,800 square feet of impermeable surface area. Commercial properties are charged based on their total ERUs.

Legal Basis for Revenue

Florida Statutes §403.0893
 City of Miami Gardens Charter Article 4, Section 4.9
 City of Miami Gardens Ordinance 2006-25-106
 City of Miami Gardens Resolution 2006-143-489
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

Fee collected must be used for the purposes stated above.

Fund/Account Number

Stormwater Utility Fund
 41-00-00-329-600-00

Use of Revenue

Stormwater Utility. Unrestricted.

Method/Frequency of Payment

Stormwater Utility Fees are collected from each City of Miami Gardens property owner (or tenant) through either the City of North Miami Beach's Water and Sewer System or through the Miami-Dade County Water & Sewer Department as part of their monthly bill. For properties that are not currently on either of these systems, the City bills directly on a quarterly basis.

Basis for Budget Estimate

Estimate for the budget is based the number of total ERUs calculated within the City (approximately 72,000) times \$4.00 per month.

Collection History

<u>Fiscal Year</u>	<u>Amount</u>	<u>% increase/ (Decrease)</u>

History of Stormwater Utility Fees

Discussion

In FY-07, the City took over the Stormwater Utility from Miami-Dade County in April 2007. FY-08 is the first full year of the Stormwater Utility's operations. One major goal of the new department is to staff up and to secure equipment. Currently, the City contracts for such item as Street cleaning and basin cleaning; however, the goal is to perform such services in-house.

When the City assumed the program, the County turned over its drainage basins, culverts and drains located on City-owner streets. It also turned over approximately 10 miles of canal systems which we have to maintain. Currently the City is paying the County to continue to maintain these canals.

Permitting (Flood Plain Management) Fees

Revenue Description

As part of the requirements the City must comply with in order to participate in the National Flood Insurance Program is a plan review process for all new construction and substantial improvements. The floodplain fees are designed to cover the costs of administering this program to comply with the federal regulations. Fees are charged upon application for a qualifying process, either to the developer or to the resident.

Discussion

The floodplain management program was established in FY-08. Prior to this, the building department handled elevation certifications. Currently the program is being administered by the Floodplain Administrator in the Public Works Department.

History of Floodplain Management Fees

Fee Schedule

1. Floodplain Fees:
 - Plan Review
 - Residential.....\$ 90
 - Commercial.....\$ 210
2. Certificate of Completion Review.....\$ 55
3. Review of structures in Flood Zone X.....\$ 275
4. Flood Proofing Review.....\$ 355
5. Letter of Map Revision (LOMR) Review..\$ 275
 - Single Structure +\$20 for each additional lot
6. Conditional LOMR review
 - a. Multiple lots – up to 5 lot.....\$ 275
 - b. Over 5 lots.....\$ 275
 - + \$20 for each additional lot
7. Plan review establishing substantial improvement
 - a. Residential.....\$ 95
 - b. Commercial.....\$ 200
8. Flood Zone inquiry (to include a Flood Zone Letter).....\$45
9. Processing of Elevation Certificate.....\$ 45
10. Processing of Tie beam Elevation Certificate.....\$ 30
11. Preparation of Materials for Variances and Appeals:
 - a. Flood criteria and other Finished Floor Elevation Requirements
 - Residential..... \$695 per unit
 - Commercial.....\$1,175 per unit
12. Floodplain Construction Inspection
 - a. Re-Inspection, after 1st Failed Inspection.....\$ 55
 - b. Substantial Damages/Improvement Inspection.....\$ 50
 - c. Inspection in lieu of elevation certificate (as allowed).....\$ 125
13. Processing of Public Notices and Advertisements.....\$ 130/ad
14. Plan Reviews for Revisions to Previously Approved Plans.....50% of original fee Unless Otherwise noted..... (min. of \$55)

15. Sediment and Erosion Control Inspection: \$150.00
(This is performed to comply with federal and state NPDES permit requirements.) Includes review, inspection, reports, etc.

16. Re-Inspections: \$76.00 per inspection
(Work should be complete and ready for inspection at the time the inspection is scheduled. If the work is not ready or does not conform to Code or the approved drawings, a re-inspection will be necessary.)

17. Fee for Private Drainage Inspections for Compliance with the Property Maintenance Ordinance: \$50 per inspection
(The Floodplain Administrator conducts these inspections and coordinating with facility management.) The following are options for these facilities once a year:

- a. The City inspects for a charge of \$50.00 Any maintenance and associated cost required as a result of this inspection is the facility's responsibility, including requiring a reasonable time frame to fix the system or re-inspection fee if not ready for the inspection.
- b. The facility provides an inspection and report to the City, no charge by City, once a year.
- a. The facility provides maintenance on a yearly basis, and provides receipts to the city annually.

Interest Income

Revenue Description

This revenue results from the investment of idle City funds. Since the City's incorporation, interest earned was retained by the General Fund; however, in FY 08, the City began allocating earned interest to the various operating funds in proportion to their participation in pooled cash.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4
City of Miami Gardens Ordinance 2007-16-122

Special Requirements: None.

Fund/Account Number: Stormwater Utility Fund
41-00-00-361-100-00

Use of Revenue: Stormwater Fund, unrestricted.

Method/Frequency of Payment

Interest is credited to the City's account on a monthly basis by the respective depository.

Basis for Budget Estimate

Estimate for the budget is based on historical receipts and trend analysis and anticipated cash available.

Collection History

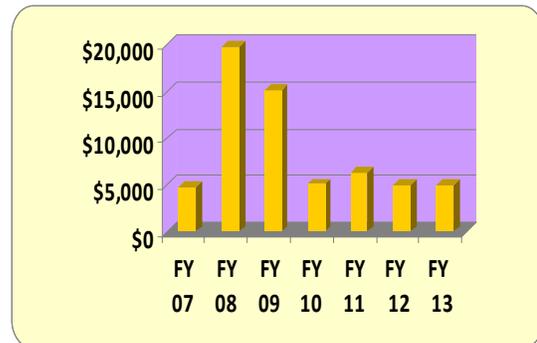

<i>Fiscal Year</i>	<i>Amount</i>	<i>% Increase/ (Decrease)</i>
FY 07	\$4,701	
FY 08	\$19,902	323.4%
FY 09	\$15,254	(23.35%)
FY 10	\$5,105	(66.53%)
FY 11	\$6,261	22.64%
FY 12	\$5,000	(20.14%)
FY 13**	\$5,000	0%

* Estimated
** Budgeted

Discussion

From FY-04 through FY-06, the City received interest on its idle cash in its bank operating account; however, that interest earned was retained by the General Fund. In FY-07, the City began to allocate interest earnings based on a Fund's proportionate share of the pooled cash.

History of Earned Interest Income Revenue to the Stormwater Utility Fund

Grants and Donations

Revenue Description

Periodically, the City is awarded construction grants from other governmental agencies or private organizations. These grants are usually specific to a particular project. Revenue may be received in advance of the actual performance, but it is much more likely for the revenues to be received after completion of the activity for which the grant was awarded and paid on a reimbursement basis.

Often, partial draw downs on the grants can be effectuated upon completion of various milestones of progress toward the completion of the activity. With the creation of the Capital Improvement Fund, most grants for capital improvements that were previously received in the other operating Funds are now managed in the CIP Fund except for Stormwater grants as the Stormwater Fund is an enterprise fund and grants should be expensed within the fund.

Legal Basis for Revenue

Florida Statutes §166.231
 City of Miami Gardens Charter Article 4, Section 4.9
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements: None.

Fund/Account Number: Stormwater Fund
 410-00-341-201-00 (State Grant)

Use of Revenue

Stormwater Fund. Restricted to the purpose for which it was received.

Method/Frequency of Payment: Occasional.

Discussion

Grants have comprised a major portion of the stormwater construction capital that the City has had available since its inception. Local, state and Federal grants are received for specific projects.

Funds not expended in any particular fiscal year are carried over to the new budget in the same line item for continuity.

History of Grants and Donations in the Stormwater Utility Fund

(Unreserved Fund Balance)

Revenue Description

It is the City's policy to budget the City's fund balance reserve each year. This provides additional flexibility should emergency funding be needed and provides the public with transparency with regards to our reserve.

Legal Basis for Revenue

Florida Statutes §166.231, 180.14, 80.20
 City of Miami Gardens Charter Article 4, Section 4.9 & Article 8, Sections 8.3 & 8.4

Discussion

The City received its first CDBG Grant as an entitlement city in FY-07 after completing its Consolidated Plan. As a result of Hurricane Wilma, the City received grant assistance from the State of Florida for repair and hardening of residential structures throughout the City. The City also received a grant from HUD via Miami-Dade County for a façade renovation program.

In FY-09, the City received approximately \$6.7 million in Neighborhood Stabilization Funds (NSP) in addition to smaller awards from the federal government. In FY-10, the City has been awarded additional NSP funding as well as several ARRA (Stimulus) funding grants.

In FY-11, only the City's CDBG Grant is anticipated although the City will attempt to receive additional funding under the NSP Program.

The background of the page is a photograph of the City of Miami Gardens logo, which is a large, white, arch-shaped structure. In the foreground, there is a large palm tree. The sky is a clear, bright blue.

**REVENUE
MANUAL**
For FY-2012 - 2013

**STATE HOUSING
INITIATIVE
PARTNERSHIP
GRANT FUND**

Grants

Revenue Description

The State Housing Initiatives Partnership (SHIP) Program was created for the purpose of providing funds to counties and eligible municipalities as an incentive for the creation of local housing partnerships, to expand production and preservation of affordable housing, to further the housing element of local government comprehensive plans specific to affordable housing, and to increase housing-related employment. Portions of the documentary stamp tax are transferred into the Local Government Housing Trust Fund for distribution to eligible county and municipal governments to fund the implementation of local housing assistance plans.

Legal Basis for Revenue

Laws of Florida, Chapter 2007-198
 Florida Statutes §201.15 and §420.9071(9)
 City of Miami Gardens Charter Article 4, Sec. 4.9
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

A county or eligible municipality seeking approval to receive its share of the local housing distribution must adopt an ordinance containing several provisions. Additional procedures exist regarding the local government's submission of its local housing assistance plan.

Fund/Account Number: 13-00-00-331-000-00

Use of Revenue

The City must expend its portion of the distribution only to implement a local housing assistance plan. Proceeds may not be expended for the purpose of providing rent subsidies; Additionally, funds may not be pledged to pay the debt service on any bonds.

Method/Frequency of Payment

Basic grant is by entitlement on a yearly basis.

Basis for Budget Estimate

Estimate for the budget is based on approved or pending grant awards.

Discussion

The City received its first SHIP Grant in FY-07 after completing its Housing Assistance Plan. Funds have been used exclusively for single family housing rehab thus far. There will be no allocation of funds in Florida for FY-13.

History of Grants and Donations Revenue to the SHIP Fund

City of Miami Gardens

REVENUE MANUAL

For FY-2012 - 2013

LAW ENFORCEMENT TRUST FUND

Law Enforcement Trust Fund (L.E.T.F.) Revenue

Revenue Description

Section 932.701-707, Florida Statutes, establishes the procedure for local law enforcement departments to seize contraband and sell these assets. The law enables law enforcement agencies to seize anything that was used in, or acquired with proceeds of, felonious criminal actions. The seizure is accomplished through a civil process, as opposed to the underlying criminal law-based prosecution. It requires that contraband forfeiture trust funds be used only for the expressly specified purposes set forth in the statute or for other extraordinary programs and purposes, beyond what is usual, normal, regular, or established.

Legal Basis for Revenue

Florida Statutes §932.701-707

City of Miami Gardens Charter Article 4, Section 4.9

City of Miami Gardens Ordinance 2007-16-122

Special Requirements

Monies received from law enforcement seizures can only be used for specific purposes as outlined in Florida Statutes.

If the seizing agency is a county or municipal agency, the remaining proceeds shall be deposited in a special law enforcement trust fund established by the board of county commissioners or the governing body of the municipality. Such proceeds and interest earned therefrom shall be used for school resource officer, crime prevention, safe neighborhood, drug abuse education and prevention programs, or for other law enforcement purposes, which include defraying the cost of protracted or complex investigations, providing additional equipment or expertise, purchasing automated external defibrillators for use in law enforcement vehicles, and providing matching funds to obtain federal grants. The proceeds and interest may not be used to meet normal operating expenses of the law enforcement agency.

After July 1, 1992, and during every fiscal year thereafter, any local law enforcement agency that acquires at least \$15,000 pursuant to the Florida Contraband Forfeiture Act within a fiscal year must expend or donate no less than 15 percent of such proceeds for the support or operation of any drug treatment, drug abuse education, drug prevention, crime prevention, safe neighborhood, or school resource officer program(s). The local law enforcement agency has the discretion to determine which program(s) will receive the designated proceeds.

Fund/Account Number: 17-00-00-359-007-00

Use of Revenue

Law enforcement. Funds are restricted per the above.

Method/Frequency of Payment

Occasional. No set frequency.

Basis for Budget Estimate

Statutes prohibit the anticipatory budgeting of these funds. Only prior year fund balance can be planned for expenditure in the budget.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 08	\$3,000	
FY 09	\$22,910	663.67%
FY 10	\$104,405	355.72%
FY 11	\$19,280	(81.53%)
FY 12*	\$13,243	(31.31%)
FY 13**	\$0	(100%)

* Estimated

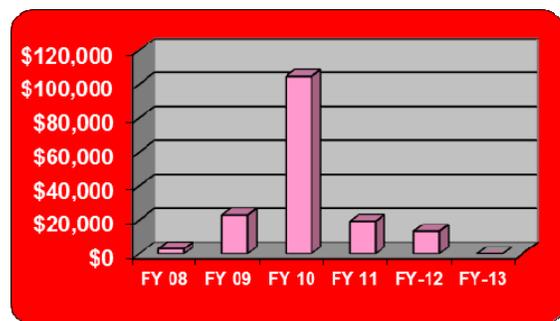

** State Law Prohibits anticipatory budgeting

Discussion

Prior to FY-08, the City contracted with the Miami-Dade County Police Department for police services. The City did not receive L.E.T.F. funds. With the advent of our own department, we can expect to see an increase in the availability of these funds in future years.

Florida law prohibits the anticipatory budgeting of LETF funds. The amounts shown in prior years are total received during that year.

FY 13**	\$0	(100%)

History of Earned Interest Income Revenue to the Law Enforcement Trust Fund

Discussion

Because the City just started its LEFT Fund with the inception of our own police force, the only monies in the fund were from the County. Interest should climb as the City police deposit more into the account.

Other Non-Operating (Unreserved Fund Balance)

Revenue Description

It is the City's policy to budget the City's fund balance reserve each year. This provides additional flexibility should emergency funding be needed and provides the public with transparency with regards to our reserve balance. For the LETF Fund, because it is

not lawful to budget in advance, all funds budgeted are from previous years. it is important to try and expend all funds timely.

Legal Basis for Revenue

Florida Statutes §932.701-707
Laws of Florida, Chapter 2007-198
Florida Statutes §201.15 and §420.9071(9)

Gardens*

**REVENUE
MANUAL**
For FY-2012 - 2013

DEBT SERVICE FUND

Transfers-In

Revenue Description

As part of the City's internal charge system, the Debt Service Fund is generally responsible for the payment of bond and capital lease debt service for vehicle, equipment and real property purchases. Each year, the department for which the debt was issued must budget and transfer the appropriate debt service amount to the Debt Service Fund to make the bond payment.

This charge is based on the actual debt service for the various vehicles, equipment and real property purchased through bond and capital lease financing.

Legal Basis for Revenue

Florida Statutes §166.231
 City of Miami Gardens Charter Article 4, Section 4.9 and Article 8, Section 8.3 and Section 8.4
 City of Miami Gardens Ordinance 2007-16-122

Special Requirements

None.

Fund/Account Number

Debt Service Fund 21-00-00-381-000-00

Use of Revenue

Debt Service Fund. Restricted to Debt Service.

Method/Frequency of Payment

The City's Finance Department transfers total prior to the debt service payment date or on a monthly pro-rata basis.

Basis for Budget Estimate

Estimate for the budget is based on actual debt service schedule.

Collection History

<i>Fiscal Year</i>	<i>Amount</i>	<i>% increase/ (Decrease)</i>
FY 09	\$6,012,341	
FY 10	\$6,637,910	10.4%
FY 11	\$9,388,361	41.44%
FY 12*	\$9,866,989	5.10%
FY 13**	\$8,764,344	(11.18%)

* Estimated
 ** Budgeted

Discussion

This component of the internal cost allocation system was developed in order to ensure that each department paid its fair share of the debt service from the various city financings. FY-10 and FY-11 will see a jump in debt service due to the issuance of two bond issues in FY-10. FY 13 reflects a decrease as one bond issuance is paid off and also utilizing the proceeds of the sale of a property to pay FY 2013 debt service instead of transferring funding in from General Fund.

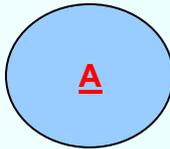

History of Police Debt Transfer to the Debt Service Fund

Finance And Budget Glossary

Every human endeavor has its own words, phrases, and acronyms that are somewhat unique and that help its practitioners in conducting business. Unfortunately, government is prolific user of such language. Unfortunately, too often these terms are used with unindoctrinated audiences leading to confusion as well as frequently obscuring the message trying to be conveyed.

The following glossary of terms, phrases and acronyms commonly used primarily in municipal finance and budgeting, but also included are terms, phrases and acronyms used in related municipal endeavors such as planning, engineering, public safety and others, as you will find reference to them throughout the full budget document. This glossary is designed to help the reader as they encounter an unfamiliar statement.

Abatement – A complete or partial waiver of taxes, fees or service charges imposed by the City. **Also:** Reducing the degree or intensity of, or eliminating, pollution.

Account – A term used to identify an individual asset, liability, expenditure control, revenue control, encumbrance control, or fund balance.

Account Groups - Account groups are used to establish accounting control of general fixed assets and the unmatured principal of general long-term obligations. Assets and liabilities of these funds are neither spendable resources nor do they require current appropriation. Therefore, they are accounted for separately from the governmental fund types.

Accountability - Monitoring, measuring and evaluating the performance and progress of policies, plans and programs to ensure that results are achieved.

Accounting Period – A period of time where the City determined its financial position and results of operations. The City of Miami Gardens' accounting period is October 1st through September 30th each year. The State of Florida's accounting period is July 1 through June 30.

Accounting System – The total structure or system of records and procedures which discover, record, classify, summarize, and report information on the financial position and results of operations of a government or any of its funds, balanced account groups, or organizational components.

Across-the-Board — This phrase usually refers to a percent increase/decrease in the budget spread equally across government appropriations or within an agency across bureaus or programs.

Accrued Interest – Coupon interest accumulated on a bond or note since the last interest payment or, for a new issue, from the dated date to the date of delivery. Since interest on municipal bonds is payable semi-annually, every six months, when you buy a bond in mid-term you

are only entitled to the interest the bond earns after you buy it. The interest earned previously, the accrued interest, belongs to the seller. Some first-time bond buyers think this payment is a hidden charge or fee, not realizing that they will get it back in full at the next interest payment date as tax-free interest.

Accrual Basis of Accounting – The method of accounting which records revenues when earned (whether or not cash is then received) and records expenditures when goods or services are received (whether or not cash is disbursed at that time).

Accumulated Depreciation (credit) - The accumulation of systematic and rational allocations of the estimated cost of a capital item (Machinery, equipment, buildings, certain improvements other than buildings, infrastructure) on a historical cost basis, over the useful life of the item. This account is not used for any networks or subsystems of infrastructure that are reported using the modified approach.

Advanced Refunded Bonds - A municipality may sell a second bond issue at a lower interest rate cost, placing the proceeds of the issue in an escrow account from which the first issue's principal and interest will be repaid when due.

Aquifer - An underground geologic formation capable of storing water.

AICPA - American Institute of Certified Public Accountants.

Air Quality Testing - Third party testing programs for low emitting products and materials. Testing certifies that chemical and particle emissions meet acceptable Indoor Air Quality (IAQ) pollutant guidelines and standards. Scientific Certification Systems' (SCS) Indoor Advantage program is an example of this.

Air Quality Standards - The level of pollutants prescribed by regulations that are not to be exceeded during a given time in a defined area.

Activity – A specific and distinguishable service performed by one or more organizational components of a government to accomplish a function for which the government is responsible.

Activity Based Costing – Assembling and recording all elements of an activity that incur costs in order to determine the unit cost of the activity. Activities are specific services as performed by a program or division.

Actual - Reflects the actual financial activity for the fiscal year on the cash basis of accounting.

Actuarial - A method in the mathematics of risk, especially as it relates to insurance calculations such as premiums, reserves, dividends, and insurance and annuity rates. They work for insurance companies to evaluate applications based on risk.

Actuary - A person who performs actuarial services.

Ad Valorem - A major revenue category reflecting the value of both real and personal property. Property taxes are determined by multiplying the rate of taxation, expressed in mills (\$0.001) times the non-exempt value of property.

ADA – See: *Americans with Disabilities Act*.

Administrative Services Charges or Fees – See: *Cost Allocation Plan*.

Adopted Budget – The City Council approved budget establishing the legal authority for the expenditure of funds as set for in the adopting Council budget Ordinance.

Advance Refunding Bonds - A financing structure under which new bonds are issued to repay an outstanding bond issue prior to its first call date. Generally, the proceeds of the new issue are invested in government securities, which are placed in escrow. The interest and principal repayments on these securities are then used to repay the old issue, usually on the first call date.

AFIS – See: *Automated Fingerprint Identification System*.

A.I.A. – American Institute of Architects. When used after a person's name, it signifies that the individual is a professional architect as recognized by the state licensing authority.

Aquifer - An underground water-bearing rock formation or group of formations, which supplies groundwater, wells or springs.

Alcoholic Liquor Tax - A tax on gross receipts from the sale of liquor at retail. The tax is collected by the State of Florida and remitted back to the City.

Allocation - The expenditure amount planned for a particular project or service, but an amount that requires additional Council action or "appropriation" before expenditures will be authorized.

Alternative Energy - Usually environmentally friendly, this is energy from uncommon sources such as wind power or solar energy, not fossil fuels.

Alternative Fuel Vehicle – A car or other vehicle or piece of equipment that is powered by either a non-fossil or a mix of fuels that lower polluting emissions. It is often called a Hybrid Vehicle. Common alternative fuel sources are methanol, propane, E-85 gas, bio-diesel, Compressed National Gas, and electric.

Alternative Energy - Usually environmentally friendly, this is energy from uncommon sources such as wind power or solar energy, not fossil fuels.

Amended Budget – The adopted budget as formally adjusted as provided for in law.

American Recovery and Reinvestment Act (ARRA) - An act of Congress passed in 2009 providing for grants and other allocations of Federal funds for projects to help put Americans back to work. Also Called Stimulus Grants.

Americans With Disabilities Act (ADA) - A Federal law which addresses discrimination against individuals with disabilities. It requires that governments, among others, take certain actions to ensure access to employment, housing, voting, public facilities and transportation resources for persons with disabilities.

Amortization – The reduction of debt through regular payments of principal and interest sufficient to retire the debt instrument at a predetermined date known as maturity.

Annualization – For Revenues, the extrapolation of a revenue stream for an annual period based on a partial year collection. For expenditures, the cost of funding a budget issue for one complete fiscal year based on partial year expenditures.

Annuity - A contract between an insurance company and an individual which generally guarantees lifetime income to the individual or whose life the contract is based in return for either a lump sum or periodic payment to the insurance company. Interest earned inside an annuity is income tax-deferred until it is paid out or withdrawn.

Appraiser – One who is trained and educated in the methods of determining the value of property (appraised value) (See: *Property Appraiser*).

Appreciation - Appreciation is the increase in value of an asset. The term "appreciation" may be applied to real estate, stocks, bonds, etc.

Appropriated Fund Balance – The amount of surplus funds available to finance operations of that fund in a subsequent year or years.

Appropriation - An authorization granted by the governing body to make expenditures and to incur obligations for specific purposes. Appropriations are usually made for fixed amounts and set time periods.

APWA – American Public Works Association.

Arbitrage – A reference to the difference between the yield (interest) on governmental obligations exempt from Federal tax under Section 103 of the Internal Revenue Code and the yield on securities and obligations that are not exempt from Federal tax in which the proceeds of the governmental obligations are invested.

ARRA – See: *American Recovery and Reinvestment Act*.

Arterial Roads – The main traffic corridors that are within the city. They are fed by collector roads which pick up the traffic from local roads that provide a more localized service within specific neighborhoods.

As-Builts - Drawings, plans, surveys, etc. done after construction is complete indicating items as they were actually constructed, which may have differed from original plans.

Assessed Valuation - For property taxation purposes, the County's Property Assessor establishes a market value for all real and for certain personal property within the County. In Florida, property is assessed at full market value using appraisal techniques based upon comparable sales or construction cost data. The value established for the real property is used as a basis in levying property taxes. Under Florida law, annual increases in valuation are limited to a maximum of 3%. However, increases to full value are allowed for property improvements, upon change in ownership, and 5% for non-homestead property. Homeowners and certain veterans and senior citizens can qualify for exemptions under state code.

Asset - Resources owned or held by a government, which have monetary value.

Attrition - A method of achieving a reduction in personnel by not refilling the positions vacated through resignation, reassignment, transfer, retirement, or means other than layoffs.

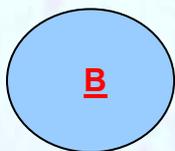

Audit - An audit is a review of the City's financial records prepared by an independent Certified Public Accountant (CPA). The primary objective of an audit is to determine if the City's Financial Statements present fairly the City's financial position and results of operations in conformity with GAAP. In conjunction with their performance of an audit, it is customary for an independent auditor to issue a Management Letter stating the adequacy of the City's internal controls as well as recommending improvements to the City's financial management practices.

Authorized Positions - Employee positions which are authorized or funded in the adopted or amended budget.

Automated Fingerprint Identification System - A biometric identification methodology that uses digital imaging technology to obtain, store, and analyze fingerprint data. The AFIS was originally used by the U.S. Federal Bureau of Investigation (FBI) in criminal cases.

Available Fund Balance - The annual dollar amount of available reserves a municipality has in its operating and reserve funds at fiscal year-end.

Average life - The average length of time an issue of serial bonds and/or term bonds with mandatory sinking funds and/or estimated prepayments is expected to be outstanding. It also can be the average maturity of a bond portfolio.

Backflow - The undesirable reversal of flow of water or mixtures of water and other liquids, gases, or other substances into the distribution pipes of the potable water supply from any source.

Backflow Prevention Device - A physical device placed on all connections to a public water system that prevents water from flowing backwards from a user back into the potable water line.

Balance Sheet - The basic financial statement which discloses the assets, liabilities, and equities of an entity at a specified date in conformity with GAAP.

Balanced Budget - A budgetary state in which planned expenditures equal anticipated revenues. In Florida, it is a requirement that governmental budgets submitted and approved be balanced.

Balloon Maturity - An inordinately large amount of bond principal maturing in any single year. Also called a Term Bond.

B.A.N. - See *Bond Anticipation Note*

Basis of Accounting - A term used to refer to when revenues, expenditures, expenses, and transfers--and the related assets and liabilities--are recognized in the accounts and reported in the financial statements. The City of Miami Gardens uses the modified accrual basis of accounting for accounting and budgeting. (See: *Modified Accrual Accounting*).

Basis Point - One basis point is calculated as 1/100th of a percentage point.

Beacon Council - An organization charges with bringing new, job generating business to the communities within Miami-Dade County, while assisting existing businesses in their efforts to expand. It markets Miami-Dade County worldwide as a viable, attractive business location and provides a variety of free services to companies interested in relocation.

Bearer Bond - A bond that has no identification of the owner of the security. It is presumed to be owned by the bearer or the person who holds it. It was much sought after because of the ease of transferring or gifting. All bonds issued prior to June 1983 were bearer bonds; since then, they have been issued in Registered Bond form.

Beginning Balance - The beginning balance is the residual non-restricted funds brought forward from the previous fiscal year. (Also see: *Fund Balance, Carry-Over and Cash Forward*).

Benchmark(ing) - A standard or point of reference in measuring or judging quality, value, etc. For municipalities to identify appropriate benchmarks, these are two issues to address: The availability of data and the suitable comparability of data.

Best Management Practices (BMPs) - In environmental regulation, Best Management Practices are defined as "source control" and "that practice which is used for a given set of conditions to achieve satisfactory water quality and quantity enhancement at a minimum cost." More simply put, BMPs refers to many practices or types of controls, for example: a silt fence or staked hay bales during construction to prevent erosion; limiting the removal of vegetation and limiting the time bare land is exposed to rainfall; sweeping streets to keep pollutants and litter from being washed into the storm sewer system; fertilizer and pesticide application control; and structural controls such as physical containment of

stormwater in ponds to allow settling, filtration and percolation.

Bid - A n offer submitted by a vendor in response to a Request for Bid.

Bid Bond - An insurance agreement, accompanied by a monetary commitment, by which a third party (the surety) accepts liability and guarantees that the vendor will not withdraw the bid or proposal, and that the vendor will accept the contract as bid or proposed, or else the surety will pay a specific amount.

Biennial Budgeting - A process that estimates revenues and expenditures for a two-year period.

Bio-Degradable - A material or substance capable of decomposing quickly and without harmful effects to the environment when left exposed to nature.

Bio-Fuels - Fuels that are made from renewable raw materials, such as plant biomass or vegetable oils; considered to burn cleaner than petroleum-based fuels that pollute the environment. (Also see: *Alternative Fuel Vehicles*)

Biomass - Biomass refers to living and recently dead biological material that can be used as fuel or for industrial production. Most commonly, biomass refers to plant matter grown for use as bio-fuel, but it also includes plant or animal matter used for production of fibers, chemicals or heat. Biomass may also include biodegradable wastes that can be burnt as fuel. It excludes organic material which has been transformed by geological processes into substances such as coal or petroleum.

Block Grant - Allocation of Federal money to a state or its subdivision in accordance with a distribution formula prescribed by law or administrative regulations, for activities of a continuing nature within a restricted subject area. (Also see: *CDBG*)

BMP – See: *Best Management Practices*.

Boilerplate - Refers to the standardized or pro forma language that is used at the front of a bill, ordinance, bid, request for proposal or other document that states findings or conditions common to all such documents (i.e. on bids: Bid procedure, disclaimers, standard requirements, insurance requirements, etc).

Bond – A bond is a written promise to pay a specified sum of money (called face value or principal amount) at a specified date or dates in the future (called maturity) together with interest at a specified rate

Bond, A - A unit of debt, \$1000 of principal or par amount. For 200 years municipal bonds were sold in \$1000 denominations. Since the mid-1970s the minimum bond denomination has been \$5000; nevertheless, "A Bond" is bought, sold, referred to and priced as if it were \$1000.

Bond Anticipation Notes – Short-term interest-bearing notes issued by a government in anticipation of bonds to be issued at a later date. The notes are retired from the proceeds of the bond issue to which they are related.

Bond Counsel - A specialized attorney with primary role to certify both that the issuer has legal authority to issue the bonds and that the securities qualify for applicable tax exemption (See: *Bond Counsel's Opinion*).

Bond Counsel's Opinion – Opinion which usually addresses (1) whether the Bonds are valid and binding obligations of the Issuer; (2) the source of payment or security for the Bonds; and (3) whether an indenture that extends interest on the Bonds is exempt from Federal income taxes and from taxes, if any, imposed by the state of Issue.

Bond Covenant - A legally enforceable promise made by an issuer of bonds to the bondholders, normally contained in the bond resolution (e.g., pledged revenues).

Bond Funds – Resources derived from issuance of bonds for specific purposes, usually to finance capital expenditures.

Bond Insurance - Insurance issued by a private insurance company for either an entire issue or specific maturities that guarantees to pay principal and interest when due. This will provide a credit rating of triple-A and thus a lower borrowing cost for the issuer.

Bond Issued – Bond sold.

Bond Premium - The amount at which a bond or note is bought or sold above its par value or face value without including accrued interest.

Bond Rating – A rating made by an established bond rating company from a schedule of grades indicating the worthiness or the probability of repayment of principal and interest on bonds issued. The three principle bond rating agencies for municipalities are: Standard & Poors, Moodys Investor Service, and Fitch.

	Moody's	Standard & Poor's	Fitch
Best Quality	Aaa	AAA	AAA
High Quality	Aa1 Aa2 Aa3	AA+ AA AA-	AA+ AA AA-
Upper Medium Grade	A1 A2 A3	A+ A A-	A+ A A-
Medium Grade	Baa1 Baa2 Baa3	BBB+ BBB BBB-	BBB+ BBB BBB-

Bonded debt - The portion of an issuer's debt structure represented by outstanding bonds, sometimes limited by constitutional or legislative restraints.

Bonded Debt Per Capita – The amount of City indebtedness represented by outstanding bonds divided by the City's population, used to indicate the City's credit position by referring to the proportionate debt per resident.

Brownfield - Brownfields are abandoned or idle properties where real or perceived contamination hinders redevelopment. Most brownfields have a history of

industrial use and many are found in distressed communities. Fear of environmental contamination is a serious disincentive to redevelopment and hampers reinvestment in the urban core.

Budget - A plan of financial operation embodying an estimate of proposed expenditures for the fiscal year and the proposed means of financing such expenditures. The term also denotes the officially approved expenditure ceiling under which the City and its departments operate.

Budget Amendment - The Council has the sole responsibility for adopting the City's budget, and may amend or supplement the budget at any time after adoption. The budget must be amended by Ordinance and include a public hearing. The City Manager has the sole authority to approve budget adjustments to the budget as outlined in the budget ordinance.

Budget Calendar - The schedule of key dates or milestones that a government follows in the preparation and adoption of the budget.

Budget Document (Program and Financial Plan) - The official written statement prepared by the City staff reflecting the decisions made by City Council in their budget deliberations.

Budget Hearing - A public meeting at which any citizen may appear and be heard regarding the increase, decrease or omission of any item in the proposed budget as presented in writing by the City Manager to the City Council.

Budget Message - Included in the opening section of the budget, the City Manager's budget message provides the City Council and the public with a general summary of the most important aspects of the proposed/adopted budget.

Budget Ordinance - A law which establishes the schedule of revenues and expenditures for the upcoming fiscal year by fund, which is adopted by City Council each year.

Budget Policies - General and specific guidelines adopted by the City that govern the financial plan's preparation and administration.

Budget Schedule - The schedule of key dates which a government follows on the preparation and adoption of the annual budget.

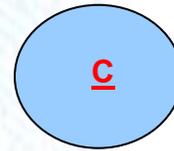

Budget Transfer - The movement of funds between accounts or funds within the adopted budget.

Budgetary Basis - The method of accounting applied to the budgetary accounts and process.

Budgetary Control - The control or management of an entity in accordance with the approved budget for the purpose of keeping expenditures within the limitations of available appropriations and resources.

Building Permits - The City requires that building permits be obtained for most construction activity to ensure that structures meet specific standards. The City requires various construction permits for activities such as the installation of electric, plumbing, and sewage facilities. The City charges a fee for issuing these permits in order to recover only the costs incurred. These fees are collected into the Development Services Fund.

Business Tax Receipt - A subcategory of Licenses and Permits which reflects revenue derived from the issuance of occupational or professional licenses. Formerly called Occupational Licenses or Tax.

CAD - See: *Computer Aided Dispatch System*.

CADD - Computer Aided Design & Drafting, a component of the Public Works design software.

CAFR - See: *Comprehensive Annual Financial Report*.

Call - An option that gives the holder the right to buy an underlying security at a preset price within a specified time.

Cap - A "cap" is a legal limit on total annual discretionary spending.

Capital Expenditures - Amounts expended for fixed asset acquisitions and improvements thereto. Generally, an asset is considered a capital expenditure if over \$10,000 with an expected life of 5 years or more.

Capital Improvement Fund - An account used to segregate a portion of the government's equity to be used for future capital program expenditures.

Capital Improvement Program (CIP) - A formal long-term (multiyear) plan for the acquisition and improvement of major assets, such as land, buildings, machinery and equipment, and infrastructure.

Capital Lease - A Capital Lease is a lease that meets one or more of the following criteria, meaning it is classified as a purchase by the lessee: the least term is greater than 75% of the property's estimated economic life; the lease contains an option to purchase the property for less than fair market value; ownership of the property is transferred to the lessee at the end of the lease term; or the present value of the lease payments exceeds 90% of the fair market value of the property.

Capital Outlay - Expenditures which result in the acquisition of or addition to fixed assets. Includes the cost of land, buildings, improvements other than buildings, machinery, furniture and equipment. Miami Gardens defines a capital outlay as any item with a cost or value of at least \$5,000 and an expected lifespan of less than 5 years (Also see: *Capital Expenditure*).

Capital Project - Major construction, acquisition, or renovation activity, which adds value to a government's physical assets or significantly increases their useful life.

Capital Project Budget - A fiscal year budget adopted for the programming of items or projects with a life of five years and a value over \$10,000.

Capitalized Interest - When interest cost is added to the cost of an asset and expensed over the useful life of an asset.

Carbon Footprint - The total amount of greenhouse gas emissions released into the environment. There are many recognized methods to calculate a carbon footprint. Kimball Office has chosen the World Resources Institute (WRI) Greenhouse Gas Protocol as the guideline to calculate our corporate carbon footprint. This protocol is well respected and has been adopted by the International Standards Organization (ISO). Greenhouse gas emissions from all sources are added up and changed into units of CO₂ equivalent which is used to standardize greenhouse gas emissions and allow comparisons from year-to-year and across industries. The total amount of carbon emissions, usually in metric tons per year (1 metric ton equals 2204lbs), is then reported both internally and to the public as an indication of the amount of greenhouse gas the company produces.

Carbon Neutral - A company, person or action either not producing any carbon emissions or, if it does, having been offset elsewhere.

Carbon Offset - Carbon offsetting is the act of reducing greenhouse gas emissions by allowing companies to do emissions trading. For example, a factory or production facility may be unable to reduce its own carbon footprint through its own actions, so it may voluntarily purchase credits from another party to offset their actions. The goal of carbon offsets is to attain a carbon neutral overall balance.

Carpooling - The shared use of a car by the driver and one or more passengers, usually for commuting. Carpooling reduces the costs involved in repetitive or long distance driving by sharing cars, reducing the number of cars on the road, decreases pollution, the need for parking space and, in a global perspective, reduces greenhouse gas emissions.

Carry-Over - Appropriated funds that remain unspent at the end of a fiscal year and are allowed to be retained in the appropriating budget and expended in subsequent fiscal years for the purpose designated. (Also See: *Fund Balance, Beginning Balance and Cash Forward*).

Cash Basis of Accounting - A basis of accounting in which transactions are recorded when cash is either received or expended for goods and services.

Cash Equivalents - Equivalents are defined as highly liquid investments with original maturities of three months or less, which include the State Board of Administration's investment pool and overnight repurchase agreements.

Cash Flow Budget - A projection of the cash receipts and disbursements anticipated during a given period.

Cash Forward - Reflects the balance of cash brought forward from the previous fiscal year. In the terms of the budget, this balance together with current year budgeted revenues and other financing sources equals the total available financial resources for the budget year. (Also see: *Fund Balance, Beginning Balance and Carry-Over*).

Cash Management - The management of cash necessary to pay for governmental services, while investing temporary cash excesses in order to earn interest revenue. Cash management refers to the activities of forecasting the inflows and outflows of cash, mobilizing cash to improve its availability for investment, establishing, and maintaining banking relationships.

C.C.N.A. - See: *Consultants Competitive Negotiation Act*.

Centerline Miles - The length of a road, in miles.

CERCLA - Refers to the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), commonly known as Superfund. CERCLA addresses abandoned or historical waste sites and contamination. It was enacted in 1980 to create a tax on the chemical and petroleum industries and provided federal authority to respond to releases of hazardous substances.

Certificate of Occupancy - Official certification that a premise conforms to applicable ordinances and may be used or occupied. A certificate of occupancy is granted upon completion of new construction or completion of alterations or additions to existing structures.

Certificates of Participation (COPs) - A form of lease-purchase financing used to construct or acquire capital facilities and equipment. Certificates of participation are debt instruments and are typically secured by lease payments from the government entity using a facility. A COP issue is often used to finance projects such as prisons or courthouses necessary to provide government services but that may not enjoy sufficient public support to be financed through a voter approved general obligation bond issue. In many cases, payments by the municipality are subject to annual legislative appropriations. Interest earned on the Certificates by the private lender is tax exempt.

Certificate of Use - An official certification that business property is located and/or operates within a zoning district which allows such use. It is an annual process that requires a site inspection to ensure compliance with the zoning code.

Certificate of Re-Occupancy - A certificate ensuring that a building is consistent with zoning and nuisance codes prior to resale.

Certificate of Zoning Compliance - A written statement issued by the Development Services Department authorizing building uses, accessory buildings and structures, or consistent use for the purpose of carrying out and enforcing its provisions. Usually issued to a prospective buyer of property to ensure that they can carry out the intended use.

Certified Green Local Government - The Florida Green Building Coalition's Green Local Government Standard designates Green Cities and Green Counties for outstanding environmental stewardship.

Certified Public Accountant (CPA) - A professional license granted by a state board of accountancy to an individual who has passed the Uniform CPA Examination (administered by the American Institute of Certified Public Accountants) and has fulfilled that state's educational and professional experience requirements for certification.

Certificate of Deposit (CD) - An interest-bearing negotiable certificate representing a time deposit of fixed maturity issued by a commercial bank which is traded on a yield basis with interest computed for the actual number of days held on the basis of a 360-day year.

CD - See: *Certificate of Deposit*.

CDBG - See: *Community Development Block Grant*.

CDBG Operating Fund - A special revenue fund for projects funded by the Community Development Block Grant (CDBG) program of the U.S. Department of Housing and Urban Development (HUD), but not accounted for within the *capital projects fund*. The fund includes administrative costs, housing rehabilitation costs, pass-through project costs, and other costs of a non-capital improvement nature.

CDBG Recipient - Individuals or organizations that receive grants from Community Development funds.

CDD – See: *Community Development District*.

CDMP – See: *Comprehensive Development Master Plan*.

Chain of Custody - Chain-of-Custody (COC) is the documentation of the path taken by raw materials harvested from an FSC-certified source through processing, manufacturing, distribution, and printing until it is a final product ready for sale to the end consumer. **Also:** Documentation of the path taken crime-related evidence from crime scene to trial.

Change Order - A written order amending a purchase transaction previously formalized by a purchase order.

Charges for Service - A major revenue category reflecting all revenues from charges for current services, excluding revenues of intergovernmental service funds. Includes revenues related to services performed whether received from private individuals or from other governmental units, utility provision, parks and recreation fees, etc.

Charrette – A public input and design workshop used by planners in project design and formulation. The charrette provides a forum for ideas and offers the unique advantage of giving immediate feedback to the planners while giving mutual authorship to the plan by all those who participate.

Chart of Accounts - A chart of revenue and expenditure accounts (line items) used to record each type of transaction incurred by City operations.

Charter – See: *City Charter*.

CIP – See: *Capital Improvement Program*.

City Charter - The document of incorporation of a City, similar to a constitution, which establishes the City's government structure and provides for the distribution of powers and duties among various branches of government.

City Council – The legislative and policy making body of the City consisting of the Mayor and six Council members collectively.

Client-Server – A computing platform where desktop personal computers (PC), known as clients, access large pools of information stored on high-speed data servers. User interaction takes place at the PC, typically through graphical interfaces such as Windows. The server manages information storage. This approach combines the PC's innovation and ease-of-use with access to large pools of data traditionally associated with mainframe computers.

CO₂ - Carbon Dioxide, a chemical compound composed of one carbon and two oxygen atoms. Carbon dioxide absorbs many infrared wavelengths of the sun's light.

CO₂e - CO₂ equivalent- the quantity of a given

greenhouse gas (GHG) multiplied by its global warming potential. Carbon dioxide equivalents are computed by multiplying the weight of the gas being measured (for example, methane) by its estimated global warming potential (which is 21 for methane). This is the standard unit for comparing the degree of harm that can be caused by emissions of different GHGs.

COBRA - The Consolidated Omnibus Budget Reconciliation Act is a federal law requiring employers with more than 20 employees to offer terminated or retired employees the opportunity to continue their health insurance coverage for 18 months at the employee's expense. Coverage may be extended to the employee's dependents for 36 months in the case of divorce or death of the employee.

COLA – See: *Cost of Living Adjustment*.

Collateral – Securities or other property pledged by a borrower to secure payment of a loan.

Communications Service Tax (CST) – Also known as the "Unified" or "Simplified" tax, became operative October 1, 2001, and is meant to create a simplified tax structure for communications services statewide. It is collected by the state and remitted to the local taxing jurisdictions. It replaced the utility taxes on telephone and other communications services, the cable television franchise fee, the telecommunications franchise fee and communications permit fees.

Community Development Block Grant (CDBG) - A Federal grant for community development, redevelopment and housing programs, provided certain eligibility requirements are met and maintained.

Community Development District (CDD) – A local unit of special-purpose government. A Community Development District may charge separate non-ad valorem special assessments to satisfy the debt obligations of the District related to financing, constructing, maintaining and servicing the District's improvements and/or services.

Community Rating System (CRS) – A program under National Flood Insurance Program which sets the rate schedule for flood insurance.

Community Redevelopment Agency (CRA) - A separate local agency providing housing and economic development funding and programs within portions of the City known as the project area. The City Council may serve as the Board of Directors of the CRA.

Compensated Absences – In accordance with GASB Statement 16 (GASB 16), *Accounting for Compensated Absences*, the City accrues a liability for compensated absences, as well as certain other salary related costs associated with the payment of compensated absences. Vacation leave is accrued as a liability as the benefits are earned by the employees. Sick leave is accrued as a liability as the benefits are earned by the employees, but only to the extent that it is probable that the City will compensate the employees for unused leave.

Component Units - Legally separate organizations for which the elected officials of the primary government are accountable; or if the primary government is not accountable, the nature and significance of the component unit's financial relationship is such that to exclude it would cause the primary government's financial statements to be misleading or incomplete.

Compost - The relatively stable humus material that is produced from a composting process in which bacteria in soil mixed with garbage and degradable trash break down the mixture into organic fertilizer.

Comprehensive Annual Financial Report (CAFR) - The official financial report of a government. It includes the State Auditor's audit opinion as well as basic financial statements and supporting schedules necessary to demonstrate compliance with finance related legal and contractual provisions.

Comprehensive Development Master Plan (CDMP) - The State of Florida requires all municipal and county jurisdictions to develop a Comprehensive Plan for future growth and development within three years of incorporation. This plan should address virtually every aspect of City life and development and should reflect the local community's vision for future development. Some of the required elements of this plan include: Land Use, Parks and Recreation; Stormwater Management; Transportation, Inter-governmental Coordination; and Housing among others.

Comprehensive Planning - A general governmental services expenditure that includes the cost of providing master planning and development for the local unit. Also includes zoning, if applicable.

Computer Aided Dispatch (CAD) - a computer-based system of broadcast used to allocate police and fire response to public need.

Concurrency - Growth management requirement that public infrastructure improvements needed by public or private development are in place at the same with that development.

Connection fees - Fees charged to join or to extend an existing utility system. Often referred to as *tap fees* or *system development fees*.

Consistency - The principle according to which once an accounting principle or reporting method is adopted, it will be used for all similar transactions and events. The concept of consistency in financial reporting extends to many areas such as valuation methods, basis of accounting, and determination of the financial reporting entity. [SGAC 1].

Consultants Competitive Negotiation Act (CCNA) - A Florida law prescribing the procedure those governmental entities must follow to acquire certain professional services such as Architects, Engineers, and Surveyors.

Consumer Price Index (CPI) - A statistical description of price levels provided by the U.S. Department of Labor. The index is used as a measure of the increase in cost of living (i.e., economic inflation).

Contingency - An appropriation of funds which are set aside to cover unforeseen events that occur. Examples would include federal mandates, shortfalls in revenue, and unanticipated expenditures.

Contractual Services - Services rendered to a government by private firms, individuals, or other governmental agencies such as operational or maintenance agreements.

Contributions and Donations - A miscellaneous revenue subcategory that includes gifts, pledges, grants, or bequests from private, non-governmental sources.

COPs - See: *Certificates of Participation*.

Cost Allocation Plan or System - A System methodology used to allocate those charges that are performed in support of an activity but are accounted for in other departmental or fund budgets. A percentage of these costs are charged back to the operating department based on a cost allocation system. Such costs include personnel, finance administration, purchasing assistance, legal assistance, oversight, record keeping and other such general support areas.

Cost Center - A section of the total organization having a specialized function or activity, and segregated cost and revenue data.

Cost of Living Adjustment (COLA) - The cost of living adjustment is a yearly across-the-board salary increase for all employees based on the increase in the general cost in crease experienced by our local economy during the previous year. While the Consumer Price Index is one measure used to determine the amount of the COLA, the final determination is based upon the recommendation of the City Manager taking into account costs and funds available.

Countywide Service Area - As the area wide government, Miami-Dade County has the responsibility to provide certain services to all residents. The countywide services include: public health, sheriff, jails, courts, mass transportation, environmental protection, certain parks and recreational areas, certain public works activities, elections, tax collection, property appraisal and social services. In addition, in some municipalities, the following services are also performed: solid waste collection and disposal, libraries, fire and rescue services.

County Property Appraiser - See: *Property Appraiser*.

County Road System - Roads under the jurisdiction of one of the 67 counties of Florida. Does not include roads maintained by a county for a city under a maintenance agreement.

County Tax Collector - See: *Tax Collector*.

Coupon - The part of a Bond that denotes the amount of interest due, and on what date and where the payment is to be made. Coupons are presented to the Issuer's designated paying agent or deposited in a commercial bank for collection.

Covenant - A legally binding commitment by the issuer of municipal bonds to the bondholder. An impairment of a covenant can lead to a Technical Default.

Coverage - This is the margin of safety for payment of debt service on a revenue bond that reflects the number of times the actual and/or estimated project earnings or income for a 12-month period of time exceeds debt service that is payable.

CPA - See: *Certified Public Accountant*.

CPI - See: *Consumer Price Index*.

C.P.P.O. - *Certified Public Purchasing Official*.

CRA - See: *Community Redevelopment Agency*.

Cradle-to-Cradle - A design protocol that advocates the elimination of waste by recycling a material or product

into a new or similar product at the end of its intended life, rather than disposing of it. At the end of their useful life, all materials become either a biological or technical nutrient.

Cradle-to-Grave - A manufacturing model, dating to the onset of the Industrial Revolution, which describes the process of disposing of a material or product via landfill, incineration, etc., at the end of its presumed useful life.

Cross Connection - Any actual or potential connection between a drinking water system and any other source or system through which it is possible to introduce any used water, industrial fluid, sewage, gas or substance other than intended for drinking water.

CRS - See: *Community Rating System*.

CST - See: *Communications Service Tax*.

Culture and Recreation - A major expenditure category that includes the costs of providing libraries, parks and recreational facilities, cultural services, special events, and special recreational facilities.

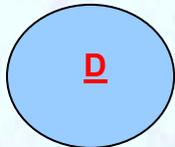

CRA (Community Redevelopment Agency) - See: *Redevelopment Agency*.

Current Liabilities - Liabilities that will be due within a short time (usually one year or less) and that are to be paid out of current assets. Includes all amounts owed on the basis of invoices or other evidence of receipt of goods and services, other amounts owed for the purchase of goods and services even if not "due and payable", and deferred income (received but not earned). (Also See: *Liabilities*)

Current Yield - The ratio of the coupon rate on a bond to the dollar purchase price expressed as a percentage. Thus if you pay par or 100 cents on the dollar for your bond and the coupon rate is 6%, the current yield is 6%; however, if you paid 97 for your 6% discount bond the current yield is 6.186%. (.06 divided by 97). If you paid 102 for a 6% bond the current yield is 5.88% (.06 divided by 102).

Cushion Bonds - Bonds selling at a premium are called "cushion" bonds because they cushion the price volatility in an up and down market. By definition, a premium bond has a higher-than-market coupon interest rate. The dollar price movement of a high interest rate bond is less than that of a lower interest rate bond of the same maturity when general interest rates move up or down a few basis points.

CUSIP - The Committee on Uniform Security Identification Procedures, which was established under the auspices of the American Bankers Association to develop a uniform method of identifying municipal, United States government, and corporate securities.

Daily Vehicle Miles Traveled (DVMT) - A measure of the total traffic on a road. It is the product of the average daily traffic count and the length of the road.

D.A.R.E. - See: *Drug Awareness Resistance Education*.

Dated Date (dtd.) - The date carried on the face of a bond or note from which interest normally begins to accrue.

Day Lighting (and views) - Provide the occupants with a connection between indoor spaces and the outdoors through the introduction of daylight and views into the regularly occupied areas of the tenant space.

Debarment - The exclusion of a person or company from participating in a procurement activity for an extended period of time, as specified by law, because of previous illegal or irresponsible action.

Debentures - A long-term loan usually repayable at a fixed date, with a fixed rate of interest. Most debentures are secured on the borrower's assets.

Debt Burden - The amount of debt carried by an issuer usually expressed as a measure of value (i.e., debt as a percentage of assessed value, debt per capita, etc.). Sometimes debt burden refers to debt service costs as a percentage of the total annual budget.

Debt Financing - Borrowing funds as needed and pledging future revenues to make current expenditures.

Debt Issuance - The sale or issuance of any type of debt instrument, such as bonds.

Debt Limit - The internal policy, statutory or constitutional maximum debt that an issuer can legally incur.

Debt Ratios - There are several key debt ratios used by the national credit rating agencies to assess a City's creditworthiness.

1. **Debt as a Percentage of Assessed Value:** This ratio indicates the relationship between a City's debt and taxable value of property in the City. It is an important indicator of the City's ability to repay debt, because property taxes are the primary source of City revenues used to repay debt. A smaller ratio is an indication that the City will be better able to withstand possible future economic downturns and continue to meet its debt obligations. Generally, ratios less than 3% are considered low. Ratios between 3%-6% are medium, and ratios over 6% are considered high.
2. **Debt Service as a Percentage of General Government Expenditures:** Net bonded debt service costs are the costs for debt to be paid out of general public revenues, as opposed to Enterprise Fund revenues. This ratio is a measure of a City's ability to repay debt without hampering other City services. A smaller ratio indicates a lesser burden on the City's operating budget. A ratio of 8% to 10% is considered reasonable.
3. **Debt Payout Ratio:** This ratio is a measure of how quickly the City retires its outstanding indebtedness. A higher payout ratio preserves the City's capacity to borrow for future capital needs. A ratio of at least 65% is desirable.

The City will maintain its annual net bonded debt service costs at a ceiling of ten percent of the General Fund expenditures, with a target ratio of eight percent.

The City will maintain a ten-year payout ratio (ie; rate of principal amortization) for its net bonded debt of not less than 65%.

Debt Service - Payment of principal and repayment to holders of the debt instruments (bonds, etc). This includes charges paid to the fiscal agents.

Debt Service as a Percentage of Expenditures - The portion of operating expenditures consumed by debt service costs.

Debt Service Fund - An accounting entity used to account for the accumulation of resources for and payment of general long term debt principal and interest on borrowed funds.

Default - The inability to pay scheduled payments on debt.

Defeasance - An advanced refunding procedure whereby a new debt issue provides funds for an interest-bearing escrow account to repay the old debt issue at its maturity dates, and the new debt replaces the old debt on the City's Statement of Net Assets. (Also see: *Advanced Refunding Bonds and Refunding*).

Default - Failure to pay in a timely manner principal and/or interest when due, or a Technical Default, the occurrence of an event as stipulated in the Indenture of Trust resulting in an abrogation of that agreement. A Technical Default can be a warning sign that a default on debt service is coming, but in reality actual debt service interruption does not always occur if the problems are resolved in time. A Technical Default will almost always drive down the price of a bond in secondary market trading.

Deferred Revenue - Resource inflows that do not yet meet the criteria for revenue recognition. Unearned amounts are always reported as deferred revenue. In governmental funds, earned amounts also are reported as deferred revenue until they are available to liquidate liabilities of the current period.

Deficit - The excess of an entity's liabilities over its assets or the excess of expenditures or expenses over revenues during a single accounting period.

Defined Benefit Plan - A defined benefit plan pays participants a specific retirement benefit that is promised (defined) in the plan document. Under a defined benefit plan benefits must be definitely determinable. For example, a plan that entitles a participant to a monthly pension benefit for life equal to 30 percent of monthly compensation is a defined benefit plan.

Defined Contribution Retirement Plan - A retirement plan under which the annual contributions made by the employer or employee are generally stated as a fixed percentage of the employee's compensation or company profits. The amount of retirement benefits is not guaranteed; rather, it depends upon the investment performance of the employee's account.

Delinquent Taxes - Taxes that remain unpaid on and after the date on which a penalty for non-payment is attached.

Density - The number of dwelling units (houses, apartments, townhouses, duplexes, etc.), or buildings per unit of land. Density is often expressed as dwelling units per acre or du/ac.

Department - A separate organizational unit designated by the City Council to define and organize City operations and functions.

Depreciation - Depreciation - Charges made against earnings to write off the cost of a fixed asset over its estimated useful life. Depreciation does not represent a cash outlay. It is a bookkeeping entry representing the decline in value of an asset over time.

Design for the Environment - A design concept that focuses on reducing environmental and human health impacts through thoughtful design strategies and careful materials selection.

Development of Regional Impact (DRI) - The set of developments which are large enough to meet a threshold established by Florida law to require review by both the County and South Florida Regional Planning Council. Requirements for the DRI review process are contained in Section 380.06, Florida Statutes.

Direct Costs - A cost item that can be identified specifically with a single cost objective in an economically feasible manner.

Direct Deposit - A means of automating payment made by governments or companies to be deposited directly into a recipient's account. Used mainly for the deposit of salary, pension and interest checks.

Disadvantaged Business Enterprise (DBE) - A business that meets the criteria to be certified as a disadvantaged business entity.

Disbursement - The expenditure of monies from an account.

Discount - Literally, a reduction in price. In municipal bonds, the amount (stated in dollars or a percent) by which the selling or purchase price of a security is less than the principal amount or par value.

Distinguished Budget Presentation Awards Program - A voluntary awards program administered by Government Finance Officers Association to encourage governments to prepare effective budget documents that serve as a policy document, a communications device, a financial plan, and an operations guide.

Division - A separate organizational activity whose line of authority is under one of the City's operating departments.

DOJ - The United States Department of Justice.

Double-barreled Bond - A bond with two distinct pledged sources of revenue, such as earmarked monies from a specific enterprise or aid payment, as well as the general obligation taxing powers of the issuer.

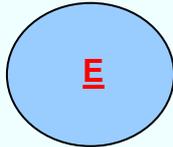

DRI - See: *Development of Regional Impact*.

Drug Awareness Resistance Education (D.A.R.E.) - A police department-based program to teach kids how to recognize and resist the direct and subtle pressures that influence them to experiment with alcohol, tobacco, marijuana, and other drugs.

Due Diligence - An thorough investigation conducted by a person responsible for approval or recommendation of a particular action prior to taking that action with the purpose of uncovering any flaws, misstatement, fraud, irregularities and other item material to the transaction are known. In municipal bond work it means an

investigation conducted by the bond's underwriters and their counsel and, in some cases also by bond counsel and Issuer's counsel to determine whether all material items in connection with the Issuer, the Issuance and the security for the Issue have been accurately disclosed in the Official Statement (or if a Private Placement in the Placement Memorandum) and that no material disclosure has been omitted.

DVMT - See: *Daily Vehicle Miles Traveled*.

E-government – See: *Electronic Government*.

Earmark — To set aside funds for a specific purpose, use, or recipient. The term is often applied as an epithet for funds set aside in particular congressional districts or States or for certain specified organizations for such purposes as research projects, demonstration projects, parks, laboratories, academic grants, construction or other contracts.

Earth Day - One of two observances, intended to inspire awareness of and appreciate the Earth's environment.

Easement - A property right to enter, utilize and maintain another's property for a specific purpose. For example, often utility lines are located in an easement on private property.

Ecosystem - The interacting system of a biological community and its non-living environmental surroundings.

EEO – See: *Equal Employment Opportunity*.

EEOC – See: *Equal Employment Opportunity Commission*.

Effective Buying Income - Effective buying income measures income after taxes. Household EBI measures income on a household basis, regardless of the number of family members and compares it on a ratio basis to the national average. Per Capita EBI measures the same on a per person basis.

Effectiveness Measure - Term used in connection with the evaluation of internal controls and performance measurement. The degree to which an entity, program, or procedure is successful at achieving its goals and objectives.

Efficiency Measures – Data that provides information about how well an organization uses available resources. Usually written as a ratio, these measures may include cost per unit of service provided, cost per unit of output, or the units of service provided per full time equivalent employee. An example of an efficiency measure is the cost per ton of garbage collected.

E.I. – Engineering Intern. A professional level of engineering attained through testing. Precedent to becoming a Professional Engineer (P.E.)

Embodied Energy - Refers to both the energy required to make a product and the molecular energy that exists in a product's material content.

Electronic Government (e-government) – A government's use of technology as an enabling strategy to improve services to its citizens and businesses including such services as internet payments, voice response systems, interactive kiosks, and other emerging technologies.

Electronic Transfer - The electronic transmission of payments from one bank to another through a wire.

Emergency Operations Center (EOC) - Command center for coordination and intervention for citywide or regional emergencies.

Emission - The release of any gas, particle, or vapor into the environment from a commercial, industrial, or residential source including smokestacks, chimneys, and motor vehicles.

Employee Benefits - Amounts paid by the City on behalf of employees. These amounts are not included in the gross salary. They are also called fringe benefits, and while not paid directly to employees, they are part of the cost of operating the City. Employee benefits include the City's cost for health insurance premiums, dental insurance, life and disability insurance, Medicare, retirement, social security and tuition reimbursement.

EMS - Emergency Medical Service.

EMT – Emergency Medical Technician.

Encumbrances – Commitments against an approved budget for unperformed contracts for goods or services. They cease to be encumbrances when the obligations are paid or otherwise terminated.

Endangered Species Act - Legislation passed by the federal government in 1973 to conserve the ecosystems upon which endangered species depend and to conserve and recover listed species.

Energy Recovery - Obtaining energy from waste through a variety of processes (e.g. combustion). Kimball Office uses wood scrap as a source of energy in many of its manufacturing plants.

Energy Star - Program administered by the Environmental Protection Agency that evaluates products based on energy efficiency. ENERGY STAR Rating is the rating a building earns using the ENERGY STAR Portfolio Manager to compare building energy performance to similar buildings in similar climates. A score of 50 represents average building performance.

Enterprise Fund - A fund established to account for operations that are financed and operated in a manner similar to private business. The intent is that the full cost of providing the goods or services be financed through charges and fees, thus removing the expense from the tax rate (for example, Water and Sewer, Stormwater, Electric).

Entitlements - Payments to which local governmental units are entitled by law, pursuant to an allocation formula determined by the agency providing the monies, usually the state or the federal government.

Entitlement Community - A federal designation that guarantees a municipality or county a portion of HUD appropriations within a specified formula based on census reporting.

Environmental Aspect - An element of industries or manufacturer's activities, products, or services that can interact positively or negatively with the environment used in the ISO 14001 EMS protocol.

Environmental Audit - An independent assessment of the current status of a party's compliance with applicable environmental requirements or of a party's environmental compliance policies, practices, and controls.

Environmental Impact - Any change to the environment, good or bad, that wholly or partially results from industrial/manufacturing activities, products or services.

Environmental Impact Statement - A document required of federal agencies by the National Environmental Policy Act for major projects or legislative proposals significantly affecting the environment. A tool for decision making, it describes the positive and negative effects of the undertaking and cites alternative actions.

Environmental Footprint - The environmental impact any company or entity makes as it performs any activity. A footprint is determined by how well raw materials or by-products are (or aren't) absorbed by the surrounding environment.

Environmental Management System (EMS) - A series of activities designed to monitor and manage the environmental impacts of manufacturing activities. (See ISO 14001).

Environmental Protection Agency (EPA/USEPA) - A federal agency which monitors and oversees various entities to make sure federal environmental laws and regulations are being followed.

EOC - See: *Emergency Operations Center*.

EPA - See: *Environmental Protection Agency*.

Equipment - Expenditures for durable goods such as computers, desks, chairs, or cars.

ERISA - The Employee Retirement Income Security Act is a federal law covering all aspects of employee retirement plans. If employers provide plans, they must be adequately funded and provide for vesting, survivor's rights, and disclosures.

ERU - See: *Equivalent Residential Unit*.

Escrow - A deed, bond, money, or piece of property held in trust by a third party until fulfillment of a condition.

Estimate - A general calculation or judgment based on historical data or previous performance.

Estimated Revenues - Projections of funds to be received during the fiscal year.

Equal Employment Opportunity (EEO) - policies, programs, and legislation designed to affirm or provide equal access to initial employment and to occupational benefits, promotions, and other opportunities during employment for traditionally disadvantaged groups

Equal Employment Opportunity Commission (EEOC) - A federal agency concerned with the enforcement and compliance of fair employment practices.

Equivalent Residential Unit (ERU) - A unit of measure equal to 1,548 square feet of impervious surface used to determine storm water impact (and fee) on a particular piece of property. All single family structures are one REU. Non-residential parcels are measured in ERUs at the 1,548 square feet standard. (See: *Impervious Surface*). For Miami Gardens, the charge is \$4/ mo per ERU.

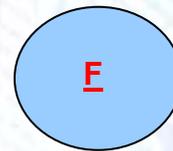

Excel - A Microsoft program that is used to perform calculations, analyze information, and manage lists in spreadsheets or Web pages.

Executive - A general government services expenditure that includes the costs of providing executive management and administration of the affairs of the local government including the coordination, guidance, and support of the development of effective programs, and the planning, evaluation, analysis, control, and overall supervision of such programs.

Expenditure - The outflow of funds paid, or to be paid, for goods and services received during the current period.

Expenses - The incurrence of liabilities or the consumption of assets arising from the delivery or production of goods, rendering services, or carrying out other activities of the City.

External Audit - See: *Audit*.

Façade - The exterior walls of a building that can be seen by the public.

Fair Labor Standards Act (FLSA) - A federal law establishing certain employment standards and procedures to which local units of government, among others, must comply with regards to hiring, pay and other employment practices.

Fair Market Value (FMV) - Fair Market Value is the price that property would sell for on the open market. It is the price that would be agreed on between a willing buyer and a willing seller, with neither being required to act, and both having reasonable knowledge of the relevant facts.

False Alarm - An alarm signal causing a response by police or fire when a situation requiring a response did not exist at or about the time of the response. The burden of proving that such an alarm signal was not a false alarm is on the alarm user.

FASB - Financial Accounting Standards Board.

FCIC - See: *Florida Crime Information Center*.

FDEP - Florida Department of Environmental Protection.

FDOT - See: *Florida Department of Transportation*.

Feasibility Study - A financial study that estimates service needs, construction schedules, and most importantly, future project revenues and expenses used to determine the financial feasibility and creditworthiness of the project to be financed.

Federal Emergency Management Agency (FEMA) - A federal agency which provides regulation on flood plain management and disaster assistance.

Federal Empowerment Zone - A geographic area designated by the U.S. Secretary of Housing and Urban Development (Urban Zone) or by the U.S. Secretary of Agriculture (Rural Zone) as meeting criteria for selection and being eligible for tax incentives and credits and for special consideration for programs of federal assistance.

Federal Employer Identification Number (FEIN) - A Federal Employer Identification Number (FEIN) is a nine-digit number that IRS assigns to identify a business entity. The IRS uses the number to identify taxpayers that are required to file various business tax returns. FEINs are used by employers, sole proprietors, corporations, partnerships, nonprofit associations, trusts, estates of decedents, government agencies, certain individuals, and other business entities.

Federal Transit Administration (FTA) - An operating administration under the United States Department of Transportation that assists in development and improving mass transportation systems for cities and communities countywide.

Felony - The most serious category of criminal offenses. With penalties of imprisonment ranging from a year and a day to life, or in some states, punishable by death.

FEMA - See: *Federal Emergency Management Administration*.

FGBC - See: *Florida Green Building Coalition*.

Fiber Optic - Thin transparent fibers of glass or plastic that transmit light through their length by internal reflections, used for transmitting data, voice, and images. Fiber-optic technology has virtually replaced copper wire in long distance telephone lines and is used to link computers in local area networks, with digitized light pulses replacing the electric current formerly used for the signal.

Fiduciary Fund - A type of fund in which the government acts as a trustee or agent on behalf of another party. An example is pension funds.

Fiduciary Funds - Funds used to report assets held in a trustee or agency capacity for others and which therefore cannot be used to support the government's own programs. The fiduciary fund category includes pension (and other employee benefit) trust funds, investment trust funds, private-purpose trust funds, and agency funds.

FIHS - See: *Florida Intrastate Highway System*.

Final Budget - Term used to describe revenues and expenditures for the upcoming fiscal year beginning October 1 and ending September 30 as adopted by the City Council.

Finance Department - A general government services department that includes the cost of providing financial and administrative services to the local government as a whole. Includes budgeting, accounting, billing, internal and

external auditing, revenue collection, personnel, property control, grants development and other support services.

Financial Accounting Standards Board (FASB) - The authoritative accounting and financial reporting standard-setting body for business enterprises and not-for-profit organizations. The FASB is the direct successor of the Committee on Accounting Procedure and the Accounting Principles Board. The GASB and its predecessors have elected to apply a number of the FASB's standards, as well as those of its predecessors, to state and local governments.

Financial Policy - A government's policies with respect to revenues, spending, investments, and debt management as these relate to government services, programs and capital investments. Fiscal policy provides as agreed-upon set of principles for the planning and programming of government budgets and their funding.

Fines and Forfeitures - A major revenue category reflecting the revenues received from fines and penalties imposed for the commission of statutory offenses and violation of lawful rules and regulations. Forfeitures include those revenues resulting from confiscation of deposits or bonds held as performance guarantees.

FIRM - See: *Flood Insurance Rate Map*.

Fiscal Agent - A bank or other corporate fiduciary that performs the function of paying, on behalf of the governmental unit, or other debtor, interest on debt or principal of debt when due.

Fiscal Policy - See: *Financial Policy*.

Fiscal Year - The 12 month period to which the annual operating budget applies, and at the end of which, the government determined its financial position and the results of its operations. For the City, this period is October 1st to the following September 30th. For the State of Florida, this period runs from July 1st to the following June 30th. (Also see: *Accounting Period*).

Fitch - An independent financial advisory firm that rates organizations such as cities and companies as to their financial viability. The highest rating an organization can receive is AAA. (See: *Bond Rating*).

Fixed Asset - A long-lived, tangible asset or system of assets obtained or controlled as a result of past transactions, events or circumstances. Fixed assets include land, buildings, equipment, improvements other than buildings, and infrastructure. Miami Gardens requires that an asset have a current value of at least \$5,000 in order to be classified as a fixed asset.

Fixed Charges - Repetitive expenditures of which the amounts are more or less constant that must be paid from time-to-time. These may repeat at various intervals, weekly, monthly, annually, etc. and are generally not discretionary. (Examples are insurance premiums, utilities, contributions to pensions, and land and building rentals).

Flood Elevation - The elevation floodwaters reach at a particular site during the occurrence of a specific flood (usually referred to as a 100-year flood line).

Flood Insurance Rate Map (FIRM) - The map produced by the Federal Insurance Administration showing, within the City of Clive, expected flood areas, and such other

notations as are necessary to establish actuarial rates for the sale of flood insurance within the community. (Also See: *One-Hundred Year Flood*).

Florida Crime Information Center – A State Agency that acts as a clearinghouse for crime information. Local police departments can access this information electronically to assist in investigations of crime and criminals.

Florida Department of Transportation (FDOT) - This is a state agency responsible for state and federal roadways within the county. It provides and/or regulates state roadway development, inspection, testing, surveying, mapping, and planning.

Florida Green Building Coalition (FGBC) - A nonprofit Florida corporation dedicated to improving the built environment. Their mission is "to provide a statewide green building program with environmental and economic benefits.

Florida Friendly Plantings – Trees and plants that conserve water and protect the environment by using drought-tolerant landscaping, according to design standards and amendments thereto developed pursuant to F.S. 373.228

Florida Intrastate Highway System (FIHS) - Highway system created by the Florida Legislature in 1990 to be a statewide transportation network that provides for high-speed and high-volume traffic movements within the state.

Florida Recreation Development Assistance Program (FRDAP) – This is a State program that provides annual grants for the capital development of recreation in Florida. Municipalities can apply for up to \$400,000 (two separate grants) in financial assistance each year.

Florida State Retirement System (FRS) – A statewide retirement/pension system in which local governments may participate.

Florida Statute (F.S.) - This is a written Florida state law.

Fluorocarbon - A non-flammable, heat-stable hydrocarbon liquid or gas. Traditionally used as propellants, notably in spray cans, fluorocarbons are classified as ozone-depleting substances. Many industries are seeking to reduce, and even eliminate, the use of fluorocarbons in the manufacture and operation of their products.

FMV – See: *Fair Market Value*.

Forrest Stewardship Council (FSC) - Its purpose is to coordinate the development of forest management standards throughout the different biogeographic regions of the U.S., to provide public information about certification and FSC, and to work with certification organizations to promote FSC certification in the U.S. The certification body for sustainable forests offering chain of custody documentation required by LEED.

Fossil Fuel - The nation's principal source of electricity, largely due to their low costs. Fossil fuels come in three major forms: coal, oil and natural gas. They are finite resources and cannot be replenished once they are extracted and burned and non-renewable.

457 Plan – A non-qualified deferred compensation plan available to employees of state and local governments and tax-exempt organizations.

Foreclosure – A legal process in which mortgaged property is sold to pay the loan of the defaulting borrowers.

Franchise – A special privilege granted by a government permitting the continuing use of public property, such as city streets and rights-of-way. It may involve the elements of a monopoly and regulation.

Franchise Fees - A major revenue category reflecting the fees levied on a corporation or individual by the local government in return for granting a privilege, sanctioning a monopoly, or permitting the use of public property.

FRDAP – See: *Florida Recreation Development Assistance Program*.

Fringe Benefits - See: *Employee Benefits*.

FRS – See: *Florida Retirement System*.

FLSA – See: *Fair Labor Standards Act*.

FTA – See: *Federal Transit Administration*.

FTE – See: *Full-Time Equivalent*.

Fringe Benefits – See: *Employee Benefits*.

Frontage - The dimension of a front lot line as measured along the public street.

Full Faith And Credit - A pledge of the general taxing power of the city for the payment of debt obligations. Bonds carrying such pledges are referred to as general obligation bonds or full faith and credit bonds.

Full-Time Equivalent (FTE) - Full-time Equivalent which is an employee position number based on the hours for which a position is budgeted during the accounting year: 1 FTE = 2,080 hrs, 0.5 FTE = 1,040hrs, etc.

Function - Any one of several major purposes addressed by City government, including general government, public safety, physical environment, transportation, economic environment, human services, culture and recreation, internal services, and non-expenditure disbursement.

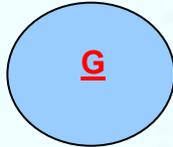

Functional Classification - A description of how a road functions, using definitions and processes specified by the Federal Highway Administration. A road may be classified as a principal arterial (including Interstates, Other Freeways and Expressways, or others), a minor arterial, a collector (major or minor), or a local road. Principal arterials have a *mobility* function: they provide for movement from one general area to another. Local roads have an *access* function: they provide direct access to homes, businesses, and other destinations. The other classifications have both mobility and access functions, with minor arterials providing more mobility, and collectors providing more access.

Fund - An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and/or other resources together with all related liabilities, obligations, reserves, and equities which are segregated for the purpose of carrying on specific activities or attaining certain objectives. The City of Miami Gardens has four Funds: The General Fund, the Transportation Fund, The Development Services Fund, and the Capital Projects Fund.

Fund Balance - The excess of fund assets over liabilities. These unspent funds can be included as revenue in the following year's budget. It also represents the accumulated net resources of a Fund available for reservation, designation, or for appropriation. A negative fund balance is sometimes referred to as a deficit.

Funded Agencies - Nonprofit agencies which provide community services which supplement and support City programs and for which City dollars are made available.

FY - See: Fiscal Year.

GAAP - See: Generally Accepted Accounting Principles.

Garbage/Solid Waste - A physical environment expenditure to account for costs relative to providing for the collection and disposal of garbage, refuse, and solid waste by the local government. Miami Gardens' charter reserves this activity exclusively to Miami-Dade County.

GASB - See: Governmental Accounting Standards Board.

GASB 34 - The acronym used for Governmental Accounting Standards Board Statement #34: "Basic Financial Statements- Management's Discussion and Analysis - For State and Local Governments".

GASB 45 - Government Accounting Standards Board's statement 45 which dictates that governments must fully account for the liability related to post retirement benefits offered to current employees.

Gasoline Tax - A tax on the use, sale, or delivery of all motor vehicle fuels used, sold, or delivered in this state. These taxes are collected by the State and remitted to the various units of local government based on statutory formulas established for each tax.

General Fund - The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund.

General Government Services - A major expenditure category that represents the costs of services provided by the legislative and administrative branches of the City for the benefit of the public and the governmental body as a whole.

General Ledger - A file that contains a listing of the various accounts necessary to reflect the financial position of the government.

General Obligation Bonds - Bonds for which the City pledges its full faith and credit for repayment. In other words, the City agrees to raise sufficient property taxes to repay the obligations. Such bonds require a vote of the public in order to issue.

General Purpose Funds - Includes all sources of funds including ad valorem taxes when no specific source is designated for funding. For activities having charges for services or other identifiable sources, the general purpose

funds are the difference between the total budgetary requirement and the other identifiable sources of funds.

Generally Accepted Accounting Principles (GAAP) - Uniform minimum standards and guidelines for accounting and reporting. These standards govern the form and content of the annual financial statements of the City. The primary authoritative body on the application of GAAP to state and local governments is the Governmental Accounting Standards Board (GASB).

Geographic Information System (GIS) - A computerized map and data base used by the City. This system contains property data, roadways, utilities, and other useful information to be utilized by the City and general public.

GFOA - See: Government Finance Officers Association.

GHG - See: Greenhouse Gas.

GIS - See: Geographic Information System.

Global Positioning System (GPS) - A constellation of twenty-four satellites, developed by the United States Department of Defense, that orbit the earth at an altitude of 20,000 kilometers. These satellites transmit signals that allow a GPS receiver anywhere to calculate its current location. The Global Positioning System is used in navigation, mapping, surveying, and other applications where precise positioning is necessary.

G.O. Bonds - See: General Obligation Bonds.

Goal - A single, broad statement of the ultimate purpose for existence of an organization, organizational unit, or program.

Governing Body - Any board, commission, council or individual acting as the executive head of a unit of local government. For Miami Gardens it is the Mayor and City Council.

Governmental Accounting Standards Board (GASB) - This organization was established as an arm of the Financial Accounting Foundation in April 1984 to promulgate standards of financial accounting and reporting with respect to activities and transactions of state and local government.

Governmental Finance Officers Association of the United States and Canada (GFOA) - The Government Finance Officers Association of the United States and Canada is a professional organization of public officials united to enhance and promote the professional management of governmental financial resources by identifying, developing and advancing fiscal strategies, policies and practices for the public benefit.

To further these objectives, all government finance officers are enjoined to adhere to legal, moral and professional standards of conduct in the fulfillment of their professional responsibilities. Standards of professional conduct as set forth in this code are promulgated in order to enhance the performance of all persons engaged in public finance.

Governmental Fund - The funds through which most government functions are financed. The City's governmental funds are the General Fund, Capital Projects, And Special Revenue Funds.

GPS – See: *Global Positioning System*.

Grant - A grant is a contribution of cash or other assets from another governmental or private agency, corporation or individual to be used for a specific purpose.

Graywater - Defined by the Uniform Plumbing Code (UPC) in its Appendix G, titled “Gray water Systems for Single-Family Dwelling,” as “untreated household wastewater which has not come into contact with toilet waste. Gray water includes water from bath tubs, showers, bathroom wash basins, and water from clothes-washer and laundry tubs. It shall not include wastewater from kitchen sinks or dishwashers.” The International Plumbing Code (IPC) defines graywater in its Appendix C, titled “Graywater Recycling Systems,” as “wastewater discharged from lavatories, bath tubs, showers, clothes washers, and laundry sinks.” Some states and local authorities allow kitchen sink wastewater to be included in graywater. Other differences with the UPC and IPC definitions can probably be found in state and local codes. Project teams should comply with the graywater definitions as established by the authority having jurisdiction in their areas.

Green Building - The practice of increasing the efficiency with which buildings use resources, such as energy, water, and building materials or land. Green buildings may use one or more renewable energy systems for heating and cooling, such as solar electric, solar hot water, geothermal biomass or any combination of these.

Green Building Certification Institute (GBCI) – The organization which administers and provides third-party project certification for commercial and institutional buildings and tenant spaces under the U.S. Green Building Council’s Leadership in Energy and Environmental Design (See: LEED) Green building rating system.

Green Building Council – See: *U.S. Green Building Council*.

Green Design - A term used in the building, furnishings and product industries to indicate design sensitive to environmentally-friendly, ecological issues, while reducing building impacts on human health and the environment, through better seating, design, construction, operation, maintenance, and removal, the complete building life cycle.

Green Development - Development that minimizes energy consumption and minimizes pollution and the generation of wastes, while maximizing the re-use of materials and creating healthful indoor/ outdoor environments.

Green Energy - Refers to the use of environmentally friendly power and energy that comes from renewable and non-polluting energy sources. Primary green energy sources include solar, wind, geothermal, hydropower, and biomass (wood and animal waste, landfill mass).

Green Technology - Systematic knowledge and application to production processes making efficient use of natural resources, while reducing or recycling waste and controlling and minimizing the risks of chemical substance while reducing pollution.

GREENGUARD®: The GREENGUARD Certification Program is an independent, third-party testing program for low-emitting products and materials. To qualify for certification, products and materials are regularly tested to ensure that their chemical and particle emissions meet acceptable indoor air quality (IAQ) pollutant guidelines and standards. GREENGUARD Certification is a voluntary

program available to all manufacturers and their suppliers. Source: www.greenguard.org.

Greenhouse Gas (GHG) - gaseous components of the atmosphere that contribute to the “greenhouse effect” i.e. absorbs infrared radiation in the atmosphere.

Greenways - Natural areas that take the form of corridors, often following streams or rivers, and provide opportunities for trails and bike paths connecting scenic areas and other destinations

Greywater – See: *Graywater*.

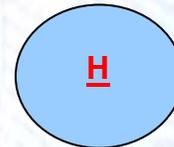

Gross Debt - The sum total of a state’s or local government’s debt obligations.

Gross Bonded Debt – The total amount of direct debt of a government represented by outstanding bonds before deduction of any assets available and earmarked for their retirement.

Gross Revenues (For bond purposes) - Generally, all annual receipts of a revenue bond issuer prior to the payment of all expenses. Normally only Net Revenues are pledged to the repayment of bonds.

Growth Management – State requirements related to development and its impact on public infrastructure.

Guaranteed Maximum Price (GMP) – In construction, the amount beyond which a client (project owner) is not obligated to compensate the contractor.

HAZMAT - First Responder Operational level of trained HAZMAT response that generally handles simple, straightforward HAZMAT incidents.

HOA – See: *Homeowners’ Association*.

HOME – See: *Home Investment Partnership Program*.

Home Investment Partnership Program (HOME) - A federal program dedicated to expand affordable housing opportunities for local government. It consists of numerous housing programs resultant from the Housing and Community Development Act of 1992.

Homeowners’ Association (HOA) – A governing board that establishes rules and regulations for homeowners within its jurisdictional boundaries.

Homestead Exemption - Pursuant to the Florida State Constitution, the first \$50,000 of assessed value of a home, which the owner occupies as principal residence, is exempt from the property tax.

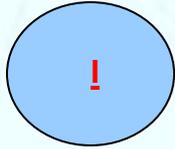

HOPWA - Acronym for “Housing Opportunities for Persons with Aids”.

Housing and Urban Development (HUD) – The United States Department of Housing and Urban Development.

HUD – See: *Housing and Urban Development*.

HVAC – Heating, Ventilation, and air conditioning equipment.

Hybrid – See: *Alternative Fuel Vehicle*.

I-net – Institutional network. The I-net is a fiber optic network linking key City facilities to enable/enhance telephone, data and video communications.

ICMA – See: *International City and County Management Association*

I/I – See: *Inflow and infiltration*.

Illegal Dumping - Is disposal of waste in a non-permitted area, such as a back area of a yard, a stream bank, or some other off-road area? Illegal dumping can also be the pouring of liquid wastes or disposing of trash down storm drains. It is often called "open dumping", "fly dumping", and "midnight dumping" because materials are often dumped in open areas, from vehicles along roadsides, and late at night. Illegally dumped wastes are primarily nonhazardous materials that are dumped to avoid paying disposal fees or expending the time and effort required for proper disposal.

Impact Fee – A payment of money imposed by the City upon development activity as a condition of issuance of a building permit to pay for public facilities needed to serve new growth and development, and to mitigate the impacts of the development activity on the existing public facilities.

Impervious Surface - Surface through which water cannot easily penetrate, such as a roof, road, sidewalk, or paved parking lot.

Incremental Budget - A budget which is arrived at by either decreasing or increasing last year's budget. It is based on projected changes in operations and conditions. (Also See: *Zero-Based Budget, Program Budget and Line-Item Budget*).

Indenture of Trust - A legal document describing in specific detail the terms and conditions of a bond offering, the rights of the bondholder, and the obligations of the issuer to the bondholder; such document is alternatively referred to as a bond resolution.

Indoor Air Quality (IAQ) - Indoor pollution sources that release gases or particles into the air are the primary cause of indoor air quality problems in buildings. Inadequate ventilation can increase indoor pollutant levels by not bringing in enough outdoor air to dilute emissions from indoor sources and by not carrying indoor air pollutants out of the home. High temperature and humidity levels can also increase concentrations of some pollutants.

Industrial Development Bonds (IDBs) - Also called Industrial Revenue Bonds (IRBs). Used to finance facilities for private enterprises, water and air pollution control, ports, airports, resource-recovery plants, and housing, among others. The bonds are backed by the credit of the private corporation borrower rather than by the credit of the issuer. Also known as Conduit Bonds. Private purpose

bonds are limited by federal law to \$50 times the state's population on an annual basis.

Industrial Waste - Unwanted materials from an industrial operation; may be liquid, sludge, solid, or hazardous waste.

Infill Development - Development on relatively small vacant or underutilized sites in urbanized areas, making use of existing infrastructure and community facilities. Infill development in the urban core of a metropolitan area is one means of reducing urban sprawl

Infrastructure – Infrastructure - Roads, bridges, utilities, rail lines and similar physical facilities that support and service urban development. More broadly defined, the term can also include the schools, libraries, fire stations and other community facilities that support neighborhoods.

Inflow and infiltration (I/I) - A field condition where ground water seeps into sanitary sewer lines.

Incorporated Area - Those areas of Miami-Dade County which are within municipalities. (Also See: *UMSA*).

Indenture – A deed or contract which may be in the form of a Bond resolution and sets forth the legal obligations of the Issuer with respect to the securities and names a Trustee who holds funds and security under the Indenture, makes payment of principal and interest to the security holders and acts on behalf of the holders in the event of a default.

Information Technology (IT) - The City division that manages and operates the City's computer assets, telephone communications, and data communications support to City's departments and divisions, and the public.

Infrastructure - The physical assets or foundation of the City, including buildings, parks, streets, sidewalks, electric systems, stormwater systems, hospitals, airports, seaports, and water and sewer systems.

Insurance Services Office (ISO) - An insurer supported organization that provides advisory insurance underwriting and rating information to insurers. ISO rates municipalities in two major areas – Fire Departments and Building Departments. Miami Gardens does not have a fire department. Its building department received an ISO rating of Class 4.

Interest Revenue - Revenue derived from the proper management of the City's assets, through investment of public funds being held until expended or distributed to other units of government.

Interfund Transfer - Budgeted amounts transferred from one fund to another for work or services provided.

Intergovernmental Revenue - A major revenue category that includes all revenues received from federal, state and other local government sources in the form of grants, shared revenues, and payments in lieu of taxes.

Interlocal Agreement - A contractual agreement between two or more governmental agencies.

Internal Controls - Processes designed to ensure that specific accounting objectives are achieved (e.g., financial reporting, compliance, and operations).

Internal Service Charges - Revenue for charges generated from the goods and services furnished by service departments of the City, which are accounted for as Internal Service Funds, to other City departments.

Internal Service Fund – An accounting entity established to service the internal city organization. Such services as purchasing, fleet maintenance and information technology may be accounted for within an internal service fund. This form of accounting provides for an easy identification of expenditures on such common items and provides a vehicle for an effective charge-back system for their use.

International City and County Management Association (I.C.M.A. or ICMA) – The professional and educational organization representing appointed managers and administrators in local government throughout the world.

Intrafund transfers – Internal transfers of monies between accounts in the same accounting fund.

Intranet – Internal network, similar to the internet, except access is limited to an organization's internal members.

Investment Earnings - Revenue earned on investments with a third party. (See: *Investments* and *Pooled Cash Investments*).

Investment Grade - Bond issues that the three major bond rating agencies, Moody's, Standard & Poor's, and Fitch rate BBB or Baa or better. Many fiduciaries, trustees, some mutual fund managers can only invest in securities with an investment grade rating.

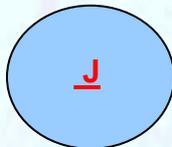

Investments - Securities, bonds, and real property (land or buildings) held for the production of revenues in the form of interest, dividends, rentals, or lease payments – The term does not include fixed assets used in the normal course of governmental operations.

ISO – See: *Insurance Services Office*.

ISO 14001 - An internationally accepted specification for an Environmental Management System (EMS). It specifies requirements for establishing an environmental policy, determining environmental aspects and impacts of products, activities, and services, planning environmental objectives and measurable targets, implementation and operation of programs to meet objectives and targets, checking and corrective action, and management review. (Also see: *Insurance Services Office*.)

IT – See: *Information Technology*.

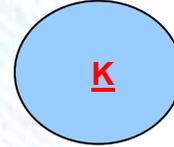

ITE – *Institute of Transportation Engineers*.

Junk Bonds. Most non-rated bonds and bonds rated below investment grade.

Joint Participation Agreement (JPA). A JPA is formed when it is to the advantage of two or more public entities

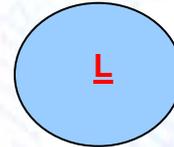

with common powers to consolidate their forces to acquire or construct a project.

Keep Miami Gardens Beautiful (KMGB) – This City division is responsible for various beautification programs throughout the City. It is affiliated with Keep America Beautiful. It is also responsible for maintaining the City as a Tree City, U.S.A.

Key Workload Measures – Data that express the amount or level of service provided. An example of a key workload measure is total ton of garbage collected (Also See: *Workload indicators*).

KMGB – See: *Keep Miami Gardens Beautiful*.

Land Development Regulations (LDR) – A set of ordinances and policies that determine permissible activity on property throughout a city's jurisdiction, to include land use, development criteria, requirements and restrictions, and development fees associated with the land development process. (Also see: *Zoning*).

Land Use - The type of activity or development that occupies a parcel of land. Common land uses include residential, retail, industrial, recreation, and institutional.

Land Use Plan - A guide for the location and intensity of future development in a community. A land use plan typically separates uses that are incompatible with each other (such as residential and industrial uses), while bringing together land uses that can be complementary (such as residential and small-scale retail uses). A land use plan also locates uses in proximity to supportive infrastructure, such as placing industrial development along rail lines. Zoning is one means of implementing a land use plan.

LAP Certification – Local Agency Certification Program is a process through which a local jurisdiction can become certified to manage construction activities in state and Federal rights-of-way.

Law Enforcement – A public safety expenditure to account for the cost of providing police services for the local government's jurisdiction; including local police services and specialized services. By City charter, Miami-Dade Police Department provides these services to the City for three years beyond initial incorporation. At that time, the City may choose to provide its own local police services; however, specialized services will be provided in perpetuity by the County.

Law Enforcement Impact Fee Fund -To account for the proceeds and expenditures associated with law enforcement impact fees charged against new construction and used to fund the equipment and capital needs of new police officers required as a result of community growth.

Law Enforcement Trust Fund (L.E.T.F.) – A fund or account established to separately account for asset seizures and forfeitures resulting from police investigations and court decisions. (Also See: *Special Revenue Fund*).

LDR – See: *Land Development Regulations*.

Lease-Purchase Agreement - An agreement that conveys the right to property or equipment for a stated period of time. It allows the City to spread the cost of the acquisition over several budget years.

LEED®: Leadership in Energy and Environmental Design; a certification program administered by the U.S. Green Building Council to recognize leadership in environmental design for commercial and residential construction and renovation. Source: www.usgbc.org.

LEED AP: LEED® Professional Accreditation distinguishes building professionals with the knowledge and skills to successfully steward the LEED® certification process. LEED® Accredited Professionals (LEED® AP's) have demonstrated a thorough understanding of green building practices and principles and the LEED® Rating System.

LEED® 2009 Green Building Rating System – A rating system for new construction and major renovations consisting of a set of performance standards for certifying the design and construction of commercial or institutional buildings and high-rise residential buildings. The intent of the system is to promote healthful, durable, affordable, and environmentally sound practices in building and construction. Certifications are awarded according to points received on a set of criteria as follows:

Certified	40-49 points
Silver	50-59 points
Gold	60-79 points
Platinum	>80 points.

Legal Debt Limit – The maximum amount of debt which an issuer of municipal securities is permitted to incur under constitutional, statutory or charter provisions. The debt limit is usually expressed as a percentage of assessed valuation.

Legal Debt Margin – The excess of the amount of debt legally authorized over the amount of debt outstanding.

Legal Department - A general government service expenditure used to account for the cost of providing legal services for the benefit of the local unit. Included are expenditures for the City Attorney as well as special counsel employed as needed.

Legislative Department - A general government service expenditure that includes the cost of providing representation of the citizenry in the governing body. It includes the expenditures for the Mayor and City Council.

L.E.T.F. – See: *Law Enforcement Trust Fund*.

L.E.T.T.F. – See: *Law Enforcement Training Trust Fund*.

Level Debt Service - Principal and interest payments that, together, represent more or less equal annual payments

over the life of the loan. Principal may be serial maturities or sinking fund installments.

Level-of-Service (LOS) – Growth management standard for public services that is used to measure the impact of proposed development on public infrastructure.

Levy - To impose taxes, special assessments, or service charges for the support of City activities.

Libor Rate (London Interbank Offered Rate) - Benchmark rates in the Eurocurrency market. These are interbank rates for short-term loans in major currencies. Variable loans often peg the variable rate in relation to the Libor rate.

Liabilities – Debts or other legal obligations arising out of transactions in the past that must be liquidated, renewed, or refunded at some future date. This term does not include encumbrances.

Libraries - A recreation and culture expenditure used to account for the cost of providing and maintaining library facilities and services to the community. According to the City's charter, Library services will be provided to the City in perpetuity by Miami-Dade County government. The County's North Regional Branch Library is located within the City.

Licenses and Permits - A major revenue category reflecting the revenue derived from the issuance of local licenses and permits. The category is made up of building permits as well as occupational and other licenses subcategories.

Lien - A lien represents a claim against a property or asset for the payment of a debt. Examples include a mortgage, a tax lien, a court judgment, etc.

Line Item – A specific item defined by detail in a separate account in the financial records.

Life Cycle Assessment (LCA) - The process of analyzing a product's entire life, from raw materials extraction through manufacturing, delivery, use, and disposal or reuse. Source: www.usgbc.org.

Line of Credit – A financial institution's promise to lend up to a specific amount during a specific time frame.

Line-Item Budget – A budget that lists detailed expenditure categories (salaries, benefits, office supplies, travel, dues, etc.) and may be reviewed, anticipated and appropriated at this level (Also See: *Zero-Based Budget*, *Program Budget* and *Incremental Budget*).

Life Cycle Cost Method - A technique of economic evaluation that sums over a given study period the costs of initial investment (less resale value), replacements, operations (including energy use), and maintenance and repair of an investment decision (expressed in present or annual value terms).

Limited Liability Company (LLC) - A legal entity that has the option of being taxed like a partnership, but shields personal assets from business debt like a corporation.

Livable Neighborhoods - Neighborhoods that offer a good quality of life for their residents. Livable neighborhoods are characterized by safety, decent and affordable housing, high-quality services and shopping,

good schools, economic opportunities, and opportunities for healthy living.

Local Option Gas Tax I (Operating) – A tax levy of up to six cents on each gallon of motor and special fuels sold, which has been imposed by Miami-Dade County in accordance with state law and which is shared with cities in the county. This tax may only be used for transportation expenditures including public transportation, roadway and traffic operations and maintenance.

Local Option Gas Tax II (Capital Improvement) – A tax levy of up to five cents on each gallon of motor fuel sold, which may be imposed by counties in accordance with state law, in one cent increments up to five cents and which is shared with eligible cities in the county. This tax may only be used for transportation expenditures needed to meet the requirements of the capital improvements element of an adopted comprehensive plan.

Local Option Sales Tax - An infrastructure surtax to be levied by local governments as approved by referendum at a rate of ½ cent or 1 cent. Tax may be effective for up to fifteen years from the date of levy. Proceeds must be expended on fixed capital expenditures or fixed capital costs for construction, reconstruction, or improvement of public facilities that have a life expectancy of five or more years and land acquisition, land improvement, and related design and engineering costs.

Local Planning Agency (LPA) – The governmental body empowered to decide or recommend to the elected body, changes in and approvals pursuant to land use proposal submitted by private individuals. In some cases the LPA is a separately appointed body that makes recommendations to the elected governing body though it can also be the governing body itself acting as the LPA.

Long-Term Debt – A type of debt with a maturity date of greater than one year after the date of issuance.

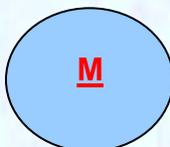

Long-Term - Liabilities that will not be due for a comparatively long time (usually more than one year). However, as they come within the one-year range, and are to be paid, such liabilities become current. Includes bonded debt, notes payable, and liabilities that will not become obligations until a later time (e.g., accrued annual leave in the case of appropriation accounts). (Also See: *Current Liabilities* and *Liabilities*)

LOS – See: *Level-of-Service*.

Low Emitting Materials - Reduce the quantity of indoor air contaminants that are odorous, potentially irritating and/or harmful to the comfort and well-being of installers and occupants by the use of materials that meet emission standards.

Lowest Responsible Bidder - The bidder/proposer that submitted a responsive bid at the lowest price of all the responsive bids submitted, and whose past performance, reputation, and financial capability is deemed acceptable.

LPA – See: *Local Planning Agency*.

M.A.I. – A designation granted by the Appraisal Institute, a global membership association of professional real estate appraisers. The MAI membership designation is held by appraisers who are experienced in the valuation and evaluation of commercial, industrial, residential and other types of properties, and who advise clients on real estate investment decisions and is the Institute's highest designation.

Management Discussion and Analysis (MD&A) - A high-level overview of a agency's performance. Designed for informing the public, legislators, and officials from Federal, State, and local governments, and other interested parties in the factors that affected the past year's operations and that may potentially impact future performance.

Mandate - Any responsibility, action or procedure that is imposed by one government on another through constitutional, legislative, administrative, executive, or judicial action as a direct order, or that is required as a condition of aid.

Market Value Per Capita - Total market value of all taxable property within the jurisdiction divided by population.

Matching Requirement - A requirement that grant recipients contribute resources to a program that equal or exceed a predetermined percentage of amounts provided by the grantor.

Material Weakness - A condition that indicates great potential for inaccurate numbers in financial statements or in procedures that could lead to undetected fraud.

Matured Bonds Payable – A liability account reflecting unpaid bonds that have reached or passed their maturity date.

Maturities - The dates on which the principal or stated values of investments or debt obligations become due and/or may be reclaimed.

Maximum Annual Debt Service - The maximum amount of principal and interest due by a revenue bond issuer on its outstanding bonds in any future fiscal year. This is sometimes the amount to be maintained in the Debt Service Reserve Fund.

Maximum Millage Rate (In Florida) – This is a rate set by the elected body in July preceding the adoption of the final budget. At their final budget hearings in September, the elected body may set a final tax rate at or lower than this rate, but not higher.

MD&A – See: *Management Discussion and Analysis*

Medicaid - A state and federal partnership that provides health care coverage for selected categories of low income residents to improve the health of people who might otherwise go without medical care for themselves and their children. Medicaid services vary from state to state.

Medicare - A federal health insurance program for people who are age 65 or older or who are disabled. It is administered by the Federal Department of Health and Human Services and the Centers for Medicare and Medicaid Services (CMS).

Merit Program/Pay - An established system to recognize and financially reward employee performance that exceeds the City's standards for a classification.

Materiality - The magnitude of an item's omission or misstatement in a financial statement that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would have been changed or influenced by the inclusion or correction of the item (FASB Statement of Financial Concepts No. 2).

Metropolitan Transportation Planning Organization (MPO) - A 17 member board made up of city and county commissioners who oversee the metropolitan transportation planning process in Miami Dade County. They adopt the long range transportation plan, the Transportation Improvement Program, and determine the annual task list for the Transportation Planning Organization staff.

MGD - Million gallons per day.

Miami-Dade Transit - Miami-Dade County provides County-wide transit service to the residents of Miami Gardens.

Mill - A monetary value equal to 1/10 of one cent.

Millage Rate - As used with ad valorem taxes, the rate expresses the dollars of tax per one thousand dollars of taxable property value. The millage rate for Miami Gardens is 5.3734 mills or \$5.37 per \$1,000 of taxable valuation of real property.

Miscellaneous Revenue - A major revenue category which includes the following sources: Interest earnings, rents and royalties, special assessments, compensation for the loss of fixed assets, contributions and donations, and other miscellaneous revenues.

Misdemeanor - All public offenses which are not felonies are misdemeanors. Misdemeanors are aggravated misdemeanors, serious misdemeanors, or simple misdemeanors. Where an act is declared to be a public offense, crime or misdemeanor, but no other designation is given, such act shall be a simple misdemeanor.

Mobile Data Terminals - Wireless computing devices that send and receive information over a wireless data network, used by City police officers in the field.

Modified Accrual Accounting - The accounting approach under which: 1) revenues are recognized in the accounting period in which they become measurable and available to pay liabilities of the current period; 2) expenditures are recognized in the accounting period in which a fund liability is incurred, and unamortized principal and interest on general long term debt is recognized when due.

Moody's Investors Services - An independent financial advisory firm that rates organizations such as cities and companies as to their financial viability. The highest rating an organization can receive is Aaa. (See: *Bond Rating*).

MPO - See: *Metropolitan Transportation Planning Organization*.

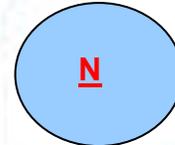

Muni - See: *Municipal Bond*.

Municipal - In its broadest sense, an adjective which denotes the state and all subordinate units of government.

In the more popular sense, it is an adjective which denotes a city or village as opposed to other local governments such as a county.

Municipal Bond - A security issued by or on behalf of a state or political subdivision, the interest on which is exempt from federal income tax.

Municipal Electric Systems - Nonprofit electric utilities owned by municipalities (cities or villages). These utilities are operated and governed by the municipality's legislative authority, i.e. the city/village council/board of public affairs elected by municipal residents.

National Crime Information Center - A Federal Agency that acts as a clearinghouse for national crime information. Local police departments can access this information electronically to assist in investigations of crime and criminals.

National Flood Insurance Program (NFIP) - A program under Federal Emergency Management Administration which manages flood insurance rates.

National Highway System (NHS) - Roads designated by Congress as nationally important for inter-regional travel. Includes roads designated as connectors to NHS intermodal facilities.

National Incident Management System (NIMS) - A process established by the Federal government in the wake of 9/11 to standardize emergency response to any type of crisis event. All municipal governments must be certified in order to qualify for federal assistance funding.

National Recreation and Park Association (NRPA) - The Nation's largest independent, non-profit public service organization advocating quality recreation and parks for the American people; its objectives revolve around public advocacy, public visibility, research, and professional development.

National Pollutant Discharge Elimination System (NPDES) - Federally mandated storm water permit that addresses the quality of discharge to surface water.

NCIC - See: *National Crime Information Center*.

Neighborhood Stabilization Program - A Federal grant program designed to help stabilize neighborhood by providing funds to local governments to purchase foreclosed homes, renovate them and sell to qualified homeowners.

Net Bonded Debt - Gross bonded debt less current cash or other assets available and earmarked for its retirement.

NFPA - National Fire Protection Association.

NFIP - See: *National Flood Insurance Program*.

NHS - See: *National Highway System*.

NIMS – See: *National Incident Management System*.

Non-Ad Valorem – Special assessments and service charges which are not based upon the value of the property and millage. Non-Ad Valorem fees can become a lien against a homestead. Examples are sidewalk assessments, solid waste collection charge, lighting district fees, etc.

Nonconforming Use - Any use not allowed in the zone in which it is located or use of land or a building that does not comply with the provisions of City of Clive Zoning Ordinance or subsequent amendments.

Non-Departmental – An account department of the budget which contains non-operating funds that are not easily allocated to any specific operating department, or which would, because of their temporary or transient nature, distort a departmental operating budget. This department accounts for such items as debt service, reserves.

Non-Operating Expenses - Includes the movement of monies from one fund into another in the form of transfers and the payment of monies for debt service or into reserves and contingencies.

Non-Operating Revenues - Revenue category used to account for unoriginal revenue which either carried forward from the prior year or that is transferred in from another fund or account without regard to the conduct of any operations such as interest.

Non-recurring Revenue or Expenditure – A revenue or an appropriation for a single year only that does not become a part of the subsequent year's base budget. (Also See: *Recurring Revenue or Expenditure*).

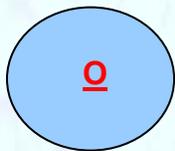

NPDES – See: *National Pollutant Discharge Elimination System*.

NRPA – See: *National Parks and Recreation Association*.

NRCS – Natural Resource Conservation Service.

NSP – See: *Neighborhood Stabilization Program*.

Nuisance - Whatever is injurious to health, indecent, or unreasonable offensive to the senses, or an obstruction to the free use of property as to essentially interfere unreasonably with the comfortable enjoyment of life or property.

Object Codes - Object codes are a numerical system of identifying like revenues and expenditures. The codes are determined by a Chart of Accounts listing approved codes for the various types of revenues, expenditure items, equipment and services.

Objectives - A descriptive list of those things which are accomplished in order to fulfill an organization's goal or mission.

Objects of Expenditure – Expenditure classifications based upon the types or categories of goods and services

purchased (i.e. Personnel Services, Operating expenditures, and capital outlay).

Obligations – Amounts which a government may be legally required to meet out of its resources. They include not only actual liabilities, but also encumbrances not yet paid.

Occupational Licenses – A subcategory of Licenses and Permits which reflects revenue derived from the issuance of occupational or professional licenses. (Also see: *Business Tax Receipt*).

Occupational Safety and Health Administration (OSHA) – A federal agency that is responsible for setting and enforcing minimum standards for worker safety and health.

Official Statement (OS) - A document prepared for potential investors that contains information about a proposed bond or note issue and the issuer. The official statement is typically published with the notice of sale. It is sometimes called an offering circular or prospectus.

One Hundred-Year Flood - A flood, the magnitude of which has a one percent (1%) chance of being equaled or exceeded in any given year or which, on the average, will be equaled or exceeded at least once every 100 years. (Also See: *Flood Insurance Rate Map*).

OPEB (Other Post Employment Benefits) - Employees of state and local governments may be compensated in a variety of forms in exchange for their services. In addition to a salary, many employees earn benefits over their years of service that will not be received until after their employment with the government ends. The most common type of these postemployment benefits is a pension. Postemployment benefits other than pensions generally take the form of health insurance and dental, vision, prescription, or other healthcare benefits provided to eligible retirees, including in some cases their beneficiaries. They may also include some type of life insurance. As a group, these are referred to as OPEB. (See GASB 45)

Operating Budget – Plans of current expenditures and the proposed means of financing them. The annual operating budget, as distinguished from the capital spending budget, is the primary means by which most of the financing, acquisition, spending and service delivery activities of the City are controlled.

Operating Deficit – The deficiency of operating revenues under expenditures.

Operating Revenue – Funds that the government receives as income to pay for ongoing operations. It includes such items as taxes, fees from specific services, interest earnings, grants, intergovernmental revenues, fines and forfeitures and grant revenues. Operating revenues are used to pay for day-to-day services.

Operating Expenses - Expenditures for goods and services which primarily benefit the current period such as professional fees, travel, utility and communication services, maintenance of equipment, office supplies, and motor fuels.

Operating Lease – An operating lease is a lease for which the lessee acquires the property for only a small portion of its useful life. It is commonly used to acquire

equipment or property on a short-term basis. (Also see: *Capital Lease*).

Operating Surplus – The excess of operating revenues over operating expenditures.

Ordinance – A formal legislative enactment by the City Council. It has the full force and effect of law within the City's boundaries unless preempted by a higher form of law. An ordinance has higher legal standing than a Resolution and is typically codified in the City's municipal code book (except budget ordinances).

OS – See: *Official Statement*.

OSHA – The federal Occupational Safety and Health Administration.

Other General Government - Reflects those charges for recording legal instruments, zoning fees, sale of maps, certification, copying, records searches, and county officer fees. This source is a subcategory of Charges for Service.

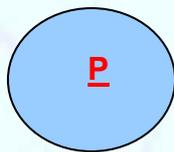

Outcome/Effectiveness Measures – Data that focus on the results, rather than the quality of work, delivered by a project or program. It indicates how well a service accomplished the intended purpose. These measures refer to the quality of the service provided, citizen perceptions of quality, or the extent a service meets the need for which it was created. An example of an outcome/effectiveness measure is the percent of citizens rating the refuse collection services as excellent or good.

Overall Net Debt Per Capita - This ratio measures net debt to population.

Overhead – See: *Cost Allocation Plan*.

Overlapping Debt – The proportionate share of the debts of local governments located wholly or in part within the limits of the reporting government that must be borne by property within each jurisdiction.

Overlay Zoning District - A zoning district which overlays and acts in conjunction with the underlying zoning district or districts.

Par Value - The face value or principal amount of a bond, usually \$5,000 due the holder at maturity. It has no relation to the market value. For pricing purposes it is considered 100.

Parity Debt – An issue of securities with claim on the same underlying security for and source of payment of debt service equally and ratably with other outstanding issues.

Parks and Recreation - A recreation and culture expenditure that reflects the cost of providing recreational facilities and activities for both participant and spectator involvement. Includes all types of recreational and/or park facilities open for public use.

Parks and Recreation Fees - A Charge for Service subcategory which includes charges collected from parks

and recreational facilities, cultural services, special events and special recreational facilities.

Part 1 Offenses - A law enforcement classification for major crimes, including murder, robbery, aggravated assault, etc.

Pay-As-You-Go – Capital expenditures included in the CIP, which are funded by a contribution from an operating fund.

Paying Agent – The institution (usually a bank or trust company) identified on the security as the agent designated by the Issuer to make payment of principal and interest.

PC – Personal computer.

PCard – a City owned credit card (Purchasing Card) that employees can purchase items from area businesses

Personal Services - A collection of accounts used to capture expenditures, such as wages, fringe benefits and other special pays of an employee.

P.E. – Professional Engineer.

Per Capita – Per unit of population; by or for each person.

Per Capita Tax Burden – This is a theoretical amount that each man, woman and child within the city pays in local property taxes. While it does not apply to any individual as circumstances differ among taxpayers (size of household, value of home, exemptions), it is one indicator of the general tax burden paid by residents.

Performance Bond - A bond executed subsequent to award by a successful bidder, to protect the buyer from loss due to the bidder's inability to complete the contract as agreed, secures the fulfillment of all contract requirements

Performance Indicators - Specific quantitative and qualitative measures of work performed as an objective of specific departments or programs.

Performance Measures/Measurement – A system that measures and documents what a department or other administrative division is responsible for accomplishing and how well it does so. This system documents such measures through various key workload indicators, efficiency and outcome/effectiveness measures. Performance measures are used as a management tool to identify strengths and detect possible problems. Performance measures are referred to as indicators.

Personal Property - For the purposes of ad valorem taxation, there are four types of personal property:

1. *Household goods* means wearing apparel, furniture, appliances, and other items ordinarily found in the home and used for the comfort of the owner and his or her family. Household goods are not held for commercial purposes or resale. "Intangible personal property" means money, all evidences of debt owed to the taxpayer, all evidences of ownership in a corporation or other business organization having multiple owners, and all other forms of property where value is based upon that which the property represents rather than its own intrinsic value.

2. *Inventory* means only those chattels consisting of items commonly referred to as goods, wares, and merchandise (as well as inventory) which are held for sale or lease to customers in the ordinary course of business. Supplies and raw materials shall be considered to be inventory only to the extent that they are acquired for sale or lease to customers in the ordinary course of business or will physically become a part of merchandise intended for sale or lease to customers in the ordinary course of business. Partially finished products which when completed will be held for sale or lease to customers in the ordinary course of business shall be deemed items of inventory. All livestock shall be considered inventory. Items of inventory held for lease to customers in the ordinary course of business, rather than for sale, shall be deemed inventory only prior to the initial lease of such items. For the purposes of this section, fuels used in the production of electricity shall be considered inventory.

3. *Tangible personal property* means all goods, chattels, and other articles of value (but does not include the vehicular items enumerated in s. 1(b), Art. VII of the State Constitution and elsewhere defined) capable of manual possession and whose chief value is intrinsic to the article itself.

4. *Construction work in progress* consists of those items of tangible personal property commonly known as fixtures, machinery, and equipment when in the process of being installed in new or expanded improvements to real property and whose value is materially enhanced upon connection or use with a preexisting, taxable, operational system or facility. Construction work in progress shall be deemed substantially completed when connected with the preexisting, taxable, operational system or facility. Inventory and household goods are expressly excluded from this definition.

Personal Services - Expenditures for personnel-related costs including salaries and wages, overtime, shift differential, social security matching, retirement contribution, life and health insurance, worker's compensation, and unemployment compensation.

Physical Environment - A major expenditure category used to account for those expenditures whose primary purpose is to achieve a satisfactory living environment.

PILOT or P.I.L.O.T. - Is a Payment In Lieu Of Taxes. A payment made by enterprise departments to the General Fund for fire and police services. A PILOT may also be made to a local government by a tax-exempt entity outside of the local government such as a military base, university, church or other tax-exempt organization, as a means to compensate the local government for services provided.

Plat - A map recorded in final form, which represents a tract of land showing the boundaries and location of individual properties and streets.

Pledgeable Revenue - Revenues which can be used as a pledge to pay off debt; a form of collateral.

Pledged Revenues - The revenue streams which are the subject of a Pledge contained in an indenture or other security document.

Policy - A plan, course of action or guiding principle designed to set parameters for decisions and actions.

Pollution Control Bond - A tax exempt security issued by a state, certain agencies or authorities, a local government or development corporation to finance the construction of air or water pollution control facilities or sewage or solid waste disposal facilities pursuant to Federal law and backed by the credit of the pollution control entity rather than the credit of the Issuer

Pooled Cash Investments - A practice of investing the total amount of cash available for investment regardless of fund boundaries. The interest earned is then allocated back to individual funds by average cash balance in that fund. (Also See: Investments and *Investment Earnings*).

Post Consumer Recycled Content - Material that has been recovered after its use as a consumer product. Examples include fleece clothing made from pop bottles and reclaimed carpet tiles used for new tile backing.

Preliminary Official Statement - A version of an Official Statement in preliminary form without pricing, yield or maturity information used by the Issuer or Underwriters to inform the public prior to receipt of bids at competitive bidding or prior to the assignment of an interest rate and offering price in a negotiated sale. Orders for the security may not be taken based on a distribution of these preliminary documents, and a statement to this effect is usually contained on the cover page, printed in red, and thus the preliminary document is often referred to as the "Red Herring."

Prime Rate - A one time, prime was the rate banks charged for loans to their most creditworthy business customers. Now, business financing is much more diverse and the prime rate has become an important benchmark for consumer loans. It is still a rate that applies only to the best credits. Frequently a loan rate will be set in relation to the prime rate -- for example, one percentage point above prime.

Principal - A term used to describe repayments of the face value or par value of debt obligations exclusive of interest.

Prior Year(s) - The fiscal year(s) proceeding the current year.

Prior-Year Encumbrances - Obligations from previous fiscal years in the form of purchase orders or contracts which are chargeable to an appropriation, and for which a part of the appropriation is reserved. The year(s) cease to be encumbrances when the obligations are paid or otherwise terminated.

Privatization - The opening of government markets allowing for equitable competition among the private and public sectors for the privilege of delivering services to the public

Pro Forma - Pro forma is a sample form, document, statement, certificate, or presentation. The contents may be wholly or partially hypothetical and present actual facts, estimates, or proposals.

Pro Rata Administrative Reimbursement - A calculated share per department to expend/reimburse for services provided by one fund to another.

Proclamation - A proclamation is a document given by the Mayor and Council to formally recognize an individual, an organization, a special event, an achievement, or cause. Proclamations are generally read at the public meetings and presented to the person or group being recognized. Examples of proclamations include recognizing Township residents who have given service to the Township or performed acts of heroism.

Productivity Measures – A measure of the service output of City programs or program elements, compared to the per-unit of resource input invested.

Program Budget - Budgeting for the delivery of a particular program. The focus is on the purpose of the program and its outcome rather than the components of the program. It pays less attention to the specific spending items of the program and more on its expected output. (Also See: *Incremental Budget, Line-Item Budget and Zero-Based Budget*).

Program Manager – An employee responsible for the day-to-day administration and support of a specific City program.

Projection – An estimate based on known data, observations or historical performance.

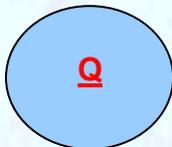

Property Appraiser – The County officer charged with determining the value of all property within the county, including within municipalities and special districts, with maintaining certain records connected therewith, and determining the tax on property after the taxes have been levied by the respective taxing authority.

Public Roads - All roads under the State Highway System, the County Road System, and the City Road System, plus public roads administered by various branches of the U.S. government. Does not include private subdivision roads or roads within shopping centers or other large private areas.

Public Safety - A major expenditure category used to account for the cost of providing services for the security of persons and property within the City's jurisdiction. This category includes the functions of law enforcement, emergency/disaster activities, and school crossing guards.

Public Sale – Sale of an Issue by an Issuer by competitive bidding whereby the Issue is sold to the bidder offering to buy the Issue at the lowest net interest cost to the Issuer.

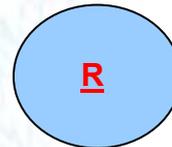

Purchase Order - A formal written agreement between the vendor and the City for the acquisition of specific goods or services as detailed in the description section of the order form incurring of debt for the delivery of specific goods or services.

QNIP – See: *Quality Neighborhoods Improvement Program*.

Quality Neighborhood Improvement Program (QNIP) – A program of Miami-Dade County resulting from a bond issue approved in F Y 1999. Funds from this program are

allocated for parks and public works programs throughout the County.

Rapidly Renewable Content/Materials - Rapidly renewable materials are products that regenerate quicker than the demand for the products. Many rapidly renewable materials, such as agricultural waste products converted into pressed agriboard products, bamboo, cork flooring, and others perform equally as well as their non-renewable counterparts.

Rate Covenant - A legal commitment by a revenue bond issuer to maintain rates at levels to generate a specified debt-service coverage.

Rating Agencies – Organizations which provide the service of evaluating the relative creditworthiness of Issues and assigning Ratings to them, such as Moody's Investors Service, Inc., Standard & Poor's Corporation, and Fitch's Investors Service.

Real Property – Land, buildings, fixtures, and all other improvements to land. The terms "land," "real estate," and "real property" maybe used interchangeably.

Recession - The most common definition is two consecutive quarters of decline in real gross domestic product. A recovery begins when the economy starts to move out of the bottom of its cycle, with increasing demand for goods and services, increasing investment and growing employment.

Recommended Budget - The proposed budget that has been prepared by the City Manager and forwarded to the Mayor and City Council for approval.

Recurring Revenue or Expenditure – An appropriation automatically renewed without further legislative action until altered or revoked. A revenue that is expected to be received in subsequent years (See: *Non-Recurring Revenue or Expenditure*).

Recycled Content - Refers to the percentage of recycled materials in a product, generally determined by weight.

Red Herring – See: *Preliminary Official Statement*.

Redevelopment Agency - A legislatively established subdivision of government established to revitalize blighted and economically depressed areas of a community and to promote economic growth.

Referendum - The principal or practice of referring measures passed upon or proposed by, the legislative body to the body of voters, or electorate, for approval or rejection.

Refunding Bond – The sale of a new bond Issue, the proceeds of which are to be used to pay debt service on and retire an outstanding Issue. The purpose of refunding may be to save interest cost, extend the maturity of the debt or remove restrictive covenants in

the security documents. (Also See: *Advanced Refunding*).

Regular Employee - An employee who is hired to fill a position anticipated to have continuous service duration of longer than one year, whose compensation is derived from the City's classification tables, and whose position is established in the position control system.

Reimbursement - A sum (1) that is received by the government as a repayment for commodities sold or services furnished either to the public or to another government account and (2) that is authorized by law to be credited directly to specific appropriation and fund accounts.

Reinsurance - An arrangement under which an insurer passes risk and obligations to another insurer. Reinsurance serves several purposes, including reducing risk, diversifying exposure, and providing financial flexibility.

Rents and Royalties - Revenues collected from rents and proceeds for use of public property or other assets. This source is a subcategory of Miscellaneous Revenue.

Reorganization - Reorganization refers to changes in the budget and reporting structure within or between funds, departments or divisions.

Repairs and Maintenance - Expenditures for the repair and maintenance of all equipment and supplies, buildings, structures and grounds.

REPO - See: *Repurchase Agreement*.

Repurchase Agreement - An agreement in which a government entity transfers cash to a broker-dealer or financial institution; the broker-dealer or financial institution transfers securities to the entity and promises to repay the cash plus interest in exchange for the same securities.

Request for Proposal (RFP) - A solicitation for professional services necessary to address a particular deficiency, problem, or point of interest - Proposals are sought to determine whether or not there are qualified entities or individuals who can address the particular issue. These proposals often included the firm's or individual's approach to the problem, a history of their achievements, and their ability to complete the work necessary to address the issue. (Also see: *CCNA*).

Request for Qualifications (RFQ) - A document describing a project for which professional services are required and requesting a statement from service providers as to how they would be able to deliver the services necessary to complete the project. It is much like a Request for Proposals, but the price of a contract is not the primary criteria for review.

Reserves - An account used to indicate that a portion of fund equity is restricted for a specific purpose. Included in reserves is budgeted cash forwarded for the subsequent year. A reserve for contingencies may be provided in a sum not to exceed 10% of the total budget.

Resolution - A special or temporary order of a legislative body that requires less formality than an ordinance. Resolutions are often used to establish policy versus formal law.

Restricted Assets - Assets whose use is subject to constraints that are either externally imposed by creditors,

grantors, contributors, or other governments, or that are imposed by law.

Restricted Net Assets - A component of net assets calculated by reducing the carrying value of restricted assets by the amount of any related outstanding debt.

Restricted Reserves - That portion of a fund's equity which is legally restricted for a specific purpose and is not available for appropriation.

Restricted Revenues - Revenues which are legally or otherwise restricted for a specific purpose and are not available for appropriation such as bond revenues, earmarked grants or grants given for a specific purpose.

Retained Earnings - An equity account reflecting the accumulated earnings of an enterprise fund that may be used to fund capital improvements, to reimburse the general fund for prior year subsidies, to reduce user charges and to provide for enterprise revenue deficits (operating loss).

Revaluation - The periodic re-assessment of property values as undertaken by the County Property Appraiser.

Revenue Bonds - See: *Special Revenue Bonds*.

Revenues - Those receipts which increase a fund's financial resources other than from interfund transfers and debt issue proceeds; or an increase in a fund's assets without a corresponding increase in liabilities. The total amount of income received, earned, or otherwise available for appropriation.

RFP - See: *Request for Proposal*.

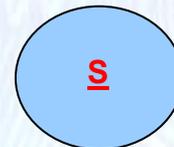

RFQ - See: *Request for Qualifications*.

Right-of-Way - A strip of land acquired by reservation, dedication, prescription, or condemnation and intended to be occupied by a road, trail, water line, sanitary sewer or other public uses. (Also See: *Easement*).

Risk Management - The identification and control of risk and liabilities incurred by a local government to conserve resources from accidental loss.

Roll-Back Rate - This is the millage effort required to bring in the same amount of ad valorem tax revenue in any new year as was collected in the prior year. This generally requires that the City lower its existing millage rate to accomplish this. New construction added to the tax roll during the preceding year is excluded from the calculation. Any millage rate in excess of this roll-back rate must be advertised by the City as a tax increase.

ROW - See: *Right-of-way*.

Safe Neighborhood Parks Program (SNP) - This program developed by Miami-Dade County and carried out through a series of General Obligation Bonds issued since 1996. Certain parks projects were authorized under this bond series which are located within Miami

Gardens. Additionally, the Office of the SMP Program makes available additional grants from interest earnings and turn-backs.

Salary Savings - That percentage or dollar amount of salaries which can be expected to be unspent during the fiscal year due to vacancies and employees receiving less than the top-step pay of the classification.

Save Our Homes Amendment – Florida Constitutional amendment (“Amendment 10”) that limits the increase of assessed value for a home by 3% or the Consumer Price Index, whichever is less. The assessment limit begins in the second years of the homestead exemption.

SDWA – Safe Drinking Water Act.

Secondary Market - The trading market for outstanding bonds and notes. This is an Over-the-Counter market, a free form negotiated method of buying and selling, usually conducted by telephone or computer. Traders buy and sell for their own inventory.

Section 8 Housing – A Federal housing program where privately owned rental dwelling units to participate in the low-income rental assistance program created by 1974 amendments to Section 8 of the 1937 Housing Act. Under the program, landlords receive rent subsidies on behalf of qualified low-income tenants, allowing the tenants to pay a limited proportion of their incomes toward the rent.

Section 108 Loan – A federal program of the U.S. Department of Housing and Urban Development that enables state and local governments participating in the Community Development Block Grant (CDBG) program to obtain federally guaranteed loans pledged by the jurisdiction's future allocation of CDBG funds, to fuel large economic development projects and other revitalization activities.

Section 202 Housing – A federal program of the U.S. Department of Housing and Urban Development that provides subsidies to developers of elderly housing.

SFWMD – See: *South Florida Water Management District*.

SGAC - Statement of Governmental Accounting Concepts.

S.H.I.P. – See: *State Housing Initiative Partnership*.

Single Audit Act - For any community, which expends \$300,000 or more per year in federal grants towards, the Single Audit Act establishes audit guidelines that reduce to only one the number of annual audits to be completed to satisfy the requirements of the various federal agencies from which grants have been received.

Sinking Fund – A fund used to accumulate the cash needed to pay off a bond or other security.

Site Plan - A plan prepared to scale, showing accurately and with complete dimensioning, the boundaries of a site and the location of all buildings, structures, uses and principal site development features proposed for a specific parcel of land.

Smart Growth - A perspective, method, and goal for managing the growth of a community. It focuses on the long-term implications of growth and how it may affect the community, instead of viewing growth as an end in itself. The community can vary in size; it may be as small as a city block or a neighborhood, or as large as a city, a

metropolitan area, or even a region. Smart Growth promotes cooperation between often diverse groups to arrive at sustainable long-term strategies for managing growth. It is designed to create livable cities, promote economic development, and protect open spaces, environmentally sensitive areas, and agricultural lands.

SNP – See: *Safe Neighborhood Parks Program*.

Sole Source - Supplier is the only source for contract item (i.e. patented or copyright product).

South Florida Water Management District (SFWMD) - This is a state created agency/district which regulates storm water management, ground water withdrawals, and environmental lands issues in south Florida.

Special Assessment Bond – Revenue bonds issued to finance improvements in special taxing districts with debt service paid by assessments to district property owners.

Special Assessments - Collections resulting from compulsory levies against certain properties to defray part or all of the cost of specific improvements of services presumed to be of general benefit to the public and special benefit to the assessed properties.

Special Revenue Bonds – Bonds issued to finance improvements with debt service paid by designated non-ad valorem revenues of the jurisdiction. The full faith and Credit of the jurisdiction is not pledged.

Special Revenue Fund – A fund established to account for and tract revenues and expenditures resulting for use-restricted revenues received by the city.

Special Taxing District – A geographic area, designated by petition or vote of the residents of that area, in which a particular service is provided exclusively to residents of the area. A special property tax or special assessment pays for these services.

Stakeholder - Any organization, governmental entity, or individual that has a stake in or may be impacted by a given approach to environmental regulation, pollution prevention, energy conservation, etc.

Sustainability - Meeting the needs of the present without compromising the ability of future generations to meet their own needs.

State Highway System - Roads under the jurisdiction of the State of Florida, and maintained by the Florida Department of Transportation or a regional transportation commission (State Roads – SR); includes roads with Interstate, US, and SR numbers.

State Housing Initiative Partnership (S.H.I.P.) – the State Housing Initiatives Partnership program (SHIP) provides funds to local governments as an incentive to create partnerships that produce and preserve affordable homeownership and multifamily housing. The program was designed to serve very low, low and moderate income families. Depending on your income, you could be eligible for home repair or replacement, down payment assistance, rental housing assistance and other affordable housing assistance.

State Revolving Fund – A low interest loan program of the State of Florida to fund water and wastewater system improvements.

State Shared Revenue – A major revenue category that includes revenues levied by state governments but

shared on a predetermined basis, often in proportion to the amount collected at the local level with the local governments.

Statute - A written law enacted by a duly organized and constituted legislative body.

Strategic Intermodal System (SIS) - Transportation system created by the Florida Legislature in 2003 to include statewide and regionally significant facilities and services, containing all forms of transportation for moving both people and goods, including linkages that provide for smooth and efficient transfers between modes and major facilities.

Strategic Plan - A document outlining long-term goals, crucial issues and action plans which will increase the organization's effectiveness in attaining its mission, priorities, goals and objectives. Strategic planning starts with an examination of the present, envisioning the future, choosing how to get there, and making it happen (Also See: *Comprehensive Development Master Plan and Charrette*).

Streets Division - A transportation expenditure account used to account for the cost of providing and maintaining road and street plant facilities and ancillary facilities such as bridges, viaducts, sidewalks, rights-of-way, shoulders, and other facilities incidental to the proper movement of traffic along roads and streets. In Miami-Dade County, street signs and lights are the responsibility of the County.

Streetscape - The view along a street from the perspective of a driver or pedestrian, particularly views of natural and built elements in the street right-of-way, including street trees, signs, street lights, above-ground utilities, sidewalks, bus shelters, bike racks, street furniture and public art. The quality of a streetscape has a major impact on the perception of an adjacent retail or mixed-use district.

Stimulus Grant - See: *American Recovery and Reinvestment Act*.

Stormwater - Surface water generated by a storm.

Stormwater Management (SWM) - A means of controlling the quantity and quality of storm water runoff flowing downstream. SWM can refer to structural practices such as storm sewers, drainage lines and swales, underground storage facilities, dams and lakes for retention or it can refer to non-structural practices such as street cleaning, educational campaigns, water-use and disposal practices and water quality initiatives.

Stormwater Runoff - Unfiltered water that reaches streams, lakes, ponds and oceans by means of flowing across impervious surfaces. Storm water that does not soak into the ground becomes surface runoff, which either flows into surface waterways or is channeled into storm sewers.

Stormwater Utility Fund - A non-enterprise utility fund established to account for costs of maintaining existing stormwater management facilities and the construction of new facilities.

Subventions - Revenues collected by the State, or other level of government, which are allocated to the City on a formula basis. The major subventions received by the City from the State of Florida State Revenue Sharing, the ½-cent Sales Tax and gasoline taxes.

Superfund - See: CERCLA.

Supplemental Appropriation - An appropriation approved by the City Council after the initial budget is adopted. Supplemental appropriations require a motion by Ordinance.

Supplies - Consumable materials used in the operation of the school district including food, textbooks, paper, pencils, office supplies, custodial supplies, material used in maintenance activities and computer software.

Surplus - Generally, revenues over expenditures. The use of the term 'surplus' in governmental accounting is generally discouraged because it creates a potential for misleading inference.

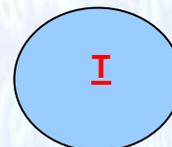

Sustainability - No widely accepted definition, the World Commission on Environment and Development in 1987 said sustainability means, "Meeting the needs of the present without compromising the ability of future generations to meet their own needs." The 1995 World Summit on Social Development defined sustainable development as "the framework for our efforts to achieve a higher quality of life for all people," in which "economic development, social development and environmental protection are interdependent and mutually reinforcing components."

Sweep Account - A municipal bank account from which the host financial institution electronically transfers all or part of the balance over a specified threshold to a temporary investment elsewhere for the benefit of a higher, overnight investment return. At the end of the overnight investment period, the funds are returned to the municipal account and are available for use. (See Overnight Repurchase Agreements)

SWM - See: *Storm Water Management*.

Sworn Employees - Employees required under the Municipal and State Codes to enforce the law or to otherwise carry out the City's police power protecting the health, safety and welfare of the community. Often this term is used to denote the officers (non-civilians) in the Police and Fire departments. However, other municipal officers are under oath to enforce the City Code. They also may include Building and Zoning Inspectors and Licensing Enforcement Officers.

System Development Fees - Fees charged to join or to extend an existing utility system. Also referred to as *tap fees* or *connection fees*.

TAN - See: *Tax Anticipation Note*.

Tap Fees - Fees charged to join or to extend an existing utility system. Also referred to as *hook-up fees* or *connection fees*. (Also see: *System Development Fees*).

Tax Anticipation Notes (TAN) - Notes (loans), sometimes called warrants, issued in anticipation of the collection of taxes in order to receive revenue before the actual revenue is due. Most often used for cash-flow

purposes and retired from the proceeds of the tax levy they anticipate.

Tax Base – Total assessed valuation of real property within the City.

Tax Certificate – Official proof of payment of taxes due provided at the time of transfer of property title by the state or local government.

Tax Collector – The county officer charges with the collection of ad valorem and non-ad valorem assessments/fees levied by the county, the school board, special taxing districts and municipalities with the county.

Tax-Deferred - The term tax deferred refers to the deferral of income taxes on interest earnings until the interest is withdrawn from the investment. Some vehicles or products that enjoy this special tax treatment include permanent life insurance, annuities, deferred compensation plans, 401(k) plan and the like, and any investment held in IRA's.

Tax-Increment Financing – In a designated tax increment financing district are frozen at the initial valuation and continue to be distributed to the various taxing districts. However, as development causes the valuation of the property to rise, the difference or increment between the frozen valuation levels and increased value after development, is pledged and improvement bonds are issued, using this increment to guarantee the bond repayment. Tax Increment Finance Bonds (TIF): Bonds sold to investors to raise capital for development activities. Interest paid to bond purchasers is usually exempt from state and federal taxation, although TIF bonds can also be sold to investors with no interest exemption from state and federal taxes.

Tax Levy – See: *Levy*.

Tax Rate – The amount of tax levied for each \$1,000 of taxable property valuation (See: *Levy, Millage Rate*).

Taxable Value – The assessed value of property minus the amount of any applicable exemption provided under the state constitution and statutes.

Taxes – Compulsory charges levied by government for the purpose of financing services performed for the common benefit of all citizens. This term does not include charges for services rendered only to those paying such user fees; for example, utility charges. In addition, this term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments.

Taxing Jurisdiction – The power to tax and govern within a geographic territorial range.

Taxing Limit – The maximum rate at which the City may levy a property tax, which for Florida municipalities is 10 mills or \$10 per thousand dollars of taxable value. This limit may be exceeded for capital bond issues voted by the residents.

Taxpayer – The person or other legal entity in whose name property is assessed, including an agent of a timeshare period titleholder.

T-Bill – See: *Treasury Bill*.

TDD – Telecommunications Device for the Deaf.

Technical Default - Failure by the issuer to meet the requirements of a bond covenant. These defaults do not necessarily result in losses to the bond holder. The default may be cured by simple changes of policy or actions by the issuer.

Temporary Employee – An employee who is hired to fill a position anticipated to have continuous services duration of less than one year.

Tentative Budget – The tentative budget is the draft budget presented to Council in July each year. This is the document that will be tentatively adopted at the first public hearing. (See: *Recommended Budget*)

Time-of-Use Rates: the pricing of electricity based on its estimated cost during a particular time block. Time-of-use rates are usually divided into three or four time blocks per 24-hour period (on-peak, mid-peak, off-peak and sometimes super off-peak) and by seasons of the year (summer and winter). Real-time pricing differs from time-of-use rates in that it is based on actual (as opposed to forecast) prices that may fluctuate many times a day and are weather-sensitive, rather than varying with a fixed schedule.

TIP – See: *Transportation Improvement Program*.

Tippling Fee - A fee charged to customers by the operators of waste management facilities for the right of disposing waste at their sites

Top 10 Taxpayers - This measures total assessed valuation of the 10 largest taxpayers as a percentage of the total taxable assessed valuation of the jurisdiction.

Total Operating Revenues - All revenues except for other financing sources and cash balance forward.

Total Quality Management (TQM) - A work culture that more fully utilizes the skills and abilities of workers to approach problems and new tasks under improved systems that encourage communication, cooperation, and innovation.

TQM – See: *Total Quality Management*.

Traffic Calming - Techniques intended to reduce the negative impacts of motor vehicles on neighborhoods by reducing vehicle speeds and by providing safe spaces for pedestrians and cyclists.

Transit Corridor – A broad geographic band that follows a general directional flow of travel connecting major origins and destinations of trips and which may contain a number of streets, highways and transit routes.

Transportation - A major expenditure category used to account for the cost of services provided for the safe and adequate flow of vehicles, travelers, and pedestrians and for beautification of highways.

Transportation Fund – A special revenue fund established to account for various transportation-restricted revenues such as the Local Options Gas Tax and the restricted portion of the State Revenue Sharing revenue.

Transportation Improvement Program (TIP) - A five year transportation work program combining plans from the state, county, and city levels of government. The TIP is administered by the local MPO.

Transfers - Monies shifted from one fund into another; listed, therefore, as an expenditure in the former and as a revenue in the latter. (Also see: *Budget Transfers*).

Transit-Oriented Development - A form of development that emphasizes alternative forms of transportation other than the automobile - such as walking, cycling, and mass transit - as part of its design. Transit-Oriented Development locates retail and office space around a transit stop. This activity center is located adjacent to a residential area with a variety of housing options such as apartments, townhouses, duplexes, and single family houses.

Treasuries – See: *Treasury Bill*.

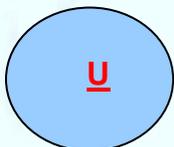

Treasury Bill – A non-interest-bearing obligation, fully guaranteed by the United States Government, payable to the bearer. Bills are sold on a discount basis so that the yield is the difference between the purchase price and the face value thereof.

TRIM – See: *Truth in Millage*.

Trust and Agency Funds - Also known as Fiduciary Fund Types, these individual funds are used to account for assets held by the City in a trustee capacity or as an agent for private individuals, organizations, or other governmental agencies. Agency funds are custodial in nature (assets equal liabilities) and do not measure the results of operations.

Trustee - A bank designated as the custodian of funds and official representative of bondholders. Trustees are appointed to insure compliance with the trust indenture and represents bondholders to enforce their contract with the issuer.

Truth in Millage (TRIM) - Term used in state law (F.S. 200.065) to describe the procedure for levying ad valorem taxes (See: *Roll-Back Rate*).

UASI – (Pronounced: You-ah-Zee). See: *Urban Areas Security Initiative*.

UMSA – (Pronounced: Um-sah). See: *Unincorporated Municipal Service Area*.

Underwrite – To agree to buy an issue of securities on a given date at a specific price or to agree to buy unsubscribed securities of an Issue, thus assuming the liability of guaranteeing the Issuer the full anticipated proceeds.

Underwriter – The person, firm or institution who agrees to underwrite an issue of securities. (See: *Underwrite*).

Underwriting Spread – An amount representing the difference between the price at which securities are bought from the Issuer by the Underwriter and the price at which they are reoffered to the investor.

Undesignated Fund Balance – The portion of a fund's balance that is not restricted for a specific purpose and available for general appropriation.

Unencumbered Fund Balance – See: *Undesignated Fund Balance*.

Unfunded Liabilities – Unfunded liabilities are debts that will not be due for a comparatively long time (usually more than one year) and that no provisions have been made for their repayment or that portion of a long term obligation which cannot be paid when due based on a projection of current financial commitment levels. (Also See: *Liabilities, Current Liabilities and Long-Term Liabilities*).

Unfunded Mandate - An y responsibility, action or procedure that is imposed by one government on another through constitutional, legislative, administrative, executive, or judicial action as a direct order, or that is required as a condition of aid, and for which the imposing party provides no financial assistance. (Also See: *Mandate*).

Unfunded OPEB Liability – This is the difference between the value assigned to the benefits (other than retirement) already earned by a municipality's employees and the assets the local government will have on hand to meet these obligations. While there is no requirement in Massachusetts to fund this liability, GASB 45 requires that the dollar value of the unfunded OPEB liability is determined every two years. (See GASB 45; OPEB)

Unincorporated Municipal Service Area (UMSA) - Any area of Miami-Dade County not within the corporate boundaries of a municipality. Established as a special taxing district by the County.

Unreserved Fund Balance – See: *Undesignated Fund Balance*.

Urban Areas Security Initiative (UASI) - A Federal program under the Department of Homeland Security, the UASI Program provides financial assistance to address the unique multi-disciplinary planning, operations, equipment, training, and exercise needs of high-threat, high-density urban areas, and to assist them in building and sustaining capabilities to prevent, protect against, respond to, and recover from threats or acts of terrorism.

U.S. Green Building Council - A national non-profit that promotes green building practices, technologies, policies, and standards. It established LEED certification guidelines; the country's most commonly used rating system for green buildings. The council was founded in 1993 in Washington, D.C., and has chapters around the country. (Also see: *LEED*)

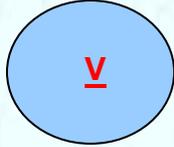

USEPA – See: *Environmental Protection Agency*.

User Fees/Charge – User fees and charges are Revenue derived from payments made by the general public for the purpose of utilizing goods and services, such as entry fees, Park Department charges, class registrations, tenant rental and concessions.

USHUD – See: *Housing and Urban Development*.

Utility Taxes – Municipal charges levied by the City on every purchase of a public service within its corporate

boundaries. Public service includes electricity, gas, fuel oil, water, and telephone services.

Vacancy Savings - Savings generated by not filling vacant positions, by not filling newly authorized positions, or by filling a vacant position at a lower grade or step.

Vacate - To make vacant or cease the use of an abandoned conveyance previously public right-of-way (streets, alleys) to the adjacent land user; transfer ownership.

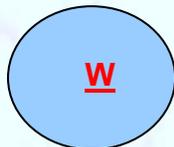

Value Engineering - Value engineering by an independent engineering review (design and construction) of construction projects in an effort to reduce overall project costs. The review normally examines alternative designs, materials and construction process without sacrificing design intent, quality, public safety, and regulations.

Variable Rate Bond - A bond whose yield is not fixed but is adjusted periodically according to a prescribed formula.

Variable Interest Rate - The rate of interest on a Bond or Note which varies according to a formula set forth in the security. Variable interest rates are most often tied to the prime rate of a particular lending institution, the Consumer Price Index, Federal Funds rates or other money market measurements.

Variance - A modification of the specific regulations granted by the Board of Adjustment for the purpose of assuring that no property, because of special circumstances applicable to it, shall be deprived of privileges commonly enjoyed by other properties in the same vicinity and zone.

Very Low-Income - Households with incomes between 0 and 50 percent of the area wide median family income. Thresholds vary depending on the number of persons in the household.

Warrant (Finance) - A short-term debt financing mechanism used to fund a particular expenditure or set of expenditures in anticipation of a bond issue. Warrants are typically provided by local banks.

WASD - See: *Water/Sewer Services*

Water/Sewer Services - A physical environment expenditure used to account for the provision of water and sewer services. Water and sewer services are provided to the Miami Gardens' residents by Miami-Dade County Water & Sewer Department (WASD), and the cities of North Miami Beach and Opa-Locka.

Watershed - A relatively large area of land that drains water into a river, creek or into an aquifer (an underground

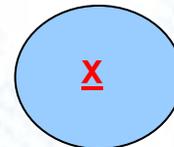

reservoir or lake). In Central Texas, water draining into an aquifer usually flows into recharge features such as caves or fractures in the ground.

Windows - A Microsoft program used to create and edit text and graphics in letters, reports, Web pages, or e-mail messages.

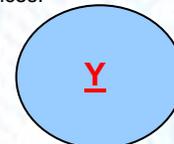

Working Capital Reserve - Budgeted funds with no particular commitment as to expenditures. Provides operating flexibility during the budget year to meet unexpected needs or requirements. (Also see: *Contingency*).

Workload Indicators - Measure of the output of a department or other operating entity. They may consist of transactions, products, events, services or persons served.

Working Capital Reserve - A line item in the operating budget of unencumbered funds that can be used as necessary during the fiscal year to meet unexpended expenses or to take advantage of unexpected opportunities.

Xeriscape - The practice of conserving water and energy through landscaping design that limits lawn areas, irrigates efficiently, improves soils, uses mulches, chooses low water use plants, and employs other good maintenance practices.

Year-End - This term means as of September 30th (end of the fiscal year).

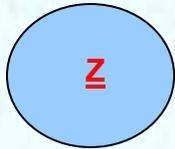

Year-End Closing - The period necessary for all accounting transactions to be completed from the previous fiscal year until the Comprehensive Annual Financial Report (CAFR) is audited and published.

Yellow Book - An informal name for the U.S. General Accounting Office's 1988 publication, "Government Auditing Standards."

Yield - In general, the yield is the amount of current income provided by an investment. For stocks, the yield is calculated by dividing the total of the annual dividends by the current price. For bonds, the yield is calculated by dividing the annual interest by the current price. The yield is distinguished from the return, which includes price appreciation or depreciation.

Yield-to-maturity - Return available taking into account the interest rate, length of time to maturity, and price paid. It is assumed that the coupon reinvestment rate for the life of the bonds will be the same as the yield-to-maturity.

YTD - Year-to-Date.

Zero-Based Budgeting - In *government*, the approach of justifying the budget and its program for each year or two, instead of studying funding increases or decreases in the programs separately as the need arises; (2) In *accounting and budgeting*: a financial management technique to redirect funds from lower-priority current programs to higher ones to pinpoint opportunities for improved efficiency and effectiveness, to reduce budgets while raising operating performance, and to improve profitability. (Also See: *Incremental Budget, Line-Item Budget and Program Budget*).

Zero-Coupon Bond - This type of bond makes no periodic interest payments but instead is sold at a steep discount from its face value. Bondholders receive the face value of their bonds when they mature.

Zoning – The partitioning of a city, borough, township or County by ordinance into sections reserved for different land use purposes (i.e. residential, commercial, industrial).

ORDINANCE NO. 2012-11-284

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, APPROVING AND ADOPTING THE CITY'S BUDGET FOR THE 2012-2013 FISCAL YEAR; PROVIDING FOR THE EXPENDITURE OF FUNDS; AUTHORIZING THE CITY MANAGER TO TAKE CERTAIN ACTIONS; PROVIDING FOR CARRYOVER OF FUNDS; PROVIDING FOR INTERFUND TRANSFERS; PROVIDING FOR AUTOMATIC AMENDMENT; PROVIDING FOR ADOPTION OF REPRESENTATIONS; REPEALING ALL ORDINANCES IN CONFLICT; PROVIDING A SEVERABILITY CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, in accordance with Section 4.5 of the City of Miami Gardens (the "City") Charter, the City Council is required to adopt an annual budget for the City, and

WHEREAS, the City Manager has prepared a tentative budget book, a copy of which is attached and made a part hereto, that details proposed city expenditures and organizational arrangements for Fiscal Year 2012-2013, and

WHEREAS, the proposed Fiscal Year 2012-2013 budget for the City of Miami Gardens, included an estimate of revenues and expenditures, and

WHEREAS, the City Manager has provided for various City departments in the budget, and

WHEREAS, the City Council has determined the amount of money which must be raised to conduct the affairs of the City as required by City-operating funds, departments, offices and agencies for Fiscal Year 2012-2013, so that the business of the City may be conducted on a balanced budget, and

WHEREAS, the City Council has also determined the amount necessary to be raised by ad valorem taxes and other taxes or special assessments upon all of the property, real and personal, within the corporate limits of the City of Miami Gardens, and

WHEREAS, public hearings as required by Section 200.065, Florida Statutes, will be held by the City on Wednesday, September 12, 2012 at 6:00 p.m., and Wednesday, September 26, 2012, at 6:00 p.m. at City Hall, 1515 N.W. 167th Street, Building 5-200, Miami Gardens, FL 33169, and

WHEREAS, said public hearings have been held as stated above and comments from the public concerning said budget have been heard and considered, and

WHEREAS, the amount of funds available from taxation and other non-ad valorem revenues equals the total appropriations for expenditures and reserves, and

WHEREAS, during the course of a budgetary year, the City applies for and/or receives certain grants and reimbursements, and

WHEREAS, the City does not know the dollar amount of the grants or reimbursements that will be awarded at the time that the budget is approved, and

WHEREAS, when grants, reimbursements and donations are awarded and accepted by the City, these funds must be accounted for in the budget, and

WHEREAS, it is more expedient to allow the Resolution accepting the grant or donation to enact the necessary budget transfers and amendments,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, AS FOLLOWS:

SECTION 3. EXPENDITURE OF FUNDS: The City Manager is authorized to expend or contract for expenditures, pursuant to the Charter of the City of Miami Gardens and adopted Code of Ordinances, in accordance with the adopted Fiscal Year 2012-2013 budget and budget detail, which is attached hereto and made a part of this ordinance as if it were set forth here in full.

SECTION 4. AUTHORIZATION TO THE CITY MANAGER: The City Manager is hereby authorized and empowered to make budgetary transfers, limited to line item

allocations within a single fund, including apportioning budgets within funds to line items in the Chart of Accounts for the City. Said authority shall include the authority to correct inter-fund transfers and accounting allocations.

SECTION 5. AUTHORIZATION TO THE CITY MANAGER: The City Manager is hereby authorized and empowered to amend the budget on an as-needed basis in order to correct typographical errors or omissions that are purely scribes' errors.

SECTION 6. AUTHORIZATION TO THE CITY MANAGER: The City Manager is hereby authorized to appropriate unanticipated revenues as deemed necessary.

SECTION 7. AUTOMATIC AMENDMENT: The Budget shall be automatically amended upon the adoption of a resolution to accept a grant or donation of funds or upon issuance of a bond or other municipal debt instrument.

SECTION 8. CARRYOVER OF FUNDS: Funds from the City's Fiscal Year 2011-2012 Budget not expended during Fiscal Year 2011-2012 shall be appropriated to the appropriate fund's budgeted working capital reserve for Fiscal Year 2012-2013. The budget shall also automatically re-appropriate any encumbrances and outstanding contracts carried forward from fiscal year 2012-13.

SECTION 9. REVENUE MANUAL: All fees shall be set as outlined in the FY 2012-2013 Revenue Manual which is included in the FY 2012-2013 Annual Operating Budget Document. This manual may be amended from time to time during the fiscal year by City Council by resolution.

SECTION 10. FINANCIAL POLICIES: All policies included under "Financial Policies" in the FY 2012-2013 Annual Operating Budget Document is adopted and approved

by Council. The policies may be amended from time to time during the fiscal year by City Council by resolution.

SECTION 11. INTERFUND TRANSFERS: The City Manager is authorized to effectuate all interfund transfers anticipated by this budget to include line items classified as 'Transfers to,' and 'Transfers from,' regardless of fund.

SECTION 12. INSTRUCTIONS TO THE CITY MANAGER: The City Manager is authorized to take all actions necessary to implement the terms and conditions of this Ordinance.

SECTION 13. CONFLICT: All ordinances or Code provisions in conflict herewith are hereby repealed.

SECTION 14. SEVERABILITY: If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions of this Ordinance.

SECTION 15. EFFECTIVE DATE: This ordinance shall become effective immediately upon its final passage.

PASSED ON FIRST READING IN FULL ON THE 12th DAY OF SEPTEMBER 2012.

RESOLUTION NO. 2012-140-1735

A RESOLUTION OF THE CITY OF MIAMI GARDENS, FLORIDA, ADOPTING A FINAL MILLAGE RATE AT A PUBLIC HEARING, FOR THE FISCAL YEAR COMMENCING OCTOBER 1, 2012, THROUGH SEPTEMBER 30, 2013; ESTABLISHING THE ROLLBACK RATE; PROVIDING FOR DIRECTIONS TO THE FINANCE DIRECTOR THROUGH THE CITY MANAGER; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, on July 25, 2012, the City Council adopted Resolution No. 2012-114-1709 determining a proposed Millage Rate for the fiscal year commencing October 1, 2012 ("Fiscal Year 2012-2013"), and scheduling the public hearings required by Section 200.065 of the Florida Statutes to be held on September 12, 2012 at 6:00 p.m., and September 26, 2012, at 6:00 p.m. and

WHEREAS, the City Manager has recommended an annual budget for Fiscal Year 2012-2013 commencing October 1, 2012, and

WHEREAS, the public and all interested parties have had the opportunity to address their comments to the City Council and the City Council has considered the comments of the public regarding the millage rate,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, AS FOLLOWS:

Section 1. ADOPTION OF REPRESENTATIONS: The foregoing Whereas paragraphs are hereby ratified and confirmed as being true, and the same are hereby made a specific part of this Resolution.

Section 2. COMPUTATION OF THE ROLLBACK RATE: The roll-back rate for FY 2012-2013 is 6.3620 mills.

Section 3. ADOPTION OF PROPOSED MILLAGE RATE: The City Council hereby adopts and establishes the proposed millage rate for the City of Miami Gardens for FY 2012-2013 at 6.3620 mills, which is which is \$6.362 per \$1,000.00 of taxable property value within the City of Miami Gardens, Florida. The percent increase of this millage rate over the roll-back rate is 0%.

Section 4: DIRECTIONS TO THE FINANCE DIRECTOR THROUGH THE CITY MANAGER: The Finance Director, through the City Manager, is directed to complete all TRIM Compliance requirements utilizing the Department of Revenue electronic eTRIM system.

Section 5. EFFECTIVE DATE: This resolution shall be effective immediately upon its adoption.

PASSED AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS AT ITS SPECIAL MEETING HELD ON SEPTEMBER 26, 2012.
